REQUESTED ACTION

Authorize the Department of Health and Human services, Division of Long Term Supports and Services, Bureau of Elderly and Adults Services, to exercise a **retroactive** renewal option and amend an existing contract with New Hampshire Legal Assistance (Vendor #154648), 117 North State Street, Concord, New Hampshire, for the continuation of legal services to eligible adults, age sixty (60) or older and to issue a legislatively appropriated rate increase for these services by increasing the price limitation by \$118,365.69 from \$278,590.00 to an amount not to exceed \$396,955.69, and by extending the contract completion date from September 30, 2018 to June 30, 2019, effective **retroactive** to July 1, 2017 upon Governor and Executive Council approval. The original agreement was approved by the Governor and Executive Council on October 26, 2016, Item #13. 85% Federal Funds and 15% General Funds.

Funds to support this request are available in the following account in State Fiscal Year 2018 and 2019 with the authority to adjust encumbrances between State Fiscal Years through the Budget Office without Governor and Executive Council approval, if needed and justified.

EXPLANATION

This request is **retroactive** to July 1, 2017 because the New Hampshire Legislature appropriated, in each year of the biennium (State Fiscal Years 2018 and 2019), a one-time increase of up to five percent (5%), for the one-half hour rate, for legal services to eligible adults, age sixty (60) or older, who meet the Title III Older Americans Act requirements.

Legal services provided assist with supporting older individuals to secure and maintain their independence as well as their health and quality of life. Services include legal advice and counseling services to eligible individuals, as well as litigation by attorneys and paralegals, to address questions and concerns that are civil in nature. Issues addressed may include, but are not limited to, consumer concerns; family matters; housing issues; public assistance benefits and utility shut-offs; and problems related to nursing home care or residential care services. Legal Services also include representation at hearings, when necessary.

The original contract was awarded on October 26, 2016 through a competitive bid process and contains language in the Exhibit C-1, Revisions to General Provisions, that reserves the Department's right to renew the contract for up to two (2) additional years, subject to the continued availability of funds, satisfactory performance of contracted services and approval by the Governor and Executive Council.

Should the Governor and Executive Council not approve this request, the Legislature's direction to increase rates for the provision of legal services, and its inclusion of funding in the current biennium to support this increase, will be unfulfilled.

Area to be Served: Statewide

Source of Funds: 15% General Funds and 85% Federal Funds from the United States Department of Health and Human Services, Administration for Community Living, Older Americans Act Title III – Grants for Supportive Services, Catalog of Federal Domestic Assistance (CFDA) #93.044 and Federal Award Identification #17AANHT3SS.

In the event that the Federal Funds become no longer available, additional General Funds will not be requested to support this program.

Respectfully submitted,

Christine L. Santaniello
Director

DHHS INFORMATION SECURITY REQUIREMENTS

1. Confidential Information: In addition to Paragraph #9 of the General Provisions (P-37) for the purpose of this SOW, the Department's Confidential information includes any and all information owned or managed by the State of NH - created, received from or on behalf of the Department of Health and Human Services (DHHS) or accessed in the course of performing contracted services - of which collection, disclosure, protection, and disposition is governed by state or federal law or regulation. This information includes, but is not limited to Personal Health Information (PHI), Personally Identifiable Information (PII), Federal Tax Information (FTI), Social Security Numbers (SSN), Payment Card Industry (PCI), and or other sensitive and confidential information.
2. The vendor will maintain proper security controls to protect Department confidential information collected, processed, managed, and/or stored in the delivery of contracted services. Minimum expectations include:
 - 2.1. Contractor shall not store or transfer data collected in connection with the services rendered under this Agreement outside of the United States. This includes backup data and Disaster Recovery locations.
 - 2.2. Maintain policies and procedures to protect Department confidential information throughout the information lifecycle, where applicable, (from creation, transformation, use, storage and secure destruction) regardless of the media used to store the data (i.e., tape, disk, paper, etc.).
 - 2.3. Maintain appropriate authentication and access controls to contractor systems that collect, transmit, or store Department confidential information where applicable.
 - 2.4. Encrypt, at a minimum, any Department confidential data stored on portable media, e.g., laptops, USB drives, as well as when transmitted over public networks like the Internet using current industry standards and best practices for strong encryption.
 - 2.5. Ensure proper security monitoring capabilities are in place to detect potential security events that can impact State of NH systems and/or Department confidential information for contractor provided systems.
 - 2.6. Provide security awareness and education for its employees, contractors and sub-contractors in support of protecting Department confidential information
 - 2.7. Maintain a documented breach notification and incident response process. The vendor will contact the Department within twenty-four 24 hours to the Department's contract manager, and additional email addresses provided in this section, of a confidential information breach, computer security incident, or suspected breach which affects or includes any State of New Hampshire systems that connect to the State of New Hampshire network.
 - 2.7.1. "Breach" shall have the same meaning as the term "Breach" in section 164.402 of Title 45, Code of Federal Regulations. "Computer Security Incident" shall have the same meaning "Computer Security Incident" in section two (2) of NIST Publication 800-61, Computer Security Incident Handling Guide, National Institute of Standards and Technology, U.S. Department of Commerce.

