Turnpike Renewal & Replacement

EXPLANATION

This project is included in the State's Ten Year Transportation Improvement Plan and involves annual turnpike resurfacing as part of the Turnpike Renewal and Replacement Program. This project consists of resurfacing of approximately 19.5 lane miles along the Spaulding Turnpike, Exit 9 Ramps and Indian Brook Drive in Dover, as well as the Exit 3 Ramps along I-95 in Portsmouth. Resurfacing sections are as follows:

Section 18805: Spaulding Turnpike and Exit 9 Ramps in Dover (Night Resurfacing)

- Northbound and southbound barrels from mile marker 9.2 to mile marker 12.7, 1.5 inch overlay with spot inlays.
- Exit 9 Ramps, cold plane and repave at depth of 1.5 inches full width of the ramps.

Section 18810: Indian Brook Drive in Dover (Night Resurfacing)

- Indian Brook Drive Inlay from Member Way to the intersection of New Rochester Road to the depth of 1.5 inches.

Section 18806: I-95 Exit 3 Ramps in Portsmouth (Night Resurfacing and Day Resurfacing)

- Exit 3A and 3B SB On/Off Ramps, cold plane and repave at depth of 1.5 inches full width of the ramps.

The Spaulding Turnpike section was last paved in 2010, the Exit 9 ramps were paved in 2009, Indian Brook Drive was paved in 2006, and Exit 3 in Portsmouth was paved in 2000. Due to the age of the pavement and high volume of traffic, these segments are experiencing transverse and longitudinal cracking with spot locations of delamination. The proposed improvements will extend the life of this asset avoiding more costly reconstruction repair in the future.

The Contractor has been prequalified by this Department. The Contract has been approved by the Attorney General as to form and execution, and the Department has certified that the necessary funds are available and the bid reasonably conforms to the engineer's estimate in accordance with State procedure. Copies of the fully executed contract are on file at the Secretary of State's Office and the Department of Administrative Service's Office, and subsequent to Governor and Council approval will be on file at the Department of Transportation.

A copy of the Tabulation of Bids received for this project is attached along with the Contract Supplemental Sheet and a map indicating the location of the project.

Sincerely,

Victoria F. Sheehan
Commissioner
