REQUESTED ACTION

Authorize the Department of Transportation to enter into an agreement with Grafton County Senior Citizens Council, Inc. (Vendor 177675), Lebanon, NH, for an amount not to exceed \$6,400, for the purchase of two replacement servers. Authorization is from the date of approval through September 30, 2018. 100% Federal Funds.

Funding is available as follows:	<u>FY 2018</u>
04-96-96-964010-2916	
Public Transportation	
072-500575 Grants to Non-Profits Federal	\$6,400

EXPLANATION

The Bureau of Rail & Transit has approved a request for Federal Transit Administration (FTA) Section 5310 Enhanced Mobility of Seniors and Individuals with Disabilities program funding from Grafton County Senior Citizens Council Inc. (GCSCC), a provider of transportation service to seniors and individuals with disabilities in the Grafton County region. These funds were awarded through a competitive FTA Section 5310 capital grant solicitation conducted by the Bureau in July-August 2017.

The Bureau utilized project selection criteria as detailed in its FTA Section 5310 capital grant solicitation to make funding decisions. Three agencies submitted application requests for vehicles and one agency, Grafton County Senior Citizens Council, submitted an application for computer server equipment. Applications were evaluated by the following Bureau of Rail & Transit staff: Fred Butler (Public Transportation Administrator), Karen Jennison (Transit Grants Coordinator) and Carol Spottiswood (Transit Project Coordinator). All eligible capital requests, including GCSCC's computer hardware request, were approved. The vehicle awards will be pursued through a separate procurement process with Administrative Services' Bureau of Purchase & Property. Transportation vehicle agreements that bind the vehicle recipients to Federal and State requirements for the use and operation of vehicle equipment were approved under separate cover by the Governor and Executive Council on January 24, 2018, item 15.

Under this agreement, GCSCC will purchase two computer servers to replace existing, outdated equipment. The new servers will allow full functionality and compatibility with new transportation coordination software in order to more efficiently and effectively operate coordinated transportation services in the Grafton County region.

The total cost of this project is \$8,000 and this agreement represents the 80% federal share of \$6,400 while the required 20% match on the project, \$1,600, will be provided by GCSCC. Per the terms of the agreement, GCSCC will procure the equipment following federal procurement guidelines and submit an invoice for reimbursement of 80% of the documented total expenses.

Although this contract is below the \$25,000 Governor and Council threshold, DOT has committed to the vendor in excess of the threshold for FY 2018.

The Agreement has been approved by the Attorney General as to form and execution and the Department has verified the necessary funds are available. Copies of the fully executed agreement are on file at the Secretary of State's Office and the Department of Administrative Services' Office, and subsequent to Governor and Council approval will be on file at the Department of Transportation.

Your approval of this resolution is respectfully requested.

Sincerely,

Victoria F. Sheehan
Commissioner

(2) Contractor agrees to include the above clause (2) in each subcontract financed in whole or in part with FTA assistance. It is further agreed that the clause shall not be modified, except to identify the subcontractor who will be subject to its provisions.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Grafton County Senior Citizens Council, Inc. as of September 30, 2016 and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Report on Summarized Comparative Information

In our opinion, the summarized comparative information presented herein as of and for the year ended September 30, 2015, is consistent, in all material respects, with the audited financial statements from which it has been derived.

Other Matters

Other information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated February 10, 2017, on our consideration of Grafton County Senior Citizens Council, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Grafton County Senior Citizens Council, Inc.'s internal control over financial reporting and compliance.

GRAFTON COUNTY SENIOR CITIZENS COUNCIL, INC.
NOTES TO FINANCIAL STATEMENTS
Years Ended September 30, 2016 and 2015

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The financial statements of Grafton County Senior Citizens Council, Inc. (hereinafter referred to as the "Organization" or the "Council") have been prepared in conformity with Generally Accepted Accounting Principles (GAAP) as applied to not-for-profits. The Financial Accounting Standards Board (FASB) is the accepted standard-setting body for establishing accounting and financial reporting principles for not-for-profits. The more significant of the FASB's generally accepted accounting principles applicable to the Council, and the Council's conformity with such principles, are described below. These disclosures are an integral part of the Council's financial statements.

