Comprehensive General Liability Insurance Acknowledgement Form

The New Hampshire Office of the Attorney General requires that the Request for Proposal (RFP) package inform all proposal submitters of the State of New Hampshire's general liability insurance requirements. The limits of liability required are dependent upon your corporation's legal formation, and the annual total amount of contract work with the State of New Hampshire.

Please select only ONE of the checkboxes below that best describes your corporation's legal formation and annual total amount of contract work with the State of New Hampshire:

Insurance Requirement for (1) - 501(c) (3) contractors whose annual gross amount of contract work with the State does not exceed \$500,000, per RSA 21-I:13, XIV, (Supp. 2006): The general liability insurance requirements of standard state contracts for contractors that qualify for nonprofit status under section 501(c)(3) of the Internal Revenue Code and whose annual gross amount of contract work with the state does not exceed \$500,000, is comprehensive general liability insurance in amounts of not less than \$1,000,000 per claim or occurrence and \$2,000,000 in the aggregate. *These amounts may NOT be modified.*

- The contractor certifies that it **IS** a 501(c) (3) contractor whose annual total amount of contract work with the State of New Hampshire does **not** exceed \$500,000.

Insurance and Bond, shall apply: The Contractor shall, at its sole expense, obtain and maintain in force, and shall require any subcontractor or assignee to obtain and maintain in force, both for the benefits of the State, the following insurance: comprehensive general liability insurance against all claims of bodily injury, death or property damage, in amounts of not less than \$250,000 per claim and \$2,000,000 per incident or occurrence. *These amounts MAY be modified if the State of NH determines contract activities are a risk of lower liability.*

- (2) The contractor certifies it does **NOT** qualify for insurance requirements under RSA 21-I:13, XIV (Supp. 2006).

(2) Use and Disclosure of Protected Health Information

a. Business Associate shall not use, disclose, maintain or transmit Protected Health Information (PHI) except as reasonably necessary to provide the services outlined under Exhibit A of the Agreement. Further, the Business Associate shall not, and shall ensure that its directors, officers, employees and agents, do not use, disclose, maintain or transmit PHI in any manner that would constitute a violation of the Privacy and Security Rule.

b. Business Associate may use or disclose PHI:

- (i) for the proper management and administration of the Business Associate;
- (ii) as required by law, pursuant to the terms set forth in paragraph d. below; or
- (iii) for data aggregation purposes for the health care operations of Covered Entity.

c. To the extent Business Associate is permitted under the Agreement to disclose PHI to a third party, Business Associate must obtain, prior to making any such disclosure, (i) reasonable assurances from the third party that such PHI will be held confidentially and used or further disclosed only as required by law or for the purpose for which it was disclosed to the third party; and (ii) an agreement from such third party to immediately notify Business Associate of any breaches of the confidentiality of the PHI, to the extent it has obtained knowledge of such breach.

d. The Business Associate shall not, unless such disclosure is reasonably necessary to provide services under Exhibit A of the Agreement, disclose any PHI in response to a request for disclosure on the basis that it is required by law, without first notifying Covered Entity so that Covered Entity has an opportunity to object to the disclosure and to seek appropriate relief. If Covered Entity objects to such disclosure, the Business Associate shall refrain from disclosing the PHI until Covered Entity has exhausted all remedies.

e. If the Covered Entity notifies the Business Associate that Covered Entity has agreed to be bound by additional restrictions on the uses or disclosures or security safeguards of PHI pursuant to the Privacy and Security Rule, the Business Associate shall be bound by such additional restrictions and shall not disclose PHI in violation of such additional restrictions and shall abide by any additional security safeguards.

(3) Obligations and Activities of Business Associate

a. Business Associate shall report to the designated Privacy Officer of Covered Entity, in writing, any use or disclosure of PHI in violation of the Agreement, including any security incident involving Covered Entity data, of which it becomes aware, within two (2) business days of becoming aware of such unauthorized use or disclosure or security incident.

b. Business Associate shall use administrative, physical and technical safeguards that reasonably and appropriately protect the confidentiality, integrity and availability of protected health information, in electronic or any other form, that it creates, receives, maintains or transmits under this Agreement, in accordance with the Privacy and Security Rules, to prevent the use or disclosure of PHI other than as permitted by the Agreement.

