EXPLANATION

The Department of Health and Human Services' Bureau of Juvenile Justice Services, Juvenile Probation and Parole Officers has leased office space in Dover since 2002, currently housing ten staff.

His Excellency, Governor Christopher T. Sununu
and the Honorable Council

December 9, 2019

Page 2

This request is submitted retroactive due to the original planning of the Department to incorporate the Juvenile Probation and Parole Officers housed at the Dover Itinerant Office into a new Rochester District Office. The Department was prepared to relocate this itinerant office into a new proposed district office; however, the new district office has yet to materialize. Rethinking of the relationship of the itinerant office has resulted in it remaining separate from the district office. The existing itinerant office does not have the additional space to accommodate the Department's new requirements and the accessible accommodations are minimal. The area has limited resources and finding a new location will require at least two years to locate a facility, procure all approvals and provide time for fit up. In addition, delays with the City of Dover's City Council approval process and the meeting scheduled of the Long Range Capital Planning and Utilization Committee has deterred a timely approval process.

The Dover Itinerant Office has full-time caseloads assigned by the Dover District Court. The purpose of this request is to continue to lease office space at 61 Locust Street, Suites 128 and 129, in Dover until a new location is established. The leased space provides workspace for the Department's Juvenile Probation and Parole Officers. These Juvenile Probation and Parole Officers are assigned to work with the Dover District Court and juveniles under their jurisdiction exclusively.

The leasing of space in Dover is particularly desirable because of the close working relationship and responsibilities the Juvenile Probation and Parole Officers have with the court, the juveniles they serve, and the community. Office space in proximity of the court makes them more accessible to those they serve directly and demonstrates the Department's commitment to serve the community in the best manner possible. Reports to the court relative to Court Ordered Placements (RSA 169-F) are provided more efficiently due to the Juvenile Probation and Parole Officers proximity.

The amendment rate is \$14.79 per square foot year one and \$15.09 per square foot year two. The rate reflects an increase of 2% for each year of the term. The lease is structured to be payable as a full gross lease, inclusive of real estate taxes, insurance, heat, electricity, janitorial services and common area maintenance (including snow plowing, snow removal, general repairs and maintenance, HVAC repairs and maintenance, electrical repairs and maintenance, water and sewer, and landscaping).

The Department is requesting approval of the attached two-year amendment with the City of Dover. This amendment will allow the Department to secure office space for its employees and clients in a secure and efficient facility.

In accordance with RSA 4:39-b, waiver of the five-year term limitation, the Department has obtained Long Range Capital Planning and Utilization Committee approval.

Approval of this amendment will allow the Department of Health and Human Services to provide continuity of services to the court and community in the Dover area. The area served by this office is the area jurisdiction of the Dover District Court.

Funding for this request is General Funds 49%, Federal Funds 51% by cost allocation across benefiting programs.

In the event that the Federal Funds become no longer available, General Funds will not be requested to support this agreement.

Respectfully submitted,

David S. Clapp

EXPLANATION

The Department of Health and Human Services' Bureau of Juvenile Justice Services, Juvenile Probation and Parole Officers has leased office space in Dover since 2002, currently housing ten staff. This request is submitted retroactive due to delays with the City of Dover's City Council approval process and delays in submittal of proper documentation. The Dover Itinerant Office has full-time caseloads assigned by the Dover District Court. The purpose of this request is to lease office space at 61 Locust Street, Suites 128 and 129, in Dover, New Hampshire. The leased space provides workspace for the Department's Juvenile Probation and Parole Officers. These Juvenile Probation and Parole Officers are assigned to work with the Dover District Court and juveniles under their jurisdiction exclusively.

The leasing of space in Dover is particularly desirable because of the close working relationship and responsibilities the Juvenile Probation and Parole Officers have with the court, the juveniles they serve, and the community. Office space in proximity of the court makes them more accessible to those they serve directly and

demonstrates the Department's commitment to serve the community in the best manner possible. Reports to the court relative to Court Ordered Placements (RSA 169-F) are provided more efficiently due to the Juvenile Probation and Parole Officers proximity.

As required by Administrative Rule Adm 610.06 "Public Notice," in August 2014, a space search was conducted through newspaper advertisements in the New Hampshire Union Leader (see attached Public Notice), in addition, the current Dover landlord was sent a copy of the advertisement. The Department of Health and Human Services also submitted the advertisement to the Department of Administrative Services for inclusion on the web page <http://www.state.nh.us/das/bpm/index.html> for broadened exposure. The space search resulted in only one viable response; the current landlord, City of Dover, 288 Central Avenue, Dover, New Hampshire 03820. David Clapp, Bureau Chief for the Department of Administrative Services, Bureau of Facilities and Assets Management, reviewed the proposals.

