EXPLANATION

The purpose of this request is to secure temporary, contracted Registered Nurse (RN) and Licensed Practical Nurse (LPN) Professionals ("Temporary Staff") through Staffing Agencies to support the New Hampshire Department of Health and Human Services, Glencliff Home.

Glenclyff Home is seeking Staffing Agencies to increase the ability to hire Temporary Staff because the facility has been experiencing increased difficulty filling and retaining nursing positions in the current labor market as can be seen by the current vacancy rates in nursing positions in Table 1 below. The local and State unemployment rates have remained low. Consequently, Glenclyff Home is pursuing "passive" candidates for vacant positions. Passive candidates are individuals not actively seeking employment, making recruitment a difficult and lengthy process. Adding to the vacancy rate concerns, State employed nursing staff are increasingly eligible for retirement. In the last year, Glenclyff Home had three (3) nurses retire and will have another six (6) nurses (23% of its nursing staff) eligible for retirement in the next three (3) years.

Table 1. Glenclyff Home Nurse Positions

Position Classification	Labor Grade	Authorized Number of Positions	Number of Vacant Positions			
			May 2017	Nov. 2016	July 2016	July 2015
Nursing Director	34	1	0	0	0	0
Registered Nurse I-III	19-23	18	6	4	3	2
Licensed Practical Nurse I-II	21	8	3	1	2	0
Nursing Coordinator (Shift)	27	3	1	2	2	0
Nurse Coordinator (Training)	27	1	0	0	0	0
Total		31	10	7	7	2
Vacancy Rate			33.3%	22.6%	22.6%	7.5%

Table 1 illustrates the increase in the vacancy rate at Glenclyff Home. There are currently ten (10) nursing vacancies at Glenclyff Home. The continued vacancies have created an increase in overtime requirements for nursing staff. In the last nine (9) months Glenclyff Home lost four (4) nurses. The longest open position has been vacant since March 31, 2016. This increase in overtime use is despite creative staffing solutions, such as increasing the use of Medication Nursing Assistants (MNAs). Knowing the nursing shortage was eminent; Glenclyff Home provided an in-house course to increase its number of MNAs from eight (8) to (12).

Many factors contribute to Glenclyff Home's ability to effectively compete in the nursing labor market. First and foremost, Glenclyff Home salaries are not competitive with area employers. Glenclyff Home is significantly low in compensation for Registered Nurses, especially any nurse with experience (12-15% below State average). While Glenclyff Home appears comparable in compensation for licensed practical nurses (LPNs), LPNs are growing scarce as most nursing educational institutions no longer offer LPN programs.

According to statistics provided in November 2016, the Economic and Labor Market Information Bureau is projecting the growth rate of job openings to be nineteen percent (19%) for registered nurses and twenty-four percent (24%) for licensed practical nurses. If the projections are realized, the demand for nurses will create even more competition between healthcare providers, such as the twenty-two (22) other nursing homes that Medicare's Nursing Home Compare website lists within the vicinity of Glenclyff Home. Also competing for nursing staff in the area are three (3) hospitals, including Dartmouth-Hitchcock Medical Center, a well-known teaching facility.

Also complicating nurse staffing recruitment is the apparent reluctance of nursing staff candidates to seek employment at Glenclyff Home, which delivers services within an industry often stigmatized by mental health stereotypes, prejudice, and discrimination. Many nurses are hesitant to apply for employment due to the perceived difficulty of working with individuals with mental health behaviors.

Glenclyff Home will continue its recruitment efforts, which include local, state, and nationwide advertising in newspapers, trade journals, and websites, and will continue to serve as a Plymouth State University nursing clinical site, as well as attempting to develop an LPN program in house. Additionally salary enhancements for nursing staff, supported by the Governor and the Legislature, will assist with recruitment and retention. Glenclyff Home would like to gain the use of professional staffing services through these contracts in order to broaden our ability to locate and retain qualified Temporary Staff.

