REQUESTED ACTION

Authorize the Department of Health and Human Services, Division of Economic and Housing Stability, Bureau of Housing Supports to enter into a **sole source** agreement with Families in Transition, (Vendor #157730-B001), 122 Market Street Manchester, NH 03101, to provide a permanent housing program to homeless individuals and families through the Federal Continuum of Care program in an amount not to exceed \$102,792, effective October 1, 2018 upon Governor and Executive Council approval through September 30, 2019. 100% Federal Funds.

| State Fiscal Year | Class/Account | Title | Amount |
|-------------------|---------------|--------------------------------|------------------|
| 2019 | 102-500731 | Contracts for Program Services | \$77,094 |
| 2020 | 102-500731 | Contracts for Program Services | \$25,698 |
| | | Total | \$102,792 |

EXPLANATION

This request is considered **sole source** because federal regulations require the Department to specify each vendor's name during the annual federal Continuum of Care program renewal application process, prior to the grant award being issued. The U.S. Department of Housing and Urban Development reviews the applications and subsequently

awards funding based on its criteria. The application process and timing of grant terms do not align with state or federal fiscal years. The start date of a grant is based on the month in which each grant's original federal agreement was issued. This results in Continuum of Care program grant start dates, and subsequent renewal approval requests, occurring in various months throughout the year.

The attached agreement represents one (1) of thirty (30) total agreements, all of which have renewal dates dispersed throughout the calendar year, with vendors who are located throughout the state to ensure statewide delivery of housing services through New Hampshire's Continuum of Care Program.

Based on the continued receipt and availability of federal funds, and pursuant to this agreement, the Vendor will utilize Continuum of Care funds to provide leasing assistance, supportive services and associated administrative services for a permanent housing program for homeless individuals to promote the ability of participants to live more independently.

The U.S. Department of Housing and Urban Development established the Continuum of Care concept to support communities in their efforts to address the problems of housing and homelessness in a coordinated, comprehensive, and strategic fashion. The Continuum of Care serves three main purposes:

- A strategic planning process for addressing homelessness in the community.
- A process to engage broad-based, community-wide involvement in addressing homelessness on a year-round basis.
- An opportunity for communities to submit an application to the U.S. Department of Housing and Urban Development for resources targeting housing and support services for homeless individuals and families.

The following objectives will be used to measure contract compliance and vendor performance:

- Annual compliance reviews shall be performed that include the collection of data relating to compliance with administrative rules and contractual agreements.
- Statistical reports shall be submitted on a semi-annual basis from all funded vendors, including various demographic information and income and expense reports including match dollars.
- All vendors funded for transitional, permanent or coordinated entry housing, or outreach services will be required to maintain timely and accurate data entry on the New Hampshire Homeless Management Information System, unless they are required by law to use an alternate data collection. The NH Homeless Management Information System will be the primary reporting tool for outcomes and activities of shelter and housing programs funded through this contract.

Should the Governor and Executive Council not authorize this request, supportive services for homeless individuals and their families may not be available in their communities, and there may be an increase in demand for services placed upon the region's local welfare authorities. It may also cause individuals and/or families to become homeless.

His Excellency, Governor Christopher T. Sununu
and the Honorable Council

5.2 The payment by the State of the contract price shall be the only and the complete reimbursement to the Contractor for all expenses, of whatever nature incurred by the Contractor in the performance hereof, and shall be the only and the complete compensation to the Contractor for the Services. The State shall have no liability to the Contractor other than the contract price.

5.3 The State reserves the right to offset from any amounts otherwise payable to the Contractor under this Agreement those liquidated amounts required or permitted by N.H. RSA 80:7 through RSA 80:7-c or any other provision of law.