Breach notifications will be sent to the following email addresses:

 - 2.7.1.1. DHHSChiefInformationOfficer@dhhs.nh.gov
 - 2.7.1.2. DHHSInformationSecurityOffice@dhhs.nh.gov
 - 2.8. If the vendor will maintain any Confidential Information on its systems (or its sub-contractor systems), the vendor will maintain a documented process for securely disposing of such data upon request or contract termination; and will obtain written certification for any State of New Hampshire data destroyed

by the vendor or any subcontractors as a part of ongoing, emergency, and or disaster recovery operations. When no longer in use, electronic media containing State of New Hampshire data shall be rendered unrecoverable via a secure wipe program in accordance with industry-accepted standards for secure deletion, or otherwise physically destroying the media (for example, degaussing). The vendor will document and certify in writing at time of the data destruction, and will provide written certification to the Department upon request. The written certification will include all details necessary to demonstrate data has been properly destroyed and validated. Where applicable, regulatory and professional standards for retention requirements will be jointly evaluated by the State and the vendor prior to destruction.

- 2.9. If the vendor will be sub-contracting any core functions of the engagement supporting the services for State of New Hampshire, the vendor will maintain a program of an internal process or processes that defines specific security expectations, and monitoring compliance to security requirements that at a minimum match those for the vendor, including breach notification requirements.
3. The vendor will work with the Department to sign and comply with all applicable State of New Hampshire and Department system access and authorization policies and procedures, systems access forms, and computer use agreements as part of obtaining and maintaining access to any Department system(s). Agreements will be completed and signed by the vendor and any applicable sub-contractors prior to system access being authorized.
4. If the Department determines the vendor is a Business Associate pursuant to 45 CFR 160.103, the vendor will work with the Department to sign and execute a HIPAA Business Associate Agreement (BAA) with the Department and is responsible for maintaining compliance with the agreement.
5. The vendor will work with the Department at its request to complete a survey. The purpose of the survey is to enable the Department and vendor to monitor for any changes in risks, threats, and vulnerabilities that may occur over the life of the vendor engagement. The survey will be completed annually, or an alternate time frame at the Departments discretion with agreement by the vendor, or the Department may request the survey be completed when the scope of the engagement between the Department and the vendor changes. The vendor will not store, knowingly or unknowingly, any State of New Hampshire or Department data offshore or outside the boundaries of the United States unless prior express written consent is obtained from the appropriate authorized data owner or leadership member within the Department.
6. Data Security Breach Liability. In the event of any security breach Contractor shall make efforts to investigate the causes of the breach, promptly take measures to prevent future breach and minimize any damage or loss resulting from the breach. The State shall recover from the Contractor all costs of response and recovery from the breach, including but not limited to: credit monitoring services, mailing costs and costs associated with website and telephone call center services necessary due to the breach.

Attachment A – Amendment #1

ATTESTATION

For State Fiscal Years 2018 and 2019, the New Hampshire Legislature appropriated a one-time increase of up to five percent (5%) over the reimbursement rates in place on June 30, 2017 for certain direct service providers. The increase of public funds is to be used exclusively for the purpose of increasing either service units or wages paid to individuals providing services directly to clients.

In recognition of the above, and as the authorized representative of the Contractor named below, I certify that the Contractor named below will use the increase in funding exclusively to increase the one-half hour rate for the administration of the services listed in Exhibit A – Scope of Services, and that the State may request an audit of our records to confirm the same.

NEW HAMPSHIRE LEGAL ASSISTANCE LEGAL ADVICE & REFERRAL CENTER

OUR VISION, MISSION, AND VALUES

OUR VISION is that the low-income people of New Hampshire will have their voices heard in the courtrooms and other legal and policy-making arenas of our state when their shelter, health care, subsistence income, education, custody of their children, safety from abuse, or other basic needs are at stake.

OUR MISSION is to fulfill America's promise of equal justice by providing civil legal services to New Hampshire's poor, including education and empowerment, advice, representation, and advocacy for systemic change.

