EXPLANATION

The request to enter into contract with Tri County is **sole source** because an increase in administrative staffing and internal organizational structure has allowed for Tri-County to more efficiently meet the needs of individuals and or families who are homeless and or at risk of becoming homeless. Previously Southwestern Community Services had funding to serve the North Country population and had formal agreements with Tri-County CAP to administer funds for the Northern region of the state. Funds have been moved from Southwestern Community Services and moved into the Tri County CAP sole source contract to allow Bureau of Housing Supports to contract directly with Tri-County CAP to serve the Northern population. No other agency at this time is able to serve the homeless population in the northern region with the knowledge and resources that Tri-County CAP possesses.

Exhibit C-1 of the Tri County contract includes language that reserves the Department's right to extend contract services for up to three (3) years contingent upon the vendor providing satisfactory services, availability of continued funding and approval from the Governor and Executive Council.

The purpose of this request is for the continuation of Emergency Solutions Grant Program services to individuals who are homeless or at risk of becoming homeless. Services include interventions that have a direct and positive impact on individuals and families. The services provided through these contract agreements prevent individuals, and families from becoming homeless and assist individuals who are currently homeless to regain housing.

These vendors assist individuals who are homeless or at risk of becoming homeless achieve housing stability through Housing Stability Case Management services which address the following program components:

- Homelessness Prevention.
- Rapid Re-Housing.
- Housing Relocation.
- Stabilization Services.

Homelessness Prevention, Rapid Re-Housing, Housing Relocation and Stabilization services may include the provision of rental assistance, payment of rental application fees, last month's rent, utility deposits and payments, as well as moving costs. Housing stability case management services include assessing, arranging, coordinating, and monitoring the delivery of individualized services to facilitate housing stability for a participant/household currently residing in permanent housing, or to assist a participant/household in overcoming immediate barriers to obtaining housing.

Vendors will refer eligible individuals to services, which may include but are not limited to:

- Budgeting classes.
- Job search assistance.
- Interview skills training.
- Resume writing classes.

Notwithstanding any other provision of the Contract to the contrary, no services shall continue after June 30, 2019, and the Department shall not be liable for any payments for services provided after June 30, 2019, unless and until an appropriation for these services has been received from the state legislature and funds encumbered for the State Fiscal Year 2020-2021 biennia.

All contracts being renewed include renewal language in Exhibit C-1, Revisions to General Provisions, paragraph 4 for up to three (3) years contingent upon satisfactory services, continued funding and approval from the Governor and Executive Council.

The Department supports the request to renew services as the vendors have provided services that have met federal and state statutory regulations to provide services to homeless and at risk individuals in accordance to Emergency Solutions Grant provisions.

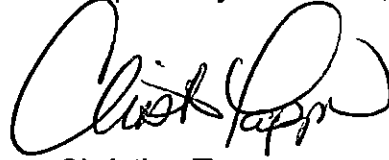

Should the Governor and Executive Council not authorize this request, individuals and or households may not receive interventions that have a direct and positive impact on housing stability which may increase the risk of homelessness or unsafe living arrangements. Without such services individuals may not receive rental assistance, utility payments and case management assistance in order to overcome immediate barriers to obtaining housing. Additionally without the Housing Relocation and Stabilization services individuals may not have the opportunity to remain stably housed though effective case management. Individuals may not have referrals to life skill training such as budgeting and resume writing classes, job search assistance and interview skills training.

Area Served: Statewide

Source of Funds: 100% Federal Funds CFDA # 14.231, FAIN E17DC330001

In the event that federal funds become no longer available, general funds will not be requested to support this program.

Respectfully submitted,

Christine Tappan
Associate Commissioner

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Community Action Program Belknap-Merrimack Counties, Inc. as of February 28, 2017 and February 29, 2016, and the changes in their net assets and their cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

In our opinion, the summarized comparative information presented herein as of and for the year ended February 29, 2016, is consistent, in all material respects, with the audited financial statements from which it has been derived.

Other Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles and Audit Requirements for Federal Awards*, the schedule of revenues and expenditures, and the schedule of refundable advances are presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated October 30, 2017, on our consideration of Community Action Program Belknap-Merrimack Counties, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Community Action Program Belknap-Merrimack Counties, Inc.'s internal control over financial reporting and compliance.

COMMUNITY ACTION PROGRAM BELKNAP – MERRIMACK COUNTIES, INC.

**NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED FEBRUARY 28, 2017**

1. ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Organization

Community Action Program Belknap – Merrimack Counties, Inc. (the Organization) is a New Hampshire nonprofit organization that serves nutritional, health, living and support needs of the low income and elderly clients in the two county service areas, as well as state wide. These services are provided with the financial support of various federal, state, county and local organizations.

Basis of Accounting

The financial statements are prepared on the accrual basis of accounting in accordance with Generally Accepted Accounting Principles (GAAP) of the United States.

Financial Statement Presentation

Financial statement presentation follows the recommendations of the FASB in its Accounting Standard Codification No. 958 *Financial Statements of Not-For-Profit Organizations*. Under FASB ASC No. 958, the Organization is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets. The classes of net assets are determined by the presence or absence of donor restrictions. As of February 28, 2017 the Organization had no permanently restricted net assets and had temporarily restricted net assets of \$644,111.

The financial statements include certain prior-year summarized comparative information in total but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with generally accepted accounting principles. Accordingly, such information should be read in conjunction with the Organization's financial statements for the year ended February 29, 2016, from which the summarized information was derived.

Income Taxes

The Organization is organized as a nonprofit corporation and is exempt from federal income taxes under Internal Revenue Code Section 501(c)(3). The Internal Revenue Service has determined them to be other than a private foundation.

The Organization files information returns in the United States and the State of New Hampshire. The Organization is no longer subject to examinations by tax authorities for years before 2013.

Accounting Standard Codification No. 740 (ASC 740), *Accounting for Income Taxes*, established the minimum threshold for recognizing, and a system for measuring, the benefits of tax return positions in financial statements. The Organization has analyzed its tax position taken on its information returns for the years (2013 through 2016), and has concluded that no additional provision for income taxes is necessary in the Organization's financial statements.

Property

Property and equipment is recorded at cost or, if donated, at the approximate fair value at the date of the donation. Assets purchased with a useful life in excess of one year and exceeding \$5,000 are capitalized unless a lower threshold is required by certain funding sources. Depreciation is computed on the straight-line basis over the estimated useful lives of the related assets as follows:

Buildings and improvements	40 years
Equipment, furniture and vehicles	3 - 7 years

Use of Estimates

The preparation of financial statements in conformity with United States generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash and Cash Equivalents

For purposes of the statement of cash flows, the Organization considers all liquid investments purchased with original maturities of three months or less to be cash equivalents. The Organization maintains its cash in bank deposit accounts, which at times may exceed federally insured limits. The Organization has not experienced any losses in such accounts and believes it is not exposed to any significant risk with respect to these accounts.

Contributions

All contributions are considered to be available for unrestricted use unless specifically restricted by the donor. Amounts received that are restricted by the donor for future periods or for specific purposes are reported as temporarily restricted or permanently restricted support, depending on the nature of the restriction. However, if a restriction is fulfilled in the same period in which the contribution is received, the Organization reports the support as unrestricted.

Contributed Services

Donated services are recognized as contributions in accordance with FASB ASC No. 958, *Accounting for Contributions Received and Contributions Made*, if the services (a) create or enhance non-financial assets or (b) require specialized skills, and would otherwise be purchased by the Agency.

Volunteers provided various services throughout the year that are not recognized as contributions in the financial statements since the recognition criteria under FASB ASC No. 958 were not met.

In-Kind Donations / Noncash Transactions

Donated facilities, services and supplies are reflected as revenue and expense in the accompanying financial statements, if the criteria for recognition is met. This represents the estimated fair value for the service, supplies and space that the Organization might incur under normal operating activities. The Organization received \$1,100,528 in donated facilities, services and supplies for the year ended February 28, 2017 as follows:

The Organization receives contributed professional services that are required to be recorded in accordance with FASB ASC No. 958. The estimated fair value of these services was determined to be \$200,362 for the year ended February 28, 2017.

The Organization also receives contributed food commodities and other goods that are required to be recorded in accordance with FASB ASC No. 958. The estimated fair value of these food commodities and goods was determined to be \$898,566 for the year ended February 28, 2017.

The Agency pays below-market rent for the use of certain facilities. In accordance with generally accepted accounting principles, the difference between amounts paid for the use of the facilities and the fair market value of the rental space has been recorded as an in-kind donation and as an in-kind expense in the accompanying financial statements. The estimated fair value of the donation was determined to be \$1,600 for the year ended February 28, 2017.

Advertising

The Organization expenses advertising costs as they are incurred. Total advertising costs for the year ended February 28, 2017 amounted to \$46,709.

2. ACCOUNTS RECEIVABLE

Accounts receivable are stated at the amount management expects to collect from balances outstanding at year end. Balances that are still outstanding after management has used reasonable collection efforts are written off through a charge to the valuation allowance and a credit to accounts receivable. The allowance for uncollectible accounts was estimated to be zero at February 28, 2017. The Organization has no policy for charging interest on overdue accounts.

3. REFUNDABLE ADVANCES

Grants received in advance are recorded as refundable advances and recognized as revenue in the period in which the related services or expenditures are performed or incurred. Funds received in advance of grantor conditions being met aggregated \$1,159,331 as of February 28, 2017.

4. RETIREMENT PLAN

The Organization has a qualified contributory pension plan which covers substantially all employees. The cost of the plan is charged to programs administered by the Organization. The expense of the plan for the year ended February 28, 2017 totaled \$207,607.

5. **LEASED FACILITIES**

Facilities occupied by the Organization for its community service programs are leased under various operating leases. The lease terms range from month to month to twenty years. For the year ended February 28, 2017, the annual lease expense for the leased facilities was \$464,831.

The approximate future minimum lease payments on the above leases are as follows:

<u>Year Ended February 28</u>	<u>Amount</u>
2018	\$ 336,450
2019	107,326
2020	94,916
2021	88,762
2022	88,762
Thereafter	<u>1,142,527</u>
Total	<u>\$ 1,858,743</u>

6. **ACCRUED EARNED TIME**

The Organization has accrued a liability for future annual leave time that its employees have earned and vested with the employees in the amount of \$403,742 at February 28, 2017.

7. **BANK LINE OF CREDIT**

The Organization has a \$200,000 revolving line of credit agreement (the line) with a bank that is due on demand. The line calls for monthly variable interest payments based on the Wall Street Journal Prime Rate (3.75% for the year ended February 28, 2017) plus 1%, but not less than 6% per annum. The line is secured by all the Organization's assets. There was no outstanding balance on the line at February 28, 2017.

8. **LONG TERM DEBT**

Long term debt consisted of the following as of February 28, 2017:

5.75% note payable to a financial institution in monthly installments for principal and interest of \$12,373 through July, 2023. The note is secured by property of the Organization for Lakes Region Family Center.

\$ 891,657

3% note payable to the City of Concord for leasehold improvements in monthly installments for principal and interest of \$747 through May, 2027. The note is secured by property of the Organization for the agency administrative building renovations.

15. FAIR VALUE OF FINANCIAL INSTRUMENTS

Community Action Program Belknap-Merrimack Counties, Inc. has also invested money relating to its Fix-it program in certain mutual funds. The fair value of the mutual funds totaled \$84,225 at February 28, 2017.

ASC Topic No. 825-10, Financial Instruments, provides a definition of fair value which focuses on an exit price rather than an entry price, establishes a framework in generally accepted accounting principles for measuring fair value which emphasizes that fair value is a market-based measurement, not an entity-specific measurement, and requires expanded disclosures about fair value measurements. In accordance with FASB ASC 820, the Organization may use valuation techniques consistent with market, income and cost approaches to measure fair value. As a basis for considering market participant assumptions in fair value measurements, FASB ASC 820 establishes a fair value hierarchy, which prioritizes the inputs used in measuring fair values. The hierarchy gives the highest priority to Level 1 measurements and the lowest priority to Level 3 measurements. The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are quoted prices available in active markets for identical investments as of the reporting date.

Level 2 - Inputs to the valuation methodology are other than quoted market prices in active markets, which are either directly or indirectly observable as of the reporting date, and fair value can be determined through the use of models or other valuation methodologies.

Level 3 - Inputs to the valuation methodology are unobservable inputs in situations where there is little or no market activity for the asset or liability and the reporting entity makes estimates and assumptions related to the pricing of the asset or liability including assumptions regarding risk.

At February 28, 2017, the Organization's investments were classified as Level 1 and were based on fair value.

Fair Value Measurements using Significant Observable Inputs (Level 1)

Beginning balance – mutual funds	\$ 72,306
Total gains (losses) - realized /unrealized	11,443
Purchases	<u>476</u>
Ending Balance – mutual funds	<u>\$ 84,225</u>

The carrying amount of cash, current assets, other assets and current liabilities, approximates fair value because of the short maturity of those instruments.

The Organization invested \$1,000 during the year ended February 28, 2017 in a Partnership, The Lakes Region Partnership for Public Health.

16. FISCAL AGENT

Community Action Program Belknap-Merrimack Counties, Inc. acts as the fiscal agent for the following community organizations: Franklin Community Services Building (Franklin), the Common Pantry (Laconia), the Caring Fund (Meredith), the NH Food Pantry Coalition, the NH Rotary Food Challenge and FGP/SCP Association Region 1. Subsequent events are events or transactions that occur after the statement of financial position date, but before the financial statements are available to be issued. Recognized subsequent events are events or transactions that provide additional evidence about conditions that existed at the statement of financial position date, including the estimates inherent in the process of preparing financial statements. Nonrecognized subsequent events are events that provide evidence about conditions that did not exist at the statement of financial position date, but arose after that date. Management has evaluated subsequent events through October 30, 2017, the date the financial statements were available to be issued.

**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL
REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON
AN AUDIT OF FINANCIAL STATEMENTS PERFORMED
IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS**

To the Board of Directors
Community Action Program Belknap-Merrimack Counties, Inc.
Concord, New Hampshire

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Community Action Program Belknap-Merrimack Counties, Inc. (a nonprofit organization), which comprise the statement of financial position as of February 28, 2017, and the related statements of activities, cash flows, and functional expenses for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated October 30, 2017.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered Community Action Program Belknap-Merrimack Counties, Inc.'s internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Community Action Program Belknap-Merrimack Counties, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of Community Action Program Belknap-Merrimack Counties, Inc.'s internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Community Action Program Belknap-Merrimack Counties, Inc.'s financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**INDEPENDENT AUDITORS' REPORT ON COMPLIANCE FOR EACH
MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE
REQUIRED BY THE UNIFORM GUIDANCE**

To the Board of Directors
Community Action Program Belknap-Merrimack Counties, Inc.
Concord, New Hampshire

Report on Compliance for Each Major Federal Program

We have audited Community Action Program Belknap-Merrimack Counties, Inc.'s compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of Community Action Program Belknap-Merrimack Counties, Inc.'s major federal programs for the year ended February 28, 2017. Community Action Program Belknap-Merrimack Counties, Inc.'s major federal programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

Auditors' Responsibility

Our responsibility is to express an opinion on compliance for each of Community Action Program Belknap-Merrimack Counties, Inc.'s major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Community Action Program Belknap-Merrimack Counties, Inc.'s compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of Community Action Program Belknap-Merrimack Counties, Inc.'s compliance.

Opinion on Each Major Federal Program

In our opinion, Community Action Program Belknap-Merrimack Counties, Inc. complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended February 28, 2017.

Report on Internal Control Over Compliance

Management of Community Action Program Belknap-Merrimack Counties, Inc. is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered Community Action Program Belknap-Merrimack Counties, Inc.'s internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Community Action Program Belknap-Merrimack Counties, Inc.'s internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Nonprocurement List (of excluded parties).

Further, Business Associate, including but not limited to all its directors, officers, employees and agents, shall not use, disclose, maintain or transmit PHI in any manner that would constitute a violation of the Privacy and Security Rule.
- b. Business Associate may use or disclose PHI:
 - I. For the proper management and administration of the Business Associate;
 - II. As required by law, pursuant to the terms set forth in paragraph d. below; or
 - III. For data aggregation purposes for the health care operations of Covered Entity.
- c. To the extent Business Associate is permitted under the Agreement to disclose PHI to a third party, Business Associate must obtain, prior to making any such disclosure, (i) reasonable assurances from the third party that such PHI will be held confidentially and used or further disclosed only as required by law or for the purpose for which it was disclosed to the third party; and (ii) an agreement from such third party to notify Business Associate, in accordance with the HIPAA Privacy, Security, and Breach Notification Rules of any breaches of the confidentiality of the PHI, to the extent it has obtained knowledge of such breach.

Associate shall refrain from disclosing the PHI until Covered Entity has exhausted all remedies.

- e. If the Covered Entity notifies the Business Associate that Covered Entity has agreed to be bound by additional restrictions over and above those uses or disclosures or security safeguards of PHI pursuant to the Privacy and Security Rule, the Business Associate shall be bound by such additional restrictions and shall not disclose PHI in violation of such additional restrictions and shall abide by any additional security safeguards.

(3) Obligations and Activities of Business Associate.

- a. The Business Associate shall notify the Covered Entity's Privacy Officer immediately after the Business Associate becomes aware of any use or disclosure of protected health information not provided for by the Agreement including breaches of unsecured protected health information and/or any security incident that may have an impact on the protected health information of the Covered Entity.

- b. The Business Associate shall immediately perform a risk assessment when it becomes aware of any of the above situations. The risk assessment shall include, but not be limited to:

- o The nature and extent of the protected health information involved, including the types of identifiers and the likelihood of re-identification;
- o The unauthorized person used the protected health information or to whom the disclosure was made;
- o Whether the protected health information was actually acquired or viewed
- o The extent to which the risk to the protected health information has been mitigated.

The Covered Entity shall be considered a direct third party beneficiary of the Contractor's business associate agreements with Contractor's intended business associates, who will be receiving PHI

pursuant to this Agreement, with rights of enforcement and indemnification from such business associates who shall be governed by standard Paragraph #13 of the standard contract provisions (P-37) of this Agreement for the purpose of use and disclosure of protected health information.

- f. Within five (5) business days of receipt of a written request from Covered Entity, Business Associate shall make available during normal business hours at its offices all records, books, agreements, policies and procedures relating to the use and disclosure of PHI to the Covered Entity, for purposes of enabling Covered Entity to determine Business Associate's compliance with the terms of the Agreement.
- g. Within ten (10) business days of receiving a written request from Covered Entity, Business Associate shall provide access to PHI in a Designated Record Set to the Covered Entity, or as directed by Covered Entity, to an individual in order to meet the requirements under 45 CFR Section 164.524.
- h. Within ten (10) business days of receiving a written request from Covered Entity for an amendment of PHI or a record about an individual contained in a Designated Record Set, the Business Associate shall make such PHI available to Covered Entity for amendment and incorporate any such amendment to enable Covered Entity to fulfill its obligations under 45 CFR Section 164.526.