This contract was competitively bid. On April 3, 2017 the Department issued a Request for Applications for qualified organizations to provide Temporary Staff for Glenclyff Home. The Request for Applications will continue to remain open until a sufficient staffing level has been reached. Two (2) applications were submitted. The applications were evaluated by a team of individuals with program specific knowledge and experience, as well as individuals with significant business and management expertise. Both All's Well and InSync Consulting Services were selected. The Scoring Summary is attached.

As referenced in the Request for Applications and in Exhibit C-1 of this contract, this Agreement has the option to extend the contract for up to two (2) additional years, contingent upon satisfactory delivery of services, available funding, agreement of the parties and approval of the Governor and Council.

Should the Governor and Executive Council determine not to approve this request, the shortage of nurses which is already dire, may increase as nurses retire and continue to take positions at other healthcare facilities. As positions take longer to fill and more positions become vacant, the increased workload on existing employees may have a detrimental effect on the quality of care, as well as increase the likelihood of additional staff turnover. The use of agency nurses will alleviate some of the negative impacts of the high vacancy rate and continued use of overtime.

Area served: Statewide

Source of funds: 80% other (Agency) and 20% General.

In the event that the Other (Agency) Funds become no longer available, additional General Funds will not be requested to support this program.

Respectfully submitted,

Katja S. Fox

4. **Fair Hearings:** The Contractor understands that all applicants for services hereunder, as well as individuals declared ineligible have a right to a fair hearing regarding that determination. The Contractor hereby covenants and agrees that all applicants for services shall be permitted to fill out an application form and that each applicant or re-applicant shall be informed of his/her right to a fair hearing in accordance with Department regulations.
5. **Gratuities or Kickbacks:** The Contractor agrees that it is a breach of this Contract to accept or make a payment, gratuity or offer of employment on behalf of the Contractor, any Sub-Contractor or the State in order to influence the performance of the Scope of Work detailed in Exhibit A of this Contract. **CERTIFICATION REGARDING DEBARMENT, SUSPENSION
AND OTHER RESPONSIBILITY MATTERS**

The Contractor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of Executive Office of the President, Executive Order 12549 and 45 CFR Part 76 regarding Debarment, Suspension, and Other Responsibility Matters, and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

INSTRUCTIONS FOR CERTIFICATION

1. By signing and submitting this proposal (contract), the prospective primary participant is providing the certification set out below.
2. The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. If necessary, the prospective participant shall submit an explanation of why it cannot provide the certification. The certification or explanation will be considered in connection with the NH Department of Health and Human Services' (DHHS) determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.
3. The certification in this clause is a material representation of fact upon which reliance was placed when DHHS determined to enter into this transaction. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, DHHS may terminate this transaction for cause or default.
4. The prospective primary participant shall provide immediate written notice to the DHHS agency to whom this proposal (contract) is submitted if at any time the prospective primary participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
5. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposal," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549: 45 CFR Part 76. See the attached definitions.
6. The prospective primary participant agrees by submitting this proposal (contract) that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by DHHS.
7. The prospective primary participant further agrees by submitting this proposal that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transactions," provided by DHHS, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
8. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or involuntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Nonprocurement List (of excluded parties).
9. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and

6/21/17

information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

10. Except for transactions authorized under paragraph 6 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal government, DHHS may terminate this transaction for cause or default.

PRIMARY COVERED TRANSACTIONS

11. The prospective primary participant certifies to the best of its knowledge and belief, that it and its principals:
 - 11.1. are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by any Federal department or agency;
 - 11.2. have not within a three-year period preceding this proposal (contract) been convicted of or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, State or local) transaction or a contract under a public transaction; violation of Federal or State antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;
 - 11.3. are not presently indicted for otherwise criminally or civilly charged by a governmental entity (Federal, State or local) with commission of any of the offenses enumerated in paragraph (l)(b) of this certification; and
 - 11.4. have not within a three-year period preceding this application/proposal had one or more public transactions (Federal, State or local) terminated for cause or default.
12. Where the prospective primary participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal (contract).

