## Explanation

The purpose of this grant is to provide funding for the Town of Milford to purchase and install a generator at the Town's primary Emergency Operations Center (EOC) to enhance emergency management capabilities. The grant listed above is funded from the FFY 2017 Emergency Management Performance Grant (EMPG), which was awarded to the Department of Safety, Division of Homeland Security and Emergency Management (HSEM) from the Federal Emergency Management Agency (FEMA). The grant funds are to be used to measurably improve all-hazard planning and preparedness capabilities/activities, to include mitigation, preparedness, response, and recovery initiatives at the state and local level. Grant guidance and applications are available to all Emergency Management Directors and other qualified organizations in the State. Subrecipients submit applications to this office, which are reviewed by the HSEM Planning Chief, Assistant Planning Chief and Field Representatives and approved by the HSEM Director. The criteria for approval are based on grant eligibility in accordance with the grant's current guidance and the documented needs of the local jurisdictions.

The Emergency Management Performance Grants are 50% federally funded by FEMA with a 50% match requirement supplied by the subrecipient. The subrecipient acknowledges their match obligation as part of Exhibit B to their grant agreement.

In the event that Federal Funds are no longer available, General Funds and/or Highway Funds will not be requested to support this program.

Respectfully submitted,

5.3. In accordance with the provisions set forth in EXHIBIT B, and in consideration of the satisfactory performance of the Project, as determined by the State, and as limited by subparagraph 5.5 of these general provisions, the State shall pay the Subrecipient the Grant Amount. The State shall withhold from the amount otherwise payable to the Subrecipient under this subparagraph 5.3 those sums required, or permitted, to be withheld pursuant to N.H. RSA 80:7 through 7-c.

5.4. The payment by the State of the Grant amount shall be the only, and the complete payment to the Subrecipient for all expenses, of whatever nature, incurred by the Subrecipient in the performance hereof, and shall be the only, and the complete, compensation to the Subrecipient for the Project. The State shall have no liabilities to the Subrecipient other than the Grant Amount. . . . Notwithstanding anything in this Agreement to the contrary, and notwithstanding unexpected circumstances, in no event shall the total of all payments authorized, or actually made, hereunder exceed the Grant limitation set forth in block 1.8 of these general provisions.

6. COMPLIANCE BY SUBRECIPIENT WITH LAWS AND REGULATIONS. In connection with the performance of the Project, the Subrecipient shall comply with all statutes, laws regulations, and orders of federal, state, county, or municipal authorities which shall impose any obligations or duty upon the Subrecipient, including the acquisition of any and all necessary permits.

7.2. Between the Effective Date and the date three (3) years after the Completion Date, at any time during the Subrecipient's normal business hours, and as often as the State shall demand, the Subrecipient shall make available to the State all records pertaining to matters covered by this Agreement. The Subrecipient shall permit the State to audit, examine, and reproduce such records, and to make audits of all contracts, invoices, materials, payrolls, records of personnel, data (as that term is hereinafter defined), and other information relating to all matters covered by this Agreement. As used in this paragraph, "Subrecipient" includes all persons, natural or fictional, affiliated with, controlled by, or under common ownership with, the entity identified as the Subrecipient in block 1.3 of these provisions.

9. DATA: RETENTION OF DATA: ACCESS.

9.1. As used in this Agreement, the word "data" shall mean all information and things developed or obtained during the performance of, or acquired or developed by reason of, this Agreement, including, but not limited to, all studies, reports, files, formulae, surveys, maps, charts, sound recordings, video recordings, pictorial reproductions, drawings, analyses, graphic representations,

computer programs, computer printouts, notes, letters, memoranda, paper, and documents, all whether finished or unfinished.

9.2. Between the Effective Date and the Completion Date the Subrecipient shall grant to the State, or any person designated by it, unrestricted access to all data for examination, duplication, publication, translation, sale, disposal, or for any other purpose whatsoever.

