While participating in the NCSL Conference in Boston, I participated in, voted at or attended the following programs and/or training:

P-3 Funding Transportation projects, case studies, part 2.

Natural Resources and Infrastructure Committee meeting, voting on a number of resolutions.

Drones workshop, the legal background.

Preparing for Natural Disasters.

Infrastructure Financing.

Democratic Legislatures Breakfast.

General Session, with speakers from Massachusetts Legislators.

Autonomous Vehicles.

General Session, with speaker Doris Kearns Goodwin.

Drafting from someone else's template.

Deep Dive session, workforce Development, The changing Nature of Jobs.

Roots of American Legislatures.

The P-3 training, which was held over a two day period was an invite only program. Additional costs associated with my attendance was covered with a stipend from AASHTO. This comprehensive training was the most valuable of the programs I attended, and is especially relevant given the recent formation of NH's own Commission on Public Private Partnerships.