LOWER TIER COVERED TRANSACTIONS

13. By signing and submitting this lower tier proposal (contract), the prospective lower tier participant, as defined in 45 CFR Part 76, certifies to the best of its knowledge and belief that it and its principals:
 - 13.1. are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any federal department or agency.

- f. Within five (5) business days of receipt of a written request from Covered Entity, Business Associate shall make available during normal business hours at its offices all records, books, agreements, policies and procedures relating to the use and disclosure of PHI to the Covered Entity, for purposes of enabling Covered Entity to determine Business Associate's compliance with the terms of the Agreement.

- l. Within ten (10) business days of termination of the Agreement, for any reason, the Business Associate shall return or destroy, as specified by Covered Entity, all PHI received from, or created or received by the Business Associate in connection with the Agreement, and shall not retain any copies or back-up tapes of such PHI. If return or destruction is not feasible, or the disposition of the PHI has been otherwise agreed to in the Agreement, Business Associate shall continue to extend the protections of the Agreement, to such PHI and limit further uses and disclosures of such PHI to those purposes that make the return or destruction infeasible, for so long as Business

(4) Obligations of Covered Entity

- a. Covered Entity shall notify Business Associate of any changes or limitation(s) in its Notice of Privacy Practices provided to individuals in accordance with 45 CFR Section 164.520, to the extent that such change or limitation may affect Business Associate's use or disclosure of PHI.

(5) Termination for Cause

In addition to Paragraph 10 of the standard terms and conditions (P-37) of this Agreement the Covered Entity may immediately terminate the Agreement upon Covered Entity's knowledge of a breach by Business Associate of the Business Associate Agreement set forth herein as Exhibit I. The Covered Entity may either immediately terminate the Agreement or provide an opportunity for Business Associate to cure the alleged breach within a timeframe specified by Covered Entity. If Covered Entity determines that neither termination nor cure is feasible, Covered Entity shall report the violation to the Secretary.

A reference in the Agreement, as amended to include this Exhibit I, to a Section in the Privacy and Security Rule means the Section as in effect or as amended.
- b. Amendment. Covered Entity and Business Associate agree to take such action as is necessary to amend the Agreement, from time to time as is necessary for Covered Entity to comply with the changes in the requirements of HIPAA, the Privacy and Security Rule, and applicable federal and state law.

INSTRUCTIONS FOR CERTIFICATION

1. By signing and submitting this proposal (contract), the prospective primary participant is providing the certification set out below.
2. The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. If necessary, the prospective participant shall submit an explanation of why it cannot provide the certification. The certification or explanation will be considered in connection with the NH Department of Health and Human Services' (DHHS) determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.
3. The certification in this clause is a material representation of fact upon which reliance was placed when DHHS determined to enter into this transaction. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, DHHS may terminate this transaction for cause or default.
4. The prospective primary participant shall provide immediate written notice to the DHHS agency to whom this proposal (contract) is submitted if at any time the prospective primary participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
5. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposal," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549: 45 CFR Part 76. See the attached definitions.
6. The prospective primary participant agrees by submitting this proposal (contract) that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by DHHS.
7. The prospective primary participant further agrees by submitting this proposal that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transactions," provided by DHHS, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
8. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or involuntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Nonprocurement List (of excluded parties).
9. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and

information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

10. Except for transactions authorized under paragraph 6 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal government, DHHS may terminate this transaction for cause or default.

(5) Termination for Cause

In addition to Paragraph 10 of the standard terms and conditions (P-37) of this Agreement the Covered Entity may immediately terminate the Agreement upon Covered Entity's knowledge of a breach by Business Associate of the Business Associate Agreement set forth herein as Exhibit I. The Covered Entity may either immediately terminate the Agreement or provide an opportunity for Business Associate to cure the alleged breach within a timeframe specified by Covered Entity. If Covered Entity determines that neither termination nor cure is feasible, Covered Entity shall report the violation to the Secretary.

A reference in the Agreement, as amended to include this Exhibit I, to a Section in the Privacy and Security Rule means the Section as in effect or as amended.

