June 17, 2020

His Excellency, Governor Christopher T. Sununu  
and the Honorable Executive Council  
State House  
Concord, New Hampshire 03301

**REQUESTED ACTION**

The Department of Natural and Cultural Resources respectfully requests permission to award a Certified Local Government Grant to the City of Rochester (VC #177467) for survey and update of the city's Commercial and Industrial National Register Historic District in the amount of \$20,000 effective upon Governor and Executive Council approval through September 30, 2021. 100% Federal Funds.

Funding is available in account, Federal Preservation Programs, as follows:

03-035-035-354010-14450000-072-500575 Grants Federal	<u>FY 2021</u> \$20,000
--	----------------------------

**EXPLANATION**

The Division of Historical Resources is required to set aside 10% of its federal funds received through the Historic Preservation Fund for Certified Local Governments (CLG). Under federal program rules, only "Certified Local Governments" are allowed to apply for CLG funds and New Hampshire has 25 CLG communities. No match is required for this grant.

The City of Rochester will utilize the grant to update the 1983 Commercial and Industrial National Register Historic District, which loosely corresponds with their locally regulated historic overlay district to determine if the boundary or number of contributing resources needs revision. Updated information of this nature will improve the Historic District Commission's ability to render decisions about proposed changes in the District in a more informed way.

Respectfully submitted,

  
Sarah L. Stewart  
Commissioner