- j. Within ten (10) business days of receiving a written request from Covered Entity for a request for an accounting of disclosures of PHI, Business Associate shall make available to Covered Entity such information as Covered Entity may require to fulfill its obligations to provide an accounting of disclosures with respect to PHI in accordance with 45 CFR Section 164.528.
- k. In the event any individual requests access to, amendment of, or accounting of PHI directly from the Business Associate, the Business Associate shall within two (2) business days forward such request to Covered Entity. Covered Entity shall have the responsibility of responding to forwarded requests. However, if forwarding the individual's request to Covered Entity would cause Covered Entity or the Business Associate to violate HIPAA and the Privacy and Security Rule, the Business Associate shall instead respond to the individual's request as required by such law and notify Covered Entity of such response as soon as practicable.
- l. Within ten (10) business days of termination of the Agreement, for any reason, the Business Associate shall return or destroy, as specified by Covered Entity, all PHI received from, or created or received by the Business Associate in connection with the Agreement, and shall not retain any copies or back-up tapes of such PHI. If return or destruction is not feasible, or the disposition of the PHI has been otherwise agreed to in the Agreement, Business Associate shall continue to extend the protections of the Agreement, to such PHI and limit further uses and disclosures of such PHI to those purposes that make the return or destruction infeasible, for so long as Business

Associate maintains such PHI. If Covered Entity, in its sole discretion, requires that the Business Associate destroy any or all PHI, the Business Associate shall certify to Covered Entity that the PHI has been destroyed.

(4) Obligations of Covered Entity

- a. Covered Entity shall notify Business Associate of any changes or limitation(s) in its Notice of Privacy Practices provided to individuals in accordance with 45 CFR Section 164.520, to the extent that such change or limitation may affect Business Associate's use or disclosure of PHI.
- b. Covered Entity shall promptly notify Business Associate of any changes in, or revocation of permission provided to Covered Entity by individuals whose PHI may be used or disclosed by Business Associate under this Agreement, pursuant to 45 CFR Section 164.506 or 45 CFR Section 164.508.
- c. Covered entity shall promptly notify Business Associate of any restrictions on the use or disclosure of PHI that Covered Entity has agreed to in accordance with 45 CFR 164.522, to the extent that such restriction may affect Business Associate's use or disclosure of PHI.

(5) Termination for Cause

In addition to Paragraph 10 of the standard terms and conditions (P-37) of this Agreement the Covered Entity may immediately terminate the Agreement upon Covered Entity's knowledge of a breach by Business Associate of the Business Associate Agreement set forth herein as Exhibit I. The Covered Entity may either immediately terminate the Agreement or provide an opportunity for Business Associate to cure the alleged breach within a timeframe specified by Covered Entity. If Covered Entity determines that neither termination nor cure is feasible, Covered Entity shall report the violation to the Secretary.

(6) Miscellaneous

- a. Definitions and Regulatory References. All terms used, but not otherwise defined herein, shall have the same meaning as those terms in the Privacy and Security Rule, amended from time to time. A reference in the Agreement, as amended to include this Exhibit I, to a Section in the Privacy and Security Rule means the Section as in effect or as amended.
- b. Amendment. Covered Entity and Business Associate agree to take such action as is necessary to amend the Agreement, from time to time as is necessary for Covered Entity to comply with the changes in the requirements of HIPAA, the Privacy and Security Rule, and applicable federal and state law.
- c. Data Ownership. The Business Associate acknowledges that it has no ownership rights with respect to the PHI provided by or created on behalf of Covered Entity.
- d. Interpretation. The parties agree that any ambiguity in the Agreement shall be resolved to permit Covered Entity to comply with HIPAA, the Privacy and Security Rule.

Exhibit I

- e. Segregation. If any term or condition of this Exhibit I or the application thereof to any person(s) or circumstance is held invalid, such invalidity shall not affect other terms or conditions which can be given effect without the invalid term or condition; to this end the terms and conditions of this Exhibit I are declared severable.
- f. Survival. Provisions in this Exhibit I regarding the use and disclosure of PHI, return or destruction of PHI, extensions of the protections of the Agreement in section (3) I, the defense and indemnification provisions of section (3) e and Paragraph 13 of the standard terms and conditions (P-37), shall survive the termination of the Agreement.

IN WITNESS WHEREOF, the parties hereto have duly executed this Exhibit I.

INDEPENDENT AUDITORS' REPORT

Report on the Financial Statements

We have audited the accompanying financial statements of Community Action Partnership of Strafford County (a New Hampshire nonprofit organization), which comprise the statements of financial position as of December 31, 2016 and 2015, and the related statements of cash flows, and notes to the financial statements for the years then ended, and the related statements of activities and functional expenses for the year ended December 31, 2016.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Community Action Partnership of Strafford County as of December 31, 2016 and 2015, and its cash flows for the years then ended, and the changes in its net assets for the year ended December 31, 2016 in accordance with accounting principles generally accepted in the United States of America.

Report on Summarized Comparative Information

We have previously audited Community Action Partnership of Strafford County's 2015 financial statements, and we expressed an unmodified audit opinion on those audited financial statements in our report dated June 1, 2016. In our opinion, the summarized comparative information presented herein as of and for the year ended December 31, 2015, is consistent, in all material respects, with the audited financial statements from which it has been derived.

Other Matters

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. Code of Federal Regulations (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated August 15, 2017, on our consideration of Community Action Partnership of Strafford County's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Community Action Partnership of Strafford County's internal control over financial reporting and compliance.

COMMUNITY ACTION PARTNERSHIP OF STRAFFORD COUNTY

**NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2016 AND 2015**

NOTE 1. ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Organization

Community Action Partnership of Strafford County (the Agency) is a 501(c)(3) private New Hampshire non-profit organization established under the provisions of the Equal Opportunity Act of 1964. Without services provided by the Agency, many local residents would be without a means to provide for their basic needs, including food, education, child care, utilities assistance, transportation, housing, emergency shelter and access to other services. The mission of the Agency is to educate, advocate and assist people in Strafford County to help meet their basic needs and promote self-sufficiency. The vision of the Agency is to eliminate poverty in Strafford County through compassion, education, self-sufficiency, transparency, accountability, team work, client focus and professionalism.

In addition to its administrative office located in Dover, the Agency maintains its outreach capacity by operating program offices in Farmington, Milton, Rochester, Dover and Somersworth. The Agency is funded by Federal, state, county and local funds, as well as United Way grants, public utilities, foundation and charitable grant funds, fees for service, private business donations, and donations from individuals. The Agency is governed by a tripartite board of directors made up of elected officials, community leaders from for-profit and non-profit organizations and residents who are low income. The board is responsible for assuring that the Agency continues to assess and respond to the causes and conditions of poverty in its community, achieve anticipated family and community outcomes, and remain administratively and fiscally sound. The Agency administers a wide range of coordinated programs to more than 15,000 people annually, and the programs are designed to have a measureable impact on poverty and health status among the most vulnerable residents: those under the age of 6, the elderly and those living in poverty. This coordinated approach is accomplished by providing a broad array of services that are locally defined, planned and managed with community agencies.

Basis of Accounting

The financial statements have been prepared using the accrual basis of accounting in accordance with Generally Accepted Accounting Principles (GAAP) of the United States.

Financial Statement Presentation

The financial statement presentation follows the recommendations of the Accounting Standard Codification No. 958-210, *Financial Statements of Not-For-Profit Organizations*. Under FASB ASC No. 958-210, the Agency is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets

and permanently restricted net assets. The classes of net assets are determined by the presence or absence of donor restrictions.

Unrestricted: Net assets that are not subject to donor-imposed stipulations. Unrestricted net assets may be designated for specific purposes by action of the Board of Directors.

Temporarily Restricted: Net assets whose use is limited by donor imposed stipulations that will either expire with the passage of time or be fulfilled or removed by actions of the Agency.

Permanently Restricted: Net assets reflecting the historical cost of gifts (and in certain circumstances, the earnings from those gifts), subject to donor-imposed stipulations, which require the corpus to be invested in perpetuity to produce income for general or specific purposes.

At December 31, 2016 and 2015 the Agency had unrestricted and temporarily restricted net assets.

Refundable Advances

Grants received in advance are recorded as refundable advances and recognized as revenue in the period in which the related services are performed or expenditures are incurred.

Contributions

All contributions are considered to be available for unrestricted use unless specifically restricted by donor. Amounts received that are restricted by the donor for future periods or for specific purposes are reported as temporarily restricted or permanently restricted support, depending on the nature of the restriction. However, if a restriction is fulfilled in the same period in which the contribution is received, the Agency reports the support as unrestricted.

Contributed Services

Donated services are recognized as contributions in accordance with FASB ASC No. 958, *Accounting for Contributions Received and Contributions Made*, if the services (a) create or enhance non-financial assets or (b) require specialized skills, and would otherwise be purchased by the Agency.

Volunteers provided various services throughout the year that are not recognized as contributions in the financial statements since the recognition criteria under FASB ASC No. 958 were not met.

Fair Value of Financial Instruments

Accounting Standard Codification No. 825, "Financial Instruments," requires the Agency to disclose estimated fair value for its financial instruments. The carrying amounts of cash, investments, accounts receivable, prepaid expenses, inventory, accounts payable, accrued expenses, and refundable advances approximate fair value because of the short maturity of those instruments.

Inventory

Inventory materials are fixtures for installation and recorded at cost or contributed value, using the first-in, first-out method.

Property and Depreciation

Property and equipment, which have a cost greater than \$5,000, are capitalized at cost or, if donated, at the approximate fair value at the date of donation. Specific grants and awards may have a threshold lower than this amount and that program will abide by those guidelines. Assets are depreciated over their estimated useful lives using the straight-line method as follows:

Buildings and improvements	15 - 40 years
Furniture, equipment and machinery	3 - 10 years
Vehicles	5 - 7 years

Depreciation expense aggregated \$53,517 and \$43,903 for the years ended December 31, 2016 and 2015, respectively.

Accrued Earned Time

The Agency has accrued a liability of \$79,490 and \$81,878 at December 31, 2016 and 2015, respectively, for future compensated leave time that its employees have earned and which is vested with the employee.

Income Taxes

The Agency is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code. The Internal Revenue Service has determined the Agency to be other than a private foundation. The Agency is also exempt from the New Hampshire Business Enterprise Tax.

Accounting Standard Codification No. 740, "Accounting for Income Taxes", establishes the minimum threshold for recognizing, and a system for measuring, the benefits of tax return positions in financial statements. Management has analyzed the Agency's tax position taken on its information returns for the years 2013 through 2016, and has concluded that no additional provision for income taxes is necessary in the Agency's financial statements.

Cash and Cash Equivalents

The Agency considers all highly liquid financial instruments with original maturities of three months or less to be cash equivalents.

Use of Estimates

The presentation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Advertising Expenses

The Agency expenses advertising costs as they are incurred. Total advertising costs for the years ended December 31, 2016 and 2015 amounted to \$21,352 and \$15,799, respectively.

In-kind Donations

The Agency pays below-market rent for the use of certain facilities. In accordance with generally accepted accounting principles, the difference between amounts paid for the use of the facilities and the fair market value of the rental space has been recorded as an in-kind donation and as an in-kind expense in the accompanying financial statements. The estimated fair value of the donation was determined to be \$322,524 and \$268,238 for the years ended December 31, 2016 and 2015, respectively.

The Agency also receives contributed professional services that are required to be recorded in accordance with FASB ASC No. 958. The estimated fair value of these services was determined to be \$49,673 and \$131,488 for the years ended December 31, 2016 and 2015, respectively.

The Agency also receives contributed food commodities and other goods that are required to be recorded in accordance with FASB ASC No. 958. The estimated fair value of these food commodities and goods was determined to be \$159,190 and \$46,463, respectively, for the year ended December 31, 2016. For the year ended December 31, 2015, the estimated fair value of these food commodities and goods was determined to be \$136,081 and \$96,644, respectively.

Functional Allocation of Expenses

The costs of providing the various programs and other activities have been summarized on a functional basis. Accordingly, costs have been allocated among the program services and supporting activities benefited.

NOTE 2. PROPERTY

As of December 31, 2016 and 2015, property consisted of the following:

	<u>2016</u>	<u>2015</u>
Land, buildings and improvements	\$ 926,666	\$ 430,128
Furniture, equipment and machinery	522,213	522,213
Vehicles	249,779	249,779
Construction in progress	<u>5,607</u>	<u>-</u>
Total	1,704,265	1,202,120
Less accumulated depreciation	<u>777,214</u>	<u>723,696</u>
Net property	<u>\$ 927,051</u>	<u>\$ 478,424</u>

NOTE 3. ACCOUNTS RECEIVABLE

Accounts receivable are stated at the amount management expects to collect from balances outstanding at year end. Balances that are still outstanding after management has used reasonable collection efforts are written off through a charge to the valuation allowance and a credit to accounts receivable. The allowance for uncollectible accounts was estimated to be zero at December 31, 2016 and 2015. The Agency has no policy for charging interest on overdue accounts.

NOTE 4. PLEDGED ASSETS

As described in Note 5, all assets of the Agency are pledged as collateral under the Agency's demand note payable agreement.

NOTE 5. DEMAND NOTE PAYABLE

The Agency has available a revolving line of credit with a bank in the amount of \$250,000. The note is payable upon demand, but in the absence of demand, is due on November 30, 2017. Interest is stated at the prime rate plus 1% which result in an interest rate of 4.75% and 4.50% at December 31, 2016 and 2015, respectively. The note is collateralized by all the assets of the Agency.

NOTE 6. TEMPORARILY RESTRICTED NET ASSETS

At December 31, 2016 and 2015, the Agency had \$103,280 and \$108,595 in net assets temporarily restricted by donor-imposed use restrictions, respectively.

NOTE 7. LEASE COMMITMENTS

Facilities occupied by the Agency for its community service programs are rented under the terms of various operating leases. For the years ended December 31, 2016 and 2015, the annual lease/rent expense for the leased facilities was \$120,523 and \$169,849, respectively. Certain equipment is leased by the Agency under the terms of various operating leases.

The approximate future minimum lease payments on the above leases are as follows:

<u>Year Ended December 31</u>	<u>Amount</u>
2017	\$ 115,758
2018	22,917
2019	8,922
2020	7,104
2021	<u>6,901</u>
Total	<u>\$ 161,602</u>

NOTE 8. RETIREMENT PLAN

The Agency maintains a 403(b) Plan and Trust (the Plan) covering substantially all employees. Employee contributions to the Plan are made at predetermined rates elected by employees. Additionally the Agency provides a matching contribution equal to 25% of the employee's contribution up to 5% of the employee's compensation. Effective April 1, 2016, the Agency instituted an auto enrollment feature mandating a minimum 1% employee contribution; however employees reserve the right to decline the auto enrollment. Employer matching contributions for the years ended December 31, 2016 and 2015 totaled \$24,366 and \$13,047, respectively.

NOTE 9. CONCENTRATION OF RISK

A large percentage of the Agency's total revenue was received from two contractors, the Federal Government and the State of New Hampshire. It is always considered to be at least reasonably possible that either contractor could be lost in the near term; however, Management feels this risk is of no particular concern at this time.

NOTE 10. CONCENTRATION OF CREDIT RISK

The Agency maintains its cash balances at several financial institutions in New Hampshire. The balances are insured by the Federal Deposit Insurance Corporation up to \$250,000. The Agency maintains an agreement with its primary financial institution to collateralize the balances in excess of \$250,000.

NOTE 11. CONTINGENCIES

The Agency receives grant funding from various sources. Under the terms of these agreements, the Agency is required to use the funds within a certain period and for purposes specified by the governing laws and regulations. If expenditures were found not to have been made in compliance with the laws and regulations, the Agency might be required to repay the funds. No provisions have been made for this contingency because specific amounts, if any, have not been determined or assessed as of December 31, 2016 and 2015.

NOTE 12. SUBSEQUENT EVENTS

Subsequent events are events or transactions that occur after the statement of financial position date, but before financial statements are available to be issued. Recognized subsequent events are events or transactions that provide additional evidence about conditions that existed at the statement of financial position date, including the estimates inherent in the process of preparing financial statements. Nonrecognized subsequent events are events that provide evidence about conditions that did not exist at the statement of financial position date, but arose after that date. Management has evaluated subsequent events through August 15, 2017, the date the December 31, 2016 financial statements were available for issuance.

Community Action Partnership of Strafford County
Dover, New Hampshire

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Community Action Partnership of Strafford County (a New Hampshire nonprofit organization), which comprise the statements of financial position as of December 31, 2016 and 2015, and the related statements of cash flows, and the related notes to the financial statements for the years then ended, and the related statements of activities and functional expenses for the year ended December 31, 2016 and have issued our report thereon dated August 15, 2017.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered Community Action Partnership of Strafford County's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Community Action Partnership of Strafford County's internal control. Accordingly, we do not express an opinion on the effectiveness of Community Action Partnership of Strafford County's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. *A material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Community Action Partnership of Strafford County's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

COMMUNITY ACTION PARTNERSHIP OF STRAFFORD COUNTY

**INDEPENDENT AUDITORS' REPORT ON COMPLIANCE FOR
EACH MAJOR PROGRAM AND ON INTERNAL CONTROL
OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE**

To the Board of Directors of
Community Action Partnership of Strafford County
Dover, New Hampshire

Report on Compliance for Each Major Federal Program

We have audited Community Action Partnership of Strafford County's compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of Community Action Partnership of Strafford County's major federal programs for the year ended December 31, 2016. Community Action Partnership of Strafford County's major federal programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

Auditors' Responsibility

Our responsibility is to express an opinion on compliance for each of Community Action Partnership of Strafford County's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Community Action Partnership of Strafford County's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of Community Action Partnership of Strafford County's compliance.

Opinion on Each Major Federal Program

In our opinion, Community Action Partnership of Strafford County complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended December 31, 2016.

Report on Internal Control Over Compliance

Management of Community Action Partnership of Strafford County is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered Community Action Partnership of Strafford County's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Community Action Partnership of Strafford County's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

INSTRUCTIONS FOR CERTIFICATION

1. By signing and submitting this proposal (contract), the prospective primary participant is providing the certification set out below.
2. The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. If necessary, the prospective participant shall submit an explanation of why it cannot provide the certification. The certification or explanation will be considered in connection with the NH Department of Health and Human Services' (DHHS) determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.
3. The certification in this clause is a material representation of fact upon which reliance was placed when DHHS determined to enter into this transaction. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, DHHS may terminate this transaction for cause or default.
4. The prospective primary participant shall provide immediate written notice to the DHHS agency to whom this proposal (contract) is submitted if at any time the prospective primary participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

7. The prospective primary participant further agrees by submitting this proposal that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transactions," provided by DHHS, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
8. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or involuntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Nonprocurement List (of excluded parties).
9. Nothing contained in the foregoing shall be construed to require establishment of a system of records, in order to render in good faith the certification required by this clause. The knowledge and

information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

10. Except for transactions authorized under paragraph 6 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal government, DHHS may terminate this transaction for cause or default.

