REQUESTED ACTION

Authorize the Department of Environmental Services to amend a Diesel Emissions Reduction Act (DERA) State Clean Diesel grant (PO# 1079797) to First Student, Inc. (VC# 177801-B001), Cincinnati, OH, by extending the completion date to March 31, 2023 from September 30, 2022, effective upon Governor & Council approval through March 31, 2023. No additional funding is involved in this time extension. The original grant was approved by G&C on April 7, 2021, Item #52; an amendment extending the original grant deadline from March 31, 2022 to September 30, 2022 was approved by G&C on September 15, 2021, Item 5B. 45% federal DERA funds, 55% Volkswagen Trust funds.

EXPLANATION

We are requesting approval of this second no-cost grant amendment in order to provide First Student, Inc. additional time to complete the agreed upon project to replace nineteen (19) engine model year 2007 to 2009 school buses serving the school districts of Bristol, Derry, and Nashua, New Hampshire. Extension of the completion date to March 31, 2023 will allow First Student, Inc. the time necessary to procure the new buses, whose availability has been negatively impacted due to manufacturer building and supply delays.

To date, no funds of the \$426,592.00 DERA grant have been spent. In the event that grant funds become no longer available, General funds will not be requested to support this program. This amendment has been approved by the Office of the Attorney General as to form, substance and execution.

We respectfully request your approval of this item.

Department of Environmental Services

Robert R. Scott, Commissioner

April 20, 2021

His Excellency, Governor Christopher T. Sununu
and the Honorable Council
State House
Concord, New Hampshire 03301

APPROVED G & C

DATE 5 May 2021
ITEM # 52

REQUESTED ACTION

Authorize the Department of Environmental Services (NHDES) to enter into a grant agreement with First Student, Inc., Cincinnati, Ohio (VC# 177801-B001) in the amount of \$426,592.50 for partial funding of diesel school bus replacements, effective upon Governor and Council approval through March 31, 2022. 45% Federal Funds, 55% VW Settlement Funds.

Funding is available in the account as follows:

03-44-44-443010-2278-072-500572
Dept. of Environmental Services, DERA Funds, Grants Federal

FY 2021
\$426,592.50

EXPLANATION

Under the Diesel Emission Reduction Act (DERA) the U.S. Environmental Protection Agency (EPA) provides funding to states for projects that reduce harmful emissions produced by older diesel engines, including replacement of vehicles. The new vehicles must meet more stringent emissions standards. Utilizing federal EPA funds, matched with funding from New Hampshire's Volkswagen Environmental Mitigation Trust Fund, NHDES has \$750,000 available for grants.

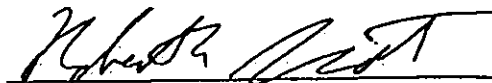

A request for proposal (RFP) was conducted from October 1 through November 16, 2020. Seventeen entities applied for funding. Two proposals were approved for funding (see Attachment A for the scoring results). First Student requested partial funding to replace nineteen (19) engine model year 2007 to 2009 school buses. The typical life of a school bus is approximately 12 - 15 years for a variety of reasons. The 19 buses have an average of 161,211 miles of operation, are listed as in fair condition, operate in a cold weather environment and are typically operated in a dual startup/shutdown mode (a morning run and an afternoon run) each operating day which increases wear and tear on the engine. School buses are also typically inactive for extended periods of time thus mileage is typically

accrued over shorter operating times. The characteristics of the 19 school buses are shown in Figure 1.

The DERA program has mandatory minimum cost share requirements for a vehicle replacement project of 75 percent. NHDES will provide a grant of the lesser of \$426,592.50 or 25 percent of the total replacement cost (estimated \$1,706,370) to First Student, Inc. for the replacement of 19 school buses.

This agreement has been approved as to form, substance, and execution by the Office of the Attorney General. In the event that Federal funds become no longer available General funds will not be requested to support this program.

We respectfully request your approval.

Robert R. Scott, Commissioner
