His Excellency, Governor Christopher T. Sununu
and the Honorable Executive Council
State House
Concord, New Hampshire 03301

Requested Action

Pursuant to RSA 212:10-b, authorize the New Hampshire Fish and Game Department (NHFGD) to amend a wildlife habitat improvement agreement with Robert Rudder for the management of 21 acres of agricultural land on the Lower Shaker Wildlife Management Area in the town of Enfield effective upon Governor and Council approval through December 31, 2019. No funding is involved.

Explanation

The New Hampshire Fish and Game Department owns a 1,000-acre parcel in Enfield containing 21 acres of agricultural fields. The wildlife management objectives for these lands include maintaining certain agricultural crops for grassland birds, white-tailed deer, turkey, and other wildlife species. In 2015 the Department entered into a wildlife habitat improvement agreement with Mr. Rudder to achieve these goals through the annual harvest of hay after July 15 (post breeding bird season). The Department wishes to amend the agreement to allow earlier cutting to combat invasive yellow rattle which can degrade grassland habitat and hay quality. Mr. Rudder has also agreed to assist the Department with improving soil quality of these and other fields on the property via application of wood ash and other property stewardship activities. This amended agreement will run through December 31, 2019.

Respectfully submitted,

Glenn Normandeau

FARM AGREEMENT AMENDMENT

This Agreement (hereinafter called the "Amendment") is made this ____ day of _____ 20__, by and between the State of New Hampshire acting by and through its New Hampshire Fish and Game Department (hereinafter referred to as the "DEPARTMENT"), acting by and through its Executive Director, 11 Hazen Drive, Concord New Hampshire 03301 and Robert Rudder, (hereinafter referred to as the "FARMER") of 288 NH Route 118, Canaan, NH 03741.

WHEREAS, pursuant to an agreement (hereinafter called the "AGREEMENT") dated, July 2, 2014, approved by the Governor and Council on August 5, 2014, Item #55, the FARMER agreed to perform certain services upon the terms and conditions specified in the AGREEMENT; and

WHEREAS, pursuant to the provisions of section 17 of the AGREEMENT, the AGREEMENT may be amended, waived or discharged only by written instrument executed by the parties thereto; and

NOW THEREFORE, in consideration of the foregoing, and the covenants and conditions contained in the AGREEMENT and set forth herein, the parties hereto do hereby agree to amend the Agreement as follows:

A. Section 1 of the Agreement is stricken and replaced in its entirety with the following:

1. Grant of Authority to FARMER
 - a. The DEPARTMENT hereby allows the FARMER to enter the premises for the purpose of utilizing approximately 21 acres of field land (Field D; Figure 1) for harvesting a grass crop. The FARMER agrees to complete the first cut, and all associated management including raking, baling and spreading of soil amendments, by May 31st. The next cutting is allowed after 65 days. However, if the FARMER is not able to complete the first cut by May 31st, he will notify the DEPARTMENT at least two weeks prior. The DEPARTMENT then reserves the right to complete the first cut to aid in combating invasive yellow rattle and/or otherwise aid in restoring hayland quality.
 - b. Upon successful restoration of hayland quality, as determined by the DEPARTMENT in consultation with the FARMER, timing of harvest will be restricted to occurring after July 15.
 - c. Pasturing livestock is expressly prohibited. Stockpiling of manure, compost, or other similar material is allowed with approval of the DEPARTMENT solely for the purpose of amending field soils on the Lower Shaker Wildlife Management Area.

B. Section 2 of the Agreement is stricken and replaced in its entirety with the following:

2. Compensation

- a. The FARMER agrees to brush hog Field B each year after August 1 to maintain it in grass and forb dominated habitat. The FARMER also agrees to cut and remove trees and brush along edges of Fields A-C as needed to allow easier maintenance of those fields by the FARMER and DEPARTMENT staff, and to brush hog the edges of the main access road leading up to Fields A-C at least once/year.
- b. During the 2017 growing season, the DEPARTMENT agrees to provide a supply of wood ash from a DES-certified source to improve soil pH of Fields A, B, and D per soil test and to provide a spreader to spread the ash. The FARMER agrees to spread the ash on fields A, B, and D at no charge to the DEPARTMENT.
- b. Given that the primary purpose of Wildlife Management Areas is to provide habitat for wildlife, neither the DEPARTMENT nor its partnering agencies will compensate or issue depredation permits to the FARMER for damage caused by wildlife to crops grown under this agreement.

C. Section 4 of the Agreement is stricken and replaced in its entirety with the following:

3. Period of Use

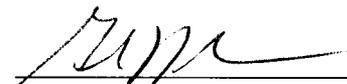

This amended agreement shall become effective upon the date of approval by Governor and Executive Council and shall terminate on December 31, 2019. This agreement may be renewed upon satisfactory performance of the conditions contained herein. Satisfactory performance and the agreement extension shall be determined solely by the DEPARTMENT. Either party may terminate this agreement by thirty (30) day notification to the other party in writing.

D. All other terms and conditions set forth in the Agreement shall remain in full force and effect.

IN WITNESS WHEREOF, the parties hereto have hereunto caused their names to be set and their seals to be affixed as of the day and year first above written.