 - III. For data aggregation purposes for the health care operations of Covered Entity.
- c. To the extent Business Associate is permitted under the Agreement to disclose PHI to a third party, Business Associate must obtain, prior to making any such disclosure, (i) reasonable assurances from the third party that such PHI will be held confidentially and used or further disclosed only as required by law or for the purpose for which it was disclosed to the third party; and (ii) an agreement from such third party to notify Business Associate, in accordance with the HIPAA Privacy, Security, and Breach Notification Rules of any breaches of the confidentiality of the PHI, to the extent it has obtained knowledge of such breach.
- d. ~~The Business Associate shall not, unless such disclosure is reasonably necessary to provide services under Exhibit A of the Agreement, disclose any PHI in response to a request for disclosure on the basis that it is required by law, without first notifying Covered Entity so that Covered Entity has an opportunity to object to the disclosure and to seek appropriate relief. If Covered Entity objects to such disclosure, the Business~~

Associate shall refrain from disclosing the PHI until Covered Entity has exhausted all remedies.

- e. If the Covered Entity notifies the Business Associate that Covered Entity has agreed to be bound by additional restrictions over and above those uses or disclosures or security safeguards of PHI pursuant to the Privacy and Security Rule, the Business Associate shall be bound by such additional restrictions and shall not disclose PHI in violation of such additional restrictions and shall abide by any additional security safeguards.

(3) Obligations and Activities of Business Associate.

- a. The Business Associate shall notify the Covered Entity's Privacy Officer immediately after the Business Associate becomes aware of any use or disclosure of protected health information not provided for by the Agreement including breaches of unsecured protected health information and/or any security incident that may have an impact on the protected health information of the Covered Entity.

- b. The Business Associate shall immediately perform a risk assessment when it becomes aware of any of the above situations. The risk assessment shall include, but not be limited to:

- o The nature and extent of the protected health information involved, including the types of identifiers and the likelihood of re-identification;
- o The unauthorized person used the protected health information or to whom the disclosure was made;
- o Whether the protected health information was actually acquired or viewed
- o The extent to which the risk to the protected health information has been mitigated.

The Business Associate shall complete the risk assessment within 48 hours of the breach and immediately report the findings of the risk assessment in writing to the Covered Entity.

- c. The Business Associate shall comply with all sections of the Privacy, Security, and Breach Notification Rule.
- d. Business Associate shall make available all of its internal policies and procedures, books and records relating to the use and disclosure of PHI received from, or created or received by the Business Associate on behalf of Covered Entity to the Secretary for purposes of determining Covered Entity's compliance with HIPAA and the Privacy and Security Rule.
- e. Business Associate shall require all of its business associates that receive, use or have access to PHI under the Agreement, to agree in writing to adhere to the same restrictions and conditions on the use and disclosure of PHI contained herein, including the duty to return or destroy the PHI as provided under Section 3 (l). The Covered Entity shall be considered a direct third party beneficiary of the Contractor's business associate agreements with Contractor's intended business associates, who will be receiving PHI

pursuant to this Agreement, with rights of enforcement and indemnification from such business associates who shall be governed by standard Paragraph #13 of the standard contract provisions (P-37) of this Agreement for the purpose of use and disclosure of protected health information.

- f. Within five (5) business days of receipt of a written request from Covered Entity, Business Associate shall make available during normal business hours at its offices all records, books, agreements, policies and procedures relating to the use and disclosure of PHI to the Covered Entity, for purposes of enabling Covered Entity to determine Business Associate's compliance with the terms of the Agreement.
- g. Within ten (10) business days of receiving a written request from Covered Entity, Business Associate shall provide access to PHI in a Designated Record Set to the Covered Entity, or as directed by Covered Entity, to an individual in order to meet the requirements under 45 CFR Section 164.524.
- h. Within ten (10) business days of receiving a written request from Covered Entity for an amendment of PHI or a record about an individual contained in a Designated Record Set, the Business Associate shall make such PHI available to Covered Entity for amendment and incorporate any such amendment to enable Covered Entity to fulfill its obligations under 45 CFR Section 164.526.
- i. Business Associate shall document such disclosures of PHI and information related to such disclosures as would be required for Covered Entity to respond to a request by an individual for an accounting of disclosures of PHI in accordance with 45 CFR Section 164.528.
- j. Within ten (10) business days of receiving a written request from Covered Entity for a request for an accounting of disclosures of PHI, Business Associate shall make available to Covered Entity such information as Covered Entity may require to fulfill its obligations to provide an accounting of disclosures with respect to PHI in accordance with 45 CFR Section 164.528.
- k. In the event any individual requests access to, amendment of, or accounting of PHI directly from the Business Associate, the Business Associate shall within two (2) business days forward such request to Covered Entity. Covered Entity shall have the responsibility of responding to forwarded requests. However, if forwarding the individual's request to Covered Entity would cause Covered Entity or the Business Associate to violate HIPAA and the Privacy and Security Rule, the Business Associate shall instead respond to the individual's request as required by such law and notify Covered Entity of such response as soon as practicable.
- l. Within ten (10) business days of termination of the Agreement, for any reason, the Business Associate shall return or destroy, as specified by Covered Entity, all PHI received from, or created or received by the Business Associate in connection with the Agreement, and shall not retain any copies or back-up tapes of such PHI. If return or destruction is not feasible, or the disposition of the PHI has been otherwise agreed to in the Agreement, Business Associate shall continue to extend the protections of the Agreement, to such PHI and limit further uses and disclosures of such PHI to those purposes that make the return or destruction infeasible, for so long as Business

Exhibit I

Associate maintains such PHI. If Covered Entity, in its sole discretion, requires that the Business Associate destroy any or all PHI, the Business Associate shall certify to Covered Entity that the PHI has been destroyed.

(4) **Obligations of Covered Entity**

- a. Covered Entity shall notify Business Associate of any changes or limitation(s) in its Notice of Privacy Practices provided to individuals in accordance with 45 CFR Section 164.520, to the extent that such change or limitation may affect Business Associate's use or disclosure of PHI.
- b. Covered Entity shall promptly notify Business Associate of any changes in, or revocation of permission provided to Covered Entity by individuals whose PHI may be used or disclosed by Business Associate under this Agreement, pursuant to 45 CFR Section 164.506 or 45 CFR Section 164.508.
- c. Covered entity shall promptly notify Business Associate of any restrictions on the use or disclosure of PHI that Covered Entity has agreed to in accordance with 45 CFR 164.522, to the extent that such restriction may affect Business Associate's use or disclosure of PHI.

(5) **Termination for Cause**

In addition to Paragraph 10 of the standard terms and conditions (P-37) of this Agreement the Covered Entity may immediately terminate the Agreement upon Covered Entity's knowledge of a breach by Business Associate of the Business Associate Agreement set forth herein as Exhibit I. The Covered Entity may either immediately terminate the Agreement or provide an opportunity for Business Associate to cure the alleged breach within a timeframe specified by Covered Entity. If Covered Entity determines that neither termination nor cure is feasible, Covered Entity shall report the violation to the Secretary.

(6) **Miscellaneous**

- a. **Definitions and Regulatory References.** All terms used, but not otherwise defined herein, shall have the same meaning as those terms in the Privacy and Security Rule, amended from time to time. A reference in the Agreement, as amended to include this Exhibit I, to a Section in the Privacy and Security Rule means the Section as in effect or as amended.
- b. **Amendment.** Covered Entity and Business Associate agree to take such action as is necessary to amend the Agreement, from time to time as is necessary for Covered Entity to comply with the changes in the requirements of HIPAA, the Privacy and Security Rule, and applicable federal and state law.
- c. **Data Ownership.** The Business Associate acknowledges that it has no ownership rights with respect to the PHI provided by or created on behalf of Covered Entity.
- d. **Interpretation.** The parties agree that any ambiguity in the Agreement shall be resolved to permit Covered Entity to comply with HIPAA; the Privacy and Security Rule.

Exhibit I

- e. Segregation. If any term or condition of this Exhibit I or the application thereof to any person(s) or circumstance is held invalid, such invalidity shall not affect other terms or conditions which can be given effect without the invalid term or condition; to this end the terms and conditions of this Exhibit I are declared severable.
- f. Survival. Provisions in this Exhibit I regarding the use and disclosure of PHI, return or destruction of PHI, extensions of the protections of the Agreement in section (3) I, the defense and indemnification provisions of section (3) e and Paragraph 13 of the standard terms and conditions (P-37), shall survive the termination of the Agreement.

IN WITNESS WHEREOF, the parties hereto have duly executed this Exhibit I.

MISSION STATEMENT

Southern New Hampshire Services, Inc. (SNHS) is a private non-profit corporation chartered in the State of New Hampshire, May 21, 1965 to serve as the Community Action Partnership for Hillsborough County in compliance with the Economic Opportunity Act of 1964. From 1965 through 1969, SNHS was known as the Community Action Agency for Hillsborough County and served the City of Nashua and the twenty-nine towns. In 1969 SNHS became the Community Action Partnership for the City of Manchester as well. In 1974 the agency's name was changed to Southern New Hampshire Services, Inc. In July 2011, Rockingham Community Action (RCA), the Community Action Agency serving Rockingham County, was merged with Southern New Hampshire Services. As a result of this merger, SNHS now provides services to residents of the 65 towns and 3 cities in Hillsborough and Rockingham Counties.

The Economic Opportunity Act of 1964 and subsequent federal legislation establishing the Community Services Block Grant define our basic mission. Under these provisions the fundamental mission of SNHS is:

 - 5. Obtain emergency assistance through loans or grants to meet immediate and urgent individual and family needs, including the need for health services, nutritious food, housing, and employment related assistance
 - 6. Remove obstacles and solve problems which block the achievement of self-sufficiency
 - 7. Achieve greater participation in the affairs of the community, and
 - 8. Make more effective use of other programs related to the purposes of the enabling federal legislation.
- C. To provide on an emergency basis for the provision of such supplies and services, nutritious foodstuffs, and related services, as may be necessary to counteract conditions of starvation and malnutrition among the poor.
- D. To coordinate and establish linkages between governmental and other social service programs to assure the effective delivery of such services to low-income individuals.
- E. To encourage the use of entities in the private sector of the community in efforts to ameliorate poverty in the community.

**Independent Auditor's Report on Internal Control over Financial Reporting and on
Compliance and Other Matters Based on an Audit of Financial
Statements Performed in Accordance With *Government Auditing Standards***

To the Board of Directors
Southern New Hampshire Services, Inc. and Affiliate
Manchester, New Hampshire

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the combined financial statements of Southern New Hampshire Services, Inc. (the Organization) and affiliate, which comprise the combined statement of financial position as of July 31, 2017, and the related combined statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the combined financial statements, and have issued our report thereon dated January 19, 2018.

Internal Control over Financial Reporting

In planning and performing our audit of the combined financial statements, we considered the Organization's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the combined financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Organization's combined financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Southern New Hampshire Services, Inc. and affiliate's combined financial statements are free from material misstatement, we performed tests of their compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**Independent Auditor's Report on Compliance for Each Major Program and on
Internal Control over Compliance and Schedule of Expenditures of
Federal Awards Required by the Uniform Guidance**

To the Board of Directors
Southern New Hampshire Services, Inc. and Affiliate
Manchester, New Hampshire

Report on Compliance for Each Major Federal Program

We have audited Southern New Hampshire Services, Inc. (the Organization) and affiliate's compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of Southern New Hampshire Services, Inc. and affiliate's major federal programs for the year ended July 31, 2017. Southern New Hampshire Services, Inc. and affiliate's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of Southern New Hampshire Services, Inc. and affiliate's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Southern New Hampshire Services, Inc. and affiliate's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of Southern New Hampshire Services, Inc. and affiliate's compliance.

Opinion on Each Major Federal Program

In our opinion, Southern New Hampshire Services, Inc. and affiliate complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended July 31, 2017.

Report on Internal Control over Compliance

Management of Southern New Hampshire Services, Inc. and affiliate is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered Southern New Hampshire Services, Inc. and affiliate's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Southern New Hampshire Services, Inc. and affiliate's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

Report on Schedule of Expenditures of Federal Awards Required by Uniform Guidance

We have audited the combined financial statements of Southern New Hampshire Services, Inc. and affiliate as of and for the year ended July 31, 2017, and have issued our report thereon dated January 19, 2018, which contained an unmodified opinion on those combined financial statements. Our audit was conducted for the purpose of forming an opinion on the combined financial statements as a whole. The accompanying schedule of expenditures of federal awards is presented for purposes of additional analysis as required by the Uniform Guidance and is not a required part of the combined financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the combined financial statements. The information has been subjected to the auditing procedures applied in the audit of the combined financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the combined financial statements or to the combined financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditures of federal awards is fairly stated in all material respects in relation to the combined financial statements as a whole.

Auditor's Responsibility

Our responsibility is to express an opinion on these combined financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the combined financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the combined financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the combined financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Organization's preparation and fair presentation of the combined financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the combined financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the combined financial statements referred to above present fairly, in all material respects, the financial position of Southern New Hampshire Services, Inc. and affiliate, as of July 31, 2017 and 2016, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued a report dated January 19, 2018 on our consideration of Southern New Hampshire Services, Inc. and affiliate's internal control over financial reporting and on our tests on its compliance with certain provisions of laws, regulations, contracts, grant agreements, and other matters. The purpose of this report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. The report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Southern New Hampshire Services, Inc. and affiliate's internal control over financial reporting and compliance.

NOTES TO COMBINED FINANCIAL STATEMENTS

JULY 31, 2017 AND 2016

NOTE 1: ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of the Organization

Southern New Hampshire Services, Inc. (SNHS) is an umbrella corporation that offers an array of services to the elderly, disabled, and low-income households in New Hampshire's Hillsborough County and Rockingham County. The Organization's programs provide assistance in the areas of education, child development, employment, energy and its conservation, housing and homelessness prevention. The Organization is committed to providing respectful support services and assisting individuals and families in achieving self-sufficiency by helping them overcome the causes of poverty. The primary source of revenues is derived from governmental contracts. Services are provided through Southern New Hampshire Services, Inc. and SNHS Management Corporation.

Basis of Accounting and Presentation

The Organization prepares its combined financial statements in accordance with accounting principles generally accepted in the United States of America, which involves the application of accrual accounting; and accordingly reflect all significant receivables, payables, and other liabilities. Net assets, revenues, expenses, gains, and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of the Organization and changes therein are classified and reported as follows:

Unrestricted net assets - Unrestricted net assets of the Organization are net assets that are neither permanently restricted nor temporarily restricted by donor-imposed restrictions.

Temporarily restricted net assets - Temporarily restricted net assets are net assets resulting from contributions and other inflows of assets whose use by the Organization is limited by donor-imposed stipulations that either expire by passage of time or can be fulfilled and removed by actions of the Organization pursuant to those stipulations.

Permanently restricted net assets - Permanently restricted net assets are net assets resulting from contributions and other inflows of assets whose use by the Organization is limited by donor-imposed stipulations that neither expire by passage of time nor can be fulfilled or otherwise removed by actions of the Organization.

The Organization has no temporarily restricted or permanently restricted net assets at July 31, 2017 and 2016.

Combined Financial Statements

All significant intercompany items and transactions have been eliminated from the basic combined financial statements. The combined financial statements include the accounts of SNHS Management Corporation because Southern New Hampshire Services, Inc. controls more than 50% of the voting power.

Use of Estimates

The preparation of combined financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reported period. Actual results may differ from these amounts.

NOTES TO COMBINED FINANCIAL STATEMENTS

JULY 31, 2017 AND 2016

NOTE 1: ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Cash and Cash Equivalents

For the purpose of the combined statements of cash flows, the Organization considers all unrestricted highly liquid debt instruments purchased with a maturity of three months or less to be cash equivalents.

Current Vulnerabilities Due to Certain Concentrations

The Organization maintains its cash balances at several financial institutions located in New Hampshire and Maine. The balances are insured by the Federal Deposit Insurance Organization (FDIC) up to \$250,000 per financial institution. In addition, on October 2, 2008, the Organization entered into an agreement with its principal banking partner to collateralize deposits in excess of the FDIC insurance limitation on some accounts. The balances, at times, may exceed amounts covered by the FDIC and collateralization agreements. It is the opinion of management that there is no significant risk with respect to these deposits at this time.

Accounts and Contracts Receivable

All accounts and contracts receivable are stated at the amount management expects to collect from balances outstanding at year-end. Receivables are recorded on the accrual basis of accounting primarily based on reimbursable contracts, grants and agreements. Balances outstanding after management has used reasonable collection efforts are written off through a charge to bad debt expense and a credit to the applicable accounts receivable. Management does not believe an allowance for uncollectible accounts receivable is necessary at July 31, 2017 and 2016.

Revenue Recognition

The Organization's revenue is recognized primarily from federal and state grants and contracts generally structured as reimbursed contracts for services and therefore revenue is recognized based on when their individual allowable budgeted expenditures occur. Federal and state grant revenue comprised approximately 89% of total revenue in the fiscal years ended July 31, 2017 and 2016.

Contributions and In-Kind Donations

Support that is restricted by the donor is reported as an increase in unrestricted net assets if the restriction expires in the reporting period in which the support is recognized. All other donor-restricted support is reported as an increase in temporarily or permanently restricted net assets, depending on the nature of the restriction. When a restriction expires, (that is, when a stipulated time restriction ends or purpose restriction is accomplished), temporarily restricted net assets are reclassified to unrestricted net assets and reported in the combined statements of activities as net assets released from restrictions. In-kind revenues and expenses represent fair market value of volunteer services and non-paid goods which were donated to the Organization during the current fiscal year. All in-kind revenues in the fiscal year 2017 and 2016 were generated through the Head Start and Economic Workforce Development programs. Since the recognition criteria is not met, no in-kind revenues are recognized as contributions in the combined financial statements and the in-kind expenses have been eliminated.

Investments

The Organization carries investments in marketable securities with readily determinable fair values and all investments in debt securities at their fair values in the combined statements of financial position. Unrealized gains and losses are included in the change in net assets in the accompanying combined statements of activities.

JULY 31, 2017 AND 2016

NOTE 1: ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Fixed Assets

Fixed assets acquired by the Organization are capitalized at cost if purchased or fair value if donated. It is the Organization's policy to capitalize expenditures for these items in excess of \$5,000. Major additions and renewals are capitalized, while repairs and maintenance are expensed as incurred. Depreciation is calculated using the straight-line basis over the estimated useful lives of the assets, which range from three to forty years. Depreciation expense for July 31, 2017 and 2016 was \$417,119 and \$338,948, respectively.

