

THE STATE OF NEW HAMPSHIRE  
DEPARTMENT OF TRANSPORTATION

39  
Beaulieu

VICTORIA F. SHEEHAN  
COMMISSIONER

WILLIAM CASS, P.E.  
ASSISTANT COMMISSIONER

Bureau of Construction  
September 29, 2016

Her Excellency, Governor Margaret Wood Hassan  
and the Honorable Council  
State House  
Concord, New Hampshire 03301

**REQUESTED ACTION**

1. Authorize the Department of Transportation to enter into a contract with Austin Construction, Inc. (Vendor 275378) of Concord, VT on the basis of a low bid of \$1,398,236.80 for replacing the structurally deficient bridge (Br. No. 121/114) carrying NH 145 over Bishop Brook in Stewartstown, from the date of Governor and Council approval through June 15, 2018 unless extended by the Department in accordance with the Standard Specifications. 100% Federal Funds.

Funding is available as follows for FY 2017, and is contingent upon the availability and continued appropriation of fund for FY 2018:

	<u>FY 2017</u>	<u>FY 2018</u>
04-96-96-963515-3054 Consolidated Federal Aid 400-500870 Highway Contract Payments	\$500,000.00	\$898,236.80

2. Further authorize that a contingency in the amount of \$97,876.58 be approved for payment of latent conditions, which may appear during the construction of the project. The contingency requested is 7% of the contract amount.

Funding is available as follows for FY 2017, and is contingent upon the availability and continued appropriation of fund for FY 2018:

	<u>FY 2017</u>	<u>FY 2018</u>
04-96-96-963515-3054 Consolidated Federal Aid 400-500870 Highway Contract Payments	\$10,000.00	\$87,876.58

**EXPLANATION**

This project is part of the State's Ten Year Transportation Improvement Plan. This project will replace the structurally deficient bridge (Br. No. 121/114) carrying NH 145 over Bishop Brook. The work limits for the bridge begin approximately 260 feet south of the bridge and continues approximately 570 feet north along NH 145. The project consists of removing the existing bridge and constructing a new 50 foot single span, welded steel plate girder bridge on the same horizontal alignment. Additional work

includes roadway work to match back into the existing roadway, replacement of a drainage cross pipe, construction of a storm water runoff treatment swale, several drainage ditches and underdrain placement.

The existing I-beam with concrete bridge deck, built in 1940, is structurally deficient, posted C2 and is number 6 on the State's Priority List of bridges. The existing substructure has a condition rating of 3 and the deck has a condition rating of 4.

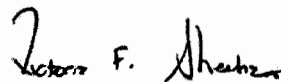

The Contingency amount is proposed to be 7% of the contract amount. This project involves tall abutments founded on ledge with stepped footings for the wingwalls to minimize ledge and slope excavation. There is uncertainty of the ledge location and the Contractor's method of temporarily retaining the northwest slope.

The Contractor has been prequalified by this Department. The Contract has been approved by the Attorney General as to form and execution, and the Department has certified that the necessary funds are available and the bid reasonably conforms to the engineer's estimate in accordance with State procedure. Copies of the fully executed contract are on file at the Secretary of State's Office and the Department of Administrative Service's Office, and subsequent to Governor and Council approval will be on file at the Department of Transportation.

This project funding is 80% federal funds with 20% state match. Turnpike toll credit is being utilized for match requirements, effectively using 100% federal funds.

A copy of the Tabulation of Bids received for this project is attached along with the Contract Supplemental Sheet and a map indicating the location of the project.

Sincerely,

Victoria F. Sheehan  
Commissioner

VFS/md

Department Estimate: \$1,598,228.40  
Contract Amount: \$1,398,236.80  
Under Estimate: \$ 199,991.60

## SUPPLEMENTAL PROJECT INFORMATION SHEET

**DESCRIPTION:** This project will replace the structurally deficient bridge (Br. No. 121/114) carrying NH 145 over Bishop Brook. The work limits for the bridge begin approximately 260 feet south of the bridge and continues approximately 570 feet north along NH 145. The project consists of removing the existing bridge and constructing a new 50 foot single span, welded steel plate girder bridge on the same horizontal alignment. Additional work includes roadway work to match back into the existing roadway, replacement of a drainage cross pipe, construction of a storm water runoff treatment swale, several drainage ditches and underdrain placement.

