EXPLANATION

The purpose of this loan agreement is to authorize John W. Weeden to borrow up to \$261,000 from the Drinking Water State Revolving Loan Fund (DWSRF) to finance water system improvements. These improvements include interconnecting with the City of Rochester in the Amazon Park, a mobile home park in Rochester, New Hampshire, owned and operated by John W. Weeden. The interconnection will improve water quality as the existing well has a high concentration of iron and manganese and lacks sufficient quantity during high usage periods.

The DWSRF is authorized by RSA 486:14 and N.H. Code of Administrative Rules Env-Dw 1100 et seq. The U. S. Environmental Protection Agency (EPA) has provided approximately \$104,221,498 to capitalize the DWSRF and the State has provided \$28,249,860 in required matching funds. There is currently a balance of \$8,683,217 in the DWSRF available for new loans. Attached is a tabulation of the DWSRF showing the effect of this loan on the funds available for loans.

We respectfully request your approval.

9. State's Rights and Remedies Upon Default.

9.1 General State Rights. Upon the occurrence of any Event of Default, all obligations on the part of the State to make disbursements under this Agreement shall, if the State so elects, cease, and, at the option of the State (but subject to the terms and conditions set forth in the Note and any applicable Security Instrument), the Note shall become immediately due and payable, and the State shall thereupon be authorized and empowered to exercise any rights of foreclosure or as otherwise provided for the realization of any security for the Note covered by any of the Security Instruments; but the State may make any disbursements or portions of disbursements, after the occurrence of any such Event of Default, without thereby waiving its right to demand payment of the Borrower's indebtedness evidenced by the Note and secured by the Security Instruments and without becoming liable to make any other or further advances as hereinabove contemplated by this Agreement.

9.2 Possession. In addition to the remedies hereinabove provided by Section 9.1, upon the occurrence of any Event of Default, the State shall be authorized and empowered, at its election, (i) to enter upon the Premises and construct, equip and/or complete the Improvements in accordance with the Plans, with such changes therein as the State may from time to time, in its sole discretion, deem appropriate, and to appoint watchmen to protect the Improvements, all at the risk, cost and expense of the Borrower, (ii) to discontinue, at any time, any work with respect to the Improvements commenced by it or change any course of action undertaken by it in connection therewith, and shall not be bound by any limitations or requirements of time, whether set forth herein or otherwise, and/or (iii) to assume the Construction Contract or related agreement made by the Borrower in any way pertaining to the Improvements and to take over and use all or any part or parts of the labor, materials, supplies and equipment contracted for by the Borrower, whether or not previously incorporated into the Improvements, all in the sole discretion of the State.

9.3 Completion of Improvements. In connection with any construction, equipping and/or completion of the Improvements undertaken by the State pursuant to the provisions of Section 9.2 (but without intending hereby to limit the powers and discretions conferred therein), the State may engage builders, contractors, architects and engineers and others for the purposes of furnishing labor, materials and equipment for the Improvements; pay, settle or compromise all bills or claims which may become liens against the Improvements and the Premises or which have been or shall be incurred in any manner in connection with such construction, equipping and/or completion; and take such action or refrain from acting hereunder as the State may, in its sole discretion, from time to time determine.

9.4 Costs. The Borrower shall be liable to the State for all costs paid or incurred for the construction, completion and/or equipping of the Improvements, whether the same shall be paid or incurred pursuant to the provisions of Sections 9.2 or 9.3 or otherwise, and all payments made or liabilities incurred by the State hereunder of any kind whatsoever shall be paid by the Borrower to the State on demand, with interest at the rate specified in the Note to the date of payment.

9.5 Cumulative Rights. Upon the occurrence of any Event of Default, the rights, powers, privileges and other remedies available to the State under this Agreement or at law or in equity may be exercised by the State at any time and from time to time, whether or not the indebtedness evidenced and secured by the Note and the Security Instruments shall be due and payable, and whether or not the State shall have instituted any foreclosure proceedings or other action for the enforcement of its rights under the Note or any of the Security Instruments.

9.6 Right of Set-Off. Any deposits or other sums at any time credited by or due from the State to the Borrower and any securities or other property of the Borrower at any time in possession of the State may at all times be held or treated as collateral security for the payment of the loan any and all liabilities of the Borrower to the State. Upon an Event of Default the State may apply or set-off such deposits or other sums or property against such liabilities.

9.7 Power of Attorney. For the purpose of carrying out the provisions and exercising the rights, powers and privileges granted by this Agreement, effective upon an Event of Default, the Borrower hereby irrevocably constitutes and appoints the State its true and lawful attorney-in-fact, with full power of substitution, to execute, acknowledge and deliver any instruments and do and perform any acts that are referred to herein in the name and behalf of the Borrower other than amend this Agreement, the Note or the Security Instruments. The power vested in said attorney-in-fact is, and shall be deemed to be, coupled with an interest and cannot be revoked.

