**EXPLANATION**

This is a **sole source** agreement to provide funding to the Juvenile Court Diversion Network to expand services to its sixteen (16) programs throughout New Hampshire. The Governor's Commission has supported the continuation of these services.

The funds will be utilized to expand outreach to referral sources to increase the number of juveniles referred to the program statewide and to further improve and expand the use of an universally applied Screening, Brief Intervention and Referral to Treatment (SBIRT) program. The programs utilize an evidence-based screening tool that allows staff members to identify juveniles in need of alcohol and/or other drug prevention education or, in some cases, provide referral to community providers for appropriate intervention and treatment.

The purpose of this amendment is to ensure quality juvenile court diversion programs continue to divert first time offending youth who may otherwise be prosecuted through the court system to early intervention services. The vendor will utilize additional funding to enhance the skills and knowledge of staff on SBIRT and restorative justice models within a minimum of sixteen (16) accredited juvenile court diversion programs.

Accredited juvenile court diversion programs have an in-depth screening process for youth and provide education and counseling for parents/guardians. The screening/intake process includes screening for substance use/misuse, mental health issues and other risky behaviors. This agreement will help accredited juvenile court diversion programs in all New Hampshire counties provide uniform evidence-based services for youth referred to an accredited juvenile court diversion program. Early diagnosis and intervention may lead to a decrease in youth alcohol and drug use/misuse and reduce recidivism. In addition to screening, the programs use a restorative justice model that ensures youth are held accountable for their actions and

provides participants with the skills necessary to make healthier life decisions and build resiliency to effectively deal with stressors including peer pressure and family dynamics.

As of March 30, 2017, 286 youth were screened using an Evidenced Based Screening, Brief Intervention, and Referral to Treatment tool. Based on that screening, 25% of youth were referred to some level of substance misuse treatment and 38% were referred to mental health treatment. Additionally, the programs had a 93% participant completion rate which resulted in 265 youth being diverted from the juvenile court system for prosecution.

This agreement contains language which allows the Department to extend for up to two (2) additional years, subject to the continued availability of funds, satisfactory performance of services and Governor and Executive Council approval. The Department is satisfied with the services and is requesting approval to exercise the two (2) years of the renewal option that are available.

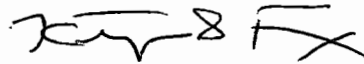

Notwithstanding any other provision of the Contract to the contrary, no services shall continue after June 30, 2019, and the Department shall not be liable for any payments for services provided after June 30, 2019, unless and until an appropriation for these services has been received from the state legislature and funds encumbered for the SFY 2020-2021 biennia.

Should the Governor and Executive Council not approve this request, juveniles, statewide, may not have access to important services that could assist them with their substance use issues and/or their parents' substance use issues. This may result in an increase in the number of juvenile cases prosecuted in court.

Area Served: Rockingham, Hillsborough, Cheshire, Merrimack, Strafford, Sullivan, Carroll, Belknap, Grafton and Coos Counties.

Source of Funds: 100% Other Funds (Liquor Revenue Funds).

Respectfully submitted,

Katja S. Fox  
Director

2018	102-500734	Contracts for Program Svcs	49158504	\$258,424
			<b>Total:</b>	<b>\$516,848</b>

**EXPLANATION**

This is a **sole source** agreement due to the passage of Senate Bill 533 on June 24, 2016, which authorized the Governor's Commission on Alcohol and Drug Prevention, Treatment and Recovery, through the Bureau of Drug and Alcohol Services, to provide funding to the Juvenile Court Diversion Network to expand services to its sixteen (16) programs throughout New Hampshire.

The purpose of this agreement is to expand juvenile court diversion services currently being provided in Sullivan and Carroll counties to the other fourteen (14) Juvenile Diversion Programs within New Hampshire, to ensure quality juvenile court diversion programs are available to youth who may otherwise be prosecuted through the court system. Accredited

juvenile court diversion programs have an in-depth screening process for youth and their parents/guardians. The screening/intake process includes screening for substance use/misuse, mental health issues and other risky behaviors. This agreement will help accredited juvenile court diversion programs in all New Hampshire counties provide uniform evidence-based services for youth involved in the juvenile justice system. Early diagnosis and intervention may lead to a decrease in youth and parent drug use/misuse and reduce recidivism.

