His Excellency, Governor Christopher T. Sununu  
 and the Honorable Executive Council  
 State House  
 Concord, New Hampshire 03301

**REQUESTED ACTION**

Pursuant to RSA 21-I:80, I(b), authorize the Department of Natural and Cultural Resources, Division of Parks and Recreation, Cannon Mountain to enter into a **RETROACTIVE** and **SOLE SOURCE** contract with GW Tatro Construction, Inc. (VC #160411), Jeffersonville, VT in the amount of \$28,000 to complete the relocation and repair on one of the main snowmaking lines at Cannon Mountain and Franconia Notch State Park upon Governor and Executive Council from October 1, 2018 through October 12, 2018. **100% Cannon Mountain Capital Improvement Fund**

Funding is available as follows:

	<u>FY 2019</u>
03-35-35-350030-31320000	
RSA 12-A:29-B Cannon Capital Improvements	\$28,000
034-500162 Capital Projects	

**EXPLANATION**

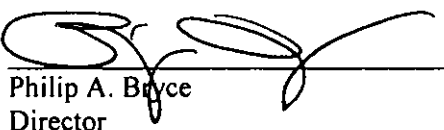

A main snowmaking line was uncovered during the foundation dig for the Cannonball Pub expansion. The area had been appropriately marked per Dig Safe regulations, with the belief that the pipe was situated further upslope. Due to the expansion, the snowmaking line had to be rerouted to accommodate the new footprint of the Cannonball Pub which was approved by Governor and Executive Council as part of the capital improvements proposed by the concessionaire, Boston Culinary Group d/b/a Centerplate. This project began on October 1, 2018 and was completed on October 12, 2018. The project was performed on a sole source basis by GW Tatro Construction, Inc. (GW Tatro) as they were already onsite and staged for another snowmaking line extension project. Additionally, the project is retroactive because of the urgent need to continue forward progress on the Cannonball Pub project.

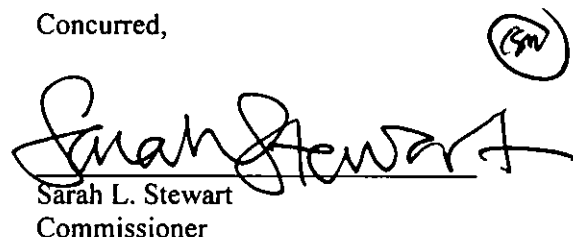

GW Tatro is the most qualified and skilled on-hill excavation and snowmaking pipe installation contractor, having exclusive rights to the zap-lock pipefitting technology east of the Mississippi. This technology is used extensively at Cannon Mountain Ski Area in its snowmaking system, which simplifies the system, decreases the amount of workers needed for a project, and cuts costs while raising quality. GW Tatro is the preferred partner of Royal Electric Company, Inc. and DoppelmayerCTEC, and like those companies, has done extensive work here at Cannon Mountain.

The Attorney General's Office has reviewed and approved this contact as to form, substance and execution.

Respectfully submitted,

Concurred,

  
 Philip A. Bryce  
 Director

  
 Sarah L. Stewart  
 Commissioner
