REQUESTED ACTION

Authorize the Department of Business and Economic Affairs, Division of Planning and Development, to award grants to the Regional Planning Commissions (RPC) listed on the attached document in the total amount not to exceed \$900,000 to support the Regional Housing Needs Assessment Program effective upon Governor and Executive Council approval through December 31, 2022. **100% Federal Funds**

ARP Regional Housing Needs Assessment		
072-500574 Grants Federal	\$450,000	\$450,000

EXPLANATION

This program will provide grants to Regional Planning Commissions (RPC) to complete assessments of the regional needs for the housing of persons and families at all income levels. Each RPC receiving a grant shall also complete a Fair Housing Equity Assessment to identify and describe factors that might be barring people from adequate housing in their region.

The RPC will use the grant to provide their region's specific housing needs. Understanding their unique housing requirements will be critical in advancing the statewide vision and planning needed to solve New Hampshire's housing shortage. This would allow adequate housing options, including affordable housing, to serve the needs and choices of New Hampshire citizens throughout their lifespans and are available within the state.

For the last several years, adequate affordable housing has been a challenge for New Hampshire. This challenge has been exacerbated by the pandemic. Completing Regional Housing Assessments at this time will provide critical regional information needed to determine where and what types of housing development activities are needed in each region of the state. This program will provide that information so that municipalities can meet regional housing needs in a coordinated and unified manner.

In the event that Federal funds become unavailable, no General Funds will be requested to support this program.

Respectfully submitted,

Taylor Caswell, Commissioner

The allowable purposes and use of funds are more specifically described in EXHIBIT A.

3. **EFFECTIVE DATE: COMPLETION OF GRANT.**

This Agreement, is entered into and authorized by the State's Joint Legislative Fiscal Committee and the Governor and Executive Council and all obligations of the parties hereunder shall become effective on the date of execution of this Agreement by the State ("the effective date").

Except as otherwise specifically provided herein, this Grant, including all activities and reports required by this Agreement, shall be completed in their entirety prior to December 31, 2022.

4. **GRANT AMOUNT: LIMITATION ON AMOUNT: VOUCHERS: PAYMENT.**

In accordance with the provisions set forth in EXHIBIT B, and in consideration of the satisfactory performance of the Grant, as determined by the State, the State shall pay the Grantee the Grant Amount.

The payment by the STATE of the Grant amount shall be the only, and the complete payment to the Grantee for all expenses, of whatever nature, incurred by the Grantee and claimed as allowable expenses under this Agreement. To the extent that the Grant amount does not cover all of the Grantee's allowable expenses, nothing in this Agreement shall be construed to limit the Grantee's ability to pursue other state or federal funding that may be available. However, under this Agreement, the State shall have no liabilities to the Grantee other than the Grant Amount.

Notwithstanding anything in this Agreement to the contrary, and notwithstanding unexpected circumstances, in no event shall the total of all payments authorized, or actually made, hereunder exceed the Grant limitation set forth in Paragraph 1.8 of these general provisions.

5. **COMPLIANCE BY GRANTEE WITH LAWS AND REGULATIONS.** In connection with the performance of the Grant, the Grantee shall comply with all statutes, laws, regulations, and orders of federal, State, county, or municipal authorities which shall impose any obligations or duty upon the Grantee,

The Grantee shall permit the State, the U.S. Department of Treasury or OMB to audit, examine, and reproduce such records, and to make audits of all contracts, invoices, materials, payrolls, personnel records, data, and other information relating to all matters covered by this Agreement. In the event of a reduction or termination of those funds, the State shall have the right to withhold payment until such funds become available, if ever, and shall have the right to terminate this Agreement immediately upon giving the Grantee notice of such termination.

9. EVENT OF DEFAULT: REMEDIES.

Any one or more of the following acts or omissions of the Grantee shall constitute an event of default hereunder (hereinafter referred to as "Events of Default"):

Failure to perform any of the other covenants and conditions of this Agreement.

Upon the occurrence of any Event of Default, the State may take any one, or more, or all, of the following actions:

Give the Grantee a written notice specifying the Event of Default and requiring it to be remedied within, in the absence of a greater or lesser specification of time, thirty (30) days from the date of the notice; and if the Event of Default is not timely remedied, terminate this Agreement, effective two (2) days after giving the Grantee notice of termination; and

Give the Grantee a written notice specifying the Event of Default and suspending all payments to be made under this Agreement and ordering that the portion of the Grant Amount which would otherwise accrue to the Grantee during the period from the date of such notice until such time as the State determines that the Grantee has cured the Event of Default shall never be paid to the Grantee;

Set off against any other obligation the State may owe to the Grantee any damages the State suffers by reason of any Event of Default;

Recoup from the Grantee, including by withholding any other payment of funds that becomes due to Grantee from the State, any payments under this Agreement that have been used in a manner contrary to the terms of this Agreement or the CLSFRF, H.R. 1319, Section 9901; and/or

The approval of such a Termination Report by the State shall in no event relieve the Grantee from any and all liability for damages sustained or incurred by the State as a result of the Grantee's breach of its obligations hereunder.