A. NATURE OF ACTIVITIES, PURPOSE AND CONCENTRATIONS

The Grafton County Senior Citizens Council, Inc. is a "not-for-profit" organization, which provides community-based services to older individuals in Grafton County, New Hampshire. These services include transportation, nutrition, and physical and social activities. The Council's program support is derived primarily from federally funded fee for service contracts and grants through the State of New Hampshire, and is supplemented by participant program related contributions. The Council also receives mission critical program support from area towns, agencies, United Way and Grafton County. The Council also allows the area Senior Centers to generate program support for activities specific to the area centers.

B. PROMISE TO GIVE

The Organization has adopted FASB ASC 958-605-20, "Accounting for Contributions Received and Contributions Made." In accordance with FASB ASC 958-605-20, contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support depending on the existence or nature of any donor restrictions. Time-restricted contributions are required to be reported as temporarily restricted support and are then reclassified to unrestricted net assets upon expiration of time restriction. Contributions are recognized when the donor makes a promise to give to the Organization that is, in substance, unconditional. Contributions that are restricted by the donor are reported as increases in unrestricted net assets if the restrictions expire in the fiscal year in which the contributions are recognized. All other donor-restricted contributions are reported as increases in temporarily or permanently restricted net assets depending on the nature of the restrictions. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets. The organization uses the allowance method for recognition of uncollectable amounts. There were no uncollectable amounts at September 30, 2016 and 2015, respectively.

C. USE OF ESTIMATES

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures. Accordingly, actual results could differ from those estimates.

D. BASIS OF ACCOUNTING

The financial statements of the Organization have been prepared in the accrual basis of accounting and accordingly reflect all significant receivables, payables, and other liabilities. Consequently, revenues are recognized when earned and expenses are recognized when incurred.

E. FINANCIAL STATEMENT PRESENTATION

The Council is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets. In addition, the Council is required to present a statement of cash flows. The Council additionally maintains a classification of land, building and equipment within its unrestricted net asset statements of activity, which is combined into total unrestricted net assets.

NOTES TO FINANCIAL STATEMENTS
Years Ended September 30, 2016 and 2015

I. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

F. IN-KIND CONTRIBUTIONS

Contributed Services

The Council receives donated services from a substantial number of unpaid volunteers who have made significant contributions of their time to the general operations of the Council. No amounts have been recognized in the accompanying statement of activities because the criterion for recognition of such volunteer effort is that services must be specialized skills, which would be purchased if not donated. Service contributed for the year ended September 30, 2016 and 2015 amounted to 70,877 and 63,072 hours, respectively and are valued at \$7.25 per hour for a total of \$513,858 and \$457,272, respectively.

Contributed goods

The Council receives donated goods throughout the year. Contributed goods can include food supplies and equipment. For financial reporting purposes the items contributed have been recorded at their fair market value at the date of the contribution. Any equipment contributed is capitalized and depreciated over its estimated useful life.

For the year ended September 30, 2016 contributed food, supplies, and fixed assets were \$302,321, \$24,711 and \$804, respectively. For the year ended September 30, 2015 contributed food, supplies, and fixed assets were \$319,423, \$6,842 and \$165,678, respectively.

G. INCOME TAXES

The exempt status of the Council is based upon the terms of an original Internal Revenue Service determination letter, dated July 1972, in which the Council maintained that it is an organization that operates exclusively for religious, charitable and educational purposes (as more fully defined in Internal Revenue Code Section 501(c)(3)). The Council has maintained that it is not a "private foundation" under Section 509(a)(2). The Council is required to file annual information returns for tax-exempt organizations with the Internal Revenue Service as well as the Department of Charitable Trusts of the New Hampshire Attorney General's Office. The council qualifies for the charitable contribution deduction under Section 170(b)(1)(A).

