

Victoria F. Sheehan
Commissioner

THE STATE OF NEW HAMPSHIRE
DEPARTMENT OF TRANSPORTATION

William Cass, P.E.
Assistant Commissioner

His Excellency, Governor Christopher T. Sununu
and the Honorable Council
State House
Concord, New Hampshire 03301

Bureau of Construction
September 1, 2020

REQUESTED ACTION

Authorize the Department of Transportation to enter into a contract with Busby Construction Co., Inc. (Vendor 155275) of Atkinson, NH on the basis of a low bid of \$577,724.50 for removal of the Exit 11 toll plaza, from the date of Governor and Council approval through December 18, 2020, unless extended by the Department in accordance with the Standard Specifications. 100% Turnpike Funds.

Funding is available in State Fiscal Year 2021, as follows:

Funding is available as follows:	<u>FY 2021</u>
04-096-096-961017-7507	
Turnpike Capital- Central Turnpike	
400-500870 Highway Contract Payments	\$577,724.50

EXPLANATION

This project is part of the State's Ten Year Plan. This project is for the removal of the Exit 11 NB Off and SB On ramp tolls off the F.E. Everett Turnpike in Merrimack.

As an initial effort, the Bureau of Turnpikes discontinued toll operations on New Year's Day of this year, removed toll related signage and toll collection equipment from the plaza and channeled ramp traffic to the right side of the ramp through the Oversize/Overweight lane at the plaza.

The current project consists of the removal of the Merrimack toll plaza structure and shutdown of the building facilities/tunnel. The work to be completed under this onstruction contract more specifically includes the following:

- Demolition of the toll plaza canopy and concrete islands
- Removal of booths for storage and future use on Turnpike system

Although the bid costs exceeded the Department's estimate by \$22,213.50 (4%), the low bid of 2 bids received is felt to be reasonable for the work involved. The "B" bid was \$4,510 higher than the low bid received. Readvertising this project would result, in our opinion, in higher prices and prevent the completion of the work in a timely manner. The Department considers it to be in the best interest of the State to accept this bid to accomplish these needed repairs.

The Contractor has been prequalified by this Department. The Contract has been approved by the Attorney General as to form and execution, and the Department has certified that the necessary funds are available and the bid reasonably conforms to the engineer's estimate in accordance with State procedure. Copies of the fully executed contract are on file at the Secretary of State's Office and the Department of Administrative Service's Office, and subsequent to Governor and Council approval will be on file at the Department of Transportation.

This project funding is: 100% Turnpike Capital.

A copy of the Tabulation of Bids received for this project is attached along with the Contract Supplemental Sheet and a map indicating the location of the project.

Sincerely,

Victoria F. Sheehan
Commissioner

VFS/pcj

SUPPLEMENTAL PROJECT INFORMATION SHEET

DESCRIPTION: This project is for the removal of the Exit 11 NB Off and SB On ramp tolls off the F.E. Everett Turnpike in Merrimack.

FEDERAL FUNDING: 0% (100% Turnpike Capital)

CONTINGENCY: There is no contingency proposed for this project.

PROJECT INITIATED: This project was initiated through the recently approved State Ten Year Plan.

PROJECT EXPLANATION: This project is for the elimination of the Exit 11 NB Off and SB On Tolls.

As an initial effort, the Bureau of Turnpikes discontinued toll operations on New Year's Day of this year, removed toll related signage and toll collection equipment from plaza and channelize ramp traffic to the right side of the ramp through the OS/OW lane at the plaza.

The current phase consists of the removal of the Merrimack toll plaza and shutdown of the building facilities/tunnel. This will be completed under the Merrimack 41727 construction contract, specifically to include the following:

- Demolition of the toll plaza canopy and concrete islands
- Removal of booths for storage and future use on Turnpike system

TRAFFIC IMPLICATION: Due to the removal of the plaza half at a time, ramp traffic will be sustained during the removal efforts. Work will be performed behind concrete barrier.

FINAL COMPLETION DATE: December 18, 2020.