CERTIFICATION REGARDING DEBARMENT, SUSPENSION, AND OTHER RESPONSIBILITY MATTERS - PRIMARY COVERED TRANSACTIONS

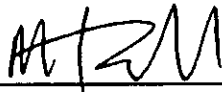

Instructions for Certification

- (1) By signing and submitting this Grant Agreement, the Grantee is providing the certification set out below.
- (2) The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. If necessary, the Grantee shall submit an explanation of why it cannot provide the certification. The certification or explanation will be considered in connection with the State determination whether to enter into this transaction. However, failure of the Grantee to furnish a certification or an explanation shall disqualify such person from participation in this transaction.
- (3) The certification in this clause is a material representation of fact upon which reliance was placed when the State determined to enter into this transaction. If it is later determined that the Grantee knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, State may terminate this transaction for cause or default.
- (4) The Grantee shall provide immediate written notice to State, to whom this Grant is submitted if at any time the Grantee learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
- (5) The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposal," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549: 45 CFR Part 76.
- (6) The Grantee agrees by submitting this Grant that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the State.
- (7) The Grantee further agrees by submitting this Grant that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transactions," provided by State, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
- (8) A Grantee in a covered transaction may rely upon a certification of Grantee in a lower tier covered transaction that it is not debarred, suspended, ineligible, or involuntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A Grantee may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Non-procurement List (of excluded parties).
- (9) Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a Grantee is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
- (10) Except for transactions authorized under paragraph 6 of these instructions, if a Grantee in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal government, State may terminate this transaction for cause or default.

Planning Comm. (hereinafter called the "Grantee") HEREBY AGREES to comply with Title VI of the Civil Rights Act of 1964 (Pub. L. 88-352), Title IX of the Education Amendments of 1972, as amended, (Pub. L. 92-318, Pub. L. 93-568, and Pub. L. 94-482), Section 504 of the Rehabilitation Act of 1973 (Pub. L. 93-112), the Age Discrimination Act of 1975 (Pub. L. 94-135), Title VIII of the Civil Rights Act of 1968 (Pub. L. 90-284). In accordance with the above laws and regulations issued pursuant thereto, the Grantee agrees to assure that no person in the United States shall, on the ground of race, color, national origin, sex, age, or disability, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity in which the Grantee receives Federal assistance.

Applicability and Period of Obligation

In the case of any service, financial aid, covered employment, equipment, property, or structure provided, leased, or improved with Federal assistance extended to the Grantee by the State with federal ARPA funds, this assurance obligates the Grantee for the period during which Federal assistance is extended. In the case of any transfer of such service, financial aid, equipment, property, or structure, this assurance obligates the transferee for the period during which Federal assistance is extended. If any personal property is so provided, this assurance obligates the Grantee for the period during which it retains ownership or possession of the property.

Employment Practices

Where a primary objective of the Federal assistance is to provide employment or where the Grantee's employment practices affect the delivery of services in programs or activities resulting from Federal assistance extended by the State, the Grantee agrees not to discriminate on the ground of race, color, national origin, sex, age, or disability, in its employment practices. Such employment practices may include, but are not limited to, recruitment, advertising, hiring, layoff or termination, promotion, demotion, transfer, rates of pay, training and participation in upward mobility programs; or other forms of compensation and use of facilities.

Subrecipient Assurance

The Grantee shall require any individual, organization, or other entity with whom it subcontracts, subgrants, or subleases for the purpose of providing any service, financial aid, equipment, property, or structure to comply with laws and regulations cited above. To this end, the subrecipient shall be required to sign a written assurance form; however, the obligation of both recipient and subrecipient to ensure compliance is not relieved by the collection or submission of written assurance forms.

