Moderator: Michael Hayes, Director, Government Affairs, Consumer Technology Association
- 2:15 – 3:15 PM Innovation and Privacy: How We Keep Both
Data is the lifeblood of innovation and drives competition. However, concerns about privacy are growing and government is considering new privacy laws. This panel will discuss how data powers innovation and what we should do to protect consumers' information.
LVCC, North Hall, N256
Moderator: Rachel Nemeth, Director, Regulatory Affairs, Consumer Technology Association
- 3:30 – 4:30 PM The Future of Section 230
Section 230 makes the speaker, not the host platform responsible for online speech. This law enables free speech and US tech leadership. What happens if Section 230 is weakened or goes away?
LVCC, North Hall, N256
Moderator: Michael Petricone, Sr. VP, Government and Regulatory Affairs, Consumer Technology Association

6:30 – 10 PM LIT Reception & Seated Dinner
Wynn Las Vegas, Lafite Ballroom

Welcome: The Honorable Wilbur Ross, United States Secretary of Commerce

Speaker: Pat Brown, CEO, **Impossible Foods** in an interview with Liz Claman, **Fox Business**
Hear Liz Claman interview Pat Brown about the innovative new line of meats and cheeses that are developed from plants. He will discuss their mission to give people the enjoyment of food that comes from animals without health and environmental drawbacks.

Thursday, January 9

9 – 10 AM Drones: More Than Just Aerial Footage
LVCC, North Hall, N253
Now that audiences are used to jaw-dropping aerial shots, how are TV and film businesses working drones into their productions? How is aerial imaging in general transforming the business landscape? And most important, what do audiences and customers want?

9 - 10:30 AM LIT Show Floor Tour and Demonstrations – Tech West Tour
Departs from Encore Registration Suite
The LIT Tour Program provides curated show floor experiences tailored to LIT participants. The goal of the show floor tour for LIT participants is to give the opportunity to interact with the technology that is affected by the policies that the government shapes. Tech West areas of focus include 3D printing, Eureka Park (startup companies), Health & Wellness, SmartHome and Wearables.

10:15 AM – 11:15 AM Drones Making an Impact Globally
LVCC, North Hall, N253
It's easy enough to see how a drone can help watch over a fire or find a missing person, but it's harder to fully integrate drones into organizations built on tradition and experience. How do companies and professions build drone workflows into their operations for daring, dangerous or difficult jobs? How do recent developments in drone technology expand their capabilities?

11 AM – 12:30 PM LIT Show Floor Tour and Demonstrations – Tech East Tour
Departs from LVCC, North Hall, N263 (meet at 10:45 AM)
The LIT Tour Program provides curated show floor experiences tailored to LIT participants. The goal of the show floor tour for LIT participants is to give the opportunity to interact with the technology that is affected by the policies that the government shapes. Tech East areas include Accessibility, AI & Robots, AR/VR, Drones, Resilience, Self-Driving and Smart Cities.

- 11:30 AM – Drone Pilots: Knowing Opportunities and Getting Started
12:30 PM *LVCC, North Hall, N253*
Millions of drones were sold in the U.S. last year, and a new crop of drone pilots is taking to the air with new rules and requirements. Learn what new consumer pilots need to know as hobbyists, as well as the emerging business opportunities presented by changing drone regulations.
- 1-2 PM Blockchain Building Better Business
Blockchain technology has the ability to streamline how we do business. It can build trust with customers and maximize profits for businesses. But is there the right regulatory framework to reach these capabilities, and how can we prevent falling behind?
LVCC, North Hall, N256
Moderator: Nathan Trail, Sr. Manager Technology Policy, Consumer Technology Association
- 2:15 PM – Global Trade Crisis - The Cost of Tariffs
3:15 PM Hear trade experts' ideas for the best path forward in 2020. Tariffs on tech are at an all-time high. WTO cases on unfair trade practices are grinding to a halt. Trade agreements on the horizon offer hope for new opportunities.
LVCC, North Hall, N256
Moderator: Sage Chandler, VP, International Trade, Consumer Technology Association
- 3:30 PM – Should Big Tech be Broken Up?
4:30 PM Tech companies have created unprecedented opportunity for people around the globe. Many of those companies are now facing unprecedented scrutiny of their size and market power. This panel will explore whether competition is alive and well in the tech industry.
LVCC, North Hall, N256
Moderator: Michael Hayes, Director, Government Affairs, Consumer Technology Association
- 7 - 10 PM Entrepreneurs Reception
The Havana Room, Tropicana Las Vegas, 3801 Las Vegas Blvd.
