EXPLANATION

The Drinking Water and Groundwater Trust Fund (Trust Fund) was created in 2016, using \$276 million of MtBE trial judgment funds, as authorized by RSA 485-F. The purpose of the Trust Fund is to provide sustainable, long-term funding for the protection, preservation, and enhancement of the drinking water and groundwater resources of the state. The Drinking Water and Groundwater Advisory Commission (Advisory Commission) was established to administer the Trust Fund and to provide guidance to the State on the use of the Trust Fund.

In November 2021, the Advisory Commission voted to authorize grants for eight drinking water source protection projects. FLT's request for \$59,000 was selected for grant funding from the Trust Fund. FLT will use the grant funds along with other funding towards the purchase of a 11.25-acre parcel in fee with deed restrictions for source water protection. The Frankestown Elementary School will be allowed to use the land for outdoor education.

The total project cost for FLT towards the purchase is \$125,250. The Trust Fund will provide \$59,000 with \$66,250 in match provided by FLT. The purchase price of the property is based on a recent appraisal of fair market value.

- 11.2.2 Give the Grantee a written notice specifying the Event of Default and suspending all payments to be made under this Agreement and ordering that the portion of the Grant Amount which would otherwise accrue to the Grantee during the period from the date of such notice until such time as the State determines that the Grantee has cured the Event of Default shall never be paid to the Grantee; and
- 11.2.3 Set off against any other obligation the State may owe to the Grantee any damages the State suffers by reason of any Event of Default; and
- 11.2.4 Treat the agreement as breached and pursue any of its remedies at law or in equity, or both.

- 12.2. In the event of Termination under paragraphs 10 or 12.4 of these general provisions, the approval of such a Termination Report by the State shall in no event relieve the Grantee from any and all liability for damages sustained or incurred by the State as a result of the Grantee's breach of its obligations hereunder.
