NH POLICE STANDARDS AND TRAINING COUNCIL

ANNUAL REPORT

Fiscal Year July 1, 2019 - June 30, 2020

ORGANIZATION AND FUNCTIONS

The Police Standards and Training Council was established by the New Hampshire Legislature in 1971. Policies are set by the 14-member Police Standards and Training Council who appoints the Director to oversee the operation of the agency.

Police Standards and Training is an independent, executive branch agency. The current director, John V. Scippa of Exeter, was appointed to his first four-year term on March 16, 2020.

The Council is charged with establishing minimum hiring and educational standards for police, state corrections, and probation-parole officers; the certification of persons qualified to serve in those positions; and providing mandatory basic training to new police, state corrections and probation-parole officers.

The Police Standards and Training Council approves the curriculum for County Corrections Officers who are enrolled in the Group II retirement system.

The Council currently certifies 4,270 police officers, both full and part time, who are employed by State, County and local units of government, plus 507 sworn employees of the New Hampshire Department of Corrections.

Our headquarters are located at 17 Institute Drive in Concord, in a law enforcement training facility that opened on October 25, 1983. An additional lecture hall, two more classrooms, and several additional offices were opened on July 1, 1989. Another 33,280 square feet (on two floors) Tactical Training Center and a 7,600 square feet (on two floors) dormitory addition were completed in 1993, giving us a total of 77,000 square feet on 20.87 acres of land and overnight accommodations for more than 100 persons.

On May 2, 2007 in honor of the late Arthur D. Kehas the first Director of Police Standards and Training, the Governor and Executive Council changed the name of our building and grounds to the Arthur D. Kehas Law Enforcement Training Facility and Campus. On June 14, 2010, a ceremony was held to dedicate a bronze plaque donated by the Kehas family to commemorate the naming of the campus in honor of Arthur Kehas. That plaque remains proudly displayed in our lobby.

On July 1, 2016, the funding for PSTC changed to 100% general fund and the balance of the training fund and any future penalty assessment revenue previously directed to PSTC was transferred to the general fund.

The Council was a non-affiliated state agency reporting directly to the Governor until July 1, 1985. With the passage of Chapter 152, Laws of 1985, it became attached to the Department of Postsecondary Technical Education, subsequently called the NH Department of Regional Community-Technical Colleges, and known since 1998 as the NH Community Technical College System. Laws of 1985, 152:4, provide that Police Standards and Training shall be a separate PAU within the System, administratively attached and separately financed. The Council also retains its rule-making authority independent from the System. By a law enacted by the 1998 Legislature, the Police Standards and Training Council, like the rest of the college system, gained flexibility in making purchases and in fiscal transfers through the System's Board of Trustees. Chapter 361, Laws of 2007, changed the governance structure of the system again and renamed the system the New Hampshire Community College System. Beginning in SFY 2008, PSTC transfers are approved through the Joint Legislative Fiscal Committee. In 2011, the property of the CCSNH, PSTC and the McAuliffe Shepard Discovery Center was surveyed and re-distributed under RSA 188-F:1-a with PSTC receiving 20.87 acres of allocation. In 2017 RSA 188-F:22 through 32-a was repealed and the provisions were moved to RSA 106-L, removing the Council from attachment to the Community College System.

MAJOR ACCOMPLISHMENTS AND REFLECTION OVER THE LAST YEAR

PSTC Director Donald Vittum retired in August 2019 and the Council formed a subcommittee to assist with the hiring of the next Director of Police Standards & Training. Chief Timothy Merrill was appointed Assistant Director and served in that capacity until losing his battle with cancer on December 16, 2019. Major David Parenteau was appointed Interim Director on December 16th and served in that capacity until March 15, 2020. Director John Scippa was sworn in on March 16, 2020 as the 6th Director of Police Standards and Training.

PSTC was awarded two capital projects for FY20-FY21. The first capital project is the boiler replacement which would replace the agency's heating system boilers in the Tactical Center and Administrative wing of PSTC. The boilers in the tactical center are 26 years old and the Administrative boilers are 22 years old. Due to the COVID-19 pandemic this project is currently on hold.

The second capital project approved is the Database Replacement Project. This project stemmed from the recommendation of the Legislative Audit. The current database is outdated, unsupported by Dolt, and not sufficient to meet our needs. Due to the COVID-19 pandemic this project is currently on hold.

During the February 25, 2020 Police Standards & Training Council meeting, in accordance with RSA 106-L:5, XVII, the Council unanimously approved the donation of two Sig 320RX pistols with mounted optic scopes. Sig Sauer in Epping, NH donated these new pistols, valued at \$849.99 each, for training at our facility.

Council and staff are continuing to work on the completion of the recommended observations from the Legislative Performance Audit from FY20.

The Council approved increasing the NH DOC length of their academy by one week, to include vital training on interacting with the mentally ill and crisis intervention taught by NH NAMI, beginning with the first academy in FY21.

PSTC applied for and awarded a Homeland Security Grant, thru the Department of Safety, for \$115,838 for upgrading the Virtra 300 Training Simulator. This upgrade will allow us to continue to provide interactive scenario based training to law enforcement and corrections officers throughout the state.

Based on the direction of the Governor, and with assistance from the NH Attorney General's Office, NHSP and NHDOC, our agency developed and delivered a 40-hour block of instruction to National Guard soldiers and Airmen to help prepare them for state side deployment to assist with site security at hospital surge sites and the NH Prison. This training was delivered simultaneously to seven classrooms at two different locations by way of Zoom.

NHPSTC worked with members of the NH Fire Academy along with members of the NH Law Enforcement community to develop, produce and post a training video to help LEO's to stay safe conducting operations in a COVID-19 environment.

COMPLIANCE MONITORING

Another function of our agency is that of compliance monitoring to insure that agency administrative rules are being followed. That activity is characterized by the following:

- Investigations into alleged rules violations or other departmental or individual conduct that could result in suspension or revocation of police or corrections officers' certifications.
- Background investigations conducted on the ability and fitness of persons to serve as Police Standards and Training Council employees, staff members.
- Examination of the documentation submitted by officers from other states requesting certification in New Hampshire based on prior training and experience or by officers re-entering the field.
- Reviews of incidents involving police officers that indicate a need for positive changes in our training programs or entrance standards.
- Monitoring compliance with our various rules, which involves submission of forms and data from state, county, and local law enforcement and/or corrections agencies.

Surrender of police certification carries the same ramifications as revocation of police certification - a minimum two-year period before a petition can be made to the Council to grant eligibility to regain recertification. Decisions of the Council are appealable only to the New Hampshire Supreme Court. The following table details the results of decertification and suspension hearings held in the past fiscal year.
