REQUESTED ACTION

To authorize New Hampshire Employment Security (NHES) to enter into a short term lease agreement with Littleton Area Learning Center, LLC, Littleton, NH for rental of 6,510 square feet of office space located at 646 Union Street, Littleton, for an eighteen (18) month period, commencing July 1, 2019 through December 31, 2020, at a total cost of \$126,954. 100% Federal funds.

Federal funds to support this request are anticipated to be available in the following account in State Fiscal Years 2020 and 2021 contingent upon the availability and continued appropriation of funds in future operating budgets, with the ability to adjust encumbrances between SFYs through the Budget Office, if needed and justified:

02 - 27 - 27 - 270010 - 8040	DEPT OF EMPLOYMENT SECURITY	<u>SFY 2020</u>	<u>SFY 2021</u>
10 - 02700 - 80400000 - 022 - 500248	Rental, Non-State	\$84,636	\$42,318

EXPLANATION

The base rental of this office space under this amendment is \$13.00 per square foot or \$7,053 monthly, which includes landlord paid heat and electricity as well as other landlord paid services including general maintenance, snowplowing, water/sewer, etc. Additional costs to NHES for janitorial and dumpster services are estimated at \$6,500 annually or approximately \$1.00 per square foot. These expenses bring the estimated cost per square foot to \$14.00. NHES issued an RFP in the fall of 2016 and spent considerable time reviewing other sites in keeping with Department of Administrative Services' requirements without locating a better site at a more economical square foot cost. It is the department's intention to initiate a new competitive process during this time to determine the most appropriate location within Littleton for a new long term lease. Approval of this short term lease will allow the Department to continue to provide uninterrupted services to the region.

Respectfully submitted,

George N. Copadis
Commissioner

Requesting Agency: New Hampshire Employment Security, 45 South Fruit Street, Concord, NH

DESCRIPTION: NHES has a 6,510 SF lease space at the Littleton Learning Center, LLC c/o Northern Community Investments Company (NCIC), located at 646 Union, Littleton, New Hampshire. NHES has leased it since May of 2011. They have completed the RFP process to renew the lease, with no success. All of the spaces submitting Letters of Interest priced the new fit-ups at above NHES budget for rent. They have already amended the current lease because the cost of moving to another space, smaller than the existing space, would cost much more than to stay at their existing space. NHES needs to renew their lease and cannot complete another amendment to the current lease. NHES would also like to potentially RFP for space in a new building to be built within 18 months. If they RFP now they will be locked into a lease and cannot negotiate for a better solution in Littleton. They would like to request to waive the RFP public notice since there is not a viable option at this time to move their department in Littleton. They are going to negotiate a short term lease, so when the new building is being constructed they can RFP to negotiate for better space at a better rate.

Recommendation: Bureau of Planning Management recommends approval of this waiver to relieve a time sensitive burden and apply special circumstances to procure swiftly than would be possible by the utilization of the notice. NHES has shown due diligence trying to RFP for a better rent rate and nothing is more cost effective or in their budget. They are hoping to get a more competitive result in the 12 to 18 months. By renewing the lease at this space the rate increase is minimal with little to no construction upgrades. This will allow them to be more financially frugal with the next lease negotiations. This lease rate does compare favorably to the current price of similar spaces in Littleton. This would eliminate additional money and time used to have the same outcome.

Re: Request for Waiver of Public Notice Requirement in Connection with the Lease of Space in 646 Union Street, Littleton, NH (the Location of New Hampshire Employment Security's Littleton Local Office)

Dear Commissioner Arlinghaus:

Pursuant to N.H. Administrative Rule Adm 610.11, Exemptions and Waivers from Public Notice Requirement, New Hampshire Employment Security ("NHES") is seeking a waiver from the public notice requirement of the Procurement and Property Rules so that it may renew a lease agreement with Littleton Area Learning Center, LLC c/o Northern Community Investment Company (NCIC), for the property located at 646 Union Street, Littleton, New Hampshire.

