Concord, New Hampshire 03301

REQUESTED ACTION

Authorize the Department of Health and Human Services, Division for Behavioral Health Services, to enter into a **sole source** agreement with ITW Food Equipment Group LLC/Hobart (Vendor #168818), 701 South Ridge Avenue, Troy OH 45374, to provide maintenance and repair on the commercial kitchen equipment at New Hampshire Hospital, in an amount not to exceed \$17,000 effective upon Governor and Executive Council approval, through June 30, 2019. 26% Federal Funds, 70% General Funds and 4% Other Funds.

Funds are available in the following account for State Fiscal Year 2019.

05-95-94-940010-8410 HEALTH AND SOCIAL SERVICES DEPT OF HEALTH AND HUMAN SVCS, HHS: NEW HAMPSHIRE HOSPITAL, NEW HAMPSHIRE HOSPITAL, NHH FACILITY/PATIENT SUPPORT

Fiscal Year	Class/ Account	Description	Activity Code	Budget Amount
2019	024-500225	Maintenance Other Than Buildings and Grounds	94026400	\$17,000
			Total:	\$17,000

EXPLANATION

This request is **sole source** because notification of the bidding option, for the services for which this agreement covers, was sent to several area vendors during a competitive bidding process in 2015; however Hobart was the only respondent. The original contract with ITW Food Equipment Group LLC, approved by the Attorney General's office on January 22, 2016, expired on June 30, 2017 due to difficulty securing the appropriate documentation required to exercise a renewal option included in the original contract. The Contractor has been exceptional in providing prompt and professional maintenance and repair services and the technicians are familiar with the equipment.

The commercial kitchen maintenance and repair services are essential to maintaining uninterrupted meal/food production at the New Hampshire Hospital Acute Psychiatric Services building that serves the patient population and the on-site cafeteria, as well as the Brown Building cafeteria.

New Hampshire Hospital's Food and Nutrition Department operates a full-service kitchen that supports the dietary and nutritional needs of patients, including the unique and/or special dietary requirements of many patients. In addition to patient meals, the Food and Nutrition Department operates a full-service cafeteria that provides meals to visitors and staff. Additionally, the Food and Nutrition Department also operates a full-service kitchen in the Brown building for campus employees.

Well maintained and fully operational commercial kitchen equipment is vital to food preparation for the New Hampshire Hospital patient population and for staff.

The Department reserves the right to renew the Agreement for up to two (2) additional years, subject to continued availability of funding, satisfactory performance of services, agreement of the parties and approval by the Governor and Executive Council as referenced in the Exhibit C-1 of the Contract.

Should the Governor and Executive Council not approve this request, the dietary needs of the patients may be affected due to malfunctioning equipment. A significant portion of the New Hampshire Hospital kitchen equipment is approximately twenty-six years old. The staff of the New Hampshire Hospital lacks the specialized training and expertise to perform the necessary services to ensure the kitchen equipment continues to run smoothly and efficiently.

Area served: New Hampshire Hospital and the Department's Brown Building located in Concord, New Hampshire

Source of funds: 70% General Funds, 4% Other Funds (provider fees), and 26% Federal Funds (CFDA #93.778, Disproportionate Share Hospital Program), FAIN # -1705NH5ADM.

In the event that Federal Funds become no longer available, additional General Funds will not be requested to support this contract.

Respectfully submitted,

Lori A. Shibinette
Chief Executive Officer