c. Business Associate shall make available all of its internal policies and procedures, books and records relating to the use and disclosure of PHI received from, or created or received by the Business Associate on behalf of Covered Entity to the Secretary for purposes of determining Covered Entity's compliance with HIPAA and the Privacy and Security Rule.

d. Business Associate shall require all of its business associates that receive, use or have access to PHI under the Agreement, to agree in writing to adhere to the same restrictions and conditions on the use and disclosure of PHI contained herein, including the duty to return or destroy the PHI as provided under Section (3)b and (3)k herein. The Covered Entity shall be considered a direct third party beneficiary of the Contractor's business associate agreements with Contractor's intended business associates, who will be

receiving PHI pursuant to this Agreement, with rights of enforcement and indemnification from such business associates who shall be governed by standard provision #13 of this Agreement for the purpose of use and disclosure of protected health information.

e. Within five (5) business days of receipt of a written request from Covered Entity, Business Associate shall make available during normal business hours at its offices all records, books, agreements, policies and procedures relating to the use and disclosure of PHI to the Covered Entity, for purposes of enabling Covered Entity to determine Business Associate's compliance with the terms of the Agreement.

f. Within ten (10) business days of receiving a written request from Covered Entity, Business Associate shall provide access to PHI in a Designated Record Set to the Covered Entity, or as directed by Covered Entity, to an individual in order to meet the requirements under 45 CFR Section 164.524.

g. Within ten (10) business days of receiving a written request from Covered Entity for an amendment of PHI or a record about an individual contained in a Designated Record Set, the Business Associate shall make such PHI available to Covered Entity for amendment and incorporate any such amendment to enable Covered Entity to fulfill its obligations under 45 CFR Section 164.526.

h. Business Associate shall document such disclosures of PHI and information related to such disclosures as would be required for Covered Entity to respond to a request by an individual for an accounting of disclosures of PHI in accordance with 45 CFR Section 164.528.

i. Within ten (10) business days of receiving a written request from Covered Entity for a request for an accounting of disclosures of PHI, Business Associate shall make available to Covered Entity such information as Covered Entity may require to fulfill its obligations to provide an accounting of disclosures with respect to PHI in accordance with 45 CFR Section 164.528.

j. In the event any individual requests access to, amendment of, or accounting of PHI directly from the Business Associate, the Business Associate shall within two (2) business days forward such request to Covered Entity. Covered Entity shall have the responsibility of responding to forwarded requests. However, if forwarding the individual's request to Covered Entity would cause Covered Entity or the Business Associate to violate HIPAA and the Privacy and Security Rule, the Business Associate shall instead respond to the individual's request as required by such law and notify Covered Entity of such response as soon as practicable.

k. Within ten (10) business days of termination of the Agreement, for any reason, the Business Associate shall return or destroy, as specified by Covered Entity, all PHI received from, or created or received by the Business Associate in connection with the Agreement, and shall not retain any copies or back-up tapes of such PHI. If return or destruction is not feasible, or the disposition of the PHI has been otherwise agreed to in the Agreement, Business Associate shall continue to extend the protections of the Agreement, to such PHI and limit further uses and disclosures of such PHI to those purposes that make the return or destruction infeasible, for so long as Business Associate maintains such PHI. If Covered Entity, in its sole discretion, requires that the Business Associate destroy any or all PHI, the Business Associate shall certify to Covered Entity that the PHI has been destroyed.

(4) Obligations of Covered Entity

a. Covered Entity shall notify Business Associate of any changes or limitation(s) in its Notice of Privacy Practices provided to individuals in accordance with 45 CFR Section 164.520, to the extent that such change or limitation may affect Business Associate's use or disclosure of PHI.

b. Covered Entity shall promptly notify Business Associate of any changes in, or revocation of permission provided to Covered Entity by individuals whose PHI may be used or disclosed by Business Associate under this Agreement, pursuant to 45 CFR Section 164.506 or 45 CFR Section 164.508.

c. Covered entity shall promptly notify Business Associate of any restrictions on the use or disclosure of PHI that Covered Entity has agreed to in accordance with 45 CFR 164.522, to the extent that such restriction may affect Business Associate's use or disclosure of PHI.