H. INVESTMENTS

The Council has adopted FASB ASC 958-320, "Accounting for Certain Investments Held by Not-for-Profit Organizations." Under FASB ASC 958-320, investments in marketable securities with readily determinable fair values and all investments in debt securities are reported at their fair values in the statement of financial position. Unrealized gains and losses are included in the change in net assets. Investment income and gains restricted by a donor are reported as increase in unrestricted net assets if the restrictions are met (either by passage of time or by use) in the reporting period in which the income and gains are recognized.

I. CASH, CASH EQUIVALENTS AND INVESTMENTS

For purposes of the Statements of Cash Flows, the Council considers all highly liquid investments (short-term investments such as certificates of deposits and money market accounts) with an initial maturity of three months or less to be cash equivalents. There were no cash equivalents as of September 30, 2016 and 2015.

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

J. ACCOUNTS RECEIVABLE

Accounts receivable are comprised of amounts due from customers for services provided. The Council considers accounts receivable to be fully collectible; accordingly, no allowance for doubtful accounts has been established. If accounts become uncollectible, they will be charged to operations when that determination is made. Collections on accounts previously written off are included in revenue as received.

K. GRANTS RECEIVABLE

The grants receivable consist of amounts to be received by the Council from Federal and State governments. The amounts to be received include receivables for program services already rendered under contract agreements with the government. No allowance for doubtful accounts has been established for accounts receivable.

L. LAND, BUILDINGS, AND EQUIPMENT

Land, buildings and equipment are recorded at cost at the date of acquisition or fair market value at the date of the gift. The Council's policy is to capitalize all land, buildings and equipment in excess of \$1,000 (lesser individual item amounts are generally expensed) and to depreciate these assets using the straight-line method of depreciation over their estimated useful lives as follows:

	<u>Years</u>
Buildings and improvements	7-50
Equipment	5-20
Vehicles	5-7

Depreciation expense recorded by the Council for the years ended September 30, 2016 and 2015 was \$120,373 and \$144,325, respectively.

M. ALLOWANCE FOR DOUBTFUL ACCOUNTS

The Council provides, when necessary, for an allowance for doubtful accounts when accounts or pledges receivable are not deemed fully collectible. At September 30, 2016 and 2015, there was no allowance for doubtful accounts.

N. INVENTORY

Inventory is stated at the lower of cost (specific identification method) or market and is comprised of food items.

2. SUBSEQUENT EVENT

The Organization's management has evaluated subsequent events through February 10, 2017, which is the date the financial statements were available to be issued. It has been determined that no subsequent events matching this criterion occurred during this period.

3. FUNCTIONAL EXPENSES

Expenses by function have been allocated between program and supporting services classifications on the basis of time records, units of service and estimates made by the Council's management.

4. INVESTMENTS AND INVESTMENTS, ENDOWMENT

The Council maintains individual and pooled investments containing both restricted and unrestricted funds. Investment income, gains, losses, and management fees of any pool are allocated to activities based on each activity's pro-rata share (on dollar and time basis) in the pool. Investments in marketable equity securities and marketable debt securities are carried at fair market value determined by "quoted market prices" per unit (share) as of the balance sheet date. All other investments are stated at cost. Donated investments are recorded at the "fair market value" as of the date of receipt. Investment income, realized and unrealized gains, losses, dividends and interest unrestricted activities are recorded as operating activities. Investment interest and dividend income on restricted activities is added to, or deducted from, the appropriate activity.