The new lease rate is \$13.40 per square foot gross with 2% increases each year through year five. The lease is structured to be payable as a full gross lease, inclusive of real estate taxes, insurance, heat, electricity, janitorial services and common area maintenance (including snow plowing, snow removal, general repairs and maintenance, HVAC repairs and maintenance, electrical repairs and maintenance, water and sewer, and landscaping).

As part of this lease agreement, Exhibit A, Schedule Of Payments will allow the Department to request minor alterations, renovations and modifications to be made by the Landlord at the Department's expense (not to exceed \$5,000 per year) without amending the amount of this contract.

Approval of this renewal lease will allow the Department to continue to provide continuity of services to the court and community in the Dover area. The area served by this office is the area jurisdiction of the Dover District Court.

Funding for this request is General Funds 60%, Federal Funds 40% by cost allocation across benefiting programs.

In the event that the Federal Funds become no longer available, General Funds will not be requested to support this agreement.

Respectfully submitted,

17. Fire, Damage and Eminent Domain: The Tenant and Landlord agree that in the event of fire or other damage to the Premises, the party first discovering the damage shall give immediate notice to the other party. Should all or a portion of the Premises, or the property to which they are a part, be substantially damaged by fire or other peril, or be taken by eminent domain, the Landlord or the Tenant may elect to terminate this Lease. When such fire, damage or taking renders the Premises substantially unsuitable for their intended use, a just and proportionate abatement of the rent shall be made as of the date of such fire, damage, or taking, remaining in effect until such time as the Tenant's occupancy and use has been restored in entirety.

17.1 Landlord's Repair: In the event of damage to the Premises that can be repaired within ninety (90) days:

- A) No later than five (5) days after the date of damage to the Premises, the Landlord shall provide the Tenant with written notice of their intention to repair the Premises and restore its previous condition; and,
- B) The Landlord shall thereupon expeditiously, at their sole expense and in good and workmanlike manner, undertake and complete such repairs that are necessary to restore the Premises to its previous condition.
- C) The Landlord may provide alternate temporary space for the Tenant until such time that the Premises are restored to a condition that is substantially suitable for the Tenant's intended use. Alternate temporary space is subject to the acceptance of the Tenant. Should said temporary space provide less square footage and/or limited services for the Tenant's use, a proportionate abatement of the rent shall be made.

17.2 Tenant's Remedies: In the event the Premises cannot be repaired within ninety (90) days of said fire or other cause of damage, or the Tenant is unwilling or unable to wait for completion of said repair, the Tenant may, at its sole discretion, terminate the agreement herein effective as of the date of such fire or damage, without liability to the Landlord and without further obligation to make rental payments.

17.3 Landlord's Right To Damages: The Landlord reserves, and the Tenant grants to the Landlord, all rights which the Landlord may have for damages or injury to the Premises, or for any taking by eminent domain, except for damage to the Tenant's fixtures, property, or equipment, or any award for the Tenant's moving expenses.

18. Event of Default; Termination by the Landlord and the Tenant:

18.1 Event of Default; Landlord's Termination: In the event that:

- B) **Tenant's Breach of Covenants, etc.:** The Tenant shall default in the observation of or performance of, any other of the Tenant's covenants, agreements, or obligations hereunder and such default is not corrected within thirty (30) days of written notice by the Landlord to the Tenant specifying such default and requiring it to be remedied then. The Landlord may serve ten (10) days written notice of cancellation of this Lease upon the Tenant, and upon the expiration of such ten days, this Lease and the Term hereunder shall terminate. Upon such termination the Landlord may immediately or any time thereafter, without demand or notice, enter into or upon the Premises (or any part thereon) and repossess the same.

18.2 Landlord's Default: Tenant's Remedies: In the event that the Landlord defaults in the observance of any of the Landlord's covenants, agreements and obligations hereunder, and such default shall materially impair the habitability and use of the Premises by the Tenant, and is not corrected within thirty (30) days of written notice by the Tenant to the Landlord specifying such default and requiring it to be remedied, then the Tenant at its option, may withhold a proportionate amount of the rent until such default is cured, or it may serve a written five (5) day notice of cancellation of this Lease upon the Landlord, and upon the expiration of such a five day period the Lease shall terminate. If any such default of the Landlord does not materially impair the habitability and use of the Premises by the Tenant, the Landlord shall cure such default within thirty (30) days of written notice or within a reasonable alternative amount of time agreed upon in writing by Tenant, failing which, Tenant may terminate this Lease upon ten (10) days written notice to Landlord.