OUR VALUES

- A justice system accessible to all is a core element of our democracy's social contract that binds everyone in our state together in a web of rights and responsibilities.
- If the justice system is to operate effectively and fairly, vigorous and skillful legal advocacy should be available to those who cannot purchase it in legal disputes in which their basic needs are at stake.
- The legal aid network, the private bar, and the judiciary have a particular obligation to promote these ideals and to lead efforts to persuade our political institutions to provide the necessary resources to put these principles into practice.
- Legal advocacy to assist individuals with day-to-day legal issues and systemic advocacy to address the underlying causes of poverty are complementary strategies in a comprehensive and effective legal aid system.
- Client needs should drive the New Hampshire legal aid system and legal services should be provided in a manner that respects the dignity and value of low-income people.

OUR OPERATING PRINCIPLES

- Statewide Accessibility and Responsiveness to Community Legal Needs. The legal aid system should be easy to access and available statewide, and it should have the capacity to respond rapidly to changing client needs. Low-income people should be involved in helping legal service providers identify the highest priority legal needs to be addressed by our programs.
- Collaboration. The legal aid system in New Hampshire is a partnership whose successful functioning requires maximum collaboration among legal services programs, the private bar, the judiciary and other entities within the broader legal community.

- Stewardship. The legal aid system is continuously accountable to our clients, funders, and partners. We have a duty of stewardship to preserve and enhance our programs and services over the long-term for the benefit of future clients.
- Organizational Excellence. The legal aid programs in New Hampshire are committed to achieving excellence both in the quality of our service to clients and in the efficient use of the resources available to us. We will take advantage of economies of scale whenever possible and promote effective use of existing and emerging technologies by developing necessary and appropriate organizational structures.
- Professional Excellence. To assure that NHLA and LARC provide low-income people with high-quality legal services, our legal aid programs should recruit and retain staff of the highest quality by offering competitive compensation and providing the training, supervision, and technological support needed to assure the highest level of staff performance for our clients.

To the Board of Directors
New Hampshire Legal Assistance, Inc.

We have audited the accompanying financial statements of New Hampshire Legal Assistance, Inc., which comprise the statements of financial position as of December 31, 2016 and 2015, and the related statements of activities and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of New Hampshire Legal Assistance, Inc., as of December 31, 2016 and 2015, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Supplementary Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The schedules of functional expenses and the combining statements of financial position and activities are presented for purposes of additional analysis and are not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

NOTE 1--SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Activities

New Hampshire Legal Assistance, Inc. is a non-profit organization incorporated in 1971, with the mission to fulfill America's promise of equal justice by providing civil legal services to New Hampshire's poor, including education and empowerment, advice, representation, and advocacy for systemic change.

The accounting policies of New Hampshire Legal Assistance, Inc. (the 'Entity'), conform to accounting principles generally accepted in the United States of America as applicable to nonprofit entities except as indicated hereafter. The following is a summary of significant accounting policies.

Basis of Presentation

The financial statements have been prepared in accordance with the reporting pronouncements pertaining to Not-for-Profit Entities included within the FASB Accounting Standards Codification. The Entity is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets, based upon the existence or absence of donor-imposed restrictions. The Entity has no permanently restricted net assets.

Basis of Accounting

The financial statements have been prepared on the accrual basis of accounting.

Recognition of Donor Restrictions

Contributions are recognized when the donor makes a promise to give to the Entity that is, in substance, unconditional. Contributions that are restricted by the donor are reported as an increase in unrestricted net assets if the restriction expires in the reporting period in which the support is recognized. All other donor restricted support is reported as an increase in temporarily or permanently restricted net assets depending on the nature of the restriction. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets.

Cash and Cash Equivalents

Cash and cash equivalents include cash on hand and other cash accounts with a maturity of 90 days or less. For the purpose of the Statements of Cash Flows, cash and cash equivalents consist of the following:

	<u>2016</u>	<u>2015</u>
As presented on the Statements of Financial Position -		
Cash and equivalents	\$ 1,428,475	\$ 1,480,364
Cash, restricted	<u>50,494</u>	<u>109,206</u>
	<u>\$ 1,478,969</u>	<u>\$ 1,589,570</u>

NOTES TO FINANCIAL STATEMENTS (CONTINUED)
For the Years Ended December 31, 2016 and 2015

Investments

Investments, which consist of unit investment trusts, are carried at market value at December 31, 2016 and 2015. Unrealized gains and losses on investments are reflected in the statements of activities.

