Appointments

Jonathan Downing and Steve Parker; Alton Bay

Cydney Johnson invited Jonathan Downing and Steve Parker to the table to discuss their concerns regarding Alton Bay. They were informed that this was scheduled for a ten (10) minute meeting.

Speaking as residents they voiced their concerns regarding the Water Bandstand, Land Bandstand and the wall at Harmony Park. Mr. Downing concentrated on the Water Bandstand. He stated he is interested to getting it "shining" again. He is aware that a new roof was put on it but there is additional work that needs to be done. Kellie Troendle provided him with an update on the Capital Reserve, which was established in 2014 for maintaining, and repairing the Water Bandstand with 20K appropriated. Due to weather, projects have been delayed. The roof work was completed and paid for at approximately \$7,500.00 leaving a balance of roughly \$13,540.00. Visually the Bandstand looks fine from a distance. The following items need to be repaired/replaced:

- Vinyl Siding; falling off
- Ceiling; needs painting
- Algae; deck (few years)
- Lighting; antiquated

radio which is now covered through the grant and there is money in his budget for some of the emergency equipment that will now be covered. There is a deadline of December 13, 2017 for the paperwork submission.

* [Virgil MacDonald made a motion to allow Ryan Heath to accept the terms of the Emergency Management Performance Grant (EMPG) as presented for Emergency Management Trailer & Command Vehicle Enhancement Project in the amount of \$24,999.00 for the purchases with a total project cost of \$49,998.00 with a 50% match and Cydney Johnson seconded. The vote was 3 approved, 1 opposed; John Markland.] *

Old Business

Police Boat Update

Cydney Johnson suggested that this item be moved to the next meeting agenda in order for all members to have a copy of the island calls, for review.

Ryan Heath noted a need to explain the provided copy as it is not call specific to just the island properties it is a combination of water related calls. This list does not include calls that were farmed out to Marine Patrol while our boat was down (these are not available). The calls for service needed to be marked by hand and have been highlighted. There are currently 19 open island building permits that are in need of inspections. The three specific questions that were asked at the last meeting:

1. Using the Revolving Fund; the answer is No
2. Warranty issue; instead of a refurbished hull it has been proposed to replace the hull which will provide a ten (10) year warranty vs. one year on the refurbished. In addition we will go to a single drive motor opposed to a dual motors with a municipal three (3) year warranty from Honda
3. Smaller boat; 20' boat is \$58,787.00

The bigger issue is for the Code Enforcement Department who has to jump through a lot of hoops to get out to the islands. The hull replacement is the best utilization of money opposed to scrapping the whole boat and getting the warranty and the best option.

It was the consensus of the Board to place this on the next agenda so that the Board had the opportunity to fully review the calls.

Selectmen Committee Reports

Phil Wittmann had nothing to report.

John Markland reported that he met with the Budget Committee who began their process and found it humorous that it only took an hour to review the 13 million dollar School budget versus the Town budget.

Virgil MacDonald had nothing to report meets with Planning tomorrow.