**FEDERAL FUNDING:** 80% with anticipated utilization of Turnpike Toll Credits as the State's 20% match.

**CONTINGENCY:** The Contingency amount is proposed to be 7% of the contract amount. This project involves tall abutments founded on ledge with stepped footings for the wingwalls to minimize ledge and slope excavation. There is uncertainty of the ledge location and the Contractor's method of temporarily retaining the northwest slope.

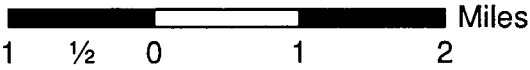

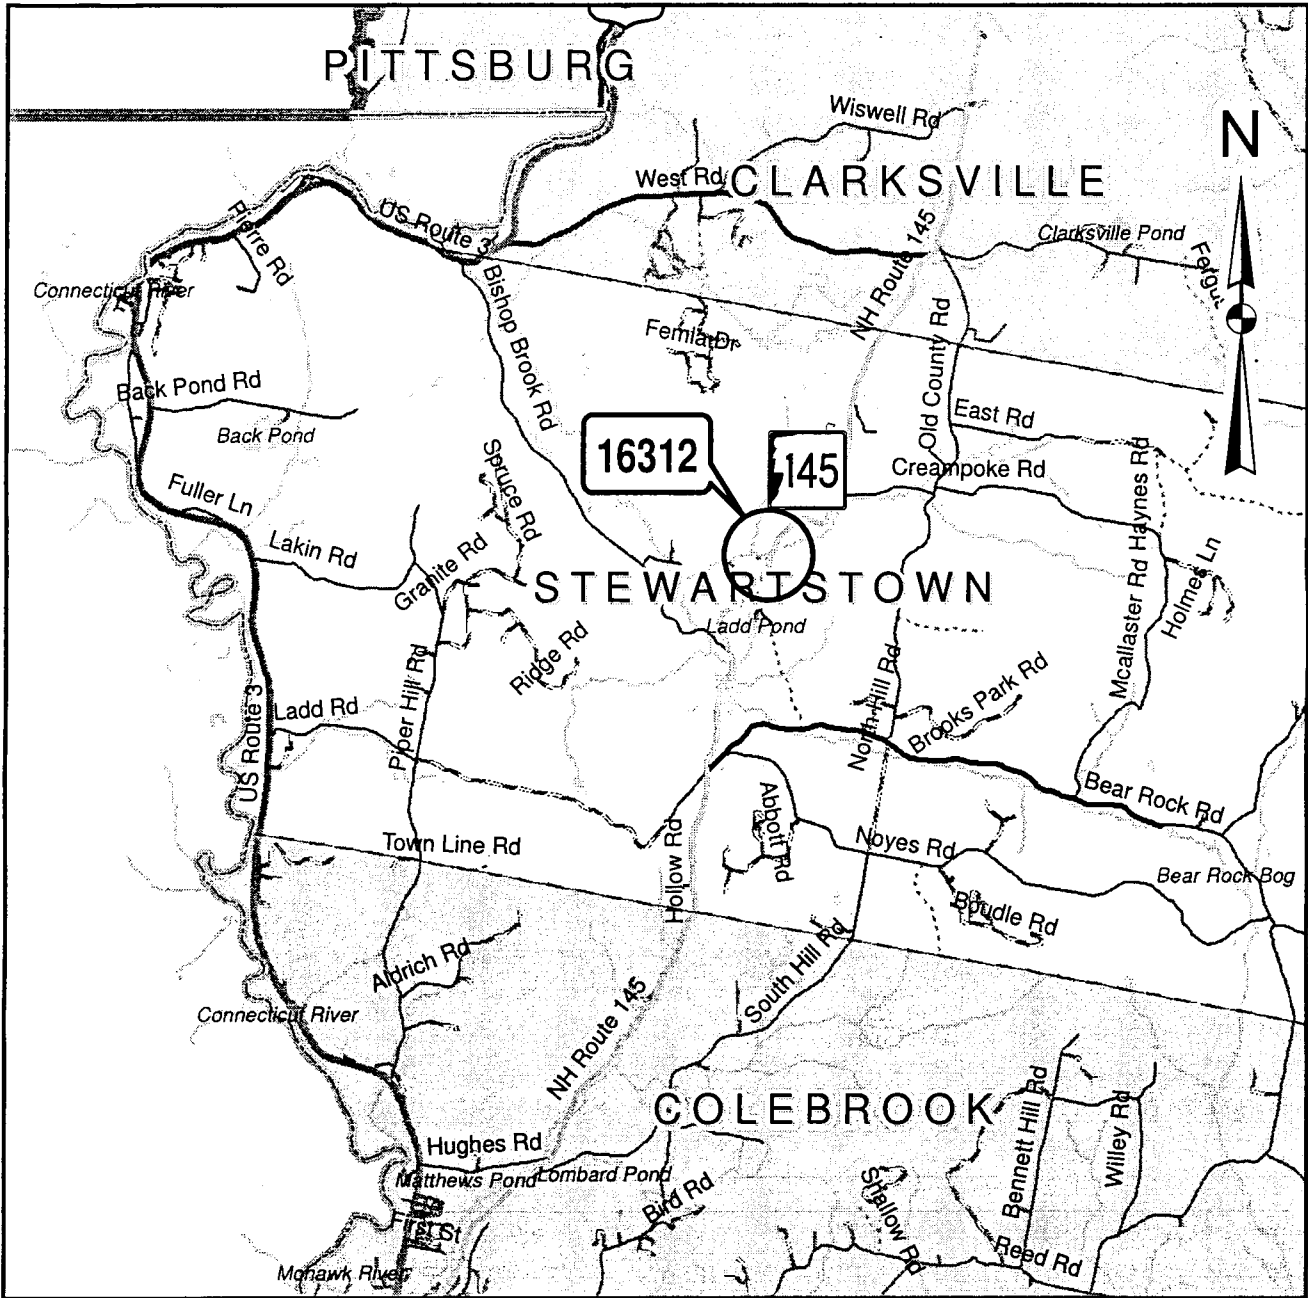

**PROJECT INITIATED:** State's Ten-Year Transportation Improvement Plan

**PROJECT EXPLANATION:** The existing I-beam with concrete bridge deck, built in 1940, is structurally deficient, posted C2 and is number 6 on the State's Priority List of bridges. The existing substructure has a condition rating of 3 and the deck has a condition rating of 4.