Data Collection and Access to Records

The Grantee agrees to compile and maintain information pertaining to programs or activities developed as a result of the Grantee's receipt of Federal assistance from the State. Such information shall include, but is not limited to the following: (1) the manner in which services are or will be provided and related data necessary for determining whether any persons are or will be denied such services on the basis of prohibited discrimination; (2) the population eligible to be served by race, color, national origin, sex, age and disability; (3) data regarding covered employment including use or planned use of bilingual public contact employees serving beneficiaries of the program where necessary to permit effective participation by beneficiaries unable to speak or understand English; (4) the location of existing or proposed facilities connected with the program and related information adequate for determining whether the location has or will have the effect of unnecessarily denying access to any person on the basis of prohibited discrimination; and (5) the present or proposed membership by race, color, national origin, sex, age and disability in any planning or advisory body which is an integral part of the program.

The Grantee agrees to submit requested data to the State, the U.S. Department of Treasury or OMB regarding programs and activities developed by the Grantee from the use of ARPA funds extended by the State upon request. Facilities of the Grantee (including the physical plants, buildings, or other structures) and all records, books, accounts, and other sources of information pertinent to the Grantee's compliance with the civil rights laws shall be made available for inspection during normal business hours on request of an officer or employee of the State, the U.S. Department of Treasury or OMB specifically authorized to make such inspections.

This assurance is given in consideration of and for the purpose of obtaining any and all Federal grants, loans, contracts (excluding procurement contracts), property, discounts or other Federal assistance extended after the date hereof, to the Grantee by the State including installment payments on account after such data of application for Federal assistance which are approved before such date. The Grantee recognizes and agrees that such Federal assistance will be extended in reliance upon the representations and agreements made in this assurance, and that the United States shall have the right to seek judicial enforcement of this assurance. This assurance is binding on the Grantee, the successors, transferees, and assignees, as well as the person(s) whose signatures appear below and who are authorized to sign this assurance on behalf of the Grantee.

Notwithstanding anything in this Agreement to the contrary, all obligations of the State hereunder, including, without limitation, the continuance of payments hereunder, are contingent upon the availability or continued appropriation of funds, and in no event shall the State be liable for any payments hereunder in excess of such available or appropriated funds. In the event of a reduction or termination of those funds, the State shall have the right to withhold payment until such funds become available, if ever, and shall have the right to terminate this Agreement immediately upon giving the Grantee notice of such termination.

Failure to perform any of the other covenants and conditions of this Agreement.

Upon the occurrence of any Event of Default, the State may take any one, or more, or all, of the following actions:

Give the Grantee a written notice specifying the Event of Default and requiring it to be remedied within, in the absence of a greater or lesser specification of time, thirty (30) days from the date of the notice; and if the Event of Default is not timely remedied, terminate this Agreement, effective two (2) days after giving the Grantee notice of termination; and

Give the Grantee a written notice specifying the Event of Default and suspending all payments to be made under this Agreement and ordering that the portion of the Grant Amount which would otherwise accrue to the Grantee during the period from the date of such notice until such time as the State determines that the Grantee has cured the Event of Default shall never be paid to the Grantee;

Set off against any other obligation the State may owe to the Grantee any damages the State suffers by reason of any Event of Default;

Recoup from the Grantee, including by withholding any other payment of funds that becomes due to Grantee from the State, any payments under this Agreement that have been used in a manner contrary to the terms of this Agreement or the CLSFRF, H.R. 1319, Section 9901; and/or

In the event of Termination under paragraph 9 of these general provisions, the approval of such a Termination Report by the State shall entitle the Grantee to retain the portion of the Grant amount earned up to and including the date of termination.

The approval of such a Termination Report by the State shall in no event relieve the Grantee from any and all liability for damages sustained or incurred by the State as a result of the Grantee's breach of its obligations hereunder.

Notwithstanding anything in this Agreement to the contrary, either the State or, except where notice default has been given to the Grantee hereunder, the Grantee, may terminate this Agreement without cause upon thirty (30) days written notice.

Notwithstanding the foregoing, nothing herein contained shall be deemed to constitute a waiver of the sovereign immunity of the State, which immunity is hereby reserved to the State. This covenant shall survive the termination of this Agreement.

15. **INSURANCE AND BOND.**

The Grantee shall, at its own expense, obtain and maintain in force, the following insurance: Statutory workmen's compensation and employees liability insurance for all employees engaged in the performance of the Grant; and Comprehensive public liability insurance against all claims of bodily injuries, death or property damage, in amounts not less than \$1,000,000 per occurrence and \$2,000,000 aggregate for bodily injury or death in any one incident, and \$500,000 for property damage in any one incident; and

No express waiver of any Event of Default shall be deemed a waiver of any provisions hereof. No such failure of waiver shall be deemed a waiver of the right of the State to enforce each and all of the provisions hereof upon any further or other default on the part of the Grantee.