(5) Termination for Cause

In addition to standard provision #10 of this Agreement the Covered Entity may immediately terminate the Agreement upon Covered Entity's knowledge of a breach by Business Associate of the Business Associate Agreement set forth herein as Exhibit I. The Covered Entity may either immediately terminate the Agreement or provide an opportunity for Business Associate to cure the alleged breach within a timeframe specified by Covered Entity. If Covered Entity determines that neither termination nor cure is feasible, Covered Entity shall report the violation to the Secretary.

(6) Miscellaneous

a. Definitions and Regulatory References. All terms used, but not otherwise defined herein, shall have the same meaning as those terms in the Privacy and Security Rule, as amended from time to time. A reference in the Agreement, as amended to include this Exhibit I, to a Section in the Privacy and Security Rule means the Section as in effect or as amended.

b. Amendment. Covered Entity and Business Associate agree to take such action as is necessary to amend the Agreement, from time to time as is necessary for Covered Entity to comply with the changes in the requirements of HIPAA, the Privacy and Security Rule, and applicable federal and state law.

c. Data Ownership. The Business Associate acknowledges that it has no ownership rights with respect to the PHI provided by or created on behalf of Covered Entity.

d. Interpretation. The parties agree that any ambiguity in the Agreement shall be resolved to permit Covered Entity to comply with HIPAA and the Privacy and Security Rule.

e. Segregation. If any term or condition of this Exhibit I or the application thereof to any person(s) or circumstance is held invalid, such invalidity shall not affect other terms or conditions which can be given effect without the invalid term or condition; to this end the terms and conditions of this Exhibit I are declared severable.

f. Survival. Provisions in this Exhibit I regarding the use and disclosure of PHI, return or destruction of PHI, extensions of the protections of the Agreement in section 3 k, the defense and indemnification provisions of section 3.d and standard contract provision #13, shall survive the termination of the Agreement.

IN WITNESS WHEREOF, the parties hereto have duly executed this HEALTH INSURANCE PORTABILITY AND ACCOUNTABILITY ACT BUSINESS ASSOCIATE AGREEMENT.

**PRISON RAPE ELIMINATION ACT
ACKNOWLEDGEMENT FORM**

The Prison Rape Elimination Act (PREA) of 2003 (with Final Rule August 2012) is a federal law established to address the elimination and prevention of sexual assault and sexual harassment within correctional systems and detention facilities. This Act applies to all correctional facilities, including prisons, jails, juvenile facilities and community corrections residential facilities. PREA incidents involve the following conduct:

- Resident-on-resident sexual assault
- Resident-on-resident abusive sexual contact
- Staff sexual misconduct
- Staff sexual harassment, assault of a resident

The act aimed to curb prison rape through a “zero-tolerance” policy, as well as through research and information gathering. The NH Department of Corrections has zero tolerance relating to the sexual assault/rape of offenders and recognizes these offenders as crime victims. Due to this recognition and adherence to the federal Prison Rape Elimination Act (PREA) of 2003, the NH Department of Corrections extends the “zero tolerance” to the following:

- Contractor/subcontractor misconduct
- Contractor/subcontractor harassment, assault of a resident

As a Contractor and/or Subcontractor of the NH Department of Corrections, I acknowledge that I have been provided information on the Prison Rape Elimination Act of 2003 Public Law 108-79—Sept. 4, 2003 and have been informed that as a Contractor and/or Subcontractor of the NH Department of Corrections, sexual conduct between Contractor and/or Subcontractor and offenders is prohibited. Sexual harassment or sexual misconduct involving an offender can be a violation of NH RSA 632-A:2, 632-A:3 and 632-A:4, Chapter 632-A: Sexual Assault and Related Offenses, and result in criminal prosecution.

As a Contractor and/or Subcontractor of the NH Department of Corrections, I understand that I shall inform all employees of the Contractor and/or Subcontractor to adhere to all policies concerning PREA, RSA 632-A:2, RSA 632-A:3, RSA 632-A:4 and departmental policies including NHDOC PPD 5.19 - PREA; NHDOC Administrative Rules, Conduct and Confidentiality Information regarding my conduct, reporting of incidents and treatment of those under the supervision of the NH Department of Corrections. (Ref. RSA Chapter 632-A, NHDOC PPD 5.19 and Administrative Rules, Rules of Conduct for Persons Providing Contract Services, Confidentiality of Information Agreement).