Fixed assets purchased with grant funds are owned by the Organization while used in the program for which they were purchased or in other future authorized programs. However, the various funding sources have a reversionary interest in the fixed assets purchased with grant funds. The disposition of fixed assets, as well as the ownership of any proceeds is subject to funding source regulations.

Advertising

The Organization uses advertising to promote programs among the people it serves. The production costs of advertising are expensed as incurred.

Functional Allocation of Expenses

The costs associated with providing program services and management and general support services are presented by natural classification on the combined statement of functional expenses and have been summarized on a functional basis on the combined statements of activities.

Subsequent Events

Management has made an evaluation of subsequent events through January 19, 2018, which represents the date on which the combined financial statements were available to be issued and determined that any subsequent events that would require recognition or disclosure have been considered in the preparation of these combined financial statements.

Reclassifications

Certain reclassifications have been made to the 2016 combined financial statement presentation to correspond to the current year's format. Net assets and changes in net assets are unchanged due to these reclassifications.

NOTE 2: RESTRICTED CASH

The Organization, as stipulated in many of the loan agreements associated with the housing projects included in SNHS Management Corporation, is required to maintain separate accounts and make monthly deposits into certain restricted reserves for the replacement of property and other expenditures. In addition, the Organization is required to maintain separate accounts for tenant security deposits and any surplus cash that may result from annual operations. These accounts are also not available for operating purposes and generally need additional approval from oversight agencies before withdrawal and use of these funds can occur.

NOTE 3: FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The three levels of the fair value hierarchy under Financial Accounting Standards Board Accounting Standards Codification 820, *Fair Value Measurements*, are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the organization has the ability to access at the measurement date.

Level 2: Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs that are unobservable for the asset or liability.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at July 31, 2017 and 2016.

Mutual Funds: Valued at the closing price reported on the active market on which the individual securities are traded.

The following table sets forth by level, within the fair value hierarchy, the Organization's assets at fair value as of July 31, 2017 and 2016:

NOTE 8: RISKS AND UNCERTAINTIES

The Organization is operated in a heavily regulated environment. The operations of the Organization are subject to the administrative directives, rules and regulations of federal, state and local regulatory agencies. Such administrative directives, rules, and regulations are subject to change by an act of Congress or Legislature. Such changes may occur with little notice or inadequate funding to pay for the related cost, including the additional administrative burden, to comply with a change.

NOTE 9: CONTINGENCIES AND CONTINGENT LIABILITIES

The Organization receives contract funding from various sources. Under the terms of these agreements, the Organization is required to use the funds within a certain period and for purposes specified by the governing laws and regulations. If expenditures were found not to have been made in compliance with the laws and regulations, the Organization might be required to repay the funds. No provisions have been made for this contingency because specific amounts, if any, have not yet been determined.

Cotton Mill Square

In 2015, SNHS Management Corporation entered into a contract as part of the Community Development Investment Tax Credit Program with the Community Development Finance Authority (CDFA) and was awarded \$1,000,000 to provide funding for the development and adaptive reuse of an abandoned historic cotton mill in downtown Nashua, NH. Under this program, the Project (Cotton Mill Square) created 109 units of housing and was required to reserve 55 of these units for low to moderate income households.

As stipulated by the contract and after a 20% program fee retained by the CDFA, SNHS Management Corporation entered into a subrecipient agreement with the owners of the Project (Cotton Mill Square LLC) to provide a promissory note and mortgage of the remaining award amount of \$800,000. The 20 year note to Cotton Mill Square LLC is non-interest bearing and the principal is forgivable at a rate of 5% each year the Project maintains the required minimum of 55 low to moderate income household units.

The Cotton Mill Square Project was awarded the certificate of occupancy on August 22, 2014 and remains in full compliance with the required regulations as of July 31, 2017 and 2016. SNHS Management Corporation feels that it is extremely unlikely that the Project will fall into noncompliance in future periods. Therefore, SNHS Management Corporation has not recorded any contingent receivable or liability related to this transaction. The current unforgiven principal amount at July 31, 2017 and 2016 is \$680,000 and \$720,000, respectively. The note repayment is accelerated if the units fall out of compliance.

J. Brown Homestead Property

On July 1, 2011, Rockingham Community Acton (RCA) was acquired by SNHS. As part of this merger, SNHS assumed all the assets, liabilities and obligations of RCA which included the J. Brown Homestead Property.

The J. Brown Homestead Property was conveyed to RCA in 1999 by the Town of Raymond for \$1 and a mortgage lien of \$604,418. The property contains four apartments limited to low-income seniors, office space for the Outreach operations, space for the Food Pantry operation, and a common meeting room for use by Town of Raymond organizations. The Town of Raymond included a requirement that the property be used for a social service center for a period of 20 years, called the benefit period, after which this requirement terminates.

NOTE 9: CONTINGENCIES AND CONTINGENT LIABILITIES (Continued)

J. Brown Homestead Property (Continued)

In the event that SNHS sells or otherwise conveys the property within the benefit period, the remaining lien will be either paid from the proceeds of the sale or remain with the land to any subsequent purchaser for the remaining benefit period.

This mortgage lien has no scheduled principal or interest payments and is forgivable at a rate of 5% each year of the benefit period until it is completely forgiven in year 2019. The value of this lien at July 31, 2017 and 2016 is \$90,663 and \$120,884, respectively. SNHS has no plans to sell or transfer this property. Therefore, the contingent mortgage lien liability has not been included in the financial statements.

NOTE 10: ACQUISITIONS OF LOW-INCOME HOUSING PROJECTS

During 2016, SNHS Management Corporation acquired J.B. Milette Limited Partnership (Milette Manor), located in Nashua, NH and Epping Senior Housing Associates Limited Partnership (Whispering Pines), located in Epping, NH. SNHS Management Corporation obtained the project operations and assumed all assets, liabilities, debt and equity for both projects at fair market value. The acquisition and allocation of both projects was as follows:

INSTRUCTIONS FOR CERTIFICATION

1. By signing and submitting this proposal (contract), the prospective primary participant is providing the certification set out below.
2. The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. If necessary, the prospective participant shall submit an explanation of why it cannot provide the certification. The certification or explanation will be considered in connection with the NH Department of Health and Human Services' (DHHS) determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.
3. The certification in this clause is a material representation of fact upon which reliance was placed when DHHS determined to enter into this transaction. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, DHHS may terminate this transaction for cause or default.
4. The prospective primary participant shall provide immediate written notice to the DHHS agency to whom this proposal (contract) is submitted if at any time the prospective primary participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

8. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or involuntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Nonprocurement List (of excluded parties).
9. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and

10. Except for transactions authorized under paragraph 6 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal government, DHHS may terminate this transaction for cause or default.

(3) Obligations and Activities of Business Associate.

- a. The Business Associate shall notify the Covered Entity's Privacy Officer immediately after the Business Associate becomes aware of any use or disclosure of protected health information not provided for by the Agreement including breaches of unsecured protected health information and/or any security incident that may have an impact on the protected health information of the Covered Entity.

- b. The Business Associate shall immediately perform a risk assessment when it becomes aware of any of the above situations. The risk assessment shall include, but not be limited to:

- o The nature and extent of the protected health information involved, including the types of identifiers and the likelihood of re-identification;
- o The unauthorized person used the protected health information or to whom the disclosure was made;
- o Whether the protected health information was actually acquired or viewed;
- o The extent to which the risk to the protected health information has been mitigated.

The Business Associate shall complete the risk assessment within 48 hours of the breach and immediately report the findings of the risk assessment in writing to the Covered Entity.

- c. The Business Associate shall comply with all sections of the Privacy, Security, and Breach Notification Rule.
- d. Business Associate shall make available all of its internal policies and procedures, books and records relating to the use and disclosure of PHI received from, or created or received by the Business Associate on behalf of Covered Entity to the Secretary for purposes of determining Covered Entity's compliance with HIPAA and the Privacy and Security Rule.
- e. Business Associate shall require all of its business associates that receive, use or have access to PHI under the Agreement, to agree in writing to adhere to the same restrictions and conditions on the use and disclosure of PHI contained herein, including the duty to return or destroy the PHI as provided under Section 3 (I). The Covered Entity shall be considered a direct third party beneficiary of the Contractor's business associate agreements with Contractor's intended business associates, who will be receiving PHI

Exhibit I

pursuant to this Agreement, with rights of enforcement and indemnification from such business associates who shall be governed by standard Paragraph #13 of the standard contract provisions (P-37) of this Agreement for the purpose of use and disclosure of protected health information.

- f. Within five (5) business days of receipt of a written request from Covered Entity, Business Associate shall make available during normal business hours at its offices all records, books, agreements, policies and procedures relating to the use and disclosure of PHI to the Covered Entity, for purposes of enabling Covered Entity to determine Business Associate's compliance with the terms of the Agreement.
- g. Within ten (10) business days of receiving a written request from Covered Entity, Business Associate shall provide access to PHI in a Designated Record Set to the Covered Entity, or as directed by Covered Entity, to an individual in order to meet the requirements under 45 CFR Section 164.524.
- h. Within ten (10) business days of receiving a written request from Covered Entity for an amendment of PHI or a record about an individual contained in a Designated Record Set, the Business Associate shall make such PHI available to Covered Entity for amendment and incorporate any such amendment to enable Covered Entity to fulfill its obligations under 45 CFR Section 164.526.
- i. Business Associate shall document such disclosures of PHI and information related to such disclosures as would be required for Covered Entity to respond to a request by an individual for an accounting of disclosures of PHI in accordance with 45 CFR Section 164.528.
- j. Within ten (10) business days of receiving a written request from Covered Entity for a request for an accounting of disclosures of PHI, Business Associate shall make available to Covered Entity such information as Covered Entity may require to fulfill its obligations to provide an accounting of disclosures with respect to PHI in accordance with 45 CFR Section 164.528.
- k. In the event any individual requests access to, amendment of, or accounting of PHI directly from the Business Associate, the Business Associate shall within two (2) business days forward such request to Covered Entity. Covered Entity shall have the responsibility of responding to forwarded requests. However, if forwarding the individual's request to Covered Entity would cause Covered Entity or the Business Associate to violate HIPAA and the Privacy and Security Rule, the Business Associate shall instead respond to the individual's request as required by such law and notify Covered Entity of such response as soon as practicable.
- l. Within ten (10) business days of termination of the Agreement, for any reason, the Business Associate shall return or destroy, as specified by Covered Entity, all PHI received from, or created or received by the Business Associate in connection with the Agreement, and shall not retain any copies or back-up tapes of such PHI. If return or destruction is not feasible, or the disposition of the PHI has been otherwise agreed to in the Agreement, Business Associate shall continue to extend the protections of the Agreement, to such PHI and limit further uses and disclosures of such PHI to those purposes that make the return or destruction infeasible, for so long as Business

Exhibit I

Associate maintains such PHI. If Covered Entity, in its sole discretion, requires that the Business Associate destroy any or all PHI, the Business Associate shall certify to Covered Entity that the PHI has been destroyed.

(4) **Obligations of Covered Entity**

- a. Covered Entity shall notify Business Associate of any changes or limitation(s) in its Notice of Privacy Practices provided to individuals in accordance with 45 CFR Section 164.520, to the extent that such change or limitation may affect Business Associate's use or disclosure of PHI.
- b. Covered Entity shall promptly notify Business Associate of any changes in, or revocation of permission provided to Covered Entity by individuals whose PHI may be used or disclosed by Business Associate under this Agreement, pursuant to 45 CFR Section 164.506 or 45 CFR Section 164.508.
- c. Covered entity shall promptly notify Business Associate of any restrictions on the use or disclosure of PHI that Covered Entity has agreed to in accordance with 45 CFR 164.522, to the extent that such restriction may affect Business Associate's use or disclosure of PHI.

(5) **Termination for Cause**

In addition to Paragraph 10 of the standard terms and conditions (P-37) of this Agreement the Covered Entity may immediately terminate the Agreement upon Covered Entity's knowledge of a breach by Business Associate of the Business Associate Agreement set forth herein as Exhibit I. The Covered Entity may either immediately terminate the Agreement or provide an opportunity for Business Associate to cure the alleged breach within a timeframe specified by Covered Entity. If Covered Entity determines that neither termination nor cure is feasible, Covered Entity shall report the violation to the Secretary.

(6) **Miscellaneous**

- a. **Definitions and Regulatory References.** All terms used, but not otherwise defined herein, shall have the same meaning as those terms in the Privacy and Security Rule, amended from time to time. A reference in the Agreement, as amended to include this Exhibit I, to a Section in the Privacy and Security Rule means the Section as in effect or as amended.
- b. **Amendment.** Covered Entity and Business Associate agree to take such action as is necessary to amend the Agreement, from time to time as is necessary for Covered Entity to comply with the changes in the requirements of HIPAA, the Privacy and Security Rule, and applicable federal and state law.
- c. **Data Ownership.** The Business Associate acknowledges that it has no ownership rights with respect to the PHI provided by or created on behalf of Covered Entity.
- d. **Interpretation.** The parties agree that any ambiguity in the Agreement shall be resolved to permit Covered Entity to comply with HIPAA, the Privacy and Security Rule.

Exhibit I

- e. Segregation. If any term or condition of this Exhibit I or the application thereof to any person(s) or circumstance is held invalid, such invalidity shall not affect other terms or conditions which can be given effect without the invalid term or condition; to this end the terms and conditions of this Exhibit I are declared severable.
- f. Survival. Provisions in this Exhibit I regarding the use and disclosure of PHI, return or destruction of PHI, extensions of the protections of the Agreement in section (3) l, the defense and indemnification provisions of section (3) e and Paragraph 13 of the standard terms and conditions (P-37), shall survive the termination of the Agreement.

IN WITNESS WHEREOF, the parties hereto have duly executed this Exhibit I.

INDEPENDENT AUDITORS' REPORT

Report on the Financial Statements

We have audited the accompanying consolidated financial statements of Southwestern Community Services, Inc. (a New Hampshire nonprofit corporation) and related companies, which comprise the consolidated statements of financial position as of May 31, 2017 and 2016, and the related consolidated statements of cash flows, and notes to the consolidated financial statements for the years then ended, and the related consolidated statements of activities and functional expenses for the year ended May 31, 2017.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of Southwestern Community Services, Inc. and related companies as of May 31, 2017 and 2016, and the changes in their net assets and their cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Report on Summarized Comparative Information

We have previously audited Southwestern Community Services, Inc. and related companies' 2016 financial statements, and we expressed an unmodified audit opinion on those audited financial statements in our report dated December 9, 2016. In our opinion, the summarized comparative information presented herein as of and for the year ended May 31, 2016, is consistent, in all material respects, with the audited financial statements from which it has been derived.

Other Information

Our audit was conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. Code of Federal Regulations (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, the Schedule of Functional Revenues and Expenses, and the Schedule of Revenues and Expenditures for the Electric Assistance Program are presented for purposes of additional analysis and are not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the consolidated financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated October 11, 2017, on our consideration of Southwestern Community Services, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Southwestern Community Services, Inc.'s internal control over financial reporting and compliance.

Basis of Presentation

Financial statement presentation follows the recommendations of the Accounting Standard Codification No. 958-210, Financial Statements of Not-for-Profit Organizations. Under FASB ASC 958-210, the Organization is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets based upon the existence or absence of donor-imposed restrictions.

Unrestricted: Net assets that are not subject to donor-imposed stipulations. Unrestricted net assets may be designated for specific purposes by action of the Board of Directors.

Temporarily Restricted: Net assets whose use is limited by donor imposed stipulations that will either expire with the passage of time or be fulfilled or removed by actions of the Organization.

Permanently Restricted: Net assets reflecting the historical cost of gifts (and in certain circumstances, the earnings from those gifts), subject to donor - imposed stipulations, which require the corpus to be invested in perpetuity to produce income for general or specific purposes.

As of May 31, 2017 and 2016, the Organization had unrestricted and temporarily restricted net assets.

The financial statements include certain prior-year summarized comparative information in total but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with generally accepted accounting principles. Accordingly, such information should be read in conjunction with the Organization's financial statements for the year ended May 31, 2016 from which the summarized information was derived.

Refundable Advances

The Organization records grant and contract revenue as refundable advances until it is expended for the purpose of the grant or contract, at which time it is recognized as revenue.

In-Kind Support

The Organization records various types of in-kind support including professional services and materials. Contributed professional services are recognized if the service received creates or enhances long-lived assets or requires specialized skill, are provided by individuals possessing those skills, and would typically need

to be purchased if not provided by donation. Contributions of tangible assets are recognized at fair value when received.

Estimates

The presentation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash and Cash Equivalents

For purposes of the statement of cash flows, the Organization considers all liquid investments purchased with original maturities of three months or less to be cash equivalents.

Accounts Receivable

Accounts receivable are stated at the amount management expects to collect from balances outstanding at year end. Balances that are still outstanding after management has used reasonable collection efforts are written off through a charge to the valuation allowance and a credit to accounts receivable. The allowance for uncollectible accounts was estimated to be zero at May 31, 2017 and 2016. The Organization has no policy for charging interest on overdue accounts.

Notes Receivable

The Organization has two notes receivable from an unrelated third party. The notes receivable are stated at the amount that is expected to be collected at year end. Interest is accrued at a rate of 4% annually. The balance of the notes receivable and related interest receivable was \$112,000 and \$41,067, respectively at May 31, 2017 and \$112,000 and \$36,587, respectively at May 31, 2016.

Current Vulnerability Due to Certain Concentrations

The Organization is operated in a heavily regulated environment. The operations of the Organization are subject to the administrative directives, rules and regulations of federal, state and local regulatory agencies. Such administrative directives, rules and regulations are subject to change by an act of Congress or Legislature. Such changes may occur with little notice or inadequate funding to pay for the related cost, including the additional administrative burden, to comply with a change. For the years ended May 31, 2017 and 2016, approximately 73% and 67%, respectively, of the Organization's total revenue was received from government agencies. The future nature of the organization is dependent upon continued support from the government.

Concentration of Credit Risk

The Organization maintains its cash accounts in several financial institutions, which at times may exceed federally insured limits. The Organization has not experienced any losses in such accounts and believes it is not exposed to any significant risk with respect to these accounts.

Property and Depreciation

Purchased property and equipment are stated at cost at the date of acquisition or at fair value at the date of receipt in the case of donated property. The Organization generally capitalizes and depreciates all assets with a cost greater than \$5,000 and an expected life greater than one year. Depreciation is provided for using the straight-line method in amounts designed to amortize the cost of the assets over their estimated useful lives as follows:

Buildings and improvements	10 - 40 Years
Vehicles and equipment	5 - 10 Years
Furniture and fixtures	7 Years

The use of certain assets is specified under the terms of grants received from agencies of the federal government. These grants also place liens on certain assets and impose restrictions on the use of funds received from the disposition of the property.

Advertising

The Organization expenses advertising costs as incurred.

Revenue Recognition

Amounts received from conditional grants and contracts received for specific purposes are generally recognized as income to the extent that related expenses and conditions are incurred or met. Conditional grants received prior to the conditions being met are reported as refundable advances. Contributions of cash and other assets are reported as restricted if they are received with donor imposed stipulations that limit the use of the donated assets. However, if a restriction is fulfilled in the same period in which the contribution is received, the Organization reports the support as unrestricted.

