EXPLANATION

The purpose of this request is to allow Daniels Equipment Company to provide semi-annual preventative maintenance and repair services, including emergency repairs, on the commercial laundry equipment at the Glencliff Home.

The commercial laundry equipment at Glencliff Home is utilized to serve approximately one hundred twenty (120) residents.

Services include semi-annual preventative maintenance and repairs, inclusive of travel, on the commercial laundry equipment, which includes responding to Glencliff Home maintenance calls within twenty-four (24) hours and emergency repairs within forty-eight (48).

The Department will monitor the effectiveness of the Contractor and the delivery of services required under this agreement using the following performance measures:

- One hundred percent (100%) of Glenclyff Home telephonic communications regarding maintenance concerns receive a response from the vendor within twenty-four (24) hours.
- One hundred percent (100%) of Glenclyff Home laundry equipment emergency repairs are resolved within forty-eight (48) of receiving notification.

Daniels Equipment Company, Inc. was selected for this project through a competitive bid process. A Request for Applications (RFA) was posted on the Department of Health and Human Services website from May 1, 2019 through June 6, 2019. The Department received one (1) application. The application was reviewed and scored by a team of individuals with program specific knowledge. The review included a thorough discussion of the strengths and weaknesses of the application. The Summary Scoresheet is attached.

As referenced in the RFA and Exhibit C-1 of this contract, the Department has the option to extend contract services for up to two (2) additional year(s), contingent upon satisfactory delivery of services, available funding, agreement of the parties, and approval of the Governor and Executive Council.

Should the Governor and Executive Council not authorize this request, the laundry needs at the Glenclyff Home may not be met resulting in linen containing bacteria being stockpiled for an undetermined amount of time, which could lead to potential illness of residents and staff.

Area served: Glenclyff Home

Source of Funds: 100% General Funds.

The certification or explanation will be considered in connection with the NH Department of Health and Human Services' (DHHS) determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.
3. The certification in this clause is a material representation of fact upon which reliance was placed when DHHS determined to enter into this transaction. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, DHHS may terminate this transaction for cause or default.

8. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or involuntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Nonprocurement List (of excluded parties).

information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

10.
