REQUESTED ACTION

Pursuant to RSA 21-I:80, I(b), authorize the Department of Natural and Cultural Resources, Division of Parks and Recreation, Cannon Mountain, to enter into a contract with GW Tatro Construction, Inc. (VC #160411), Jeffersonville, VT in the amount of \$78,750 for completion of the Extension Trail Pipe Project at Cannon Mountain and Franconia Notch State Park upon Governor and Executive Council approval through October 10, 2018. **100% Capital Funds**

Funding is available as follows:

	<u>FY 2019</u>
03-35-35-350030-31320000	
RSA 12-A:29-B Cannon Capital Improvement	\$78,750
034-500162 Capital Projects	

EXPLANATION

The water feed supply located on the Extension Trail, a section of one of Cannon's main snowmaking lines, blew at the end of our 2017/2018 winter snowmaking season. The lower section of this primary snowmaking line, running along Gary's Trail, was replaced roughly 6 years ago but this section on the Extension Trail was not addressed at that time and was installed in 1990. The Extension section feeds eighteen (18) trails below it, including the well-known and visible front five trails, as well as serving as a back-up to the other primary snowmaking line for the upper mountain. Not replacing this line could result in unnecessary shutdown of snowmaking operations on crucial populated trails. The project is scheduled for completion October 10, 2018.

On July 18, 2018, an invitation to submit bids for the "Snowmaking Pipe Extension Trail - Cannon Mountain" was advertised and distributed on the Department of Administrative Services' website and several construction and approved distribution websites. Three (3) companies submitted bid proposals by the closing date of July 31, 2018 and GW Tatro Construction, Inc. was subsequently selected as the low-bidder for this project. A bid summary is attached for review.

The Attorney General's Office has reviewed and approved this contact as to form, substance and execution.

Respectfully submitted,

Concurred,

Phillip A. Bryce
Director
