Funding is available as follows:

	<u>FY 2017</u>
03-35-35-350030-52840000	
15-220:1-XIII-A – Roofing and Repairs	\$127,960

EXPLANATION

The roofs on the following buildings at Franconia Notch State Park are in need of replacement: the Flume's maintenance garage and Boulder store, the Park's maintenance garage, banshee hut and old tramway slip, and Lafayette Campground's generator building, south toilet building, and former toilet building. The present roofing is estimated to have been replaced prior to 1990 and has deteriorated to a point of no longer being effective at preventing leaks. Therefore, replacement of the roofing material is necessary to protect the integrity of these buildings.

In April 2016, an invitation to submit bids for roofing replacement on multiple buildings at Franconia Notch State Park was issued in accordance with Department of Administrative Services' policy. The bid solicitation was posted on the Division of Purchase and Property's website, the Division of Parks and Recreation's website, and the following construction services' websites: Construction Summary of NH, Infinite Imaging, McGraw Hill Construction, Signature Press and Blueprinting, and Works in Progress. Six (6) contractors attended a mandatory pre-bid meeting on May 17, 2016, of which 2 bid proposals were received on May 26, 2016, and The Aulson Company, LLC was the selected low bidder. Attached for your information is a summary of the bids received for this project.

The Attorney General's Office has approved this contract as to form, substance and execution.

Respectfully submitted,

Concurred,