The funds will be utilized to expand outreach to referral sources to increase the number of juveniles referred to the program statewide and to develop, and universally implement, a Screening, Brief Intervention and Referral to Treatment (SBIRT) program. The programs will implement a uniform evidence-based screening tool that will allow programs to identify juveniles early on in need of alcohol and/or other drug prevention education and counseling or referral to community providers to appropriate intervention and treatment.

By expanding services to include all sixteen (16) programs, more juveniles will receive early intervention that will provide them with accountability for their actions and skills to make healthier life decisions and build resiliency to effectively deal with stressors including family dynamics. According to a three-year study of juveniles who successfully completed the program, conducted by John Snow Industries in 2014, 70% of youth who successfully completed the program did not re-offend within their first year and 60% did not re-offend in their third year. The study will be repeated this year.

This agreement contains language which allows the Department to extend for up to two (2) additional years, subject to the continued availability of funds, satisfactory performance of services and Governor and Executive Council approval.

Should the Governor and Executive Council not approve this request, only youth in Carroll and Sullivan counties would have access to accredited juvenile court diversion programs. The juveniles in other New Hampshire counties may not have access to important services that could assist them with their substance use issues and/or their parents' substance use issues. This may result in an increase in the number of cases prosecuted in court.

1. **Compliance with Federal and State Laws:** If the Contractor is permitted to determine the eligibility of individuals such eligibility determination shall be made in accordance with applicable federal and state laws, regulations, orders, guidelines, policies and procedures.
2. **Time and Manner of Determination:** Eligibility determinations shall be made on forms provided by the Department for that purpose and shall be made and remade at such times as are prescribed by the Department.
3. **Documentation:** In addition to the determination forms required by the Department, the Contractor shall maintain a data file on each recipient of services hereunder, which file shall include all information necessary to support an eligibility determination and such other information as the Department requests. The Contractor shall furnish the Department with all forms and documentation regarding eligibility determinations that the Department may request or require.
4. **Fair Hearings:** The Contractor understands that all applicants for services hereunder, as well as individuals declared ineligible have a right to a fair hearing regarding that determination. The Contractor hereby covenants and agrees that all applicants for services shall be permitted to fill out an application form and that each applicant or re-applicant shall be informed of his/her right to a fair hearing in accordance with Department regulations.
5. **Gratuities or Kickbacks:** The Contractor agrees that it is a breach of this Contract to accept or make a payment, gratuity or offer of employment on behalf of the Contractor, any Sub-Contractor or the State in order to influence the performance of the Scope of Work detailed in Exhibit A of this Contract. The State may terminate this Contract and any sub-contract or sub-agreement if it is determined that payments, gratuities or offers of employment of any kind were offered or received by any officials, officers, employees or agents of the Contractor or Sub-Contractor.
6. **Retroactive Payments:** Notwithstanding anything to the contrary contained in the Contract or in any other document, contract or understanding, it is expressly understood and agreed by the parties hereto, that no payments will be made hereunder to reimburse the Contractor for costs incurred for any purpose or for any services provided to any individual prior to the Effective Date of the Contract and no payments shall be made for expenses incurred by the Contractor for any services provided prior to the date on which the individual applies for services or (except as otherwise provided by the federal regulations) prior to a determination that the individual is eligible for such services.
7. **Conditions of Purchase:** Notwithstanding anything to the contrary contained in the Contract, nothing herein contained shall be deemed to obligate or require the Department to purchase services hereunder at a rate which reimburses the Contractor in excess of the Contractors costs, at a rate which exceeds the amounts reasonable and necessary to assure the quality of such service, or at a rate which exceeds the rate charged by the Contractor to ineligible individuals or other third party funders for such service. If at any time during the term of this Contract or after receipt of the Final Expenditure Report hereunder, the Department shall determine that the Contractor has used payments hereunder to reimburse items of expense other than such costs, or has received payment in excess of such costs or in excess of such rates charged by the Contractor to ineligible individuals or other third party funders, the Department may elect to:
  - 7.1. Renegotiate the rates for payment hereunder, in which event new rates shall be established;
