Concord, N.H. 03301-2412

Telephone 603-271-2152

LINDSEY B. COURTNEY  
Executive Director

March 9, 2022

His Excellency, Governor Christopher T. Sununu  
And the Honorable Council  
State House  
Concord, New Hampshire 03301

**REQUESTED ACTION**

Pursuant to RSA 4:8, the Office of Professional Licensure and Certification respectfully requests authorization to accept a gift for travel reimbursement, not to exceed \$2,500.00, from the Department of Defense, through the Council of State Governments (CSG), to allow the executive director to participate in a Document Team meeting on April 11–12, 2022, in Washington, D.C. for development of social work interstate compact legislation.

**EXPLANATION**

Through funding provided by the Department of Defense, the Council of State Governments has partnered with stakeholders to develop an interstate compact for the social work profession to increase licensure portability between the states. CSG has convened a Document Team comprising 8–10 individuals to assist with drafting model compact legislation. The OPLC Executive Director has been nominated to serve on that Team. OPLC seeks authorization to accept this gift, which supports travel to and attendance at the Document Team meeting.

Based on the foregoing, I am respectfully recommending approval of acceptance of the gift for travel reimbursement from CSG.

Very truly yours,

Handwritten signature of Lindsey B. Courtney.

Executive Director

Lindsey Courtney  
Executive Director of Administration  
New Hampshire Office of Professional Licensing and Certification  
Lindsey.B.Courtney@oplcr.nh.gov

Dear Lindsey,

Through funding from the Department of Defense, The Council of State Governments (CSG) is partnering with a coalition of organizations led by the Association of Social Work Boards (ASWB) in partnership with the Clinical Social Work Association (CSWA) and the National Association of Social Workers (NASW) to develop an interstate compact for licensure portability for the social work profession.

Recognizing the importance and complexity of professional licensure, CSG is developing a team of social work leaders, regulatory experts, and policymakers to serve on the Compact Document Team. You have been nominated to serve on this group.

The Document Team will be composed of 8-10 individuals including licensed social workers, board executives/directors, attorneys and other stakeholders in the profession. The Document Team is tasked with drafting model compact legislation based on recommendations from the compact's Technical Assistance Group and crafting potential solutions to the challenges the Technical Assistance Group identified.

The Document Team will convene in-person on April 11 – 12, 2022 in Washington, D.C. with additional virtual meetings to follow. All travel expenses will be paid for by CSG. Additional work including review of materials and meeting prep may be required.

To confirm your participation in the Document Team, please fill out the RSVP form linked here: <https://forms.office.com/r/KZ1jwxnqe> no later than Tuesday, March 8, 2022.

We are very excited to begin this initiative and we hope you are able and willing to participate. Please let me know if you have any questions.

Sincerely,

**Dan Logsdon**  
Director, National Center for Interstate Compacts
