September 5, 2017

His Excellency Governor Christopher T. Sununu  
and the Honorable Executive Council  
State House  
Concord, New Hampshire 03301

**REQUESTED ACTION**

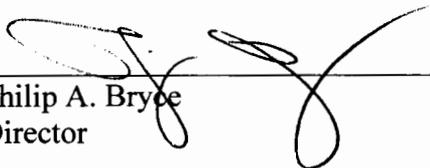

Pursuant to RSA 4:8, authorize the Department of Natural and Cultural Resources, Division of Parks and Recreation, Bureau of Trails to accept a donation of a 2017 Polaris General 1,000 4-Seater OHRV, valued at \$21,299, from Polaris Industries, Inc. via Absolute Powersports NH in Gorham, NH upon Governor and Executive Council approval.

**EXPLANATION**

Polaris Industries Inc., a Minnesota based OHRV manufacturer, has worked with Absolute Powersports NH, a Gorham based Polaris dealer to donate the OHRV which will be used for trail maintenance and patrolling at Jericho Mountain State Park. This vehicle will be invaluable to the Bureau's staff for construction projects as well as law enforcement and emergency response capability within the park. Polaris Industries has worked with the Trails Bureau for the past two years in hosting the annual Camp RZR event at Jericho Mountain State Park. This event draws thousands of OHRV enthusiasts to the North Country but the trails within the park and on abutting lands feel the impact. The donated vehicle will be able to assist with maintenance of the trails as the Bureau's other OHRVs at the park currently have over 11,000 hours of use on them.

Respectfully submitted,

Concurred,

  
Philip A. Bryce  
Director

  
Jeffrey J. Rose  
Commissioner