1. Confidential Information: In addition to Paragraph #9 of the General Provisions (P-37) for the purpose of this RFP, the Department’s Confidential information includes any and all information owned or managed by the State of NH - created, received from or on behalf of the Department of Health and Human Services (DHHS) or accessed in the course of performing contracted services - of which collection, disclosure, protection, and disposition is governed by state or federal law or regulation. This information includes, but is not limited to Personal Health Information (PHI), Personally Identifiable Information (PII), Federal Tax Information (FTI), Social Security Numbers (SSN), Payment Card Industry (PCI), and or other sensitive and confidential information.

2. The vendor will maintain proper security controls to protect Department confidential information collected, processed, managed, and/or stored in the delivery of contracted services. Minimum expectations include:
 - 2.1. Maintain policies and procedures to protect Department confidential information throughout the information lifecycle, where applicable, (from creation, transformation, use, storage and secure destruction) regardless of the media used to store the data (i.e., tape, disk, paper, etc.).
 - 2.2. Maintain appropriate authentication and access controls to contractor systems that collect, transmit, or store Department confidential information where applicable.
 - 2.3. Encrypt, at a minimum, any Department confidential data stored on portable media, e.g., laptops, USB drives, as well as when transmitted over public networks like the Internet using current industry standards and best practices for strong encryption.
 - 2.4. Ensure proper security monitoring capabilities are in place to detect potential security events that can impact State of NH systems and/or Department confidential information for contractor provided systems.
 - 2.5. Provide security awareness and education for its employees, contractors and sub-contractors in support of protecting Department confidential information
 - 2.6. Maintain a documented breach notification and incident response process. The vendor will contact the Department within twenty-four 24 hours to the Department’s contract manager, and additional email addresses provided in this section, of a confidential information breach, computer security incident, or suspected breach which affects or includes any State of New Hampshire systems that connect to the State of New Hampshire network.
 - 2.6.1. “Breach” shall have the same meaning as the term “Breach” in section 164.402 of Title 45, Code of Federal Regulations. “Computer Security Incident” shall have the same meaning “Computer Security Incident” in section two (2) of NIST Publication 800-61, Computer Security Incident Handling Guide, National Institute of Standards and Technology, U.S. Department of Commerce.

 - 2.6.1.2. DHHSInformationSecurityOffice@dhhs.nh.gov
 - 2.7. If the vendor will maintain any Confidential Information on its systems (or its sub-contractor systems), the vendor will maintain a documented process for securely disposing of such data upon request or contract termination; and will obtain written certification for any State of New Hampshire data destroyed by the vendor or any subcontractors as a part of ongoing, emergency, and or disaster recovery operations. When no longer in use, electronic media containing State of New Hampshire data shall be rendered unrecoverable via a secure wipe program in accordance with industry-accepted standards for secure

The vendor will document and certify in writing at time of the data destruction, and will provide written certification to the Department upon request. The written certification will include all details necessary to demonstrate data has been properly destroyed and validated. Where applicable, regulatory and professional standards for retention requirements will be jointly evaluated by the State and vendor prior to destruction.

- 2.8. If the vendor will be sub-contracting any core functions of the engagement supporting the services for State of New Hampshire, the vendor will maintain a program of an internal process or processes that defines specific security expectations, and monitoring compliance to security requirements that at a minimum match those for the vendor, including breach notification requirements.
3. The vendor will work with the Department to sign and comply with all applicable State of New Hampshire and Department system access and authorization policies and procedures, systems access forms, and computer use agreements as part of obtaining and maintaining access to any Department system(s). Agreements will be completed and signed by the vendor and any applicable sub-contractors prior to system access being authorized.

The purpose of the survey is to enable the Department and vendor to monitor for any changes in risks, threats, and vulnerabilities that may occur over the life of the vendor engagement. The survey will be completed annually, or an alternate time frame at the Departments discretion with agreement by the vendor, or the Department may request the survey be completed when the scope of the engagement between the Department and the vendor changes.