(c) The enforcement of this Section 10 of the Agreement or the assertion by the Borrower of any defense to its obligations hereunder, whether any of such matters arise before or after foreclosure of the Mortgage or other taking of title to or possession of all or any portion of the Premises by the State, and specifically including therein, without limitation, the following to the extent they are a result of the matters described in clauses (a) or (b) above:

- (i) costs of removal of any and all Hazardous Materials from all or any portion of the Premises or any areas surrounding the same;

13.6 Entire Agreement. \$261,000.00

Concord, New Hampshire
_____, 2013

FOR VALUE RECEIVED, John Weeden, sole owner of Amazon Park, a mobile home park located in Rochester, New Hampshire with 96 sites, with a principal place of business at 365 Sixth Street, Rochester, New Hampshire 03820 (the "Maker"), promises to pay to State of New Hampshire with an address of c/o Department of Environmental Services, 29 Hazen Drive, P.O. Box 95, Concord, New Hampshire 03302-0095, or its order (the "Payee"), the sum of Two Hundred Sixty-One Thousand Dollars (\$261,000) or such lesser amount as shall be disbursed to the Maker by the Payee pursuant to a Loan Agreement of near or even date by and between the Maker and the Payee (the "Loan Agreement"), in lawful money of the United States, together with interest thereon at the annual rate of one percent (1%) until the earlier of (i) the date of substantial completion of the Improvements (as defined in the Loan Agreement) as determined by the Payee or (ii) May 1, 2014 (such earlier date being the "Interest Rate Change Date") and commencing on the Interest Rate Change Date at the lower of (A) the annual rate of Two and Seventy-Two Hundreths percent (2.72%) or (B) eighty percent (80%) of the established 11 General Obligations Bond Index published during the first week of the month of October before the Interest Rate Change Date (the interest rate at any given time, the "Applicable Interest Rate"). Capitalized terms used but not defined herein have the meaning given to them in the Loan Agreement.

1. Payments. The interest and principal of this Note shall be paid as follows:

(a) Commencing on the first day of the seventh month after the Interest Rate Change Date, interest only shall be paid in six (6) consecutive monthly installments on the first day of each month.

(b) Commencing with the first day of the thirteenth month after the Interest Rate Change Date, the principal and interest of the Note shall be paid in Two Hundred Forty (240) consecutive equal monthly installments of principal and interest on the first day of each month with the installment amount calculated to amortize the principal balance of the Note over the 240 month period at the Applicable Interest Rate; provided, however, that the Maker shall have the option to elect prior to the first installment payment under paragraph 1(a) to have the interest accruing prior to the Interest Rate Change Date be capitalized and added to the principal amount of the Note rather than paid in the first installment of interest to be paid pursuant to paragraph 1(a); so long as the sum of the principal balance of the Note plus interest accruing prior to the Interest Rate Change Date (such sum being the "Capitalized Amortization Amount") shall not exceed \$261,000, and if the sum of unpaid principal plus interest accruing prior to the Interest Rate Change Date exceeds \$261,000, such excess amount of interest shall be due and payable with the first payment of interest pursuant to paragraph 1(a) above. If the Maker elects to have such interest capitalized, then the Capitalized Amortization Amount shall be paid in Two Hundred Forty (240) consecutive equal monthly installments of principal on the first day of each

month, commencing with the first day of the thirteenth month after the Interest Rate Change Date, with interest with the installments calculated to amortize the Capitalized Amortization Amount over such 360 month Period at the Applicable Interest Rate.

2. Prepayment. The Maker shall have the right to prepay any or all sums due under this Note without penalty. Prepayments shall be applied first to accrued interest and then to principal. Partial prepayments of principal shall be applied against the outstanding principal balance; provided, however, that the Maker shall continue to make principal payments in the amounts specified above and on the dates specified above, with interest on the outstanding principal balance recomputed accordingly, until the Maker's obligations under this Note are satisfied in full.

3. Security. This Note is secured by a Mortgage Deed of near or even date herewith of the Maker to the Payee that provides a mortgage of real property of the Maker located in Strafford County, New Hampshire and other security instruments (collectively with such Mortgage the "Security Instruments") described in the Loan Agreement.

4. Due Date; Late Payment. All payments of principal and interest shall be due on or before the due date specified above; provided, however, that the Maker shall not be deemed in default hereunder if payment is received by the Payee on or before 4:00 p.m. of the seventh day following the due date. The Maker agrees to pay a late charge of five percent (5%) of the amount of any payment due under this Note that is not paid within seven (7) days of its due date.

