State of New Hampshire

DEPARTMENT OF SAFETY
JAMES H. HAYES BLDG. 33 HAZEN DR.
CONCORD, N.H. 03305
(603) 271-2791

July 17, 2020

His Excellency, Governor Christopher T. Sununu
and the Honorable Council
State House
Concord, New Hampshire 03301

Requested Action

Pursuant to RSA 21-P:43, authorize the Department of Safety, Division of Homeland Security and Emergency Management (HSEM), to amend the grant agreement (PO#1071706) with the Town of Durham (VC#177383-B001) by extending the end date only from September 30, 2020 to a new end date of August 31, 2021 to complete the community's Local Emergency Operations Plan (LEOP) update and development of a Continuity of Operations Plan (COOP). The grant was initially approved by the Governor and Council on December 18, 2019 as item #156 and this award will remain in place with no change in funding sources. Effective upon the Governor and Council approval through August 31, 2021. Funding source: 100% Federal Funds.

Explanation

This request for an extension is needed because, as expressed by both the State and the community, this project has been delayed due to the necessary response to COVID-19. It was agreed that an extension to August 31, 2021, approved by Governor and Council, would provide the Town of Durham ample time to complete the aforementioned tasks. HSEM has reviewed this request with the Federal Emergency Management Agency (FEMA) and it was determined that the date extension will not affect Federal funding.

In the event that Federal Funds are no longer available, General Funds and/or Highway Funds will not be requested to support this program.

Respectfully submitted,

Robert L. Quinn
Commissioner of Safety

Explanation

This grant agreement provides the funding for the Town of Durham to update their Local Emergency Operations Plan (LEOP) and Continuity of Operations Plan (COOP). The grant listed above is funded from the FFY 2018 Emergency Management Performance Grant (EMPG), which was awarded to the Department of Safety, Division of Homeland Security and Emergency Management (HSEM) from the Federal Emergency Management Agency (FEMA). 12.2. In the event of Termination under paragraphs 10 or 12.4 of these general provisions, the approval of such a Termination Report by the State shall in no event relieve the Subrecipient from any and all liability for damages sustained or incurred by the State as a result of the Subrecipient's breach of its obligations hereunder. Each policy shall contain a clause prohibiting cancellation or modification of the policy earlier than ten (10) days after written notice thereof has been received by the State.

18. **WAIVER OF BREACH.** No failure by the State to enforce any provisions hereof after any Event of Default shall be deemed a waiver of its rights with regard to that Event, or any subsequent Event. No express waiver of any Event of Default shall be deemed a waiver of any provisions hereof. No such failure of waiver shall be deemed a waiver of the right of the State to enforce each and all of the provisions hereof upon any further or other default on the part of the Subrecipient.

19. **NOTICE.** Any notice by a party hereto to the other party shall be deemed to have been duly delivered or given at the time of mailing by certified mail, postage prepaid, in a United States Post Office addressed to the parties at the addresses first above given.

Chair Marple MOVED that the Durham Town Council does hereby approve Unanimous Consent Agenda Items 8A through 8C as follows:

VIII A: *The Durham Town Council does hereby schedule a special meeting date for Monday, December 9, 2019, in addition to its regular legislative meeting dates, to deliberate, discuss, and take action on the proposed FY 2020 Operating, Capital, and Special Fund Budgets and 2020-2029 Capital Improvement Plan; and*

The Durham Town Council does hereby schedule a Public Hearing for the proposed FY 2020 Operating, Capital, and Special Fund Budgets for Monday, November 18, 2019, in accordance with Section 5.3 "Budget Hearings" of the Durham Town Charter.

VIII B: *The Durham Town Council does hereby approve the 4th 2019 Warrant for Water and Sewer totaling \$519,358.91, commits the bills for charges to the Tax Collector for collection, and authorizes the Administrator to sign said warrant on its behalf.*

VIII C: *The Durham Town Council, by majority vote, does hereby accept the terms of the Emergency Management Performance Grant as presented in the amount of \$10,500.00 from the NH Department of Safety Division of Homeland Security and Emergency Management to update the Town's 2013 Local Emergency Operations Plan (LEOP) and Continuity of Operations Plan (COOP) for the Town and authorizes the Administrator to sign all related grant documents on behalf of the Town of Durham. Furthermore, the Town Council acknowledges that the total cost of this project will be \$21,000.00, in which the town will be responsible for a 50% match (\$10,500.00).*

Councilor Welsh SECONDED the motion and it PASSED unanimously, 9-0.

VIII D. **FIRST READING ON ORDINANCE #2019-02** creating a new chapter within the Durham Town Code, Chapter 145 "Tobacco Products", to increase the age for the purchase, use, and possession of tobacco products, e-cigarettes, vaping products or liquid nicotine from 18 to 21 in the Town of Durham

Councilor Tobias said she had requested this item be pulled from Unanimous Consent to make sure it was verbalized and that any interested parties are hearing it now if they may not have read the meeting agenda of they did not know what this particular Unanimous Consent agenda item entailed.

She said it was important to make sure that business owners are aware of this ordinance as it could have a strong effect on local businesses that sell these types of products and that they have fair warning that this is going to be happening. She reminded business owners that the Town Council will be moving the proposed ordinance to a Public Hearing which will be held on November 4, 2019, and if they have interests, concerns, or opinions regarding this matter they should show up at that time and voice their opinions. She said it was important that they are aware that this is happening, as well as anyone else who has an opinion, and they should bring forth their concerns.

Councilor Rotner felt it would be a best practice measure to send out some type formal notification to vendors in town informing them that this ordinance will be coming to a Public Hearing. After some discussion regarding Councilor Rotner's suggestion, Council consensus was to not go outside its normal practice for public hearing notifications and thereby not provide formal notification to businesses. Councilor Lawson instead suggested asking Administrator Selig to cover this item very carefully and highlight it in the weekly "Friday Updates".

This set of minutes was approved at the November 18, 2019 Town Council meeting

System for Award Management (SAM): Grant recipients are to keep all of their information up to date in SAM, in particular, your organization's name, address, DUNS number, EIN and banking information. Please ensure that the DUNS number used in SAM is the same one used to apply for all FEMA awards. Future payments will be contingent on the information provided in the SAM; therefore, it is imperative that the information is correct. The System for Award Management is located at <http://www.sam.gov>.

If you have any questions or have updated your information in SAM, please let your Grants Management Specialist (GMS) know as soon as possible. This will help use to make the necessary updates and avoid any interruptions in the payment process.