Contributions Receivable

Unconditional pledges are recorded as made. These amounts are recorded at the present value of the estimated fair value. Conditional pledges are recognized only when the conditions on which they depend are substantially met and the pledges become unconditional. Contributions receivable are collectible as follows:

	<u>Total</u>	<u>0-1 Years</u>	<u>1-5 Years</u>
Contributions receivable	<u>\$ 61,851</u>	<u>\$ 56,851</u>	<u>\$ 5,000</u>

Land, Building and Equipment

Property and equipment is recorded at cost for purchased items and at estimated fair value for donated items and is summarized as follows:

	<u>2016</u>	<u>2015</u>
Land	\$ 10,000	\$ 10,000
Building	447,807	421,175
Equipment	<u>224,209</u>	<u>215,635</u>
	682,016	646,810
Less: Accumulated Depreciation	<u>(433,373)</u>	<u>(412,243)</u>
	<u>\$ 248,643</u>	<u>\$ 234,567</u>

Depreciation is computed using the straight-line method over estimated three to ten year lives for equipment, and seven to forty year lives for the building and improvements. Expenditures for repairs and maintenance are expensed when incurred and betterments with a useful life in excess of two years are capitalized.

Depreciation expense for the years ending December 31, 2016 and 2015 was \$21,130 and \$21,020, respectively.

Deposits Held for Others

Deposits held for others consist of funds that are held for the express purpose of third party individuals and organizations, and are therefore not available to support the Entity's own programs.

Bad Debts

The Entity uses the reserve method for accounting for bad debts. It is the Entity's policy to charge off uncollectible receivables when management determines the receivable will not be collected. No allowance has been recorded as of December 31, 2016 and 2015, because management of the Entity believes that all outstanding receivables are fully collectible.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures during the reporting period. Actual results could differ from those estimates.

Functional Allocation of Expenses

The costs of providing the various programs and other activities have been summarized on a functional basis in the accompanying statements of activities. Accordingly, certain indirect costs have been allocated among the programs and supporting services benefited, based primarily on percentage allocations calculated based on hours worked.

Fund Raising Activities

Fund raising expenses represent the allocated costs of the Campaign for Legal Services (See Note 14 below). Distributions of campaign donations to the Entity's campaign partner agencies have been included as fundraising expense because the Entity has an agreement to distribute these funds, which do not represent typical, out-of-pocket operating expenses of the Entity. Distributions of campaign donations for the year ended December 31, 2016 and 2015 totaled \$69,300 and \$35,297, respectively.

Donated Services

The Entity receives donated services from a variety of part-time volunteers in the form of administrative assistance, as well as paralegal and legal services. The estimated fair value of these donations is recorded as revenue and expenses in the accompanying Statements of Activities. Donated services recognized as revenue and expenses in the Statements of Activities for the years ending December 31, 2016 and 2015 was \$102,459 and \$56,438, respectively.

Fair Value of Financial Instruments

Cash and equivalents, accounts receivable, accounts payable, and accrued expenses are carried in the financial statements at amounts which approximate fair value due to the inherently short-term nature of the transactions. The fair values determined for financial instruments are estimates, which for certain accounts may differ significantly from the amounts that could be realized upon immediate liquidation.

Reclassification

Certain reclassifications have been made to the December 31, 2015 financial statement presentation to correspond to the current year format. These reclassifications had no effect on the change in net assets for the year ending December 31, 2015, as previously reported.

NOTE 2--INVESTMENTS

Fair Value Measurements

The Entity reports under the Fair Value Measurements pronouncements of the FASB Accounting Standards Codification (FASB ASC 820-10), which establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs of valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurement) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described below.

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Entity has the ability to access.

Level 2 – Inputs to the valuation include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in active markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs at the closing price reported on the active market on which the individual securities are traded.

Following is a description of the valuation methodologies used for assets measured at fair value.

Unit Investment Trusts: Valued at the quoted liquidation price for similar assets or liabilities in active markets.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Entity believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Entity's assets at fair value as of December 31, 2016 and 2015:

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Investments consist of unit investment trusts which are carried at market value (adjusted annually). Realized and unrealized gains and losses are reflected in the statements of activities. Assets held in the investment accounts were as follows at December 31, 2016 and 2015:

Pursuant to Entity policy, full-time employees may accumulate, subject to certain limitations, unused vacation leave, and upon termination of employment be compensated for such amounts at current rates of pay. Employees may not "cash out" their accumulated vacation leave at any time during their employment. Accumulated earned vacation leave at December 31, 2016 and 2015 was \$86,156 and \$87,420, respectively, and has been included as part of the 'Accrued expenses' liability in the Statements of Financial Position.