I. Background

In May of 2011, NHES entered into a five-year Lease Agreement for 6,510 square feet of space located in the building known as the "Littleton Area Learning Center." Prior to the lease term ending in 2016, NHES put out a Request for Proposal seeking competitive proposals for leased space in the area. The RFP did not result in more advantageous conditions or lease terms, and the lease has subsequently been extended through the current end date of June 30, 2019.

II. Application of Adm 610.11, Exemptions and Waivers from Public Notice Requirement

In connection with requests for waivers of the usual public notice requirement, N.H. Admin. R. 610.11(c) provides, in pertinent part:

- (c) The commissioner shall, on written request of an agency seeking a rental of space at a cost equal to or greater than the governor and council approval threshold, grant a waiver from the notice, response and initial selection requirements set forth in Adm 610.06 and Adm 610.08 through Adm 610.10 if he or she concludes either that:

NHES is a proud member of America's Workforce Network and NH Works. NHES is an Equal Opportunity Employer and complies with the Americans with Disabilities Act. Auxiliary aids and services are available upon request of individuals with disabilities

Fax: (603) 228-4080 TDD/TTY Access: Relay NH 1-800-735-2964 Web site: www.nhes.nh.gov

- (1) The immediate procurement of rented space is necessary as the result of:
 - (c) Other circumstances which render it necessary to procure space more swiftly than would be possible by the utilization of the notice, response and initial selection requirements of these rules; or
- (2) The proposed rental:
 - a. Relates to space that is, or will, prior to agency occupancy, be renovated, improved, modified or otherwise changed to be in compliance with handicapped accessibility standards, clean air standards, and applicable safety, fire, and building codes; and
 - b. Is in the best interests of the state and can be obtained at a cost that compares favorably to the current price of similar space for rent, or similar space that is currently rented by the state.
- (d) In determining, under (c)(2) b. above, whether a rental is in the best interests of the state and can be obtained at a cost that compares favorably to the current price of similar space, the commissioner's assessment shall include, but not be limited to, an assessment of the possibly disruption to public access and programs, the state's incurrence of relocation expenses, and lost productivity.

NHES believes that the renewal of the lease agreement for the Littleton Local Office meets all of the requirements of Adm 610.11. As stated above, NHES has been occupying this location and using it as its Littleton Local Office for eight (8) years. This is mainly because this location has offered NHES the space it has needed for a much lower price than other possible locations. It has recently been brought to the Department's attention that there is likely to be additional space available that could very well satisfy the Department's needs in a more convenient location. However, this other space will not be available until renovation is complete, which could take anywhere from twelve (12) to eighteen (18) months. As such, to engage in the RFP process for only a temporary location would be futile and could result in wasted resources.

Additionally, the current building has already been improved and modified to be in compliance with handicapped accessibility and applicable environmental and safety standards. NHES is currently working with Gail Rucker of the Bureau of Planning Management to complete a further ADA accessibility audit to identify issues that must be addressed prior to approval of the renewed lease.

In terms of price, the landlord, Littleton Area Learning Center, LLC c/o Northern Community Investment Company (NCIC), has offered NHES the opportunity to remain in this location for eighteen (18) months at a slightly increased lease rate of \$13.00 per square foot, or \$7,052.50

monthly. The current lease rate is \$12.50 per square foot. This lease rate is inclusive of general maintenance, snowplowing, water/sewer, etc. Based on these factors, NHES believes that the \$13.00 per square foot lease value is much less than any other available properties in the area.

The "best interests" factors listed in Adm 610.11(d) also strongly favor granting the request for waiver. In this case, keeping the Littleton Local Office in its existing location would result in the least possible disruption to public access and programs. It would eliminate the incurrence of relocation expenses and also eliminate or significantly reduce any lost productivity in connection with the lease, all of which are likely to occur in eighteen months, if NHES is able to secure a new lease in the building that is currently being renovated.

III. Conclusion

Under all of the circumstances, we believe that the State's best interests are served by the granting of the requested waiver and allowing NHES to enter into a renewed lease agreement, as proposed, in connection with the Littleton Local Office located at 646 Union Street, Littleton, NH. Please feel free to contact me with any questions or concerns or if you would like further information.

Thank you for your consideration of this request.

Sincerely,
