EXPLANATION

The Career and Technical Education Grant "Strengthening Career and Technical Education for the 21st Century Act" received by the State allows for sub grants to be made to non-public recipients to assist them in operating their career and technical education or apprenticeship programs. We are asking for approval to make a grant to the Belknap County Department of Corrections based on an application that has been submitted to and approved by the Department of Education.

A Request for Proposal was released to eligible applicants on July 12, 2019. Two proposals were received, one from Belknap County Department of Corrections/Men and Woman and the other from the NH State Prison. The proposals were reviewed by the Department of Education, Career Development Bureau Education Consultants. Both have experience in evaluation of state

institutions RFP submissions utilizing an evaluation tool that was developed by department staff (Attachment A). The reviewers recommend funding both programs.

The proposal submitted by the Belknap County Department of Corrections indicates that this grant will be used to fund career and technical program instruction to 244 offenders (male and female). Grant funds will be used to deliver instruction in ServSafe, RRP Lead Paint Certification, Microsoft certification, and OSHA 10.