18.3 Rights Hereunder: The rights granted under this Section are in addition to, and not in substitution for, any rights or remedies granted herein to the parties, or any rights or remedies at law, or in equity.

Provisions for Architecturally Barrier – Free Accessibility, "Clean Air" compliance, Improvements and Recycling

Part I Architecturally Barrier-Free access to the Premises conforming with all applicable codes and regulations which are in effect as of the date of inception of the Term shall be provided unless otherwise agreed by the parties hereto and agreed by the "Architectural Barrier-Free Design Committee". If Barrier-Free access is deficient it shall be provided after the inception of the Term herein by making certain renovations and/or alterations to the Premises which shall include all recommendations set forth by the State of New Hampshire's "Architectural Barrier-Free Design Committee" (AB Committee) in their "Letter of Recommendation" which has been attached hereto and made part of the Agreement herein by reference. *Specify in text and/or illustrate the manner in which all renovations recommended by the AB Committee will be provided at the Premises. Define which party, the Landlord or Tenant, shall be responsible for providing and funding said renovations and the time frame allowed for completion.*

The Tenant shall follow their standard policy of providing "program accessibility" for all Juvenile Probation and Parole clients and services, therefore, no improvements or renovations for the purpose of providing improved barrier-free access are required.

Part II Certification from the State of New Hampshire Department of Environmental Services ("Environmental Services") stating the Premises comply with the requirements of State of New Hampshire RSA 10:B "Clean Indoor Air in State Buildings" ("clean air") as defined by Chapter Env-A 2200 has either been obtained and a copy of said certification attached herein, or shall be obtained in accordance with the following:

No later than thirty (30) days after the commencement of the Term herein the air quality of the Premises shall be tested in conformance with requirements set forth in Chapter Env-A 2200 in accordance with the requirements of the Agreement herein. *Specify which party – the Landlord or the Tenant- shall schedule and pay for the required testing. In the event of testing results demonstrating the Premises do not conform with all or part of the requirements of Chapter Env-A 2200, specify which party will be responsible for providing and paying for the alterations and repairs necessary to remedy the non-conformity, the time frame to be allowed for providing remedy, and which party shall bear the cost of re-testing and repair required until such time a "certification of compliance" is issued.*

Not later than thirty (30) days after the inception of the term the Tenant (at their sole expense) shall hire technicians (who meet "Environmental Services" criteria of professional accreditation) to perform the State of New Hampshire "Clean Air" testing in accordance with certain requirements set forth in "Environmental Services" Administrative Rules Chapter Env – A2200. In accordance with these rules the landlord may conduct testing limited to the "renewal" criteria set forth in Env-A2200. In the event any deficiencies are found the Landlord shall be solely responsible for providing remedy through repair and/or renovations. Any and all repairs or renovations shall be completed within a reasonable time frame, which shall in no instance exceed four (4) months after the initial deficiency findings. After completion of any and all repairs the Landlord shall conduct re-testing of any sections of the "clean air" test that initially failed to conform thereby proving remedy has been successfully completed.

Part III Improvements, Renovations or New Construction ("work"): In the event that the Agreement herein includes provisions for such "work" to be provided, the Tenant's finalized version of Design-Build floor plans, specifications and any supplemental defining documents depicting all "work" shall be reviewed, accepted, agreed-to and signed by both parties and shall be deemed as part of the lease document. The Tenant and the Landlord shall both retain copies of these documents. Tenant shall provide complete copies to the State of New Hampshire, Department of Administrative Services, Bureau of Planning and Management.

There are no improvements to be provided to the premises.

