### REQUESTED ACTION

Authorize the Department of Safety, Division of Homeland Security and Emergency Management (HSEM) to enter into a grant agreement with the Town of Milan (VC#177437-B001) PO Box 300, Milan NH 03588, to update their hazard mitigation plan for a total amount of \$7,500.00. 072-500574 Grants to Local Gov't - Federal \$7,500.00  
Activity Code: 23BRIC20 4393

### EXPLANATION

The purpose of this grant is for the Town of Milan to update their Hazard Mitigation Plan. Governor and Council approval is being sought because the amount of a previously funding for The Town of Milan plus the amount of this grant yields a cumulative amount that is over the Governor & Council approval threshold. The grant listed above is funded from the Building Resilient Infrastructure and Communities (BRIC), which was awarded to the Department of Safety, Division of Homeland Security and Emergency Management (HSEM) from the Federal Emergency Management Agency (FEMA). The BRIC grant program provides funding to subrecipients for cost-effective hazard mitigation activities that complement a comprehensive mitigation program. FEMA provides BRIC funds to states that, in turn, provide sub-grants or contracts for a variety of mitigation activities, such as planning and the implementation of projects identified through the evaluation of natural hazards.

The BRIC grant program is 75% federally funded by the Federal Emergency Management Agency with a 25% match requirement supplied by the subrecipient. The subrecipient acknowledges their match obligation as part of Exhibit B and C to their grant agreement.

There are no General Funds required with this request. In the event that BRIC funds become no longer available, General Funds and/or Highway Funds will not be requested to support this program.

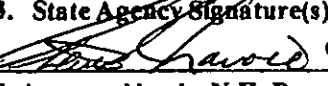

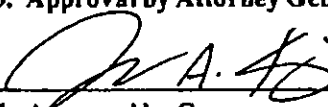

Respectfully submitted,

Robert L. Quinn  
Commissioner of Safety

In accordance with those statutes, its Trust Agreement and bylaws, Primex<sup>3</sup> is authorized to provide pooled risk management programs established for the benefit of political subdivisions in the State of New Hampshire.

Each member of Primex<sup>3</sup> is entitled to the categories of coverage set forth below. In addition, Primex<sup>3</sup> may extend the same coverage to non-members. However, any coverage extended to a non-member is subject to all of the terms, conditions, exclusions, amendments, rules, policies and procedures that are applicable to the members of Primex<sup>3</sup>, including but not limited to the final and binding resolution of all claims and coverage disputes before the Primex<sup>3</sup> Board of Trustees. The Additional Covered Party's per occurrence limit shall be deemed included in the Member's per occurrence limit, and therefore shall reduce the Member's limit of liability as set forth by the Coverage Documents and Declarations. The limit shown may have been reduced by claims paid on behalf of the member. General Liability coverage is limited to Coverage A (Personal Injury Liability) and Coverage B (Property Damage Liability) only, Coverage's C (Public Officials Errors and Omissions), D (Unfair Employment Practices), E (Employee Benefit Liability) and F (Educator's Legal Liability Claims-Made Coverage) are excluded from this provision of coverage.

The below named entity is a member in good standing of the New Hampshire Public Risk Management Exchange. The coverage provided may, however, be revised at any time by the actions of Primex<sup>3</sup>. As of the date this certificate is issued, the information set out below accurately reflects the categories of coverage established for the current coverage year.

This Certificate is issued as a matter of information only and confers no rights upon the certificate holder. This certificate does not amend, extend, or alter the coverage afforded by the coverage categories listed below.