The Entity leases its Concord, New Hampshire office under an agreement that commenced November 19, 2014 and ends November 18, 2019. The terms of all of the Entity's leases contain a provision that allow the Entity to terminate the lease prior to the end of the lease term in the event of a funding reduction. Rental expense for leases was \$167,650 and \$166,537 for the years ended December 31, 2016 and 2015, respectively.

The following is a schedule, by years, of future minimum payments for operating leases:

NOTE 10--INCOME TAXES

The Entity is exempt from Federal income taxes under Section 501(c)(3) of the Internal Revenue Code and is also exempt from State of New Hampshire income taxes and, therefore, has made no provision for Federal or State income taxes. In addition, the Entity has been determined by the Internal Revenue Service not to be a "Private Foundation" within the meaning of Section 509(a) of the Code.

The Entity has adopted FASB Accounting Standards Codification Topic 740 entitled *Accounting for Income Taxes* which requires the Entity to report uncertain tax positions for financial reporting purposes. FASB ASC 740 prescribes rules regarding how the Entity should recognize, measure and disclose in its financial statements, tax positions that were taken or will be taken on the Entity's tax returns that are reflected in measuring current or deferred income tax assets and liabilities. Differences between tax positions taken in a tax return and amounts recognized in the financial statements will generally result in an increase in a liability for income tax payable or a reduction in a deferred tax asset or an increase in a deferred tax liability. The Entity had no uncertain tax positions as of December 31, 2016 and, accordingly

NEW HAMPSHIRE LEGAL ASSISTANCE, INC.
NOTES TO FINANCIAL STATEMENTS (CONTINUED)
For the Years Ended December 31, 2016 and 2015

does not have any unrecognized tax benefits that need to be recognized or disclosed in the financial statements.

As of December 31, 2016, the tax years 2015, 2014 and 2013 remain subject to possible examination by major tax jurisdictions.

NOTE 11--CASE REVENUE

The Entity receives a regular stream of case revenue from fees in Social Security and SSI disability cases. These fee awards must be approved by the Social Security Administration Administrative Law Judge. From time to time the Entity also receives larger attorney fee awards in individual and class action cases. These class action fee awards are episodic and it is not possible to predict in advance their amounts or the dates they will be received. Rather than spending these entire awards in the year they are received, the Entity allocates them over a period of years to avoid wide fluctuations in staff size.

NOTE 12--ECONOMIC DEPENDENCY

For the years ended December 31, 2016 and 2015, approximately 34% and 36%, respectively, of total unrestricted support and revenue was derived from an appropriation from the State of New Hampshire. The discontinuation or reduction of the State appropriation would likely result in a decrease in services provided by the Entity, until alternative revenues could be obtained.

NOTE 13--SIGNIFICANT CONCENTRATIONS OF CREDIT RISK

The Entity maintains bank deposits at financial institutions with local branches located in New Hampshire. The Entity's cash balances are insured by the Federal Deposit Insurance Corporation (FDIC) up to a total of \$250,000 for all cash checking and sweep accounts. The Entity has entered into agreements with the financial institutions to move funds in excess of FDIC limits into insured cash sweep accounts. Funds held in the insured cash sweep accounts are placed into FDIC insured deposit accounts with other financial institutions throughout the United States. As of December 31, 2016 and 2015 the Entity's bank deposits were fully insured.

NOTE 14--CAMPAIGN FOR LEGAL SERVICES

In June 2005, the Entity assumed administration of the Campaign for Legal Services (the Campaign) from the New Hampshire Bar Foundation. The Campaign is a joint fundraising effort on behalf of the Entity, the Legal Advice and Referral Center (LARC) and the Pro Bono Referral Program of the New Hampshire Bar Association (Pro Bono), all not-for-profit entities providing civil legal services to low-income people. During the year ended December 31, 2015 Pro Bono withdrew from the joint fundraising effort and did not participate in any distributions from the Campaign. Revenue and expenses of these activities have been reported as contributions received and made and as fund raising expenses in these financial statements. For the years ended December 31, 2016 and 2015 the Campaign had total unrestricted revenue and support of \$290,827 and \$235,654, respectively, and total expenses excluding distributions of \$92,827 and \$134,805, respectively. Distributions to the Campaign partners during the years ended December 31, 2016 and 2015 totaled \$198,000 and \$100,849, respectively. Distributions were allocated and made as follows for the years ended December 31, 2016 and 2015: the Entity received \$128,700 and \$65,552, respectively, and LARC received \$69,300 and \$35,297, respectively.

The Entity participates in a number of Federal and State assisted grant programs and contracts. To the Board of Directors
New Hampshire Legal Assistance, Inc.