Income Taxes

Southwestern Community Services, Inc. and SCS Management Corporation are exempt from Federal income taxes under Section 501(c)(3) of the Internal Revenue Code and are not private foundations. As such, they are exempt from income tax on their exempt function income.

SCS Housing, Inc., SCS Development Corporation and SCS Housing Development, Inc. are taxed as corporations. SCS Housing Inc. has federal net operating loss carryforwards totaling \$840,803 and \$808,894 at May 31, 2017 and 2016, respectively. These loss carryforwards may be offset against future taxable income and, if not used, will begin to expire in 2027. SCS Development Corporation is taxed as a corporation and has federal net operating loss carryforwards totaling \$629 and \$658 at May 31, 2017 and 2016, respectively. These loss carryforwards may be offset against future taxable income and, if not used, will begin to expire in 2020.

The tax effects of the carryforwards as related to deferred tax assets is as follows as of May 31, 2017 and 2016:

	<u>2017</u>	<u>2016</u>
Tax benefit from loss carryforwards	\$126,215	\$121,432
Valuation allowance	<u>(126,215)</u>	<u>(121,432)</u>
Deferred tax asset	<u>\$ -</u>	<u>\$ -</u>

Drewsville, Jaffrey, Troy, Senior and Keene East Side are taxed as partnerships. Federal income taxes are not payable by, or provided for these entities. Earnings and losses are included in the partners' federal income tax returns based on their share of partnership earnings. Partnerships are required to file income tax returns with the State of New Hampshire and pay an income tax at the state's statutory rate.

Accounting Standard Codification No. 740, "Accounting for Income Taxes," established the minimum threshold for recognizing, and a system for measuring, the benefits of tax return positions in financial statements. Management has analyzed the Organization's tax position taken on its income tax returns for all open years (tax years ending May 31, 2014 – 2017), and has concluded that no additional provision for income taxes is necessary in the Organization's financial statements.

Fair Value of Financial Instruments

FASB ASC Topic No. 820-10, Financial Instruments, provides a definition of fair value which focuses on an exit price rather than an entry price, establishes a framework in generally accepted accounting principles for measuring fair value which emphasizes that fair value is a market-based measurement, not an entity-specific measurement, and requires expanded disclosures about fair value measurements. In accordance with ASC 820-10, the Organization may use valuation techniques consistent with market, income and cost approaches to measure fair value. As a basis for considering market participant assumptions in fair value measurements, Topic 820-10 establishes a fair value hierarchy, which prioritizes the inputs used in measuring fair values. The hierarchy gives the highest priority to Level 1 measurements and the lowest priority to Level 3 measurements. The three levels of the fair value hierarchy under ASC Topic 820-10 are described as follows:

Level 1 – Inputs to the valuation methodology are quoted prices available in active markets for identical investments as of the reporting date.

Level 2 - Inputs to the valuation methodology are other than quoted market prices in active markets, which are either directly or indirectly observable as of the reporting date, and fair value can be determined through the use of models or other valuation methodologies.

Level 3 - Inputs to the valuation methodology are unobservable inputs in situations where there is little or no market activity for the asset or liability and the reporting entity makes estimates and assumptions related to the pricing of the asset or liability including assumptions regarding risk.

The carrying amount of cash, accounts receivables, prepaid expenses, inventory, accounts payable, accrued expenses, and refundable advances approximates fair value because of the short maturity of those instruments.

Functional Allocation of Expenses

The costs of providing the various programs and other activities have been summarized on a functional basis. Accordingly, costs have been allocated among the program services and supporting activities benefited.

**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL
OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED
IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS**

To the Board of Directors of
Southwestern Community Services, Inc.
Keene, New Hampshire

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the consolidated financial statements of Southwestern Community Services, Inc. (a New Hampshire nonprofit corporation) and related companies, which comprise the consolidated statement of financial position as of May 31, 2017, and the related consolidated statements of activities, cash flows, and functional expenses for the year then ended, and the related consolidated notes to the financial statements, and have issued our report thereon dated October 11, 2017.

Internal Control Over Financial Reporting

In planning and performing our audit of the consolidated financial statements, we considered Southwestern Community Services, Inc.'s internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the consolidated financial statements, but not for the purpose of expressing an opinion on the effectiveness of Southwestern Community Services, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of Southwestern Community Services, Inc.'s internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's consolidated financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of the internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during

our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Southwestern Community Services, Inc.'s consolidated financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of consolidated financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**INDEPENDENT AUDITORS' REPORT ON COMPLIANCE
FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL
OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE**

To the Board of Directors of
Southwestern Community Services, Inc.
Keene, New Hampshire

Report on Compliance for Each Major Federal Program

We have audited Southwestern Community Services, Inc. (a New Hampshire nonprofit corporation) and related companies' compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of Southwestern Community Services, Inc.'s major federal programs for the year ended May 31, 2017. Southwestern Community Services, Inc.'s major federal programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with the federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

Auditors' Responsibility

Our responsibility is to express an opinion on compliance for each of Southwestern Community Services, Inc.'s major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and Title 2 *U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Southwestern Community Services, Inc.'s compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of Southwestern Community Services, Inc.'s compliance.

Opinion on Each Major Federal Program

In our opinion, Southwestern Community Services, Inc. complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended May 31, 2017.

Report on Internal Control Over Compliance

Management of Southwestern Community Services, Inc. is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered Southwestern Community Services, Inc.'s internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Southwestern Community Services, Inc.'s internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that were not identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

Department of Health and Human Services

2016-001 Head Start - CFDA No. 93.600 (material weakness)

Condition: In testing drawdowns for the Head Start program, it was noted that eight drawdowns lacked supporting documentation of the Head Start expenditures for which the drawdown was requested.

Auditors' Recommendation: It was recommended that the Organization needed to strengthen controls over its cash management processes to ensure compliance with federal requirements. It was recommended that procedures be implemented so that each Head Start drawdown requires approval of either a member of the finance committee or the Head Start Program Director. Each drawdown must be accompanied by supporting documentation of the expenditures for which the drawdown is being made.

Current Status: The recommendation was adopted in December 2015.

**CERTIFICATION REGARDING DEBARMENT, SUSPENSION
AND OTHER RESPONSIBILITY MATTERS**

The Contractor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of Executive Office of the President, Executive Order 12549 and 45 CFR Part 76 regarding Debarment, Suspension, and Other Responsibility Matters, and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

INSTRUCTIONS FOR CERTIFICATION

1. By signing and submitting this proposal (contract), the prospective primary participant is providing the certification set out below.
2. The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. If necessary, the prospective participant shall submit an explanation of why it cannot provide the certification. The certification or explanation will be considered in connection with the NH Department of Health and Human Services' (DHHS) determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.
3. The certification in this clause is a material representation of fact upon which reliance was placed when DHHS determined to enter into this transaction. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, DHHS may terminate this transaction for cause or default.
4. The prospective primary participant shall provide immediate written notice to the DHHS agency to whom this proposal (contract) is submitted if at any time the prospective primary participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
5. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposal," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549: 45 CFR Part 76. See the attached definitions.
6. The prospective primary participant agrees by submitting this proposal (contract) that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by DHHS.
7. The prospective primary participant further agrees by submitting this proposal that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transactions," provided by DHHS, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
8. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or involuntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Nonprocurement List (of excluded parties).
9. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and

information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

10. Except for transactions authorized under paragraph 6 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal government, DHHS may terminate this transaction for cause or default.

PRIMARY COVERED TRANSACTIONS

11. The prospective primary participant certifies to the best of its knowledge and belief, that it and its principals:
 - 11.1. are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by any Federal department or agency;
 - 11.2. have not within a three-year period preceding this proposal (contract) been convicted of or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, State or local) transaction or a contract under a public transaction; violation of Federal or State antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;

 - 11.4. have not within a three-year period preceding this application/proposal had one or more public transactions (Federal, State or local) terminated for cause or default.
12. Where the prospective primary participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal (contract).

LOWER TIER COVERED TRANSACTIONS

13. By signing and submitting this lower tier proposal (contract), the prospective lower tier participant, as defined in 45 CFR Part 76, certifies to the best of its knowledge and belief that it and its principals:

- c. Covered entity shall promptly notify Business Associate of any restrictions on the use or disclosure of PHI that Covered Entity has agreed to in accordance with 45 CFR 164.522, to the extent that such restriction may affect Business Associate's use or disclosure of PHI.

(5) Termination for Cause

In addition to Paragraph 10 of the standard terms and conditions (P-37) of this Agreement the Covered Entity may immediately terminate the Agreement upon Covered Entity's knowledge of a breach by Business Associate of the Business Associate Agreement set forth herein as Exhibit I. The Covered Entity may either immediately terminate the Agreement or provide an opportunity for Business Associate to cure the alleged breach within a timeframe specified by Covered Entity. If Covered Entity determines that neither termination nor cure is feasible, Covered Entity shall report the violation to the Secretary.

A reference in the Agreement, as amended to include this Exhibit I, to a Section in the Privacy and Security Rule means the Section as in effect or as amended.

THE FRONT DOOR AGENCY, INC.
NOTES TO FINANCIAL STATEMENTS
For The Year Ended June 30, 2017

NOTE A. NATURE OF ORGANIZATION

The Front Door Agency, Inc. was established to offer support and provide services to assist individuals and families transition from crisis to self-sufficiency. Its community service outreach program is made available to residents of Nashua, New Hampshire and its surrounding towns. It provides housing-related supportive services including; rental and utility assistance, extensive transitional housing services, security deposit loans, and other housing related needs. In addition, it provides assistance with transportation, medical and dental care, food, and with the holidays. It also offers a comprehensive financial literacy program.

NOTE B. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Accounting Method

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with generally accepted accounting principles. Support is recorded when received or pledged. Revenue is recorded when services are rendered. Expenses are recorded when the obligation has been incurred.

Non-cash Contributions

Contributions of donated non-cash assets are recorded at their fair value in the period received. Contributions of donated services that create or enhance non-financial assets or that require specialized skills, which are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation, are recorded at their fair values in the period received.

Promises to Give

Contributions are recognized when the donor makes a promise to give to the Agency that is, in substance, unconditional. Contributions that are restricted by the donor are reported as increases in unrestricted net assets if the restrictions expire in the fiscal year in which the contributions are recognized. All other donor-restricted contributions are reported as increases in temporarily or permanently restricted net assets depending on the nature of the restrictions. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets.

Financial Statement Presentation

The Agency reports information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

THE FRONT DOOR AGENCY, INC.
NOTES TO FINANCIAL STATEMENTS
For The Year Ended June 30, 2017

NOTE B. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Financial Statement Presentation (Continued)

Unrestricted net assets - Net assets that are not subject to donor-imposed stipulations. All contributions are considered to be available for unrestricted use unless specifically restricted by donor.

Temporarily and permanently restricted net assets - Net assets subject to donor-imposed stipulations that may or will be met, either by actions of the Agency or the passage of time, or are permanent in nature. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

Cash and Cash Equivalents

For purposes of the statement of cash flows, the Agency considers all unrestricted, highly-liquid investments with an initial maturity of three months or less, to be cash equivalents.

Investment Securities

Investments in marketable securities with readily determinable fair values and all investments in debt securities are reported at their fair values in the statement of financial position. Unrealized gains and losses are included in the change in net assets.

Property and Depreciation

Property is recorded at cost (or fair market value if donated) and is depreciated using the straight-line method over estimated useful lives as follows:

<u>Description</u>	<u>Life</u>
Building and improvements	4-27
Leasehold improvements	4-10
Equipment & furniture	3-7

Allowance Method

The Agency uses the allowance method to account for bad debts. The allowance is based on prior years' experience and management's analysis of specific promises to give. An allowance for bad debts of \$2,833 for promises to give, and \$3,000 for client receivables was required for the year ended June 30, 2017.

THE FRONT DOOR AGENCY, INC.
NOTES TO FINANCIAL STATEMENTS
For The Year Ended June 30, 2017

NOTE B. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Deferred Revenue

Deferred revenue of \$26,250 consists of sponsorships for future events.

Functional Allocation of Expenses

The costs of providing the various programs and other activities have been summarized on a functional basis. Accordingly, costs have been allocated among the programs and supporting services benefited.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the period. Actual results could differ from those estimates.

Income Taxes

The Agency is exempt from federal income taxes pursuant to the Internal Revenue Code Section 501(c)(3).

The Agency's income tax filings are subject to audit by various taxing authorities. At June 30, 2017, the Agency's open audit periods included periods ended June 30, 2014 through 2017. The Agency believes it has met all the requirements to maintain its not-for-profit status and does not have any unrelated business income which would result in taxable income. It is the Agency's policy to expense when paid any interest and penalties associated with its income tax obligations.

NOTE C. CASH RESTRICTED

As a requirement of some of the mortgages, segregated annual contributions are required and will be used for capital improvements subject to the approval of mortgagor.

NOTE D. NET ASSETS

Unrestricted, temporarily restricted and permanently restricted net assets include the following at June 30, 2017:

NOTES TO FINANCIAL STATEMENTS
For The Year Ended June 30, 2017

NOTE F. HOMELESS HOUSING AND ACCESS REVOLVING LOAN FUND (HHARLF) – CLIENT RECEIVABLES

The Homeless Housing and Access Revolving Loan Fund provides guarantees of rental security deposits and/or first month's rent to eligible persons. A voucher is issued to the landlord for the client's security deposit and cash is advanced for the first month's rent. The client is responsible for making monthly payments toward the security deposit and/or first month's rent to the Agency. When the security deposit is paid in full, the Agency redeems the voucher for cash to the landlord. If the lease is terminated and the landlord redeems the voucher, the Agency purchases the voucher.

NOTE G. HOUSING SECURITY GUARANTEE PROGRAM (HSGP) – CLIENT RECEIVABLE AND STATE RECEIVABLE

The Agency and the State of New Hampshire are working together with the Housing Security Guarantee Program. Landlords are provided with vouchers instead of cash for security deposits. The client agrees to pay back the Agency for the security deposit. When the deposit is repaid in full, the Agency redeems the voucher to the landlord for cash. If the lease terminates and the landlord redeems the voucher, any unpaid balance remaining from the client is billed to the State.

NOTE O. CONTINGENCIES/PROGRAM RELATED

The Agency receives funding from various state and federal programs. Under the terms of these programs, the Agency is required to use the funding within the period for purposes specified in the proposal. If expenditures of the program were found not to have been made in compliance with the proposal, the Agency might be required to repay the funds.

THE FRONT DOOR AGENCY, INC.
NOTES TO FINANCIAL STATEMENTS
For The Year Ended June 30, 2017

NOTE P. CONTINGENCY/FACILITY RELATED

In June of 2012, the Agency purchased a building to provide housing at below-market rent to low and moderate income households. In addition to first and second mortgages on the property (Note J) the building was acquired subject to an additional performance only mortgage.

No principal or interest payments are required on the performance mortgage as long as the Agency maintains ownership of the property and rents to tenants with income less than 60% of the Area Median Income.

For each month the Agency meets the ownership and use performance requirements, the non-performance mortgage liability reduces from \$76,960 at June 30, 2017 to zero in 2019.

Compliance is fully intended through 2019 and beyond and therefore this contingent liability is not recorded in the accompanying financial statements.

NOTE Q. CONCENTRATION OF RISK

The Agency maintains its cash balances at various institutions. The balances are insured by the Federal Deposit Insurance Corporation up to \$250,000. At June 30, 2017, the Agency's uninsured cash balance was \$27,387.

NOTE R. FAIR VALUE OF FINANCIAL INSTRUMENTS

The carrying amounts of financial instruments including cash, accounts receivable, accounts payable and short-term debt approximated fair value as of June 30, 2017, because of the relatively short maturity of these instruments. The recorded values of notes payable and long-term debt approximate their fair values, as interest approximates market rates.

NOTE S. FAIR VALUE MEASUREMENTS

The Fair Value Measurements and Disclosures in accordance with FASB ASC Topic 820 defines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date and sets out a fair value hierarchy. The fair value hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Inputs are broadly defined under the Topic as assumptions market participants would use in pricing an asset or liability. The three levels of the fair value hierarchy under the Topic are described below:

THE FRONT DOOR AGENCY, INC.
NOTES TO FINANCIAL STATEMENTS
For The Year Ended June 30, 2017

NOTE S. FAIR VALUE MEASUREMENTS (Continued)

Level 1: Quoted market prices in active markets, such as the New York Stock Exchange, for identical assets or liabilities.

Level 2: Observable market based inputs or unobservable inputs that are corroborated by market data.

Level 3: Unobservable inputs that are not corroborated by market data.

The Agency assess the levels of the investments at each measurement date, and transfers between levels are recognized on the actual date of the event or change in circumstances that caused the transfer. For the year ended June 30, 2017, there were no such transfers.

For the year ended June 30, 2017, the application of valuation techniques applied to similar assets and liabilities has been consistent. The following is a description of the valuation methodologies used for instruments measured at fair value on a recurring basis:

Investment Securities

The fair value of publicly traded mutual funds is based upon market quotations of national security exchanges, and all are considered Level 1.

NOTE T. SUBSEQUENT EVENTS

INSTRUCTIONS FOR CERTIFICATION

1. By signing and submitting this proposal (contract), the prospective primary participant is providing the certification set out below.
2. The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. If necessary, the prospective participant shall submit an explanation of why it cannot provide the certification. The certification or explanation will be considered in connection with the NH Department of Health and Human Services' (DHHS) determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.
3. The certification in this clause is a material representation of fact upon which reliance was placed when DHHS determined to enter into this transaction. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, DHHS may terminate this transaction for cause or default.
4. The prospective primary participant shall provide immediate written notice to the DHHS agency to whom this proposal (contract) is submitted if at any time the prospective primary participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

8. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or involuntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Nonprocurement List (of excluded parties).
9. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and

- 10. Except for transactions authorized under paragraph 6 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal government, DHHS may terminate this transaction for cause or default.

- f. Within five (5) business days of receipt of a written request from Covered Entity, Business Associate shall make available during normal business hours at its offices all records, books, agreements, policies and procedures relating to the use and disclosure of PHI to the Covered Entity, for purposes of enabling Covered Entity to determine Business Associate's compliance with the terms of the Agreement.

- l. Within ten (10) business days of termination of the Agreement, for any reason, the Business Associate shall return or destroy, as specified by Covered Entity, all PHI received from, or created or received by the Business Associate in connection with the Agreement, and shall not retain any copies or back-up tapes of such PHI. If return or destruction is not feasible, or the disposition of the PHI has been otherwise agreed to in the Agreement, Business Associate shall continue to extend the protections of the Agreement, to such PHI and limit further uses and disclosures of such PHI to those purposes that make the return or destruction infeasible, for so long as Business

(4) **Obligations of Covered Entity**

- a. Covered Entity shall notify Business Associate of any changes or limitation(s) in its Notice of Privacy Practices provided to individuals in accordance with 45 CFR Section 164.520, to the extent that such change or limitation may affect Business Associate's use or disclosure of PHI.

