REQUESTED ACTION

Pursuant to RSA 21-I:80, (b), authorize the Department of Natural and Cultural Resources, Division of Parks and Recreation to enter into a **SOLE SOURCE** contract with Doppelmayr USA, Inc. (VC #169529), Salt Lake City, UT in the amount of \$53,495 for labor and parts required to rebuild the Peabody Express Lift Gearbox at Cannon Mountain Ski Area in Franconia, NH upon Governor and Executive Council approval through November 19, 2018. **100% Cannon Mountain Capital Improvement Fund**

EXPLANATION

Doppelmayr USA, Inc. (Doppelmayr) is our preferred aerial lift and aerial tramway contractor. Doppelmayr is one of only two primary lift contractors with offices in North America and they run the only known aerial tramway repair division within all of the Americas. Doppelmayr has built and installed an overwhelming majority of Cannon's aerial lifts, including the lift in question, and is very aware of our on-site systems and topography. This Doppelmayr lift features a great many proprietary and/or lift-specific parts. For these reasons, we are requesting approval of this contract on a sole source basis.

As part of Cannon's ongoing preventative maintenance program, the Peabody Express Quad gearbox requires attention. The gearbox is rapidly approaching the manufacturer's suggested threshold of hours in service and preventative maintenance is essential to ensuring that Cannon's primary front side lift continues to run properly and safely. The maintenance will include low speed coupling inspections and rebuild, and any other necessary work. The project is scheduled for completion by November 19, 2018.

The Attorney General's Office has reviewed and approved this contact as to form, substance and execution.

Respectfully submitted,

Concurred,

Philip A. Bryce