17. **NOTICE.** Any notice by a party hereto to the other party shall be deemed to have been duly delivered or given at the time of mailing by certified mail, postage prepaid, by United States Mail, addressed to the parties at the addresses first above given.

If necessary, the Grantee shall submit an explanation of why it cannot provide the certification. LRPC (hereinafter called the "Grantee") HEREBY AGREES to comply with Title VI of the Civil Rights Act of 1964 (Pub. L. 88-352), Title IX of the Education Amendments of 1972, as amended, (Pub. L. 92-318, Pub. L. 93-568, and Pub. L. 94-482), Section 504 of the Rehabilitation Act of 1973 (Pub. L. 93-112), the Age Discrimination Act of 1975 (Pub. L. 94-135), Title VIII of the Civil Rights Act of 1968 (Pub. L. 90-284). In accordance with the above laws and regulations issued pursuant thereto, the Grantee agrees to assure that no person in the United States shall, on the ground of race, color, national origin, sex, age, or disability, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity in which the Grantee receives Federal assistance.

Applicability and Period of Obligation

In the case of any service, financial aid, covered employment, equipment, property, or structure provided, leased, or improved with Federal assistance extended to the Grantee by the State with federal ARPA funds, this assurance obligates the Grantee for the period during which Federal assistance is extended. In the case of any transfer of such service, financial aid, equipment, property, or structure, this assurance obligates the transferee for the period during which Federal assistance is extended. If any personal property is so provided, this assurance obligates the Grantee for the period during which it retains ownership or possession of the property.

Employment Practices

Where a primary objective of the Federal assistance is to provide employment or where the Grantee's employment practices affect the delivery of services in programs or activities resulting from Federal assistance extended by the State, the Grantee agrees not to discriminate on the ground of race, color, national origin, sex, age, or disability, in its employment practices. Such employment practices may include, but are not limited to, recruitment, advertising, hiring, layoff or termination, promotion, demotion, transfer, rates of pay, training and participation in upward mobility programs; or other forms of compensation and use of facilities.

Subrecipient Assurance

The Grantee shall require any individual, organization, or other entity with whom it subcontracts, subgrants, or subleases for the purpose of providing any service, financial aid, equipment, property, or structure to comply with laws and regulations cited above. To this end, the subrecipient shall be required to sign a written assurance form; however, the obligation of both recipient and subrecipient to ensure compliance is not relieved by the collection or submission of written assurance forms.

Data Collection and Access to Records

The Grantee agrees to compile and maintain information pertaining to programs or activities developed as a result of the Grantee's receipt of Federal assistance from the State. Such information shall include, but is not limited to the following: (1) the manner in which services are or will be provided and related data necessary for determining whether any persons are or will be denied such services on the basis of prohibited discrimination; (2) the population eligible to be served by race, color, national origin, sex, age and disability; (3) data regarding covered employment including use or planned use of bilingual public contact employees serving beneficiaries of the program where necessary to permit effective participation by beneficiaries unable to speak or understand English; (4) the location of existing or proposed facilities connected with the program and related information adequate for determining whether the location has or will have the effect of unnecessarily denying access to any person on the basis of prohibited discrimination; and (5) the present or proposed membership by race, color, national origin, sex, age and disability in any planning or advisory body which is an integral part of the program.

The Grantee agrees to submit requested data to the State, the U.S. Department of Treasury or OMB regarding programs and activities developed by the Grantee from the use of ARPA funds extended by the State upon request. Facilities of the Grantee (including the physical plants, buildings, or other structures) and all records, books, accounts, and other sources of information pertinent to the Grantee's compliance with the civil rights laws shall be made available for inspection during normal business hours on request of an officer or employee of the State, the U.S. Department of Treasury or OMB specifically authorized to make such inspections.

This assurance is given in consideration of and for the purpose of obtaining any and all Federal grants, loans, contracts (excluding procurement contracts), property, discounts or other Federal assistance extended after the date hereof, to the Grantee by the State including installment payments on account after such date of application for Federal assistance which are approved before such date. The Grantee recognizes and agrees that such Federal assistance will be extended in reliance upon the representations and agreements made in this assurance, and that the United States shall have the right to seek judicial enforcement of this assurance. This assurance is binding on the Grantee, the successors, transferees, and assignees, as well as the person(s) whose signatures appear below and who are authorized to sign this assurance on behalf of the Grantee.

The allowable purposes and use of funds are more specifically described in EXHIBIT A.

3. **EFFECTIVE DATE: COMPLETION OF GRANT.**

This Agreement, is entered into and authorized by the State's Joint Legislative Fiscal Committee and the Governor and Executive Council and all obligations of the parties hereunder shall become effective on the date of execution of this Agreement by the State ("the effective date").