- c. Covered entity shall promptly notify Business Associate of any restrictions on the use or disclosure of PHI that Covered Entity has agreed to in accordance with 45 CFR 164.522, to the extent that such restriction may affect Business Associate's use or disclosure of PHI.

(5) **Termination for Cause**

In addition to Paragraph 10 of the standard terms and conditions (P-37) of this Agreement the Covered Entity may immediately terminate the Agreement upon Covered Entity's knowledge of a breach by Business Associate of the Business Associate Agreement set forth herein as Exhibit I. - f. Survival. Provisions in this Exhibit I regarding the use and disclosure of PHI, return or destruction of PHI, extensions of the protections of the Agreement in section (3) I, the defense and indemnification provisions of section (3) e and Paragraph 13 of the standard terms and conditions (P-37), shall survive the termination of the Agreement.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. THE WAY HOME, INC.
NOTES TO FINANCIAL STATEMENTS
June 30, 2017 and 2016

1. NATURE OF BUSINESS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Activities

The Organization's first program, a security deposit loan program, was created in 1987/88 by the Greater Manchester Low Income Housing Network in response to housing concerns identified in a United Way Community Needs Study. Services began in Manchester, NH in January 1988 under a fiscal agent with the Network serving as an Advisory Committee. The Organization was incorporated as a NH nonprofit on August 25, 1989 to assure continuation of this housing assistance program. It was originally known as The Security Deposit Loan Fund of Greater Manchester. Its primary purpose was to make loans that will be utilized for the security deposits, targeting low-income households, which, without the security deposit loan and housing counseling services would otherwise remain or become homeless.

During the fiscal year ended June 30, 1998, the Organization changed its' name to The Way Home, Inc. The Organization believed this new name more effectively reflected the purpose of the Organization, more properly represented the growth of purpose from its original concept, and more easily linked into the service areas that clients will need.

The Organization's office is located in Manchester, New Hampshire. Services provided include:

- Homeless prevention, outreach & intervention services, including homelessness prevention grants
- Rental housing counseling which teach tenants self-help skills, provides housing advocacy, and assists with landlord negotiations
- Financial management education for homeless persons, low income renters, and at-risk homeowners
- Housing counseling for at-risk home owners with a focus on foreclosure prevention
- Steps to success coaching and workshops on self-sufficiency skills
- Healthy home services to help address in-home environmental hazards with a special focus on vulnerable populations
- A housing resource center, a welcoming week-day facility for homeless and at-risk individuals
- Transitional housing apartments for homeless children and their families
- Development and/or management of supportive housing for several special needs populations, including chronically homeless individuals/families and homeless veterans
- Community advocacy to help the voice of low income households be heard on housing related issues

Method of Accounting

The Organization uses the accrual method of accounting, recognizing income when earned rather than received, and expenses when incurred rather than when paid.

THE WAY HOME, INC.
NOTES TO FINANCIAL STATEMENTS
June 30, 2017 and 2016

1. NATURE OF BUSINESS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Standards of Accounting and Financial Reporting

During 1995, the Organization adopted Statement of Financial Accounting Standards (SFAS) No. 116, Accounting for Contributions Received and Made, and SFAS No. 117, Financial Statements for Not-for-Profit Organizations. SFAS No. 116 requires that certain unconditional promises to give (pledges) and contributions be recorded as support in the period received.

SFAS No. 117 establishes standards for general purpose external financial statements for not-for-profit organizations and requires that resources be classified for accounting and reporting categories according to externally (donor) imposed restrictions as follows:

Unrestricted Net Assets – Include the portion of expendable unrestricted funds that are available for support of the Organization’s operations. In a prior year, the Board of Directors designated restrictions on portions of the net assets as classified on the statements of financial position.

Temporarily Restricted Net Assets – Include the portion of funds for which donor or grantor restrictions have not yet been met, and for which the ultimate purpose of the proceeds are not permanently restricted.

Permanently Restricted Net Assets – Include the portion of funds that by donor or grantor restriction require the corpus be invested in perpetuity and only the income be made available for programs or operations in accordance with donor restrictions.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Statements of Cash Flows

The Organization has adopted Financial Accounting Standard No. 95, “Statements of Cash Flows”. For purposes of this statement, the Organization considers all highly liquid investments available for current use with an initial maturity of three months or less to be cash equivalents.

Fixed Assets

The Organization capitalizes property and equipment over \$1,500. Lesser amounts are expensed. Purchased property and equipment is capitalized at cost. Depreciation on equipment is computed using the straight-line method over an estimated useful life of 3 to 10 years. The building and renovations are being depreciated over an estimated life of 20 to 50 years. See Note 6 regarding donated equipment.

THE WAY HOME, INC.
NOTES TO FINANCIAL STATEMENTS
June 30, 2017 and 2016

1. NATURE OF BUSINESS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Income Taxes

The Organization is a not-for-profit organization that is exempt from income taxes under Section 501(c)(3) of the United States Internal Revenue Code and classified by the Internal Revenue Service as other than a private foundation.

The Organization's Forms 990, Return of Organization Exempt from Income Tax, for the years ending June 30, 2017, 2016 and 2015 are subject to examination by the IRS, generally for three years after they are filed.

Deferred Revenue

Funds restricted by grantors for particular operating purposes are deemed to be earned and reported as revenues of the particular fund when the Organization has incurred expenditures in compliance with the specific restrictions. Such amounts received or receivable but not yet earned are reported as deferred revenue. At June 30, 2017 and 2016 there was deferred revenue of \$31,739 and \$26,707 respectively.

Gifts of Cash, Assets and Services

The Organization reports gifts of cash and other assets as restricted support if they are received with donor stipulations.

When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

Gifts of long-lived assets with restrictions that specify how the assets are to be used and gifts of cash or other assets that must be used to acquire long-lived assets are reported as restricted support. Absent explicit donor stipulations about how long those long-lived assets must be maintained; the Organization reclassifies long-lived assets as unrestricted net assets when the assets are placed in service.

The Organization reports gifts of land, buildings, and equipment, if any, as unrestricted support if there are no donor restrictions. See also Note 6 regarding in-kind contributions.

2. NOTES PAYABLE OBLIGATIONS (CONTINUED)

Aggregate maturities on all the loan obligations are as follows:

June 30,

Both of the \$532,533 and the \$19,960 loans are financed with federal funding through the HOME Investment Partnership Program.

As long as the Organization continues to comply with the terms of these loans, that is to provide housing and related services to low income, nearly homeless families, the Organization will not be required to repay these loans or any imputed interest on these obligations.

Under the terms of the City of Manchester \$19,960 loan, upon receipt and approval of annual compliance reports, the Organization can decrease the outstanding principal of the mortgage by 6.67% (\$6,670) per year, commencing June 12, 2007. As of June 30, 2017 pursuant to these terms, the Organization has reduced its liability by a total of \$73,370.

Under the terms of the \$356,128 New Hampshire Housing Finance Authority loan, the Organization is required to segregate reserves to meet future insurance, real estate taxes, and maintenance and replacement obligations. The Organization maintains separate restricted accounts to meet these requirements.

The \$356,128 note is financed with federal funding through the HOME Investment Partnership Rental Housing Production Program and is subordinate to the NH Housing Financing Authority 1.75% interest-bearing note.

The \$36,907 note is financed through the City of Manchester Community Improvement Program for the 214 Spruce Street Essential Facility Upgrade Project, and was entered into on July 1, 2017. The project is in progress, and will not exceed a total loan balance of \$90,350. The loan is payable over 10 years at 0% interest. \$4,517.50 will be forgiven annually if the Organization can demonstrate that the agreed-upon objectives have been achieved, leaving an annual payment due from the Organization of \$4,517.50. The first payment is due October 1, 2017.

3. CAPITAL AND OPERATING LEASE OBLIGATIONS

The Organization had a policy to provide paid vacation benefits based on length of employment. At June 30, 2017 and 2016, the Organization recognized \$20,426 and \$24,295 for unused vacation compensation, respectively.

The Organization provides paid leave time for illness, jury duty, bereavement, military duty or other personal reasons. Pursuant to the Organization's personnel handbook adopted September 1996, family leave does not carry any monetary value. Pursuant to FASB #43, it is not required to accrue any liability for non-vested sick leave.

5. RESTRICTED AND BOARD DESIGNATED NET ASSETS

Effective September 30, 1992, the Board of Directors of the Organization voted to segregate funds restricted by grantors for security deposit loans from the loan fund balance, with the excess designated by the board as restricted loan funds.

See also Notes 2 and 8 regarding loans and funds restricted for guaranteed security deposits and other board restricted funds.

6. IN-KIND CONTRIBUTIONS

The Organization makes use of volunteer services to supplement its operations and control operating expenses. Donated services are valued in a manner consistent with federal guidelines and volunteer services organization rates. The contribution of services is recognized if the services received (a) create or enhance non-financial assets or (b) require specialized skills that are provided by individuals possessing those skills and would typically need to be purchased if not provided by donation.

These financial statements reflect the fair value of donated goods/equipment and services received in the current fiscal year as in-kind income and related expense in the amount of \$27,109 and \$34,313, respectively for the years ended June 30, 2017 and 2016.

The value of donated services and equipment, food and supplies included in the June 30, 2017 and 2016 financial statements and the corresponding expenditures are as follows:

7. LOANS RECEIVABLE AND ALLOWANCE FOR UNCOLLECTIBLE RECEIVABLES

During its first year of operation the Organization implemented an Allowance for Uncollectible Receivables for the security deposit loan program. The allowance was calculated by a formula at an accrual rate of 50% of loans extended.

In 1991 a Letter of Guarantee was instituted to maximize the benefit of this limited resource. In 1993 The Way Home's Security Deposit Guarantee became the model for the State of New Hampshire Housing Security Guarantee Program. In 1996, the Board of Directors voted to formalize the structure of the security deposit loan program, including the allowance for uncollectible receivables. With increased use of the NH HSGP program (see Note 8) the policy was revised to provide an uncollectible allowance only on those guarantees not underwritten by the NH HSGP program. By Fiscal Year 2016, all security deposit loan receivables were underwritten by a funder in a manner that allowed for closing of the remaining uncollectible receivables.

8. GUARANTEED SECURITY DEPOSITS

A Letter of Guarantee Program has been developed and implemented by the Organization. Pursuant to this program, the Fund guarantees that a landlord will receive the appropriate percentage of a security deposit when the Fund's client vacates an apartment or the full security deposit when the client has completed their loan repayment. The program requires the landlord to communicate with the Fund and become more active in the deposit process

In 1993 NH State Legislation used The Way Home's Security Deposit Guarantee Program as its model in creating the Housing Security Guarantee Program (HSGP). In Fiscal Years 2015 and 2016, this resource underwrote more than 80% of the Letters of Guarantee issued by The Way Home for its Housing Assistance program. The NH Housing Security Guarantee Program provides guarantees for rental security deposits to eligible persons in accordance with New Hampshire RSA 126: A, 50.

Funds related to the State guarantee program may be drawn only upon determination of uncollectibility of a security deposit loan.

Because the Organization now has an underwriter for a significant amount of the guarantees, and after careful study, the Organization has revised the policy of providing a reduction in cash reserve requirements for all guarantees to a minimum of 50% of guarantees not covered by the NH Housing Security Guarantee Program.

9. SPECIAL ASSISTANCE TO INDIVIDUALS

Pursuant to the requirements of grantors, during 2017 and 2016 the Organization distributed \$399,381 and \$327,964, respectively, on behalf of individuals for such items as security deposits, rents, utilities, to end or prevent homelessness. More than 85% of this assistance was in the form of grants for qualified individuals, underwritten by several different program funds, including HUD HOME Tenant Based Rental Assistance, HUD Emergency Solutions Grant, HUD Continuum of Care Permanent Supportive Housing, and NH State Grant in Aid. The remaining assistance for homeless and at-risk renters was in the form of default reimbursement for the rental assistance loans, underwritten by NH HSGP and NH HHARLF programs.

10. HEALTHY HOME SERVICES PROGRAM

The Way Home's Healthy Home Services grew out of a special project, begun with EPA funding in 1995, to empower a group of low income tenants in Manchester to work in collaboration with the Manchester Health Department to build a grassroots Lead Poisoning Prevention campaign.

The result is a peer educator empowerment process that guides emerging leaders from the low-income community. In 1997 the leadership of these low income women created The Way Home's Healthy Home Services to protect children from environmental hazards in the home. Through their work, the City of Manchester was named as an EPA Child Health Champion Community and also secured HUD grants to remediate lead paint hazards. The Way Home served on the 2007 NH Lead Poisoning Prevention Legislative Study Commission and is serving on the NH Healthy Homes Steering Committee and the City of Manchester Healthy Homes Partnership. Project staff includes a Healthy Home Specialist and housing counselors/advocates trained in healthy home education. The team has been called upon by the Manchester Health Department to assist tenants living with pest infestations. The Fiscal Year 2017 and 2016 program included a special EPA Environmental Justice Project to provide tenant education and support services to help low income tenants do their part as a key component of Integrated Pest Management in rental housing; and a Healthy Home Contract with the City of Manchester as part of its HUD Lead Hazard Reduction Demonstration Grant funded healthy housing program. The Way Home's Healthy Home Services Program includes healthy home apartment inspections, in-home peer support with education and resources, education on lead poisoning prevention and safe pest management, education on reporting substandard housing conditions.

11. STEPS TO SUCCESS SUPPORTIVE SERVICES LINKED TO HOUSING COUNSELING & SUPPORTIVE HOUSING PROGRAMS

Steps to Success Supportive Services build skills for homeless and at-risk clients to gain access to and remain in permanent housing. The Organization's Steps to Success program is provided by Housing Counselors and Housing Advocates who help individuals to set appropriate goals and coach them on action steps to meet these goals. These supportive services are available to clients in The Way Home's transitional housing, permanent housing, and general housing counseling programs. In fiscal year 2017 and 2016, The Way Home owned and/or leased 51 units of housing, including 7 transitional units in its 214 Spruce Street facility, which opened in 2002. The Way Home's Steps to Success supportive services are also used as part of its HUD Continuum of Care (CoC) funded permanent supportive housing programs; its HUD ESG & HUD CoC funded rapid re-housing programs; and for special needs clients in its general housing counseling programs.

12. UNDER THE BRIDGE PROGRAM

The Organization has been instrumental in the publication of a book of stories and poems written by Manchester, NH homeless individuals. It is a self-advocacy and fund-raising program that serves as a tool for training staff who work with the homeless and at-risk population and for general public information. Proceeds from the sale of the book are used for special needs of The Way Home's homeless clients and the very poor clients at risk of homelessness.

13. MERCY FUND PROGRAM

Donations relative to this program are managed by a staff member affiliated with the Sisters of Mercy and are committed to service to the poor. It provides assistance to the Organization's clients with basic necessities.

14. HOMELESS HOUSING AND ACCESS REVOLVING LOAN FUND (HHARLF) PROGRAM

The New Hampshire Department of Health and Human Services Bureau of Homeless and Housing Services began administering a new program, the Homeless Housing and Access Revolving Loan Fund, set forth by State Legislation in 2007 to assist homeless persons to secure an apartment. The Way Home, Inc., as a local provider for the Bureau's homeless prevention intervention services, began implementing this new program in January 2008. The HHARLF Program provides guarantees of rental security deposits and/or first month's rent to eligible persons. This is a loan program with a guarantee to the landlord that, in the event of a default, they will be reimbursed the amount of the security deposit. The client will be responsible to make monthly payments towards the security deposit and/or first month's rent to the HHARLF provider and, when the deposit is paid in full, the security deposit will be transferred to the landlord.

15. HUD CERTIFIED HOUSING COUNSELING AGENCY PROGRAM

Since 2002, the Organization has been approved by the U.S. Department of Housing and Urban Development (HUD) as a Housing Counseling Agency. As such, the Organization provides one on one counseling and group education classes for homeless persons, low income renters, and homeowners at-risk of foreclosure. Applicants for The Way Home's housing services are scheduled for a needs assessment with a housing counselor. Those seeking rental assistance are also scheduled for a Financial Literacy Class. Homeless persons are helped to access shelter & services and take steps to succeed in rental housing. Renters are helped to make housing more affordable, prevent eviction, and work with landlords to reduce in-home health hazards. Homeowners are helped to prevent loss of their home. Those who cannot save their home are helped to secure rental housing.

16. PERMANENT SUPPORTIVE HOUSING – YOUR WAY HOME PROGRAM

During the fiscal year ending June 30, 2007, the Organization began the Your Way Home Program.

Permanent Supportive Housing is an intensive model of housing and services designed to serve individuals with a disabling condition that contributed to long term homelessness.

During fiscal year ending 2017, the Organization was awarded federal funding to provide help for these homeless individuals and families.

17. MORTGAGE RESETTLEMENT THRU NH HOUSING

In 2012 the State of New Hampshire launched a robust foreclosure intervention initiative (the Program). This three-year program is being supported by \$3.5 million from the National Mortgage Settlement. The State, through the Department of Justice and the Banking Department, contracted with New Hampshire Housing to administer the Program. New Hampshire Housing is charged with supporting a statewide network of counseling organizations to provide effective pre and post foreclosure intervention and counseling at no cost to at-risk homeowners. The counseling agencies will empower and assist at-risk homeowners in making informed and realistic choices about their individual housing futures. The Program is part of a larger effort, which includes separate funding for legal services through the New Hampshire Foreclosure Relief Project.

The Way Home was awarded funds in the fiscal year 2013 as part of a competitive RFP issued by NH Housing in 2012 for a three-year program with funding being awarded annually. The first award of \$75,000 began on February 1, 2013. Funding was increased to \$95,000 for years two and three. This program represents 29 of the total leased or owned units of 51.

18. RELATED PARTY TRANSACTIONS

Currently, two Board of Director members are also clients of the Organization who receive services from the Organization. The Board of Directors is aware of the relationship and the individuals' services are monitored by an employee of the Organization.

19. SUBSEQUENT EVENTS

The organization has evaluated subsequent events through November 14, 2017, the date which the financial statements were available to be issued.

INSTRUCTIONS FOR CERTIFICATION

1. By signing and submitting this proposal (contract), the prospective primary participant is providing the certification set out below.
2. The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. If necessary, the prospective participant shall submit an explanation of why it cannot provide the certification. The certification or explanation will be considered in connection with the NH Department of Health and Human Services' (DHHS) determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.
3. The certification in this clause is a material representation of fact upon which reliance was placed when DHHS determined to enter into this transaction. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, DHHS may terminate this transaction for cause or default.
4. The prospective primary participant shall provide immediate written notice to the DHHS agency to whom this proposal (contract) is submitted if at any time the prospective primary participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
5. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposal," and "voluntarily excluded" as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549: 45 CFR Part 76. See the attached definitions.
6. The prospective primary participant agrees by submitting this proposal (contract) that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by DHHS.
7. The prospective primary participant further agrees by submitting this proposal that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transactions," provided by DHHS, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
8. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or involuntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Nonprocurement List (of excluded parties).
9. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and

information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

10. Except for transactions authorized under paragraph 6 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal government, DHHS may terminate this transaction for cause or default.