**TRAFFIC IMPLICATION:** Beginning in the spring of 2017, a six month closure will be required on this section on NH 145 to complete the bridge replacement work. Detour signing will be placed in the area near the intersection of NH 145 and US 3 to the south in Colebrook and to the north in Pittsburg, and along sections of US 3.

**FINAL COMPLETION DATE:** June 15, 2018

# CERTIFICATE OF LIABILITY INSURANCE

DATE (MM/DD/YYYY)

9/30/2016

THIS CERTIFICATE IS ISSUED AS A MATTER OF INFORMATION ONLY AND CONFERS NO RIGHTS UPON THE CERTIFICATE HOLDER. THIS CERTIFICATE DOES NOT AFFIRMATIVELY OR NEGATIVELY AMEND, EXTEND OR ALTER THE COVERAGE AFFORDED BY THE POLICIES BELOW. THIS CERTIFICATE OF INSURANCE DOES NOT CONSTITUTE A CONTRACT BETWEEN THE ISSUING INSURER(S), AUTHORIZED REPRESENTATIVE OR PRODUCER, AND THE CERTIFICATE HOLDER.

**IMPORTANT:** If the certificate holder is an ADDITIONAL INSURED, the policy(ies) must be endorsed. If SUBROGATION IS WAIVED, subject to the terms and conditions of the policy, certain policies may require an endorsement. A statement on this certificate does not confer rights to the certificate holder in lieu of such endorsement(s).