5. Applicable Interest. The Maker expressly agrees that the Applicable Interest Rate specified in this Note shall be the applicable interest rate due (i) on amounts outstanding during the term hereof and (ii) with respect to any amount outstanding on and after the maturity date hereof.

6. Default; Acceleration. The Maker shall be in default of this Note, and all principal and accrued interest thereon shall immediately become due and payable, without notice or demand, upon the occurrence of any of the following events: (a) failure to make prompt payment of any principal or interest installment due hereunder (or within such grace period as may be provided herein), (b) the failure of the Maker to observe or perform any of the other obligations to the Payee under this Note, and the same remains unremedied for a period of thirty (30) days after the date of notice thereof to the Maker by the Payee, (c) the occurrence of an Event of Default under the Loan Agreement, a default or event of default under any Security Instrument or the Guaranty or (d) a default in any other obligation of the Maker to the Payee, whether now existing or hereinafter incurred.

If the Maker shall file a petition under any section of the Bankruptcy Code, shall make an assignment for the benefit of creditors, shall have a receiver appointed over its affairs who shall not be discharged within sixty (60) days from the date of appointment, or shall have filed against it a petition under a section of the Bankruptcy Code, or any debtor-creditor act, which petition shall not be dismissed within sixty (60) days of the date of filing of the same, then the balance of principal and interest remaining unpaid on this Note shall become due and payable forthwith

without demand or notice.

7. Costs of Collection. If this Note is not paid in full when it becomes due, or if any payment required hereunder shall not be paid when due, or within such grace period as may be expressly provided herein, the Maker agrees to pay all costs and expenses of collection, including attorneys' fees, regardless of whether legal proceedings have been formally commenced.

8. Waiver of Presentment. The Maker hereby waives presentment, demand for payment, notice of dishonor, and all other notices or demands in connection with the delivery, acceptance, performance, default, or endorsement of this Note.

9. Non-Forfeiture of Rights. It is agreed and understood that the waiver by the Payee of any particular default in the terms of this Note shall not constitute waiver of any further default and that acceptance of any payment after it is due shall not be deemed a waiver of the right to require prompt payment when due on all other sums and that acceptance of any payment after default shall not cure said default or operate as a waiver of any rights of the Payee hereunder unless otherwise agreed in writing.

10. Payments, Notices. All payments due under this Note, and any notice required to be made hereunder shall be directed to the Payee or to the Maker, as the case may be, at the addresses above specified, or such other address as the Payee and the Maker may hereafter direct, in writing.

11. Binding on Successors, Etc. The obligation of this Note shall be binding upon the heirs, successors and assigns of the Maker herein and shall inure to the benefit of the successors or assigns of the Payee herein or any holder hereof. Notwithstanding the preceding sentence, the Maker shall not assign this Note without the prior written consent of the Payee.

12. Gender. Whenever the content so requires, reference herein to the neuter gender shall include the masculine and/or feminine gender, and the singular number shall include the plural.

13. References. All references herein to the Loan Agreement and the Guaranty shall be construed to refer to such instruments as they may be amended from time to time.

14. Governing Law. The Note has been made in the State of New Hampshire, and the provisions hereof shall be governed by and construed in accordance with the laws of the State of New Hampshire (excluding the laws applicable to conflicts or choice of laws).

15. Jurisdiction. The Maker hereby consents to the jurisdiction of all state and local courts of the State of New Hampshire and the United States District Court of the District of New Hampshire in connection with any suit to enforce any rights of the Payee under this Note.

16. Sovereign Immunity. Nothing contained in this Note, the Loan Agreement, any guaranty guarantying this Note or any Security Instrument shall be deemed to constitute a waiver

of the sovereign immunity of the Payee, which immunity is hereby reserved to the Payee.

EXECUTED as of the day and year first above written.

breach of the terms of such contracts) or rights to the payment of money, insurance claims and proceeds, and all general intangibles (including all payment intangibles).

3. Obligations of Borrower.

a. Payment. Borrower shall pay to State the sum evidenced by the Note, in accordance with the terms of the Note, and all other amounts due State under the Loan Agreement.

b. Financing Statements. At the request of the State, Borrower will file all necessary financing statements and other instruments in a form satisfactory to State, and will pay the cost of filing such statements, to perfect State's security interest in the Collateral. The financing statement may describe the Collateral as "all assets" or a similar description permitted under RSA 382-A:9-504.

c. Location and Identification of Collateral. Borrower will not remove the Collateral from its place of business without the written consent of the State, except for sales of inventory and replacement of equipment in the ordinary course.