9.3. No data shall be subject to copyright in the United States or any other country by anyone other than the State.

On and after the Effective Date all data, and any property which has been received from the State or purchased with funds provided for that purpose under this Agreement, shall be the property of the State, and shall be returned to the State upon demand or upon termination of this Agreement for any reason, whichever shall first occur.

9.5. The State, and anyone it shall designate, shall have unrestricted authority to publish, disclose, distribute and otherwise use, in whole or in part, all data.

10. CONDITIONAL NATURE OR AGREEMENT. Notwithstanding anything in this Agreement to the contrary, all obligations of the State hereunder, including, without limitation, the continuance of payments hereunder, are contingent upon the availability or continued appropriation of funds, and in no event shall the State be liable for any payments hereunder in excess of such available or appropriated funds. In the event of a reduction or termination of those funds, the State shall have the right to withhold payment until such funds become available, if ever, and shall have the right to terminate this Agreement immediately upon giving the Subrecipient notice of such termination.

11. EVENT OF DEFAULT: REMEDIES.

11.2.2 Give the Subrecipient a written notice specifying the Event of Default and suspending all payments to be made under this Agreement and ordering that the portion of the Grant Amount which would otherwise accrue to the Subrecipient during the period from the date of such notice until such time as the State determines that the Subrecipient has cured the Event of Default shall never be paid to the Subrecipient; and

11.2.3 Set off against any other obligation the State may owe to the Subrecipient any damages the State suffers by reason of any Event of Default; and

11.2.4 Treat the agreement as breached and pursue any of its remedies at law or in equity, or both.

12. TERMINATION.

12.1. In the event of any early termination of this Agreement for any reason other than the completion of the Project, the Subrecipient shall deliver to the Grant Officer, not later than fifteen (15) days after the date of termination, a report (hereinafter referred to as the "Termination Report") describing in detail all Project Work performed, and the Grant Amount earned, to and including the date of termination.

12.2. In the event of Termination under paragraphs 10 or 12.4 of these general provisions, the approval of such a Termination Report by the State shall entitle the Subrecipient to receive that portion of the Grant amount earned to and including the date of termination.

12.3. In the event of Termination under paragraphs 10 or 12.4 of these general provisions, the approval of such a Termination Report by the State shall in no event relieve the Subrecipient from any and all liability for damages sustained or incurred by the State as a result of the Subrecipient's breach of its obligations hereunder.

12.4. Notwithstanding anything in this Agreement to the contrary, either the State or, except where notice default has been given to the Subrecipient hereunder, the Subrecipient, may terminate this Agreement without cause upon thirty (30) days written notice.

13. CONFLICT OF INTEREST. No express waiver of any Event of Default shall be deemed a waiver of any provisions hereof. No such failure of waiver shall be deemed a waiver of the right of the State to enforce each and all of the provisions hereof upon any further or other default on the part of the Subrecipient.

14 1. **CALL TO ORDER, BOARD OF SELECTMEN INTRODUCTIONS & PUBLIC SPEAKING**  
15 **INSTRUCTIONS** - Vice Chairman Federico called the public meeting to order at 7:00 p.m., introduced  
16 Board members and then led the audience in the Pledge of Allegiance. Prior to this meeting, the Board  
17 entered into NON-PUBLIC for (RSA 91-A:3,II(e)) – Legal, one decision was made. Chairman Federi-  
18 co indicated that those people in the audience who want to speak or add to the discussion should please  
19 use a microphone in order to be heard on the PEG Access live broadcast.  
20

21 2. **6:30 NON-PUBLIC (RSA 91-A:3, II(e)) – Legal**

22 3. **7:00 – NH Emergency Management Performance Grant – Captain Ken Flaherty** – The grant is  
23 through OEM for a generator. The total cost for the generator is \$51,602 and we are applying for a 50%  
24 match so our cost would be \$25,081, money is already put aside from the process grant. Chairman Feder-  
25 ico asked if Ken needed a vote from the Board. Ken said yes. It hasn't been awarded yet, this is just  
26 the first step in the process.  
27

