Retroactive

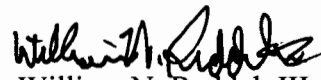

REQUESTED ACTION

Pursuant to RSA 4:8-Gifts, the Adjutant General Department respectfully requests to accept a retroactive donation in the amount of \$344.50 for travel expenses for Carolyn J. Protzmann, Deputy Adjutant General, with Governor and Council approval. The Deputy Adjutant General attended the 2014 Annual Commission Meeting of the Interstate Commission on Educational Opportunity for Military Children which was held November 13 through November 15, 2014 in Nashville, TN.

EXPLANATION

The Interstate Commission on Education Opportunity for Military Children was created to help overcome educational transition issues of children of military families. The Office of the Secretary of Defense working through its Defense-State Liaison Office collaborated with the Council of State Governments to develop the Compact. The goal of the Compact is to replace the widely varying treatment of transitioning military students with a comprehensive approach that provides a uniform policy in every school district in every state that chooses to join.

Respectfully submitted,

William N. Reddel, III
Major General, NHNG
The Adjutant General