8. EVENT OF DEFAULT/REMEDIES.

8.1 Any one or more of the following acts or omissions of the Contractor shall constitute an event of default hereunder ("Event of Default"):

2. **Time and Manner of Determination:** Eligibility determinations shall be made on forms provided by the Department for that purpose and shall be made and remade at such times as are prescribed by the Department.
3. **Documentation:** In addition to the determination forms required by the Department, the Contractor shall maintain a data file on each recipient of services hereunder, which file shall include all information necessary to support an eligibility determination and such other information as the Department requests. The Contractor shall furnish the Department with all forms and documentation regarding eligibility determinations that the Department may request or require.
4. **Fair Hearings:** The Contractor understands that all applicants for services hereunder, as well as individuals declared ineligible have a right to a fair hearing regarding that determination. 6. **Retroactive Payments:** Notwithstanding anything to the contrary contained in the Contract or in any other document, contract or understanding, it is expressly understood and agreed by the parties hereto, that no payments will be made hereunder to reimburse the Contractor for costs incurred for any purpose or for any services provided to any individual prior to the Effective Date of the Contract and no payments shall be made for expenses incurred by the Contractor for any services provided prior to the date on which the individual applies for services or (except as otherwise provided by the federal regulations) prior to a determination that the individual is eligible for such services.

If at any time during the term of this Contract or after receipt of the Final Expenditure Report hereunder, the Department shall determine that the Contractor has used payments hereunder to reimburse items of expense other than such costs, or has received payment in excess of such costs or in excess of such rates charged by the Contractor to ineligible individuals or other third party funders, the Department may elect to:
 - 7.1. Renegotiate the rates for payment hereunder, in which event new rates shall be established;
 - 7.2. Deduct from any future payment to the Contractor the amount of any prior reimbursement in excess of costs;

With Independent Auditor's Report

INDEPENDENT AUDITOR'S REPORT

Board of Directors
Families in Transition, Inc. and Subsidiaries

We have audited the accompanying consolidated financial statements of Families in Transition, Inc. and Subsidiaries (the Organization), which comprise the consolidated statement of financial position as of December 31, 2017 and the related consolidated statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the consolidated financial statements.

Management's Responsibility for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with U.S. generally accepted accounting principles; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with U.S. generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the consolidated financial position of the Organization as of December 31, 2017, and the consolidated changes in their net assets and their consolidated cash flows for the year then ended in accordance with U.S. generally accepted accounting principles.

Report on Summarized Comparative Information

We have previously audited the Organization's 2016 consolidated financial statements and, in our report dated March 29, 2017, expressed an unmodified opinion on those audited consolidated financial statements. In our opinion, the summarized comparative information presented herein as of and for the year ended December 31, 2016 is consistent, in all material respects, with the audited consolidated financial statements from which it has been derived.

Other Matter

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The accompanying supplementary information, which consists of the consolidating statement of financial position as of December 31, 2017, and the related consolidating statements of activities and functional expenses for the year then ended, is presented for purposes of additional analysis, rather than to present the financial position and changes in net assets of the individual entities, and is not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with U.S. generally accepted auditing standards. In our opinion, the information is fairly stated in all material respects in relation to the consolidated financial statements as a whole.

Organization

Families in Transition, Inc. (FIT or the Organization) is a New Hampshire nonprofit, incorporated on May 13, 1994, to provide housing and comprehensive social services to individuals and families who are homeless or at risk of becoming homeless in certain areas of southern New Hampshire, including Manchester, Concord and Dover.

The Organization directly owns and operates housing programs in facilities located on Amherst Street, Spruce Street, Lake Avenue and Douglas Street in Manchester, New Hampshire. Additional housing facilities are owned and operated by several limited partnerships of which the Organization is the sole general partner. These limited partnerships include Bicentennial Families Concord Limited Partnership (Bicentennial), located at Bicentennial Square in Concord, New Hampshire; Family Bridge Limited Partnership (Family Bridge), located on Second Street in Manchester, New Hampshire; and Family Willows Limited Partnership (Family Willows), located on South Beech Street in Manchester, New Hampshire (collectively referred to as the Limited Partnerships).