28 Selectman Putnam asked if it will be a natural gas generator. Ken said it's a diesel 100 kw 209 gallon  
29 generator. It has to be an alternative fuel source so if the grid went down, we could still function. Se-  
30 lectman Putnam asked what they were doing with the old one. Ken said they gave it to the DPW gar-  
31 age; it was only 16 kw and only runs a few circuits. The new generator will run the whole station and is  
32 similar to what the Ambulance has.  
33

34 Chairman Federico asked Ken to clarify "alternative fuel source". Ken said something other than what  
35 we already have in the building. Selectman Dargie asked if there was a generator included in the origi-  
36 nal building plans. Ken said yes, it was estimated for around \$60,000 because they didn't have an idea  
37 of what would be needed. Selectman Putnam said they were talking about a generator with MACC  
38 Base, and they would be able to go with natural gas. Ken said MACC Base doesn't have a generator  
39 right now and can feed off natural gas at the Town Hall.  
40

41 Selectman Putnam made a motion to approve the grant. Selectman Daniels seconded. All were in fa-  
42 vor. The motion passed 5/0.  
43

44 "The Town of Milford Board of Selectman, in a majority vote, accepted the terms of the Emergency  
45 Management Performance Grant as presented in the amount of \$25,801 for the purchase and installation  
46 of a generator, transfer switch, and concrete pad at the Town's Emergency Operations Center. Further-  
47 more, the Board acknowledges that the total cost of this project will be \$51,601, in which the town will  
48 be responsible for a 50% match (\$25,801)."  
49

50 4. **OPEN FORUM** – Chris Labonte, Milford resident asked the Board what they were going to do with the  
51 granite monument sign, and where is it now. Chairman Federico said it's still intact and in one piece.  
52 They haven't made a decision on what's going to happen to it at this point. Chris said people saw the  
53 presentation in June, some didn't know about it and others said nothing was mentioned about taking the  
54 granite monument out. Chris said he didn't remember anything being said about removing it. Chairman  
55 Federico said they are in the process of reviewing it.

## CERTIFICATE OF COVERAGE

The New Hampshire Public Risk Management Exchange (Primex<sup>3</sup>) is organized under the New Hampshire Revised Statutes Annotated, Chapter 5-B, Pooled Risk Management Programs. In accordance with those statutes, its Trust Agreement and bylaws, Primex<sup>3</sup> is authorized to provide pooled risk management programs established for the benefit of political subdivisions in the State of New Hampshire.

Each member of Primex<sup>3</sup> is entitled to the categories of coverage set forth below. In addition, Primex<sup>3</sup> may extend the same coverage to non-members. However, any coverage extended to a non-member is subject to all of the terms, conditions, exclusions, amendments, rules, policies and procedures that are applicable to the members of Primex<sup>3</sup>, including but not limited to the final and binding resolution of all claims and coverage disputes before the Primex<sup>3</sup> Board of Trustees. The Additional Covered Party's per occurrence limit shall be deemed included in the Member's per occurrence limit, and therefore shall reduce the Member's limit of liability as set forth by the Coverage Documents and Declarations. The limit shown may have been reduced by claims paid on behalf of the member. General Liability coverage is limited to Coverage A (Personal Injury Liability) and Coverage B (Property Damage Liability) only. Coverage's C (Public Officials Errors and Omissions), D (Unfair Employment Practices), E (Employee Benefit Liability) and F (Educator's Legal Liability Claims-Made Coverage) are excluded from this provision of coverage.

The below named entity is a member in good standing of the New Hampshire Public Risk Management Exchange. The coverage provided may, however, be revised at any time by the actions of Primex<sup>3</sup>. As of the date this certificate is issued, the information set out below accurately reflects the categories of coverage established for the current coverage year.

This Certificate is issued as a matter of information only and confers no rights upon the certificate holder. This certificate does not amend, extend, or alter the coverage afforded by the coverage categories listed below.