PRIMARY COVERED TRANSACTIONS

11. The prospective primary participant certifies to the best of its knowledge and belief, that it and its principals:
 - 11.1. are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by any Federal department or agency;

12. Where the prospective primary participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal (contract).

LOWER TIER COVERED TRANSACTIONS

13. By signing and submitting this lower tier proposal (contract), the prospective lower tier participant, as defined in 45 CFR Part 76, certifies to the best of its knowledge and belief that it and its principals:

(5) Termination for Cause

In addition to Paragraph 10 of the standard terms and conditions (P-37) of this Agreement the Covered Entity may immediately terminate the Agreement upon Covered Entity's knowledge of a breach by Business Associate of the Business Associate Agreement set forth herein as Exhibit I. SPECIAL PROVISIONS

Contractors Obligations: The Contractor covenants and agrees that all funds received by the Contractor under the Contract shall be used only as payment to the Contractor for services provided to eligible individuals and, in the furtherance of the aforesaid covenants, the Contractor hereby covenants and agrees as follows:

1. **Compliance with Federal and State Laws:** If the Contractor is permitted to determine the eligibility of individuals such eligibility determination shall be made in accordance with applicable federal and state laws, regulations, orders, guidelines, policies and procedures.
2. **Time and Manner of Determination:** Eligibility determinations shall be made on forms provided by the Department for that purpose and shall be made and remade at such times as are prescribed by the Department.
3. **Documentation:** In addition to the determination forms required by the Department, the Contractor shall maintain a data file on each recipient of services hereunder, which file shall include all information necessary to support an eligibility determination and such other information as the Department requests. The Contractor shall furnish the Department with all forms and documentation regarding eligibility determinations that the Department may request or require.
4. **Fair Hearings:** The Contractor understands that all applicants for services hereunder, as well as individuals declared ineligible have a right to a fair hearing regarding that determination. The Contractor hereby covenants and agrees that all applicants for services shall be permitted to fill out an application form and that each applicant or re-applicant shall be informed of his/her right to a fair hearing in accordance with Department regulations.
5. **Gratuities or Kickbacks:** The Contractor agrees that it is a breach of this Contract to accept or make a payment, gratuity or offer of employment on behalf of the Contractor, any Sub-Contractor or the State in order to influence the performance of the Scope of Work detailed in Exhibit A of this Contract. The State may terminate this Contract and any sub-contract or sub-agreement if it is determined that payments, gratuities or offers of employment of any kind were offered or received by any officials, officers, employees or agents of the Contractor or Sub-Contractor.
6. **Retroactive Payments:** Notwithstanding anything to the contrary contained in the Contract or in any other document, contract or understanding, it is expressly understood and agreed by the parties hereto, that no payments will be made hereunder to reimburse the Contractor for costs incurred for any purpose or for any services provided to any individual prior to the Effective Date of the Contract and no payments shall be made for expenses incurred by the Contractor for any services provided prior to the date on which the individual applies for services or (except as otherwise provided by the federal regulations) prior to a determination that the individual is eligible for such services.
7. **Conditions of Purchase:** Notwithstanding anything to the contrary contained in the Contract, nothing herein contained shall be deemed to obligate or require the Department to purchase services hereunder at a rate which reimburses the Contractor in excess of the Contractor's costs, at a rate which exceeds the amounts reasonable and necessary to assure the quality of such service, or at a rate which exceeds the rate charged by the Contractor to ineligible individuals or other third party funders for such service. If at any time during the term of this Contract or after receipt of the Final Expenditure Report hereunder, the Department shall determine that the Contractor has used payments hereunder to reimburse items of expense other than such costs, or has received payment in excess of such costs or in excess of such rates charged by the Contractor to ineligible individuals or other third party funders, the Department may elect to:
 - 7.1. Renegotiate the rates for payment hereunder, in which event new rates shall be established;
 - 7.2. Deduct from any future payment to the Contractor the amount of any prior reimbursement in excess of costs;

- 7.3. Demand repayment of the excess payment by the Contractor in which event failure to make such repayment shall constitute an Event of Default hereunder. When the Contractor is permitted to determine the eligibility of individuals for services, the Contractor agrees to reimburse the Department for all funds paid by the Department to the Contractor for services provided to any individual who is found by the Department to be ineligible for such services at any time during the period of retention of records established herein.

RECORDS: MAINTENANCE, RETENTION, AUDIT, DISCLOSURE AND CONFIDENTIALITY:

8. **Maintenance of Records:** In addition to the eligibility records specified above, the Contractor covenants and agrees to maintain the following records during the Contract Period:
- 8.1. **Fiscal Records:** books, records, documents and other data evidencing and reflecting all costs and other expenses incurred by the Contractor in the performance of the Contract, and all income received or collected by the Contractor during the Contract Period, said records to be maintained in accordance with accounting procedures and practices which sufficiently and properly reflect all such costs and expenses, and which are acceptable to the Department, and to include, without limitation, all ledgers, books, records, and original evidence of costs such as purchase requisitions and orders, vouchers, requisitions for materials, inventories, valuations of in-kind contributions, labor time cards, payrolls, and other records requested or required by the Department.
- 8.2. **Statistical Records:** Statistical, enrollment, attendance or visit records for each recipient of services during the Contract Period, which records shall include all records of application and eligibility (including all forms required to determine eligibility for each such recipient), records regarding the provision of services and all invoices submitted to the Department to obtain payment for such services.
- 8.3. **Medical Records:** Where appropriate and as prescribed by the Department regulations, the Contractor shall retain medical records on each patient/recipient of services.
9. **Audit:** Contractor shall submit an annual audit to the Department within 60 days after the close of the agency fiscal year. It is recommended that the report be prepared in accordance with the provision of Office of Management and Budget Circular A-133, "Audits of States, Local Governments, and Non Profit Organizations" and the provisions of Standards for Audit of Governmental Organizations, Programs, Activities and Functions, issued by the US General Accounting Office (GAO standards) as they pertain to financial compliance audits.
- 9.1. **Audit and Review:** During the term of this Contract and the period for retention hereunder, the Department, the United States Department of Health and Human Services, and any of their designated representatives shall have access to all reports and records maintained pursuant to the Contract for purposes of audit, examination, excerpts and transcripts.
- 9.2. **Audit Liabilities:** In addition to and not in any way in limitation of obligations of the Contract, it is understood and agreed by the Contractor that the Contractor shall be held liable for any state or federal audit exceptions and shall return to the Department, all payments made under the Contract to which exception has been taken or which have been disallowed because of such an exception.
10. **Confidentiality of Records:** All information, reports, and records maintained hereunder or collected in connection with the performance of the services and the Contract shall be confidential and shall not be disclosed by the Contractor, provided however, that pursuant to state laws and the regulations of the Department regarding the use and disclosure of such information, disclosure may be made to public officials requiring such information in connection with their official duties and for purposes directly connected to the administration of the services and the Contract; and provided further, that the use or disclosure by any party of any information concerning a recipient for any purpose not directly connected with the administration of the Department or the Contractor's responsibilities with respect to purchased services hereunder is prohibited except on written consent of the recipient, his attorney or guardian.

Notwithstanding anything to the contrary contained herein the covenants and conditions contained in the Paragraph shall survive the termination of the Contract for any reason whatsoever.

11. **Reports: Fiscal and Statistical:** The Contractor agrees to submit the following reports at the following times if requested by the Department.
 - 11.1. **Interim Financial Reports:** Written interim financial reports containing a detailed description of all costs and non-allowable expenses incurred by the Contractor to the date of the report and containing such other information as shall be deemed satisfactory by the Department to justify the rate of payment hereunder. Such Financial Reports shall be submitted on the form designated by the Department or deemed satisfactory by the Department.
 - 11.2. **Final Report:** A final report shall be submitted within thirty (30) days after the end of the term of this Contract. The Final Report shall be in a form satisfactory to the Department and shall contain a summary statement of progress toward goals and objectives stated in the Proposal and other information required by the Department.

12. **Completion of Services: Disallowance of Costs:** Upon the purchase by the Department of the maximum number of units provided for in the Contract and upon payment of the price limitation hereunder, the Contract and all the obligations of the parties hereunder (except such obligations as, by the terms of the Contract are to be performed after the end of the term of this Contract and/or survive the termination of the Contract) shall terminate, provided however, that if, upon review of the Final Expenditure Report the Department shall disallow any expenses claimed by the Contractor as costs hereunder the Department shall retain the right, at its discretion, to deduct the amount of such expenses as are disallowed or to recover such sums from the Contractor.

13. **Credits:** All documents, notices, press releases, research reports and other materials prepared during or resulting from the performance of the services of the Contract shall include the following statement:
 - 13.1. The preparation of this (report, document etc.) was financed under a Contract with the State of New Hampshire, Department of Health and Human Services, with funds provided in part by the State of New Hampshire and/or such other funding sources as were available or required, e.g., the United States Department of Health and Human Services.

14. **Prior Approval and Copyright Ownership:** All materials (written, video, audio) produced or purchased under the contract shall have prior approval from DHHS before printing, production, distribution or use. The DHHS will retain copyright ownership for any and all original materials produced, including, but not limited to, brochures, resource directories, protocols or guidelines, posters, or reports. Contractor shall not reproduce any materials produced under the contract without prior written approval from DHHS.

15. **Operation of Facilities: Compliance with Laws and Regulations:** In the operation of any facilities for providing services, the Contractor shall comply with all laws, orders and regulations of federal, state, county and municipal authorities and with any direction of any Public Officer or officers pursuant to laws which shall impose an order or duty upon the contractor with respect to the operation of the facility or the provision of the services at such facility. If any governmental license or permit shall be required for the operation of the said facility or the performance of the said services, the Contractor will procure said license or permit, and will at all times comply with the terms and conditions of each such license or permit. In connection with the foregoing requirements, the Contractor hereby covenants and agrees that, during the term of this Contract the facilities shall comply with all rules, orders, regulations, and requirements of the State Office of the Fire Marshal and the local fire protection agency, and shall be in conformance with local building and zoning codes, by-laws and regulations.

16. **Equal Employment Opportunity Plan (EEOP):** The Contractor will provide an Equal Employment Opportunity Plan (EEOP) to the Office for Civil Rights, Office of Justice Programs (OCR), if it has received a single award of \$500,000 or more. If the recipient receives \$25,000 or more and has 50 or

more employees, it will maintain a current EEOP on file and submit an EEOP Certification Form to the OCR, certifying that its EEOP is on file. For recipients receiving less than \$25,000, or public grantees with fewer than 50 employees, regardless of the amount of the award, the recipient will provide an EEOP Certification Form to the OCR certifying it is not required to submit or maintain an EEOP. Non-profit organizations, Indian Tribes, and medical and educational institutions are exempt from the EEOP requirement, but are required to submit a certification form to the OCR to claim the exemption. EEOP Certification Forms are available at: <http://www.ojp.usdoj/about/ocr/pdfs/cert.pdf>.

17. **Limited English Proficiency (LEP):** As clarified by Executive Order 13166, Improving Access to Services for persons with Limited English Proficiency, and resulting agency guidance, national origin discrimination includes discrimination on the basis of limited English proficiency (LEP). To ensure compliance with the Omnibus Crime Control and Safe Streets Act of 1968 and Title VI of the Civil Rights Act of 1964, Contractors must take reasonable steps to ensure that LEP persons have meaningful access to its programs.

18. **Pilot Program for Enhancement of Contractor Employee Whistleblower Protections:** The following shall apply to all contracts that exceed the Simplified Acquisition Threshold as defined in 48 CFR 2.101 (currently, \$150,000)

CONTRACTOR EMPLOYEE WHISTLEBLOWER RIGHTS AND REQUIREMENT TO INFORM EMPLOYEES OF WHISTLEBLOWER RIGHTS (SEP 2013)

(a) This contract and employees working on this contract will be subject to the whistleblower rights and remedies in the pilot program on Contractor employee whistleblower protections established at 41 U.S.C. 4712 by section 828 of the National Defense Authorization Act for Fiscal Year 2013 (Pub. L. 112-239) and FAR 3.908.

(b) The Contractor shall inform its employees in writing, in the predominant language of the workforce, of employee whistleblower rights and protections under 41 U.S.C. 4712, as described in section 3.908 of the Federal Acquisition Regulation.

(c) The Contractor shall insert the substance of this clause, including this paragraph (c), in all subcontracts over the simplified acquisition threshold.

19. **Subcontractors:** DHHS recognizes that the Contractor may choose to use subcontractors with greater expertise to perform certain health care services or functions for efficiency or convenience, but the Contractor shall retain the responsibility and accountability for the function(s). Prior to subcontracting, the Contractor shall evaluate the subcontractor's ability to perform the delegated function(s). This is accomplished through a written agreement that specifies activities and reporting responsibilities of the subcontractor and provides for revoking the delegation or imposing sanctions if the subcontractor's performance is not adequate. Subcontractors are subject to the same contractual conditions as the Contractor and the Contractor is responsible to ensure subcontractor compliance with those conditions.

When the Contractor delegates a function to a subcontractor, the Contractor shall do the following:

- 19.1. Evaluate the prospective subcontractor's ability to perform the activities, before delegating the function
- 19.2. Have a written agreement with the subcontractor that specifies activities and reporting responsibilities and how sanctions/revocation will be managed if the subcontractor's performance is not adequate
- 19.3. Monitor the subcontractor's performance on an ongoing basis

- 19.4. Provide to DHHS an annual schedule identifying all subcontractors, delegated functions and responsibilities, and when the subcontractor's performance will be reviewed
- 19.5. DHHS shall, at its discretion, review and approve all subcontracts.

If the Contractor identifies deficiencies or areas for improvement are identified, the Contractor shall take corrective action.

DEFINITIONS

As used in the Contract, the following terms shall have the following meanings:

If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, DHHS may terminate this transaction for cause or default.

A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Nonprocurement List (of excluded parties).

INDEPENDENT AUDITORS' REPORT

Report on the Financial Statements

We have audited the accompanying consolidated financial statements of Tri-County Community Action Program, Inc. and Affiliate (a New Hampshire nonprofit organization), which comprise the consolidated statements of financial position as of June 30, 2017 and 2016, and the related consolidated statements of activities, cash flows and functional expenses for the years then ended, and the related notes to the consolidated financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditors' judgement, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the consolidated financial position of Tri-County Community Action Program, Inc. and Affiliate as of June 30, 2017 and 2016, and its consolidated cash flows for the years then ended, and the changes in its net assets for the year ended June 30, 2017, in accordance with accounting principles generally accepted in the United States of America.

Report on Summarized Comparative Information

We have previously audited Tri-County Community Action Program, Inc. and Affiliate's 2016 consolidated financial statements, and we expressed an unmodified audit opinion on those consolidated financial statements in our report dated November 16, 2016. In our opinion, the summarized comparative information presented herein as of and for the year ended June 30, 2016, is consistent, in all material respects, with the audited consolidated financial statements from which it has been derived.

Other Information

Our audit was conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. Code of Federal Regulations (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, is presented for purposes of additional analysis and is not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the consolidated financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated November 10, 2017, on our consideration of Tri-County Community Action Program, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Tri-County Community Action Program, Inc.'s internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Tri-County Community Action Program, Inc.'s internal control over financial reporting and compliance.

Head Start

Head Start provides comprehensive services to low-income children and their families. Head Start supports children's growth and development in a positive learning environment through a variety of activities as well as providing services, which include in addition to Early learning, Health and Family well-being. All children receive health and development screenings, nutritious meals, oral health and mental health support. Guardianship

The Organization's Guardianship program provides advocacy and guardian services for the vulnerable population of New Hampshire residents (developmentally disabled, chronically mentally ill, traumatic brain injury, and the elderly suffering from Alzheimer's, dementia, and multiple medical issues) who need a guardian and who have no family member or friend willing, able, or suitable to serve in that capacity. This program serves 407 individuals.

The Organization is assisting transitional and displaced workers as they prepare for new jobs, and also assisting currently-employed workers to gain the skills required for better jobs.

The Organization is helping to implement New Hampshire's Unified State Plan for Workforce Development, in line with the federal Workforce Investment Act. Workforce training programs, with training facilities in three towns, provide temporary assistance for needy family (TANF) recipients with 20-30 hours per week of training in the areas of employment skills, computer skills, and business experience, and also place participating TANF recipients in community-based work experience sites.

Alcohol & Other Drugs (AOD)

The Residential Treatment Programs (Friendship House) provide chemically dependent individuals with the fundamental tools of recovery, including educational classes, group and individual counseling, work and recreational therapy, and attendance at in-house and community-based alcoholics anonymous and narcotics anonymous meetings. The AOD program also offers assistance with its impaired driver programs.

The Friendship House, in December of 2014, had approximately \$130,000 worth of investments and improvements due to assistance from Public Services of New Hampshire. There were \$18,847 and \$92,748 of pre-development capitalized expenses in 2017 and 2016, respectively.

A school-based project of the Dental Center, School Smiles, offers oral health education, screening, treatment and referrals for treatment to over 1,000 children in 9 schools in the vicinity of the Center.

Carroll County Restorative Justice

The Organization's restorative justice program provides comprehensive alternatives to traditional court sentencing and dispute resolution within the framework of Balanced and Restorative Justice. Two key components of this process are personal accountability for one's actions (diversion) and alternative conflict resolution (mediation). Support Center

The Organization's Support Center at Burch House provides direct service and shelter to victims and survivors of domestic and sexual violence and stalking in Northern Grafton County. Support Center services are accessible 24 hours a day, 365 days a year. They include: crisis intervention; supportive counseling; court, hospital and policy advocacy and accompaniment; emergency shelter; support groups; community education and outreach; violence prevention programs for students; information, referrals and assistance accessing other community resources.

Housing Services

Cornerstone Housing North, Inc. is subject to a Project Rental Assistance Contract (PRAC) with the United States Department of Housing and Urban Development, and a significant portion of their rental income is received from the Department of Housing and Urban Development:

The Organization includes a 12 unit apartment complex in Berlin, New Hampshire for the elderly. This operates under Section 202 of the National Housing Act and is regulated by the U.S. Department of Housing and Urban Development (HUD) with respect to the rental charges and operating methods.

The above Organization has a Section 202 Capital Advance. Under guidelines established by the U.S. Office of Management and Budget *Uniform Guidance, Title 2 U.S. Code of Federal Regulations (CFR) part 200, Uniform Administrative Requirements, Cost Principles and Audit Requirements for Federal Awards*, the Section 202 Capital Advance is considered to be a major program.

