EXPLANATION

The roofing on the pole barn at the State Forest Nursery is in desperate need of replacement. The present roofing has deteriorated to a point of no longer being effective at preventing leaks. Therefore, replacement of the roofing material is necessary in order to protect the integrity of this building.

In July 2015, an invitation to submit bids for roof replacement on the Pole Barn at the State Forest Nursery was issued in accordance with Department of Administrative Services' policy. The bid solicitation was posted on the Division of Purchase and Property's website, the Division of Parks and Recreation's website, and the following construction services' websites: Construction Summary of NH, Infinite Imaging, McGraw Hill Construction, Signature Press and Blueprinting, and Works in Progress. Four (4) contractors attended a mandatory pre-bid meeting on July 21, 2015. The Aulson Company, LLC was the sole bid proposal received and, whereas The Aulson Company, LLC has performed work in the past to the satisfaction of the Department, was selected as the contractor for this project.

The Attorney General's Office has approved this contract as to form, substance and execution.

Respectfully submitted,

Concurred,