Part IV

1. The Landlord, or the Landlord's Janitorial provider (Provider), shall recycle all waste products for which markets are available. The following products shall be included: mixed paper, including boxboard, corrugated cardboard, shredded paper and containers (plastic, tin, cans, bottles and glass).
2. The Tenant shall place all items intended for recycling in collection bins, which shall be provided and properly labeled by the Tenant. These bins shall be provided in no less than four (4) locations throughout the Premises. The Provider shall remove the items intended for recycling from the Tenant's collection bins, bag and document the recycling, and conveying and depositing it at a recycling center.
3. The Provider shall document the volume and estimated average weight of items collected for recycling in the following manner:
 - a. Once (one time) per week the Provider shall gather waste products for recycling from the Premises, these items shall be properly sorted and deposited into garbage bags;
 - b. Upon inception of services the Provider shall weigh "sample" bags of each sorted commodity and document the approximate average weight of full or partially full bags per each commodity.
 - c. Upon each collection the Provider shall document via notation ("tick marks on a clipboard will suffice) the number of bags collected per commodity and whether the bags are full or partially full.
 - d. At the end of each month the Provider shall tally the number of bags per commodity, which were either full or partially full, multiply that sum by the average weight of such bags, thereby establishing a volume tally.
 - i. On a Quarterly basis the Provider shall send the results of these monthly volume tallies to the Tenant's "Contact Person" (listed in section 23.2 herein) in order to provide conformance with State of New Hampshire recycling reporting requirements.

Governor's Commission on Disability**

"Removing Barriers to Equality"

Margaret Wood Hassan, Governor
Paul Van Blarigan, Chair
Charles J. Saia, Executive Director

To the Honorable Governor Maggie Hassan and Members of the Executive Council

OPINION REGARDING ACCESSIBILITY

Lessee: Department of Health and Human Services, Division of Children Youth and Families, 129 Pleasant St. Concord, NH 03301

Lease Location: 61 Locust St. First Floor, Suites 128 and 129, Dover, NH 03820

Lessor: City of Dover, 288 Central Avenue, Dover, NH 03820

Term: Five (5) years: Contract to commence October 1, 2014 expiring September 30th, 2019. Occupancy of the Premises and commencement of rentals payments shall be for a term of Five (5) years commencing October 1, 2014.

In accordance with the administrative rules codified in Adm 610.16 (e) (3), The Governor's Commission on Disability's (GCD) Committee on Architectural Barrier Free-Design (ABFDC) has conditionally opined that the leased location referenced above and referred to herein, meets barrier free requirements, subject to the conditions contained in this letter. The subject lease was reviewed during the ABFDC Committee's November 18, 2014 meeting however since a membership quorum was not attendant a final vote regarding the matter was not possible. The ABFDC Committee shall however provide a final opinion during the next viable meeting. Should the ABFDC Committee quorum decide additional conditions for receipt of their approval are required, such conditions shall be conveyed to the Lessee for implementation.

Upon completion of all specified renovations and prior to Tenant occupancy, all improvements and renovations – which shall include both those set forth below and those in the Lease, the "Tenant's Design Build Specifications" and Floor Plans - must be completed in compliance with provisions set forth in this letter and with all applicable building codes, including but not limited to the Code for Barrier-Free Design for the State of New Hampshire and the State Building Code. When applicable (designated by "LAHJ approval required"), renovation plans shall be submitted to the local authority having jurisdiction (i.e., Building Inspector, Code Enforcement Officer) for approval.

www.nh.gov/disability

CONDITIONS:

1. The Leased Premises are reasonably barrier-free and the Lessee shall continue standard Departmental policy of providing Probation and Parole "program accessibility" (client visitation/review at alternative locations) for reporting, therefore improvements to the Premises shall be limited to those listed below.
2. In making this recommendation the Committee recognizes that staff providing Probation and Parole services must meet strict physical capability requirements to perform their duties and that much of their work is "in the field" rather than office, therefore requiring them to provide "program accessibility" poses no additional burden.

Notwithstanding the foregoing:

- A. Any new construction must be completed in compliance all applicable building codes, including but not limited to the Architectural Barrier-Free Design Code for the State of New Hampshire, the State Building Code and the Americans with Disabilities Act Standards for Accessible Design. **All revised plans shall be submitted for approval by the Architectural Barrier-Free Design Committee and the local authority having jurisdiction (i.e. the Building Inspector).**
- B. Prior to occupancy the Architectural Barrier-Free Design Committee shall be invited to conduct an accessibility site visit.

This recommendation is based upon the site-survey completed by Administrative Services and on the assurances of that agency's ADA Coordinator. The ABFDC Committee staff cannot survey all state leased properties. However, as a safeguard for the state against ADA litigation, and to assure access for the state's people with disabilities, random surveys are performed.

Respectfully submitted by the Governor's Commission on Disability, through its Architectural Barrier-Free Design Committee,

Charles J. Saia, Esq., Executive Director
And Facilitator
Governor's Commission on Disability
