REQUESTED ACTION

Authorize the Department of Health and Human Services, Division of Public Health Services, Public Health Laboratories to enter into a **sole source** agreement with BIO-RAD LABORATORIES, INC. (Vendor Code #177854/R002) 1000 Alfred Nobel Drive, Hercules, CA, 94547, to provide maintenance and repair services for the EVOLIS System in an amount not to exceed \$49,200, effective upon Governor and Executive Council approval, through December 11, 2018. The source of the funding is 100% General Funds.

Funds to support this request are available in the following account in State Fiscal Year 2016 and anticipated to be available in State Fiscal Year 2017 and State Fiscal Year 2018 upon the availability and continued appropriation of funds in the future operating budget, with the ability to adjust encumbrances between State Fiscal Years through the Budget Office without Governor and Executive Council approval, if needed and justified.

Fiscal Year	Class	Title	Activity Code	Amount

2017	024-500225	Maintenance other than Build-Grn	90059000	\$16,400
2018	024-500225	Maintenance other than Build-Grn	90059000	\$16,400
			Total:	\$49,200

EXPLANATION

The purpose of this agreement is to provide service and maintenance to the EVOLIS System. The EVOLIS System performs Enzyme immunoassays (EIA) testing which is designed to detect antigens or antibodies by producing an enzyme triggered color change. Enzyme immunoassays tests are commonly used to detect a variety of infectious diseases.

This request is **sole source** because BIO-RAD LABORATORIES, INC. is the only vendor that can provide service and maintenance to the EVOLIS System.

This agreement contains renewal language that allows for up to three (3) additional years, subject to the continued availability of funds, satisfactory performance and approval by the Governor and Executive Council.

Should the Governor and Executive Council not approve this request the Public Health Laboratories would not have access to maintenance and repair of the EVOLIS System would leave the lab unable to process Enzyme immunoassays (EIA) tests.

Area Served: Public Health Laboratories

Source of Funds: 100% General Funds

Respectfully submitted,

Marcella J. Bobinsky
