The
Annual Report
of the
BANK COMMISSIONER

173rd Edition
Year Ending 2017

His Excellency, Governor Christopher T. Sununu
And the Honorable Council
State House
Concord, New Hampshire 03301

Dear Governor Sununu and Council:

I am pleased to present to you this 173rd Annual Report of the Bank Commissioner. As required by RSA 383:15, this report contains background information on each entity under the supervision of the Banking Department, lists the significant events and issues we addressed during the year, and points out several interesting statistics and trends regarding the many industries regulated by the department.

This report shows that the years-long trend of consolidation via mergers and acquisitions among state-chartered banks and credit unions has paused for a moment. In fact, there was a slight uptick in the number of depository institutions regulated by the New Hampshire Banking Department when Mascoma Savings Bank of Lebanon, New Hampshire converted from a federal charter under the jurisdiction of the Office of the Comptroller of the Currency to a state-charter. Other than that, the banks and credit unions covered in our last report are the same institutions detailed in this document. Meanwhile, the number of non-depository New Hampshire trust companies and non-bank licensed lenders continues to grow.

Not so obvious is the fact that many banks and credit unions chartered by other states and the federal government are choosing to locate new branches and loan production offices in New Hampshire. All of these trends point to the desirability of the Granite State's economic environment. The net result is a strengthening list of competitively priced financial products and services for New Hampshire consumers and businesses to choose from as they grow their families and businesses here.

On behalf of all of the employees of the New Hampshire Banking Department, I thank you for the honor of entrusting us with pursuit of the department's mission; protecting consumers and businesses by assuring that the financial service choices available to them are safe, sound and fair.

For that, and your ongoing faith and support of our efforts, we thank you.

Respectfully

Gerald H. Little
Bank Commissioner

Foreword

The one hundred seventy-third annual report of the Bank Commissioner contains management, financial information and locations of banks, credit unions, and other financial institutions operating under state charter. This report also contains information concerning debt adjusters, money transmitters, mortgage bankers and brokers, mortgage servicers, retail sellers, sales finance companies, and small loan lenders.

Mission Statement

The New Hampshire Banking Department is committed to protecting the public's interest through the professional supervision of the financial services it regulates.

Functions of the Banking Department

The Bank Commissioner is responsible for the general supervision of all New Hampshire chartered and licensed financial institutions through the operation of the New Hampshire Banking Department. The Banking Department contains five divisions: Banking, Trust Supervision, Consumer Credit, Legal, and Operations.

The Banking and Trust Supervision Divisions charter, supervise, and examine all state-chartered banks, credit unions, trust companies, and family trust companies in New Hampshire.

The Consumer Credit Division licenses, examines, and regulates companies that provide consumer credit, such as mortgage bankers, mortgage brokers, mortgage servicers, retail auto sellers, sales finance companies, money transmitters, debt adjusters, and small loan lenders.

Working in conjunction with the Banking, Trust Supervision, and Consumer Credit Divisions, the Legal Division investigates consumer complaints and unlicensed or unchartered activity. The Legal Division may commence enforcement actions against financial entities that violate state or federal laws or regulations. The Bank Commissioner has the authority to order consumer restitution as part of those enforcement actions.

The Operations Division supports the daily functions of the Banking Department.

Noble Trust Company in Liquidation

The Bank Commissioner continues to act in his capacity as Liquidator of Noble Trust Company. On June 30, 2017, the Court authorized a first distribution of approximately \$2,000,000. Funds were sent to claimants in July 2017, resulting in certain claimants recovering 23% of the principal they invested. On December 14, 2017, the Liquidator filed a motion seeking authority to distribute an additional \$5.1 million in funds, still retaining the \$2 million dollars for administrative costs required by the Court. The Court granted that Motion on January 6, 2018, and the Liquidator made distributions shortly thereafter. This distribution resulted in certain claimants recovering approximately 46% of their principal. The Liquidator made significant progress in finalizing the marshaling of most available assets in the liquidation and concluding most ongoing legal matters, such that the Liquidator will shortly be in a position to seek authority to make the final distribution.
