supervisor. This change now allows our payroll office to process increments that have been overdue by informing supervisors that their employees' increment must be paid with or without a completed evaluation.

The Bureau of Human Resource Management is making every attempt to send out notices to this effect in order to ensure all Department of Health and Human Services employee increments are current and up to date. Upon receiving this notification, supervisors must either submit the performance evaluation or a form indicating when the evaluation will be completed. This information is then sent to the Commissioner's office as well as the respective Program Directors at the end of each pay period. Additionally, Department of Health and Human Services, Bureau of Human Resources Management is now able to send reminders to supervisors 30 – 60 days prior to the due date of a performance evaluation (whether or not an increment is due) that must be completed for one of their employees.

Respectfully submitted,

Jeffrey A. Meyers  
Commissioner