All investments are unrestricted, board designated. Investments were comprised of the following:

	<u>2016</u>	<u>2015</u>

FASB Accounting Standards Codification Topic 820-10 *Fair Value Measurements* defines fair value, requires expanded disclosures about fair value measurements, and establishes a three-level hierarchy for fair value measurements based on the observable inputs to the valuation of an asset or liability at the measurement date. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. It prioritizes the inputs to the valuation techniques used to measure fair value by giving the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurement) and the lowest priority to measurements involving significant unobservable inputs (Level 3 measurement).

Under Topic 820-10, the three levels of the fair value hierarchy are as follows:

Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Organization has the ability to access at the measurement date.

Level 2 inputs are inputs other than quoted prices included in Level 1 that are either directly or indirectly observable for the assets or liabilities.

Level 3 inputs are unobservable inputs for the assets or liabilities.

The level in the fair value hierarchy within which a fair measurement in its entirety falls is based on the lowest level input that is significant to the fair value measurement in its entirety.

All investments are measured at Level 1. Inputs to the valuation methodology are unadjusted quoted prices for identical assets in active markets. None of the investments are Level 2 or Level 3 investments.

Endowment Funds and Net Assets

In August 2008, the Financial Accounting Standards Board issued FASB Accounting Standards Codification Topic 958-205 "*Endowments of Not-for-Profit Organizations: Net Asset Classification of Funds Subject to an Enacted Version of the Uniform Prudent Management of Institutional Funds Act, and Enhanced Disclosures for All Endowment Funds*" (FASB ASC Topic 958-205).

Topic 958-205 provides guidance on the net asset classification of donor-restricted endowment funds for a nonprofit organization that is subject to an enacted version of the Uniform Prudent Management of Institutional Funds Act (UPMIFA). Topic 958-205 also requires additional disclosures about an organization's endowment funds (both donor-restricted endowment funds and board-designated endowment funds) whether or not the organization is subject to UPMIFA.

The State of New Hampshire enacted UPMIFA effective July 1, 2008, the provisions of which apply to endowment funds existing on or established after that date. The Organization has adopted Topic 958-205. The Organization's endowment consists of donated common stocks and purchased mutual funds established for a variety of purposes that support the Organization's mission. Its endowment includes both donor-restricted and funds designated by the Board of Directors to function as endowments. As required by generally accepted accounting principles, net assets associated with endowment funds, including funds designated by the Board of Directors to function as endowments, are classified and reported based on the existence or absence of donor-imposed restrictions.

The Board of Directors of the Organization has interpreted the Uniform Prudent Management of Institutional Funds Act (UPMIFA) as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulation to the contrary. As a result of this interpretation, the Organization classifies as permanently restricted net assets (a) the original value of gifts donated to the permanent endowment, (b) the original value of subsequent gifts to the permanent endowment, (c) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. The remaining portion of the donor-restricted endowment fund that is not classified in permanently restricted net assets is classified as temporarily restricted net assets until those amounts are appropriated for expenditure by the Organization in a manner consistent with the standard of prudence prescribed by UPMIFA.

In accordance with UPMIFA, the Organization considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds:

- 1) The duration and preservation of the various funds
- 2) The purposes of the donor-restricted endowment funds
- 3) General economic conditions
- 4) The possible effect of inflation and deflation
- 5) The expected total return from income and the appreciation of investments
- 6) Other resources of the Organization
- 7) The investment policies of the Organization

Investment Return Objectives, Risk Parameters and Strategies

The Endowment Fund was established to provide a source of continued support for the service provided by the Council. The finance committee has the authority to invest in mutual funds, cash or cash equivalents or Electronically Traded Funds (ETF) in proportions at their discretion. The Endowment Fund is invested with a recommended mix of approximately 50% equities, 45% fixed income and 5% cash and cash equivalents.

Spending Policy

The spending policy is to take distributions of annual amounts of 5% of the trailing eight quarter average value of the fund assets. However, 83% of the balance of the fund may be spent if authorized by a majority vote of the Board of Directors. The remainder of the fund is made up of permanently restricted funds. These permanently restricted funds allow for the earnings to be released for spending each year.