In 2008, the Organization created a Community Development Housing Organization, Housing Benefits, Inc. (Housing Benefits). Housing Benefits identifies and develops new housing units and refurbishes existing units to meet the persistent need of combating homelessness. Completed housing units are located on School & Third Streets, Lowell Street, Belmont Street, Market Street (Millyard Families I), Spruce Street and Hayward Street, in Manchester, New Hampshire as well as an additional housing unit located on Central Avenue in Dover, New Hampshire (Dover).

During 2016, Millyard Families II, Limited Partnership (Millyard II) reached the end of its initial 15-year low-income housing tax credit compliance period. Effective of April 1, 2017, Community Capital 2000, L.P., the limited partner, and Brick Mill House Families II, Inc., the general partner wholly owned by FIT, withdrew from Millyard II. As a result, \$848,610 of Community Capital 2000, L.P. noncontrolling interest and \$692,233 of Brick Mill House Families II, Inc. controlling interest in Millyard II was assumed by Housing Benefits. Millyard II is a twenty-unit residential housing and commercial space complex located on Market Street in Manchester, New Hampshire.

In 2012, the Organization became the sole member of Manchester Emergency Housing, Inc. (MEH), a New Hampshire nonprofit corporation providing immediate shelter to homeless families in the Manchester, New Hampshire area. MEH is the only family shelter in Manchester, New Hampshire.

The Organization also owns 100% of Family OutFITters, LLC (OutFITters), a limited liability corporation. OutFITters operates independent thrift stores in Concord and Manchester, New Hampshire with the sole purpose of generating an alternate funding stream for the Organization.

The Organization has several wholly-owned corporations which include Bicentennial Families Concord, Inc. (Bicentennial Families), Second Street Family Mill, Inc. (Family Mill), and Big Shady Tree, Inc. (Big Shady Tree) (collectively referred to as the General Partners), all of which are New Hampshire corporations. These wholly-owned corporations represent the .01% sole general partners in the Limited Partnerships, whereby Bicentennial Families is a general partner of Bicentennial, Family Mill is a general partner of Family Bridge and Big Shady Tree is a general partner of Family Willows.

Notes to Consolidated Financial Statements

December 31, 2017

(With Comparative Totals for December 31, 2016)

In 2012, the Organization became the sole member of The New Hampshire Coalition to End Homelessness (NHCEH), a statewide entity, whose mission is to "eliminate the causes for homelessness through research, education and advocacy". Since 2012, the activity of NHCEH has not been deemed material and has not been included in the consolidated financial statements. During 2017, management assessed the operations of NHCEH and anticipates an increase in its activity and has determined NHCEH activity should be included in the consolidated financial statements. As a result, the 2016 beginning of year net assets has been restated by \$24,424 to reflect NHCEH net assets not previously included in the consolidated financial statements.

1. Summary of Significant Accounting Policies

Principles of Consolidation

Since the General Partners have control in the Limited Partnerships, in accordance with Financial Accounting Standards Board *Accounting Standards Codification* Topic 810-20-25, *Consolidation*, the financial statements of each of the Limited Partnerships' are required to be consolidated with the Organization's consolidated financial statements. The limited partners' ownership interest is reported in the consolidated statements of financial position as noncontrolling interest.

The consolidated financial statements include the net assets of the Organization, the Limited Partnerships, the General Partners, Housing Benefits, Millyard II, MEH, OutFITters and NHCEH. All significant inter-entity balances and transactions are eliminated in the accompanying consolidated financial statements.

Comparative Information

The consolidated financial statements include certain prior year summarized comparative information in total, but not by net asset classification. Such information does not include sufficient detail to constitute a presentation in conformity with U.S. generally accepted accounting principles (U.S. GAAP). Accordingly, such information should be read in conjunction with the Organization's December 31, 2016 consolidated financial statements, from which the summarized information was derived.

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements. Estimates also affect the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Basis of Presentation

Net assets and revenues, expenses, gains, and losses are classified as follows based on the existence or absence of donor imposed restrictions.

