The Summer Learning Series event will include speakers, panels and workshops providing the most current information about CTE teaching and learning including connections to the New Hampshire economy, work force development, industry recognized credentials and pedagogy for CTE learning spaces. In order to provide efficiencies and to maximize the ability of New Hampshire Department of Education (NHED) to plan and implement the event that best meets the needs of all participants NHED will need to contract the services of an events planner.

This events planner will arrange for selection and payment for speakers and workshop facilitators, coordinate registrations, arrange for catering, facilitate scheduling/agendas, arrange for blocks of lodging to be paid for by the participants, develop an evaluation tool for the event, and provide support for the attendees on the day of the event. This contracted service provider will work under the direct supervision of the NHED Bureau of Career Development (BCD).

A Request for Proposals (RFP) was advertised on the New Hampshire Department of Education website on February 2, 2022 with a deadline for proposals of March 1, 2022. A single proposer responded to the RFP, "Summer Learning and CTE PD" in response to the notice.

The BCD Administrator oversaw the review committee, composed of: NHED Deputy Commissioner Brennan, Jorge Santana, and Courtney Frederick reviewed the proposal. Two of the individuals on the team were people working outside of the Bureau of Career Development. The team reviewed the proposal received by the deadline (Attachment A). Based on the scores, the reviewers recommended awarding the contract to Mrs. Puleo LLC.

In the event Federal Funds are no longer available, General Funds will not be requested to support this program.
