EXPLANATION

This request is being made to accept the additional grant funds available for SFY 2018 to administer the Title I Elementary and Secondary Education Act grant funds approved by Department of Education (DOE).

The Department of Health and Human Services applies for Title I Elementary and Secondary Education Act grant funds on an annual basis. The funds are used to provide instructional services and related activities to meet the special educational needs of abused, neglected, or delinquent children and youth who are students in state institutions. These funds will afford these children the same opportunity to meet the challenging state student academic achievement standards, assist with transitional educational services from institutionalization into further schooling or employment, prevent at risk youth from dropping out, and provide support to current dropouts or support to at risk youth to continue with their education.

These grant funds are used as funds to reimburse providers that regularly deliver these services. Services include direct classroom instruction (reading, mathematics and transition planning), providing direct hands-on skill building experiences in the classroom and within the community, and providing direct life skills training and learning opportunities. These programs cannot receive the funds directly as they are neither a school system nor state agency therefore the department serves as the pass through for funding.

Area served: Statewide.

Source of Funds: 100% Other Funds.

If Other Funds become no longer available, General Funds will not be requested to support the program expenditures.

Respectfully submitted,

Christine Tappan,
Associate Commissioner

EXPLANATION OF BLOCKS ON THIS SUB-AWARD GRANT AWARD NOTIFICATION (GAN)

1. The Primary Award block identifies: the federal agency making the primary award; the Catalog of Federal Domestic Assistance (CFDA) subprogram title and associated subprogram number; the Federal Award Identification Number (FAIN), which typically changes each year; and the signature date on the initial grant primary award to NH Department of Education (NHDOE). As a pass-through agency, NHDOE is authorized to make and manage sub-awards.
2. Sub-Award Recipient: Legal name, physical address and DUNS number of the sub-recipient. For large entities, the organizational unit with primary responsibility for funded activity may be identified. For sub-awards to multiple New Hampshire local education agencies (LEAs), an attachment showing LEA name, DUNS, and sub-award amount may be used. DUNS shown have been provided by the sub-awardee. NHDOE is not responsible for the correctness of DUNS information.
3. Action Number: The cumulative number of steps (including this action) taken by NHDOE to date to establish or modify this sub-award. Action number "01" indicates an Initial (i.e. new) Award.
Action Type: The nature of the action (e.g. New Award, Continuation, Amount Modification, Performance Period Change, etc).
Date of this Action: Effective date of action.
4. Sub-Award Type: Most sub-awards are categorical formula grants. Other types include project grants (generally a one-time grant for a specific purpose), block grants (which allow greater spending discretion), and research and development (R&D) grants.
Project Description: Very brief description of the grant program. (NHDOE will use this for federal reporting.)
5. Performance Period: Date ranges for expending grant funds and requesting reimbursement. Included are any other time-sensitive conditions such as carry-over options.
6. Contacts: The sub-recipient contact (identified by name or position) responsible for the grant administration. At least one NHDOE program contact is identified.
7. Sub-Award Amount: A sub-award may have subsequent modifications that increase or decrease the amount of an award. "Award of this Action" indicates the amount of this action. A dollar amount indicates an increase. "Decrease of \$xxx" or "(\$xxx)" indicates a reduction in the award. "None" indicates no change in the amount. Previous Cumulative and Current Cumulative amounts are used to reconcile any change. If awards for a list of LEAs are being modified, this block will show the total net increase/decrease and an attachment will show individual sub-recipient changes.
8. Laws, Regulations and Requirements: Sub-recipient must abide by all applicable laws and regulations, including those not listed in block 8. 2 CFR Part 200 applies to all federal awards. 34 CFR 76 applies to all US Department of Education (USDE) awards. 34 CFR 200 applies to all ESEA/NCLB programs. Program specific requirements and exemptions may be listed. Useful web links may be included. 2 CFR 175, award termination for trafficking in persons, applies to all sub-recipients except state agencies and school districts. Some non-program specific regulations are at <http://www2.ed.gov/policy/fund/req/edgarReg/edgar.html>
9. Maximum Allowed Indirect Cost Rate: Identifies rate type - restricted, unrestricted, temporary, or de minimus; and cognizant authority (usually a federal agency) that approved the rate. When the program prohibits supplanting of non-federal funds, a restricted indirect cost rate with a cap of 8% must be used. (See 34 CRF.76.560-580.) For restricted rate programs, the 10% de minimus rate option does not apply to state and local governments or their sub-recipients. Without an approved rate, no indirect (i.e. overhead) expenses may be charged to the grant. LEAs and SAUs rates may be included as an attachment.
10. Terms and Conditions of Award – Requirements of the award that are binding upon the sub-recipient.