8. CONTINGENT LIABILITIES

Grants often require the fulfillment of certain conditions as set forth in the instrument of the grant. Failure to fulfill the conditions could result in the return of the funds to the grantors. 12. TAX EXEMPT STATUS

The Organization is a public charity exempt from Federal income tax under Section 501 (c) (3) of the Internal Revenue Code. The Organization does not believe it has done anything during the past year that would jeopardize its tax exempt status at either the state or Federal level. The Organization reports its activities to the IRS in an annual information return. These filings are subject to review by the taxing authorities and the federal income tax returns for 2015, 2014, and 2013 are subject to examination by the IRS, generally for three years after they were filed.

In accordance with FASB ASC 740-10, Accounting for Uncertainty in Income Taxes, the Organization is under the opinion that there are no unsustainable positions that have been taken in regards to federal or state income tax reporting requirements. Accordingly, management is not aware of any unrecognized tax benefits or liabilities that should be recognized in the accompanying statements.

13. COMPENSATED ABSENCES

Employees of the Organization are entitled to paid vacation depending on job classification, length of service, and other factors. 14. COMMUNITY DEVELOPMENT INVESTMENT TAX CREDIT PROGRAM CONTRACT

The Organization entered into a community development investment tax credit program contract with the Community Development Finance Authority (CDFA). The contract is for a revitalization project that began in July 2014 and will end in July 2019. The contract was awarded to the Organization to provide funding toward senior citizen facility improvements at six of the Organization's sites. The total funds awarded for the project, net of a 20% program fee to CDFA are \$414,874.

CDFA is funding the award by providing NH tax credits to third-party donors. Donors who contribute to this project receive NH tax credits for future use. CDFA holds the funds on behalf of the Organization.

CDFA is making this grant contingent on the project's ability to obtain firm commitments in the amounts necessary to complete the project and will not release any tax credit funds held by CDFA until firm commitments are documented and provided to CDFA from the sources, or from acceptable substitute sources. All tax credit funds must be raised by Grafton County Senior Citizens Council, Inc. prior to release of funds to ensure project completion. Because of the contingent nature of this project, no amount has been included in the financial statements.

As of September 30, 2015 the Organization had met the first fundraising goal of \$187,500 of which \$150,000 of those funds were available for use when all contingent circumstances were met. As of September 30, 2016 all of the fundraising goals had been met and the all funds are available for use when all contingent circumstances are met.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

To the Board of Directors
Grafton County Senior Citizens Council, Inc.
Lebanon, New Hampshire

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Grafton County Senior Citizens Council, Inc. (a nonprofit organization), which comprise the statement of financial position as of September 30, 2016, and the related statements of activities, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated February 10, 2017.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered Grafton County Senior Citizens Council, Inc.'s internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Grafton County Senior Citizens Council, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of the Grafton County Senior Citizens Council, Inc.'s internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Grafton County Senior Citizens Council, Inc.'s financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

To the Board of Directors
Grafton County Senior Citizens Council, Inc.
Lebanon, New Hampshire

Report on Compliance for Each Major Federal Program

We have audited Grafton County Senior Citizens Council, Inc.'s compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of Grafton County Senior Citizens Council, Inc.'s major federal programs for the year ended September 30, 2016. Grafton County Senior Citizens Council, Inc.'s major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of Grafton County Senior Citizens Council, Inc.'s major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Grafton County Senior Citizens Council, Inc.'s compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of Grafton County Senior Citizens Council, Inc.'s compliance.

Opinion on Each Major Federal Program

In our opinion, Grafton County Senior Citizens Council, Inc. complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended September 30, 2016.

Report on Internal Control over Compliance

Management of Grafton County Senior Citizens Council, Inc. is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered New Hampshire Coalition Against Domestic and Sexual Violence's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Grafton County Senior Citizens Council, Inc.'s internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
