REQUESTED ACTION

The Office of Energy and Planning (OEP) respectfully requests authorization to enter into a **SOLE SOURCE** contract with Tri-County Community Action Program, Inc., (VC #177195), Berlin, NH, in the amount of \$13,519.00 for the Senior Energy Assistance Services Program (SEAS) effective November 18, 2015 through August 31, 2016, contingent upon Governor and Executive Council approval. 100% Other Funds (NH DHHS).

Funding is available in the following account:

	<u>FY 2016</u>	<u>FY 2017</u>
<u>Office of Energy & Planning, Fuel Assistance</u>

EXPLANATION

The Senior Energy Assistance Services (SEAS) Program makes home energy more affordable for households with members who are sixty years of age or older, who are experiencing a home energy hardship, and who are not eligible for the New Hampshire Fuel Assistance Program (LIHEAP) under the current income limits of 200% FPG. This contract is **SOLE SOURCE** based on the historical performance of the Community Action Agencies with the New Hampshire Fuel Assistance Program. The Community Action Agencies determine eligibility for the Fuel Assistance Program and are able to efficiently distribute these funds to households in need that are not eligible for that program.

A federal grant under the Older Americans Act funds (Title IIIB) awarded to the New Hampshire Department of Health and Human Services (NH DHHS) Division of Elderly and Adult Services provides funding for the Senior Energy Assistance Services Program. A Memorandum of Understanding for this program was previously approved by the Governor and Executive Council on July 22, 2015, item # 32.

In the event that the Other Funds become no longer available, General Funds will not be requested to support this program.

Respectfully submitted,

Meredith A. Hatfield
Director

MAH/cml

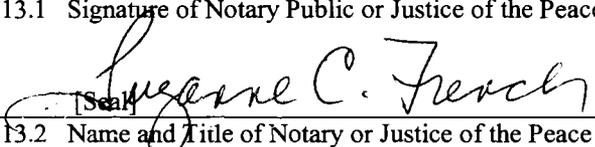

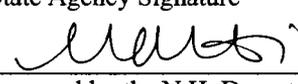

Notice: This agreement and all of its attachments shall become public upon submission to Governor and Executive Council for approval. Any information that is private, confidential or proprietary must be clearly identified to the agency and agreed to in writing prior to signing the contract.

INDEPENDENT AUDITORS' REPORT

Report on the Financial Statements

We have audited the accompanying financial statements of Tri-County Community Action Program, Inc. (a nonprofit organization), which comprise the statement of financial position as of June 30, 2014, and the related statements of activities, cash flows, and functional expenses for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Tri-County Community Action Program, Inc. as of June 30, 2014, and the changes in its net assets and its cash flows for the year then ended, in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Prior Period Adjustment

The financial statements of Tri-County Community Action Program, Inc. as of June 30, 2013, were audited by other auditors whose report dated March 31, 2014 expressed a qualified opinion on those financial statements. The reason for the qualified opinion on the fiscal year 2013 statements was that the Organization had not previously classified the difference between its assets and liabilities as unrestricted net assets, temporarily restricted net assets and permanently restricted net assets based on the existence or absence of donor-imposed restrictions. The previous auditor stated that the effects on the financial statements of that departure were not readily determinable. As discussed in **Note 14** to the financial statements, the Organization has adjusted its 2013 financial statements to retrospectively apply the change in temporarily restricted net assets. The other auditors reported on the financial statements before the retrospective adjustment.

As part of our audit of the fiscal year 2014 financial statements, we also audited the adjustments described in **Note 14** that were recorded to restate the fiscal year 2013 financial statements. In our opinion, such adjustments are appropriate and have been properly applied. We were not engaged to audit, review, or apply any procedures to the 2013 financial statements of the Organization other than with respect to the adjustments and, accordingly, we do not express an opinion or any other form of assurance on the 2013 financial statements as a whole.

Other Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Office of Management and Budget Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated January 19, 2015, on our consideration of Tri-County Community Action Program, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Tri-County Community Action Program, Inc.'s internal control over financial reporting and compliance.