We have audited the financial statements of New Hampshire Legal Assistance, Inc. for the year ended December 31, 2016, and have issued our report thereon dated March 24, 2017. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our engagement letter dated January 26, 2017. Professional standards also require that we communicate to you the following information related to our audit.

Significant Audit Findings

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by New Hampshire Legal Assistance, Inc. are described in Note 1 to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during the year ended December 31, 2016. We noted no significant transactions entered into by the Organization during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements and are based on your knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. The most sensitive estimate affecting the financial statements was:

Management's estimate of the useful lives of fixed assets is based upon historical records of utilization, necessary improvements and replacements. We evaluated the key factors and assumptions used to develop the depreciable useful lives of fixed assets in determining that it is reasonable in relation to the financial statements taken as a whole.

The financial statement disclosures are neutral, consistent, and clear.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. Management has corrected all such misstatements. In addition, none of the misstatements detected as a result of the audit procedures and corrected by management were material, either individually or in the aggregate, to the financial statements taken as a whole.

Disagreements with Management

For purposes of this letter, a disagreement with management is a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations

We have requested certain representations from management that are included in the management representation letter dated March 24, 2017.

Management Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Organization's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the governmental unit's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

Other Matters

With respect to the supplementary information accompanying the financial statements, we made certain inquiries of management and evaluated the form, content, and methods of preparing the information to determine that the information complies with U.S. generally accepted accounting principles, the method of preparing it has not changed from the prior period, and the information is appropriate and complete in relation to our audit of the financial statements. We compared and reconciled the supplementary information to the underlying accounting records used to prepare the financial statements or to the financial statements themselves.

This information is intended solely for the use of the Board of Directors and management of New Hampshire Legal Assistance, Inc. and is not intended to be, and should not be, used by anyone other than these specified parties.

Very truly yours,

Vachon Clukay & Company PC

**REPORT ON INTERNAL CONTROL BASED ON
AN AUDIT OF BASIC FINANCIAL STATEMENTS**

To the Board of Directors
New Hampshire Legal Assistance, Inc.

In planning and performing our audit of the financial statements of New Hampshire Legal Assistance, Inc. as of and for the year ended December 31, 2016, in accordance with auditing standards generally accepted in the United States of America, we considered New Hampshire Legal Assistance, Inc.'s internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of New Hampshire Legal Assistance, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of New Hampshire Legal Assistance, Inc.'s internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis.

Our consideration of internal control was for the limited purpose described in the first paragraph and was not designed to identify all deficiencies in internal control that might be material weaknesses. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

This communication is intended solely for the information and use of management and the Board of Directors and is not intended to be, and should not be, used by anyone other than these specified parties.

This request is **retroactive** as a result of the need for the Department to prioritize the completion of contracts for substance use disorder services that were time sensitive. The RFA for legal services in this contract was delayed until after the start of State Fiscal Year 2017.

The purpose of this agreement is for the provision of legal services which will allow the Department to assist elderly secure and maintain their independence, health and quality of life, increase their financial literacy and help prevent identify theft and financial exploitation, while remaining in their homes and communities. Services are provided to eligible adults, age sixty (60) or older, who meet the Title III Older Americans Act requirements and have the greatest economic and/or social needs.

The selected vendor shall provide services to eligible individuals who require legal advice, counseling and litigation by attorneys and paralegals to address questions and concerns of a civil nature related to consumer problems; family matters; healthcare; public or private housing. Additionally, the selected vendor shall provide legal advice and counseling relative to the Supplemental Nutrition Assistance Program; public assistance benefits and utility shut-offs as well as problems related to nursing home care or residential care services. Legal Services also include representation at hearings or in court by attorneys, when necessary.

A Request for Application was posted on the Department's website from July 12, 2016 to August 11, 2016. One (1) application was received. A team of individuals with extensive program knowledge reviewed the application. The vendor was selected. The bid summary is attached.

The agreement contains language that allows the Department the right to renew the contracts for up to two (2) additional years, subject to the continued availability of funds, satisfactory performance of contracted services and approval by Governor and Executive Council.

Should the Governor and Executive Council not approve this request, Legal Services provided to low income elderly clients may be reduced or eliminated which may jeopardize their ability to remain in their homes and communities. This may result in requiring more costly long-term care services in traditional nursing homes or through community based care programs.

A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Nonprocurement List (of excluded parties).

Except for transactions authorized under paragraph 6 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal government, DHHS may terminate this transaction for cause or default.