Unrestricted net assets - Net assets that are not subject to donor-imposed stipulations.

Temporarily restricted net assets - Net assets subject to donor-imposed stipulations that may or will be met by actions of the Organization and/or the passage of time. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

Permanently restricted net assets - Net assets subject to donor imposed stipulations that they be maintained permanently by the Organization. The donors of these assets permit the Organization to use all or part of the income earned on related contributions for general or specific purposes. The Organization had no permanently restricted net assets as of December 31, 2017 and 2016.

All contributions are considered to be available for unrestricted use unless specifically restricted by the donor. Amounts received that are designated for future periods or restricted by the donor for specific purposes are reported as temporarily restricted or permanently restricted support that increases those net asset classes. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions. The Organization records donor-restricted contributions whose restrictions are met in the same reporting period as unrestricted support in the year of the gift.

The Organization reports contributions of land, buildings or equipment as unrestricted support, unless a donor places explicit restriction on its use. Contributions of cash or other assets that must be used to acquire long-lived assets are reported as temporarily restricted support and reclassified to unrestricted net assets when the assets are acquired and placed in service.

Cash and Cash Equivalents

The Organization considers all highly liquid investments with an initial maturity of three months or less to be cash equivalents. The Organization maintains its cash in bank deposit accounts which, at times, may exceed the federally insured limits. Management regularly monitors the financial institutions, together with their respective cash balances, and attempts to maintain the potential risk at a minimum. The Organization has not experienced any losses in such accounts and management believes it is not exposed to any significant risk on these accounts.

Restricted deposits are those deposits of cash and cash equivalents not generally available for operating costs, but restricted to particular uses including operating and replacement reserves for rental properties as well as certain other social services and programs.

(With Comparative Totals for December 31, 2016)

Property and Equipment

Property and equipment are recorded at cost or, if donated, at estimated fair market value at the date of donation less accumulated depreciation. The Organization's capitalization policy requires the capitalization of capital expenditures greater than \$1,000, while ordinary maintenance and repairs are charged to expense. Depreciation is provided using the straight-line method over the estimated useful lives of the related assets, ranging from 5 to 30 years. Assets not in service are not depreciated.

Volunteer Services

A number of volunteers have donated their time to the Organization's various programs and administrative services. The value of these services has not been included in the accompanying consolidated financial statements since the volunteers' time does not meet criteria for recognition. The estimated value of donated time for the years ended December 31, 2017 and 2016 is approximately \$1,060,000 and \$990,000, respectively.

Functional Expense Allocation

The costs of providing various programs and activities have been summarized on a functional basis in the statement of activities. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

Income Taxes

The Organization is a tax-exempt Section 170(b)(1)(A)(vi) public charity as described in Section 501(c)(3) of the Internal Revenue Code (the Code) and is exempt from federal income taxes on related income pursuant to Section 501(a) of the Code. Accordingly, no provision for income taxes has been reflected in these financial statements.

The standards for accounting for uncertainty in income taxes require the Organization to report any uncertain tax positions and to adjust its financial statements for the impact thereof. As of December 31, 2017 and 2016, the Organization determined that it had no tax positions that did not meet the more-likely-than-not threshold of being sustained by the applicable tax authority. The Organization files an informational return in the United States. This return is generally subject to examination by the federal government for up to three years.

No provision for taxes on income is made in the Limited Partnerships' financial statements since, as a partnership, all taxable income and losses are allocated to the partners for inclusion in their respective tax returns.

3. Development in Process

Development in process at December 31, 2017 consist of costs related to the following facilities:

Family Willows Recovery Housing Program

In response to the rising rates of opioid and other substance use issues throughout Manchester, New Hampshire and the State of New Hampshire, FIT and Housing Benefits are assisting in the establishment of The Manchester Recovery and Treatment Center, a large-scale facility to curb the tide of substance misuse.