Method of accounting

The consolidated financial statements of Tri-County Community Action Program, Inc. have been prepared utilizing the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America, as promulgated by the Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC). Under this basis, revenue, other than contributions, and expenses are reported when incurred without regard to the date of receipt or payment of cash.

Basis of presentation

Financial statement presentation follows the recommendations of the FASB in its Accounting Standard Codification No. 958 *Financial Statements of Not-For-Profit Organizations*. Under FASB ASC No. 958, the Organization is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

The Organization had no permanently restricted net assets at June 30, 2017 and 2016. The Organization had temporarily restricted net assets of \$702,600 and \$777,943 at June 30, 2017 and 2016, respectively.

Restricted and unrestricted support

Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support, depending on the existence and/or nature of any donor restrictions. Support that is restricted is reported as an increase in temporarily or permanently restricted net assets, depending on the nature of the restriction. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

Unrestricted net assets include revenues and expenses and contributions which are not subject to any donor imposed restrictions. Unrestricted net assets can be board designated by the Board of Directors for special projects and expenditures.

Temporarily restricted net assets include contributions for which time restrictions or donor-imposed restrictions have not yet been met. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restriction (**Note 12**).

Permanently restricted net assets include gifts which require, by donor restriction, that the corpus be invested in perpetuity and only the income or a portion thereof (excluding capital gains restricted by State statute) be made available for program operations in accordance with donor restrictions. The Organization had no permanently restricted net assets at June 30, 2017 and 2016.

Fair Value Measurements

Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability (i.e. the "exit price") in an orderly transaction between market participants at the measurement date. The accounting standards for fair values establishes a hierarchy for inputs used in measuring fair value that maximizes the use of observable inputs and minimizes the use of unobservable inputs by requiring that the most observable inputs be used when available. Observable inputs are inputs that market participants would use in pricing the asset or liability developed based on market data obtained from sources independent of the Organization. Unobservable inputs are inputs that reflect the Organization's assumptions about the assumptions market participants would use in pricing the asset or liability developed based on the best information available in the circumstances.

The hierarchy is classified into three levels based on the reliability of inputs as follows:

Level 1: Valuations based on quoted prices in active markets for identical assets or liabilities that the Organization has the ability to access. Since valuations are based on quoted prices that are readily and regularly available in an active market, valuation of these products does not entail a significant degree of judgment.

Level 2: Valuation is determined from quoted prices for similar assets or liabilities in active markets, quoted prices for identical instruments in markets that are not active or by model-based techniques in which all significant inputs are observable in the market.

Level 3: Valuations based on inputs that are unobservable and significant to the overall fair value measurement. The degree of judgment exercised in determining fair value is greatest for instruments categorized as Level 3.

The availability of observable inputs can vary and is affected by a wide variety of factors, including, the type of asset/liability, whether the asset/liability is established in the marketplace, and other characteristics particular to the transaction. To the extent that valuation is based on models or inputs that are less observable or unobservable in the market, the determination of fair value requires more judgment. In certain cases, the inputs used to measure fair value may fall into different levels of the fair value hierarchy. In such cases, for disclosure purposes the level in the fair value hierarchy within which the fair value measurement in its entirety falls is determined based on the lowest level input that is significant to the fair value measurement in its entirety.

Fair value is a market-based measure considered from the perspective of a market participant rather than an entity-specific measure. Therefore, even when market assumptions are not readily available, assumptions are required to reflect those that market participants would use in pricing the asset or liability at the measurement date.

As disclosed in **Note 6**, the bond payable, formerly bearing monthly interest of 6.9% of the sum of the one month London Interbank Offered Rate (LIBOR) plus 3.25%, when the Organization's debt service coverage ratio was 1.10; or 3.00% when the Organization's debt service coverage ratio was 1.20, included an interest rate swap agreement. The Organization paid interest at a fixed 3.85%. The arrangement was scheduled to expire on August 2040. The notional amount of the contract was \$3,145,412. Accordingly, the swap arrangement, which is a derivative financial instrument, was classified as a cash flow hedge and was valued at the net present value (NPV) of all estimated future cash flows. The Organization's purpose in entering into a swap arrangement was to hedge against the risk of interest rate increases on the related variable rate debt and not to hold the instrument for trading purposes. The swap arrangement was removed in February 2016 when the bond agreement was renewed and the effective interest rate became 2.75% plus the bank's internal cost of funds multiplied by 67%. The rate at the time of renewal was 3.10%. For the year ended June 30, 2016, the Organization realized a gain of \$7,385 on the swap and there was no fair value of the swap remaining after the bond was renewed.

Accounts Receivable

Accounts receivable are stated at the amount management expects to collect from balances outstanding at year-end. Most of the receivables are amounts due from federal and state awarding agencies and are based on reimbursement for expenditures made under specific grants or contracts. A portion of the accounts receivable balance represents amounts due from patients at Carroll County Dental and participants in the alcohol and other drug treatment programs. Past due receivables are written off at management's discretion using the direct write off method; this is not considered a departure from accounting principles generally accepted in the United States because the effects of the direct write method approximate those of the allowance method. Management selects accounts to be written off after analyzing past payment history, the age of the accounts receivable, and collection rates for receivables with similar characteristics, such as length of time outstanding. The Organization does not charge interest on outstanding accounts receivable.

Property and Depreciation

Acquisitions of buildings, equipment, and improvements in excess of \$5,000 and all expenditures for repairs, maintenance, and betterments that materially prolong the useful lives of assets are capitalized. Buildings, equipment, and improvements are stated at cost less accumulated depreciation. Depreciation is provided using the straight-line method over the estimated useful lives of the related assets.

Depreciation expense related to assets used solely by an individual program is charged directly to the related program.

Depreciation expense for assets used by more than one program is charged to the program based upon a square footage or other similar allocation.

Depreciation expense related to administrative assets is included in the indirect cost pool and charged to the programs in accordance with the indirect cost plan. Maintenance and repairs that do not materially prolong the useful lives of assets are charged to expense as incurred.

Estimated useful lives are as follows:

Buildings and improvements	20 to 40 years
Vehicles	5 to 8.5 years
Furniture and equipment	5 to 15 years

Client Rents and HUD Rent Subsidy

Cornerstone Housing North, Inc.'s rents are approved on an annual basis by the Department of Housing and Urban Development. Rental increases are prohibited without such approval. The clients are charged rent equal to 30% of their income less adjustments allowed by the Department of Housing and Urban Development. Rent subsidies are received from the Department of Housing and Urban Development for the difference between the allowed rents and the amounts received from the clients.

Refundable Advances

Grants received in advance are recorded as refundable advances and recognized as revenue in the period in which the related services or expenditures are performed or incurred. Funds received in advance of grantor conditions being met aggregated \$197,548 and \$233,329 as of June 30, 2017 and 2016, respectively.

Nonprofit tax status

The Organization is a *not-for-profit* Section 501(c)(3) organization in accordance with the Internal Revenue Code. It has been classified as an Organization that is not a private foundation under the Internal Revenue Code and qualifies for a charitable contribution deduction for individual donors. The Organization files information returns in the United States. The Organization's Federal Form 990 (Return of Organization Exempt from Income Tax), is subject to examination by the IRS, generally for three years after it is filed. The Organization is no longer subject to examinations by tax authorities for years prior to 2013.

The Organization follows FASB ASC, *Accounting for Uncertainty in Income Taxes*, which clarifies the accounting for uncertainty in income taxes and prescribes a recognition threshold and measurement attribute for financial statement recognition and measurement of tax positions taken or expected to be taken in a tax return. The Organization does not believe they have taken uncertain tax positions, therefore, a liability for income taxes associated with uncertain tax positions has not been recognized.

Comerstone Housing North, Inc. is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code. The Internal Revenue Service has determined the Organization to be other than a private foundation within the meaning of Section 509(a).

Retirement plan

The Organization maintains a tax-sheltered annuity plan under the provisions of Section 403(b) of the Internal Revenue Code. All employees are eligible to contribute to the plan beginning on the date they are employed. Each employee may elect salary reduction agreement contributions in accordance with limits allowed in the Internal Revenue Code. Employer contributions are at the Organization's annual discretion. In January 2013, employer contribution payments ceased, therefore as of June 30, 2017 and 2016, there were no discretionary contributions recorded. Further information can be obtained from the Organization's 403(b) audited financial statements.

Donated services and goods

Contributions of donated services that create or enhance non-financial assets or that require specialized skills and would typically need to be purchased if not provided by donation are recorded at their fair values in the period received.

Contributed noncash assets are recorded at fair value at the date of donation. If donors stipulate how long the assets must be used, the contributions are recorded as restricted support. In the absence of such stipulations, contributions of noncash assets are recorded as unrestricted support.

Donated property and equipment

Donations of property and equipment are recorded as support at their estimated fair value at the date of donation. Such donations are reported as unrestricted support unless the donor has restricted the donated asset to a specific purpose. Assets donated with explicit restrictions regarding their use and contributions of cash that must be used to acquire property and equipment are reported as restricted support. Absent donor stipulations regarding how long those donated assets must be maintained, the Organization reports expirations of donor restrictions when the donated or acquired assets are placed in service as instructed by the donor. The Organization reclassifies temporarily restricted net assets to unrestricted net assets at that time.

Promises to Give

Conditional promises to give are not recognized in the financial statements until the conditions are substantially met. Unconditional promises to give that are expected to be collected within one year are recorded at the net realizable value. Unconditional promises to give that are expected to be collected in more than one year are recorded at fair value, which is measured as the present value of their future cash flows. The discounts on those amounts are computed using risk-adjusted interest rates applicable to the years in which the promises are received. Amortization of the discounts is included in contribution revenue. In the absence of donor stipulations to the contrary, promises with payments due in future periods are restricted to use after the due date.

Promises that remain uncollected more than one year after their due dates are written off unless the donors indicate that payment is merely postponed. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets.

As of June 30, 2017 and 2016, there were promises to give that were absent of donor stipulations, but restricted in regards to timing, and therefore classified as temporarily restricted in the amount of \$205,804 and \$229,419, respectively. This amount was included in grants and contracts on the Consolidated Statement of Activities.

Use of estimates

The presentation of financial statements in conformity accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Accordingly, actual results could differ from those estimates.

Fair Value of Financial Instruments

Accounting Standards Codification No. 825 (ASC 825), *Disclosures of Fair Value of Financial Instruments*, requires the Organization to disclose fair values of its financial instruments. The carrying amount of the Organization's financial instruments which consists of cash, accounts receivable, deposits and accounts payable, approximate fair value because of the short-term maturity of those instruments.

Functional allocation of expenses

The costs of providing the various programs and other activities have been summarized on a functional basis in the statement of activities. Accordingly, certain costs have been allocated among the program services and supporting activities benefited.

Program salaries and related expenses are allocated to the various programs and supporting services based on actual or estimated time employees spend on each function as reported on a timesheet.

Workers Compensation expenses are charged to each program based upon the classification of each employee and allocated to the various program based upon the time employees spend on each function as noted above.

Paid Leave is charged to a leave pool and is allocated to each program as a percentage of total salaries.

Fringe Benefits are charged to a Fringe Benefit Pool. These expenses include employer payroll taxes, pension expenses, health and dental insurance and unemployment compensation. The pool is allocated to each program based upon a percentage of salaries.

Depreciation expense is allocated to each program based upon specific assets used by the program and is reported as depreciation expense on the statements of functional expenses.

Other occupancy expenses are applicable to assets which are used by multiple programs. Buildings are primarily charged to the benefiting program based upon an analysis of square footage. Costs related to a building include depreciation, insurance, utilities, building maintenance, etc. These costs are reported as space costs on the statements of functional expenses.

Insurance: automobile insurance is allocated to programs based on vehicle usage; building liability insurance is allocated to programs based on square footage of the buildings; and insurance for furniture and equipment is allocated to programs using the book basis of the insured assets.

The remaining shared expenses are charged to an Indirect Cost Pool and are allocated to each program based upon a percentage of program expenses. The expenses include items such as administrative salaries, general liability insurance, administrative travel, professional fees and other expenses which cannot be specifically identified and charged to a program.

The Organization submits an indirect cost rate proposal for the paid leave, fringe benefits and other indirect costs to the U.S. Department of Health and Human Services. The proposal effective for the fiscal year beginning July 1, 2016 received provisional approval and is effective until amended at a rate of 12.7%. Per the agreement with the U.S. Department of Health and Human Services, the Organization's final rate for the year ended June 30, 2016 was 12.5%.

NOTE 10. IN-KIND CONTRIBUTIONS

The Organization records the value of in-kind contributions according to the accounting policy described in **Note 1**. These services are valued based upon the comparative market wage for similar paid positions.

The Organization is also the beneficiary of a donation of in kind in the form of below market rent for some of the facilities utilized by the Head Start and Elder Programs. The value of the in-kind rent is recorded at the difference between the rental payment and the market rate for the property based upon a recent appraisal.

Many other individuals have donated significant amounts of time to the activities of the Organization. The financial statements do not reflect any value for these donated services since there is no reliable basis for making a reasonable determination.

NOTE 11. CONCENTRATION OF RISK

Tri-County Community Action Program, Inc. receives a majority of its support from federal and state governments. For the years ended June 30, 2017 and 2016, approximately \$12,220,000 (72%) and \$12,200,000 (72%), respectively, of the Organization's total revenue was received from federal and state governments. If a significant reduction in the level of support were to occur, it would have a significant effect on the Organization's programs and activities.

For the years ended June 30, 2017 and 2016 approximately 69% and 66%, respectively, of the Organizations total revenue was derived from the U.S. Department of Housing and Urban Development. In the absence of additional revenue sources, the future existence of Cornerstone Housing North, Inc. is dependent upon the funding policies of the U.S. Department of Housing and Urban Development.

The majority of Cornerstone Housing North, Inc.'s assets are apartment projects, for which operations are concentrated in the elderly person's real estate market. In addition, the Organization operates in a regulated environment. The operation of the Organization is subject to administrative directives, rules and regulations of federal, state and local regulatory agencies, including, but not limited to, HUD. Such administrative directives, rules and regulations are subject to change by an act of Congress or an administrative change mandated by HUD. Such changes may occur with little notice or inadequate funding to pay for the related cost, including the administrative burden, to comply with the change.

NOTE 13. COMMITMENTS AND CONTINGENCIES

Grant Compliance

The Organization received funds under several federal and state grants. Under the terms of the grants the Organization is required to comply with various stipulations including use and time restrictions. If the Organization was found to be noncompliant with the provisions of the grant agreements, the Organization could be liable to the grantor or face discontinuation of funding.

Environmental Contingencies

On March 30, 2009, the Organization's Board of Directors agreed to secure ownership of a 1.2-acre site located in Berlin, New Hampshire. There are 2 buildings on this site designated as the East Wing and West Wing Buildings which were formerly used as a research and development facility for the Berlin Mills Company.

The exterior soil and interior parts of the East Wing Building contained contaminants which required environmental remediation. In a letter dated May 2, 2012, the State of New Hampshire Department of Environment Services (the Department) noted that the remedial actions for the exterior soils and parts of the East Wing Building had been completed to the Department's satisfaction.

In addition, the Department noted that the contaminants related to the West Wing Building did not pose an exposure hazard to site occupants, area residents, and the environment provided the West Wing Building is maintained to prevent further structural deterioration. If further deterioration occurs and contaminants are released into the environment, the Organization could be required to take additional action including containment and remediation.

NOTE 14. RELATED PARTY TRANSACTIONS

As disclosed in Note 6, the Organization has a loan payable to a non-profit organization which also provides pass-through state and federal funding for some of the Organization's programs. See Note 6 and Note 16 for terms of the note payables and related forgiveness of debt. NOTE 15. RESIDUAL RECEIPTS ACCOUNT

Comerstone Housing North, Inc.'s use of the residual receipts account is contingent upon HUD's prior written approval. During the year ended June 30, 2016, Comerstone Housing North, Inc. was required to return to HUD the balance in the residual receipts account in excess of \$250 per unit. This resulted in a refund to HUD of \$1,184. This was recorded as a miscellaneous financial expense on the Statements of Activities during the year ended June 30, 2016.

NOTE 16. FORGIVENESS OF DEBT

During the year ended June 30, 2017, the Organization realized forgiveness of debt income in connection with a note payable to a non-profit organization. Forgiveness of debt income totaled \$25,912 for the year ended June 30, 2017.

NOTE 17. SUBSEQUENT EVENTS

Subsequent events are events or transactions that occur after the statement of financial position date, but before financial statements are available to be issued. Recognized subsequent events are events or transactions that provide additional evidence about conditions that existed at the statement of financial position date, including the estimates inherent in the process of preparing financial statements. Non-recognized subsequent events are events that provide evidence about conditions that did not exist at the statement of financial position date, but arose after that date. Management has evaluated subsequent events through November 10, 2017, the date the financial statements were available to be issued.

Effective October 1, 2017, the Organization is no longer responsible for the Alcohol & Other Drugs (AOD) program. The grants for the program have been transferred to North Country Health Consortium (NCHC), as they are taking over the program. Temporarily restricted net assets related to AOD as of June 30, 2017 will be either released for fiscal year 2018 operations or returned subsequent to the transfer of the program. **INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL
REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON
AN AUDIT OF FINANCIAL STATEMENTS PERFORMED
IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS**

To the Board of Directors of
Tri-County Community Action Program, Inc.
Berlin, New Hampshire

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Tri-County Community Action Program, Inc. (a nonprofit organization), which comprise the statement of financial position as of June 30, 2017, and the related statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated November 10, 2017.

Internal Control Over Financial Reporting

In planning and performing our audit of the consolidated financial statements, we considered Tri-County Community Action Program Inc.'s internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the consolidated financial statements, but not for the purpose of expressing an opinion on the effectiveness of Tri-County Community Action Program Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of Tri-County Community Action Program Inc.'s internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Tri-County Community Action Program Inc.'s financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of consolidated financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

TRI-COUNTY COMMUNITY ACTION PROGRAM, INC.

**INDEPENDENT AUDITORS' REPORT ON COMPLIANCE
FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL
OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE**

To the Board of Directors of
Tri-County Community Action Program, Inc.
Berlin, New Hampshire

Report on Compliance for Each Major Federal Program

We have audited Tri-County Community Action Program Inc.'s compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of Tri-County Community Action Program Inc.'s major federal programs for the year ended June 30, 2017. Tri-County Community Action Program Inc.'s major federal programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its federal programs.

Auditors' Responsibility

Our responsibility is to express an opinion on compliance for each of Tri-County Community Action Program Inc.'s major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Tri-County Community Action Program Inc.'s compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of Tri-County Community Action Program Inc.'s compliance.

Opinion on Each Major Federal Program

In our opinion, Tri-County Community Action Program, Inc. complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2017.

Report on Internal Control over Compliance

Management of Tri-County Community Action Program, Inc. is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered Tri-County Community Action Program Inc.'s internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Tri-County Community Action Program, Inc.'s internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