Business Associate shall not use, disclose, maintain or transmit Protected Health Information (PHI) except as reasonably necessary to provide the services outlined under Exhibit A of the Agreement. Further, Business Associate, including but not limited to all its directors, officers, employees and agents, shall not use, disclose, maintain or transmit PHI in any manner that would constitute a violation of the Privacy and Security Rule.
- b. Business Associate may use or disclose PHI:
 - I. For the proper management and administration of the Business Associate;
 - II. As required by law, pursuant to the terms set forth in paragraph d. below; or
 - III. For data aggregation purposes for the health care operations of Covered Entity.
- c. To the extent Business Associate is permitted under the Agreement to disclose PHI to a third party, Business Associate must obtain, prior to making any such disclosure, (i) reasonable assurances from the third party that such PHI will be held confidentially and used or further disclosed only as required by law or for the purpose for which it was disclosed to the third party; and (ii) an agreement from such third party to notify Business Associate, in accordance with the HIPAA Privacy, Security, and Breach Notification Rules of any breaches of the confidentiality of the PHI, to the extent it has obtained knowledge of such breach.
- d. The Business Associate shall not, unless such disclosure is reasonably necessary to provide services under Exhibit A of the Agreement, disclose any PHI in response to a request for disclosure on the basis that it is required by law, without first notifying Covered Entity so that Covered Entity has an opportunity to object to the disclosure and to seek appropriate relief. If Covered Entity objects to such disclosure, the Business

Associate shall refrain from disclosing the PHI until Covered Entity has exhausted all remedies.

- e. If the Covered Entity notifies the Business Associate that Covered Entity has agreed to be bound by additional restrictions over and above those uses or disclosures or security safeguards of PHI pursuant to the Privacy and Security Rule, the Business Associate shall be bound by such additional restrictions and shall not disclose PHI in violation of such additional restrictions and shall abide by any additional security safeguards.

(3) Obligations and Activities of Business Associate.

- a. The Business Associate shall notify the Covered Entity's Privacy Officer immediately after the Business Associate becomes aware of any use or disclosure of protected health information not provided for by the Agreement including breaches of unsecured protected health information and/or any security incident that may have an impact on the protected health information of the Covered Entity.
- b. The Business Associate shall immediately perform a risk assessment when it becomes aware of any of the above situations. The risk assessment shall include, but not be limited to:
 - o The nature and extent of the protected health information involved, including the types of identifiers and the likelihood of re-identification;
 - o The unauthorized person used the protected health information or to whom the disclosure was made;
 - o Whether the protected health information was actually acquired or viewed
 - o The extent to which the risk to the protected health information has been mitigated.

The Business Associate shall complete the risk assessment within 48 hours of the breach and immediately report the findings of the risk assessment in writing to the Covered Entity.

- c. The Business Associate shall comply with all sections of the Privacy, Security, and Breach Notification Rule.
- d. Business Associate shall make available all of its internal policies and procedures, books and records relating to the use and disclosure of PHI received from, or created or received by the Business Associate on behalf of Covered Entity to the Secretary for purposes of determining Covered Entity's compliance with HIPAA and the Privacy and Security Rule.
- e. Business Associate shall require all of its business associates that receive, use or have access to PHI under the Agreement, to agree in writing to adhere to the same restrictions and conditions on the use and disclosure of PHI contained herein, including the duty to return or destroy the PHI as provided under Section 3 (l). The Covered Entity shall be considered a direct third party beneficiary of the Contractor's business associate agreements with Contractor's intended business associates, who will be receiving PHI

