EXPLANATION

The Department seeks retroactive approval for this request because this employee's evaluation was not conducted as it was inadvertently missed, in part due to the pandemic and scheduling conflicts while maintaining full operations of Cannon Mountain. In our review of Service Park staffing and operations, the discrepancy of the missed evaluation and wage error was discovered.

This request seeks to allow the Department to make whole, through the payment of owed back wages, this employee whose evaluation and increment were missed as a result of his missed evaluation.

Respectfully submitted, 

Sarah L. Stewart
Commissioner