Office of the Chief Financial Officer

MEMORANDUM to ED GRANTEES REGARDING THE USE OF GRANT FUNDS FOR CONFERENCES AND MEETINGS

You are receiving this memorandum to remind you that grantees must take into account the following factors when considering the use of grant funds for conferences and meetings:

- Before deciding to use grant funds to attend or host a meeting or conference, a grantee should:
 - Ensure that attending or hosting a conference or meeting is consistent with its approved application and is reasonable and necessary to achieve the goals and objectives of the grant;
 - Ensure that the primary purpose of the meeting or conference is to disseminate technical information, (e.g., provide information on specific programmatic requirements, best practices in a particular field, or theoretical, empirical, or methodological advances made in a particular field; conduct training or professional development; plan/coordinate the work being done under the grant); and
 - Consider whether there are more effective or efficient alternatives that can accomplish the desired results at a lower cost, for example, using webinars or video conferencing.
- Grantees must follow all applicable statutory and regulatory requirements in determining whether costs are reasonable and necessary, especially the Cost Principles for Federal grants set out at 2 CFR Part 200 Subpart E of the, "Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards." In particular, remember that:
 - Federal grant funds cannot be used to pay for alcoholic beverages; and
 - Federal grant funds cannot be used to pay for entertainment, which includes costs for amusement, diversion, and social activities.
- Grant funds may be used to pay for the costs of attending a conference. Specifically, Federal grant funds may be used to pay for conference fees and travel expenses (transportation, per diem, and lodging) of grantee employees, consultants, or experts to attend a conference or meeting if those expenses are reasonable and necessary to achieve the purposes of the grant.
 - When planning to use grant funds for attending a meeting or conference, grantees should consider how many people should attend the meeting or conference on their behalf. The number of attendees should be reasonable and necessary to accomplish the goals and objectives of the grant.
- A grantee hosting a meeting or conference may not use grant funds to pay for food for conference attendees unless doing so is necessary to accomplish legitimate meeting or conference business.
 - A working lunch is an example of a cost for food that might be allowable under a Federal grant if attendance at the lunch is needed to ensure the full participation by conference attendees in essential discussions and speeches concerning the purpose of the conference and to achieve the goals and objectives of the project.
- A meeting or conference hosted by a grantee and charged to a Department grant must not be promoted as a U.S. Department of Education conference. This means that the seal of the U.S. Department of Education must not be used on conference materials or signage without Department approval.
 - All meeting or conference materials paid for with grant funds must include appropriate disclaimers, such as the following:

The contents of this (insert type of publication; e.g., book, report, film) were developed under a grant from the Department of Education. However, those contents do not necessarily represent the policy of the Department of Education, and you should not assume endorsement by the Federal Government.
- Grantees are strongly encouraged to contact their project officer with any questions or concerns about whether using grant funds for a meeting or conference is allowable prior to committing grant funds for such purposes.

- A short conversation could help avoid a costly and embarrassing mistake.
- Grantees are responsible for the proper use of their grant awards and may have to repay funds to the Department if they violate the rules on the use of grant funds, including the rules for meeting- and conference-related expenses.

9. Maximum Allowed Indirect Cost Rate: Identifies rate type - restricted, unrestricted, temporary, or de minimus; and cognizant authority (usually a federal agency) that approved the rate. When the program prohibits supplanting of non-federal funds, a restricted indirect cost rate with a cap of 8% must be used. (See 34 CFR 76.560-580.) For restricted rate programs, the 10% de minimus rate option does not apply to state and local governments or their sub-recipients. Without an approved rate, no indirect (i.e. overhead) expenses may be charged to the grant. LEAs and SAUs rates may be included as an attachment.
10. Terms and Conditions of Award – Requirements of the award that are binding upon the sub-recipient.

Signature of Authorizing Official – This sub-award is binding only when signed and dated by a State of New Hampshire official authorized by the federal government to award funds for this program.