- pursuant to this Agreement, with rights of enforcement and indemnification from such business associates who shall be governed by standard Paragraph #13 of the standard contract provisions (P-37) of this Agreement for the purpose of use and disclosure of protected health information.
- f. Within five (5) business days of receipt of a written request from Covered Entity, Business Associate shall make available during normal business hours at its offices all records, books, agreements, policies and procedures relating to the use and disclosure of PHI to the Covered Entity, for purposes of enabling Covered Entity to determine Business Associate's compliance with the terms of the Agreement.
 - g. Within ten (10) business days of receiving a written request from Covered Entity, Business Associate shall provide access to PHI in a Designated Record Set to the Covered Entity, or as directed by Covered Entity, to an individual in order to meet the requirements under 45 CFR Section 164.524.
 - h. Within ten (10) business days of receiving a written request from Covered Entity for an amendment of PHI or a record about an individual contained in a Designated Record Set, the Business Associate shall make such PHI available to Covered Entity for amendment and incorporate any such amendment to enable Covered Entity to fulfill its obligations under 45 CFR Section 164.526.
 - i. Business Associate shall document such disclosures of PHI and information related to such disclosures as would be required for Covered Entity to respond to a request by an individual for an accounting of disclosures of PHI in accordance with 45 CFR Section 164.528.
 - j. Within ten (10) business days of receiving a written request from Covered Entity for a request for an accounting of disclosures of PHI, Business Associate shall make available to Covered Entity such information as Covered Entity may require to fulfill its obligations to provide an accounting of disclosures with respect to PHI in accordance with 45 CFR Section 164.528.
 - k. In the event any individual requests access to, amendment of, or accounting of PHI directly from the Business Associate, the Business Associate shall within two (2) business days forward such request to Covered Entity. Covered Entity shall have the responsibility of responding to forwarded requests. However, if forwarding the individual's request to Covered Entity would cause Covered Entity or the Business Associate to violate HIPAA and the Privacy and Security Rule, the Business Associate shall instead respond to the individual's request as required by such law and notify Covered Entity of such response as soon as practicable.
 - l. Within ten (10) business days of termination of the Agreement, for any reason, the Business Associate shall return or destroy, as specified by Covered Entity, all PHI received from, or created or received by the Business Associate in connection with the Agreement, and shall not retain any copies or back-up tapes of such PHI. If return or destruction is not feasible, or the disposition of the PHI has been otherwise agreed to in the Agreement, Business Associate shall continue to extend the protections of the Agreement, to such PHI and limit further uses and disclosures of such PHI to those purposes that make the return or destruction infeasible, for so long as Business

Associate maintains such PHI. If Covered Entity, in its sole discretion, requires that the Business Associate destroy any or all PHI, the Business Associate shall certify to Covered Entity that the PHI has been destroyed.

(4) Obligations of Covered Entity

- a. Covered Entity shall notify Business Associate of any changes or limitation(s) in its Notice of Privacy Practices provided to individuals in accordance with 45 CFR Section 164.520, to the extent that such change or limitation may affect Business Associate's use or disclosure of PHI.
- b. Covered Entity shall promptly notify Business Associate of any changes in, or revocation of permission provided to Covered Entity by individuals whose PHI may be used or disclosed by Business Associate under this Agreement, pursuant to 45 CFR Section 164.506 or 45 CFR Section 164.508.
- c. Covered entity shall promptly notify Business Associate of any restrictions on the use or disclosure of PHI that Covered Entity has agreed to in accordance with 45 CFR 164.522, to the extent that such restriction may affect Business Associate's use or disclosure of PHI.

(5) Termination for Cause

In addition to Paragraph 10 of the standard terms and conditions (P-37) of this Agreement the Covered Entity may immediately terminate the Agreement upon Covered Entity's knowledge of a breach by Business Associate of the Business Associate Agreement set forth herein as Exhibit I. The Covered Entity may either immediately terminate the Agreement or provide an opportunity for Business Associate to cure the alleged breach within a timeframe specified by Covered Entity. If Covered Entity determines that neither termination nor cure is feasible, Covered Entity shall report the violation to the Secretary.

(6) Miscellaneous

- a. Definitions and Regulatory References. All terms used, but not otherwise defined herein, shall have the same meaning as those terms in the Privacy and Security Rule, amended from time to time. A reference in the Agreement, as amended to include this Exhibit I, to a Section in the Privacy and Security Rule means the Section as in effect or as amended.
- b. Amendment. Covered Entity and Business Associate agree to take such action as is necessary to amend the Agreement, from time to time as is necessary for Covered Entity to comply with the changes in the requirements of HIPAA, the Privacy and Security Rule, and applicable federal and state law.
- c. Data Ownership. The Business Associate acknowledges that it has no ownership rights with respect to the PHI provided by or created on behalf of Covered Entity.
- d. Interpretation. The parties agree that any ambiguity in the Agreement shall be resolved to permit Covered Entity to comply with HIPAA, the Privacy and Security Rule.

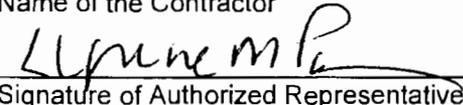

Exhibit I

- e. Segregation. If any term or condition of this Exhibit I or the application thereof to any person(s) or circumstance is held invalid, such invalidity shall not affect other terms or conditions which can be given effect without the invalid term or condition; to this end the terms and conditions of this Exhibit I are declared severable.
- f. Survival. Provisions in this Exhibit I regarding the use and disclosure of PHI, return or destruction of PHI, extensions of the protections of the Agreement in section (3) I, the defense and indemnification provisions of section (3) e and Paragraph 13 of the standard terms and conditions (P-37), shall survive the termination of the Agreement.