The plan for establishment of this facility includes the following provisions: Each of the four floors of the Manchester Recovery and Treatment Center will provide different substance use disorder treatments or services to those at varying stages of recovery. Agencies using the facility will coordinate services to ensure that clients who seek services are provided with integrated and comprehensive care. One of the key programs in the facility will be Housing Benefit's Family Willows Recovery Housing Program (the Project) on the 2nd and 3rd floors. This program will provide 19 units of sober, recovery housing, and can accommodated an estimated 40-50 women and their children on an annual basis. Residents in the Project will have access to case management, continued outpatient treatment, self-help groups, employment workshops, and social events. Construction began in December 2017 and is anticipated to be completed by July 2018. The total, estimated cost of construction for the Project is approximately \$4,000,000. Funding for the Project has been secured by the City of Manchester, New Hampshire Housing Finance Authority (NHHFA), Franklin Savings Bank, the Community Development Finance Authority (CDFA) and private foundations.

Hope House

In December 2017, FIT and Housing Benefits began renovations on a new emergency housing facility in Wolfeboro, New Hampshire called Hope House.

The plan for renovation of this facility includes the following provisions: Hope House, modeled after FIT's Family Place Resource Center and Shelter in Manchester, New Hampshire, will be a comprehensive resource for families experiencing homelessness. In addition to emergency housing, Hope House will provide services including comprehensive intake, assessment and referrals designed to direct families to the appropriate homeless and housing resources in the community, referrals to medical care for parents and children, and other essential resources. Hope House is expected to house 7 families and their children each night, with an estimated 30 adults and 90 children annually. The renovations are expected to bring 7 bedrooms each with a private bathroom, a kitchen and dining area, and a staff office. The estimated cost of Hope House is approximately \$1,500,000 and it is scheduled to be placed into service late Spring 2018. Funding for Hope House is expected to be financed with lending from NHHFA, as well as private contributions.

4. Line of Credit

The Organization has an unsecured line of credit agreement, renewed annually, with a financial institution in the amount of \$200,000. During the term of the agreement, the interest rate on any outstanding principal balance shall be equal to the base rate, as defined by the financial institution, with a floor of 4%. There was no outstanding balance or activity as of and for the years ended December 31, 2017 and 2016.

FIT and New Horizons for New Hampshire (NHNH) Merger

Since 1973, NHNH has worked to assist low income persons providing an adult emergency shelter, a soup kitchen, a women's shelter and food pantry to address the social issues facing the Manchester, New Hampshire community. On October 18, 2017 it was announced, that effective January 1, 2018, FIT and NHNH will merge to create an integrated system of care that will provide an increased supply of affordable housing for those most in need, sustain positive outcomes through the incorporation of evidence based practices proven to meet identified needs and goals, identify areas for systemic and programmatic improvements through the use of consistent and accurate data to regularly measure success, and provide an integrated system of care that will prevent homelessness when possible and rapidly rehouse those who become homeless, including both the chronically homeless and families with children. As a result, NHNH assets of approximately \$3,000,000 and liabilities of approximately \$200,000 will be included in FIT's consolidated financial statements beginning in 2018.

Serenity Place Receivership

On December 20, 2017, the Director of Charitable Trusts, under the supervision of the Attorney General for the State of New Hampshire, appointed FIT as Receiver of Serenity Place, a New Hampshire based nonprofit organization that was no longer, financially or organizationally, able to meet the demands placed upon its services. The Receivership afforded FIT the ability to provide Serenity Place with management to maintain its operations while planning for the future provision of its substance use services. As of January 31, 2018, Serenity Places' substance use services had either been terminated or moved to other substance use service providers with the exception of one program that is to remain under Serenity Place control until the second quarter of 2018 at which time the program is expected to be relocated to another substance use service provider. Two of the substance use programs were absorbed by FIT to continue to provide substance use services to those individuals in need. FIT's assigned Receivership is expected to end with the relocation of Serenity Place's final program and the filing of Chapter 7 bankruptcy protection.
