Dear Representative Sullivan,

It is my pleasure to offer you a complimentary registration to attend *ACT for America's* 10th annual National Security Conference in Washington, DC as part of our *State Legislator* initiative. Our conference will take place on September 4th and 5th at the Hyatt Regency Hotel in Crystal City, Virginia, just across the river from the U.S. Capitol.

ACT for America remains the nation's largest national security-focused grassroots advocacy organization, with a national membership fast approaching the 1 million mark. We are proud that some of our most active and involved members are from New Hampshire.

Our annual National Conference brings together over 300 of our grassroots members including, Chapter Presidents, student representatives, major donors, and state legislators from across the nation. Attendees share a common passion for our nation and the national security issues we face, making the conference the premier opportunity to network, to educate and become educated, and to talk with federal legislators up on Capitol Hill.

The first day of the Conference is filled with educational and motivational activities. Attendees hear presentations by key experts and leaders in the national security field. In addition, **this year, we have added two special breakout sessions to the day's agenda. Held concurrently, the special breakout sessions, will include a session for the grass roots and another exclusively for state legislators.** The purpose of the state legislators' session is to provide an opportunity for legislators to network and learn from the efforts of their peers to see state policy on important national security issues enacted, such as: immigration, sanctuary cities, and free speech.

As a Member of the New Hampshire state legislature, who has been active and involved in efforts to protect our great nation, we believe that, in addition to the rest of the conference, this special session will be of particular value to you.

The second day of the Conference, attendees meet at the U.S. Capitol for a National Security Legislative Briefing where many federal legislators on the front lines of national security issues speak to the matters of the day. Following the briefing, most attendees stay on the Hill to visit face-to-face with their individual federal legislators.

As part of this special *State Legislator* initiative, ACT for America is pleased to cover all expenses related to your attendance at our 2018 event - to include transportation, hotel, and meals - we understand that each state has its own guidelines and rules governing this matter. We will assist with as many of these costs as we are legally able.

Please RSVP to Stephanie Reis at sreis@actforamerica.org by July 20, 2018.

We are extremely grateful for your continued leadership in New Hampshire, and for all that you do to protect your constituents' security and democratic freedoms. We look forward to hearing back from you, and to seeing you at our 10th Annual National Security Conference.
