

The State of New Hampshire
Department of Environmental Services

Thomas S. Burack, Commissioner

May 25, 2016

Her Excellency, Governor Margaret Wood Hassan
and the Honorable Council
State House
Concord NH 03301

REQUESTED ACTION

Authorize the Department of Environmental Services (DES) to enter into a **SOLE SOURCE** Joint Funding Agreement with the U.S. Geological Survey (USGS), Pembroke, NH, (VC # 175772), in the amount of \$185,175.00 for streamflow gaging, effective as of July 1, 2016 through June 30, 2017, upon Governor & Council approval. 67% General Funds and 33% Interagency Funds.

Funding is available in the account as follows:

	<u>FY 2017</u>
03-44-44-442010-3800-102-500731	\$185,175.00
Dept. of Environmental Services, Dam Bureau Administration, Contracts for Program Services	

EXPLANATION

Under the Joint Funding Agreement, USGS will operate and maintain the existing network of 26 streamflow gages for FY 2017. This agreement is **sole source** because USGS is the only provider that operates the Streamflow Gaging Program in New Hampshire and because USGS is funding 45% of the cost of the program. See Attachment A for the list of gage stations.

The state's participation in the USGS Cooperative Streamflow Gaging Program is authorized under RSA 482:85. Under the Cooperative Streamflow Gaging Program, the USGS operates and maintains gaging stations throughout New Hampshire and collects and publishes data on the flows in rivers and streams in the state. The data are used by numerous state and federal programs as well as municipalities and private industry. The data support emergency response, flood control and water management, planning activities, permitting, and hydraulic structure design.

Under this agreement the USGS will provide \$152,570.00 (45%) in funds towards the total cost of \$337,745.00 to operate stream gaging network for the year, with the balance of \$185,175.00 (55%) being provided by the State. The State share is funded by DES (two-thirds) and the Department of Transportation (one-third) as established in a Memorandum of Agreement approved by Governor and Council on December 3, 2014 (Item 63). This Agreement has been approved by the Department of Justice as to form, content and execution.

We respectfully request your approval.

Thomas S. Burack
Commissioner