Borrower will not, without the written consent of State, sell, lease, encumber, or otherwise dispose of any interest in the Collateral, except for replacement of equipment in the ordinary course, and Borrower shall keep the Collateral in good order and repair. State shall have the right to inspect the Collateral at reasonable times, upon reasonable notice.

e. Insurance. Borrower shall insure the Collateral as required by the Loan Agreement. Such insurance shall be for the benefit of Borrower and State as their interests may appear.

f. Taxes. Borrower shall pay promptly all taxes and assessments levied on the Collateral.

g. Records and Accounts. Borrower shall keep an accurate record of the Collateral and will deliver a copy of such records to State at such intervals as State may require.

h. Change of Name or State of Organization. Borrower shall not change its name or state of organization without State's prior written consent.

i. Additional Liens. Borrower will not grant or incur any other lien, security interest, or other encumbrance on the Collateral without State's prior written consent.

4. Representations of Borrower. In addition to any representations and warranties contained in the Loan Agreement, Borrower represents and warrants that it is organized under the laws of New Hampshire.

5. Default. If Borrower fails to pay when due any amount payable on any of the Note, or fails to perform any of the provisions of this agreement or the Loan Agreement, and upon the lapse of any applicable grace period, or any representation or warranty made in this agreement is materially false, Borrower shall be in default. In addition to all rights granted State under the Note and Loan Agreement, State may exercise any and all of the rights granted by Part 6 of RSA 382-A, Article 9. State shall be entitled to collect from Borrower, and to deduct from the proceeds of the sale of the Collateral, its expenses incurred in enforcing this agreement, including reasonable attorneys' fees and legal expenses.

Written notice mailed to Borrower ten (10) days before public or private sale of the Collateral shall constitute reasonable notice. State may require Borrower to assemble the Collateral and to make it available to State at a designated place reasonably convenient to both parties. State may purchase the Collateral at a private sale.

6. New Hampshire Agreement. This security agreement shall be construed according to RSA 382-A and all other applicable laws of the State of New Hampshire.

This mortgage is upon the STATUTORY CONDITIONS and the additional conditions that Mortgagor shall keep the Premises insured against loss by all such hazards, in such amounts and with such companies, as the State may require; that Mortgagor shall reimburse the State for, and there shall be secured by this mortgage, all sums which the State may advance for insurance, taxes, liens, assessments, or other expenses that the State shall deem necessary for the protection or preservation of the Premises and the State's interest therein, together with interest on such sums at the same rate as provided in the note.

Upon any breach of the foregoing conditions, or upon default of the Note or the Loan Agreement, the State is authorized, without waiving its other rights as the State, to take possession of or rent the Premises for the account of Mortgagor, and the State shall further have the STATUTORY POWER OF SALE , which is incorporated herein by reference, to sell the Premises by public auction on the Premises, first complying with the statutes of the State of New Hampshire relating to the foreclosures of mortgages ,in one or more lots, at one or several sales, and Mortgagor hereby appoints any officer of the State its agent and attorney-in-fact to convey the Premises so sold to the purchaser by indefeasible title, discharged of all rights of redemption by Mortgagor or any person claiming under it. This mortgage is given primarily for a business, commercial or agricultural purpose.

Without waiving its other rights as mortgagee, upon a default beyond any applicable grace or cure period of this mortgage, the Note, or the Loan Agreement, the State and its agents are authorized to enter upon and into the Premises and exclude Mortgagor; to use, operate, manage and control the Premises and conduct the business thereof, including without limitation, the construction, repair, renovation, and replacement of the Premises as the State deems advisable; and to lease the

Premises to tenants and to collect all income, rents, and revenues. All expenses, including compensation to the State's agents and attorneys, associated with the possession, use, operation, and management of the Premises shall be charged to Mortgagor, and shall become a part of the indebtedness secured by this mortgage.

Mortgagor hereby irrevocably appoints the State its attorney-in-fact to take all necessary steps, including actions in court, to collect all amounts due for the rental of the property, and to apply the proceeds of such action, after payment of costs and attorneys' fees, to the obligations secured by the mortgage, if Mortgagor is in default beyond any applicable grace or cure period of this mortgage or the promissory note or loan agreement secured by this mortgage.

Mortgagor grants the State an easement to enter on and upon the Premises at all reasonable times and from time to time for the purpose of making such audits, tests, inspections, and examinations, including without limitation subsurface and groundwater exploration and testing, as the State, in the good faith exercise of its discretion, deems necessary, convenient, or proper in order to determine whether the condition, ownership, use, and operation of the Premises and the conduct of any and all activities engaged in thereon are in full compliance with the Loan Agreement and with all Environmental Laws.

Mortgagor grants the State a security interest in all fixtures and personal property described in this mortgage deed. If Mortgagor has executed a security agreement to the State for the same collateral, the security agreement shall be deemed as additional security and in confirmation of the foregoing.