Except as otherwise specifically provided herein, this Grant, including all activities and reports required by this Agreement, shall be completed in their entirety prior to December 31, 2022.

4. **GRANT AMOUNT: LIMITATION ON AMOUNT: VOUCHERS: PAYMENT.**

The Grant Amount is identified in paragraph 1.8 and is more particularly described in EXHIBIT B, attached hereto. The manner of, and schedule of payment shall be as set forth in EXHIBIT B.

In accordance with the provisions set forth in EXHIBIT B, and in consideration of the satisfactory performance of the Grant, as determined by the State, the State shall pay the Grantee the Grant Amount.

The payment by the STATE of the Grant amount shall be the only, and the complete payment to the Grantee for all expenses, of whatever nature, incurred by the Grantee and claimed as allowable expenses under this Agreement. To the extent that the Grant amount does not cover all of the Grantee's allowable expenses, nothing in this Agreement shall be construed to limit the Grantee's ability to pursue other state or federal funding that may be available. However, under this Agreement, the State shall have no liabilities to the Grantee other than the Grant Amount.

Notwithstanding anything in this Agreement to the contrary, and notwithstanding unexpected circumstances, in no event shall the total of all payments authorized, or actually made, hereunder exceed the Grant limitation set forth in Paragraph 1.8 of these general provisions.

5. **COMPLIANCE BY GRANTEE WITH LAWS AND REGULATIONS.** In connection with the performance of the Grant, the Grantee shall comply with all statutes, laws, regulations, and orders of federal, State, county, or municipal authorities which shall impose any obligations or duty upon the Grantee,

Such accounts shall be supported by receipts, invoices, bills and other similar documents.

Between the Effective Date and the date five (5) years after the Completion Date, at any time during the Grantee's normal business hours, and as often as the State, the U.S. Department of Treasury or OMB shall demand, the Grantee shall make available to the State, the U.S. Department of Treasury or OMB all records pertaining to matters covered by this Agreement. The Grantee shall permit the State, the U.S. Department of Treasury or OMB to audit, examine, and reproduce such records, and to make audits of all contracts, invoices, materials, payrolls, personnel records, data, and other information relating to all matters covered by this Agreement. 8. CONDITIONAL NATURE OF AGREEMENT. Notwithstanding anything in this Agreement to the contrary, all obligations of the State hereunder, including, without limitation, the continuance of payments hereunder, are contingent upon the availability or continued appropriation of funds, and in no event shall the State be liable for any payments hereunder in excess of such available or appropriated funds. In the event of a reduction or termination of those funds, the State shall have the right to withhold payment until such funds become available, if ever, and shall have the right to terminate this Agreement immediately upon giving the Grantee notice of such termination.

9. EVENT OF DEFAULT: REMEDIES.

Any one or more of the following acts or omissions of the Grantee shall constitute an event of default hereunder (hereinafter referred to as "Events of Default"):

Failure to perform the Grant satisfactorily or on schedule;

Failure to submit any report required hereunder;

Failure to maintain, or permit access to, the records required hereunder; or

Failure to perform any of the other covenants and conditions of this Agreement.

Upon the occurrence of any Event of Default, the State may take any one, or more, or all, of the following actions:

Give the Grantee a written notice specifying the Event of Default and requiring it to be remedied within, in the absence of a greater or lesser specification of time, thirty (30) days from the date of the notice; and if the Event of Default is not timely remedied, terminate this Agreement, effective two (2) days after giving the Grantee notice of termination; and

Give the Grantee a written notice specifying the Event of Default and suspending all payments to be made under this Agreement and ordering that the portion of the Grant Amount which would otherwise accrue to the Grantee during the period from the date of such notice until such time as the State determines that the Grantee has cured the Event of Default shall never be paid to the Grantee;

Set off against any other obligation the State may owe to the Grantee any damages the State suffers by reason of any Event of Default;

Recoup from the Grantee, including by withholding any other payment of funds that becomes due to Grantee from the State, any payments under this Agreement that have been used in a manner contrary to the terms of this Agreement or the CLSFRF, H.R. 1319, Section 9901; and/or

Treat the Agreement as breached and pursue any of its remedies at law or in equity, or both.

In the event of any early termination of this Agreement for any reason other than the completion of the Grant, the Grantee shall deliver to the Grant Officer, not later than fifteen (15) days after the date of termination, a report (hereinafter referred to as the "Termination Report") describing in detail all Grant expenses reimbursed, and the Grant Amount earned, to and including the date of termination.

In the event of Termination under paragraph 9 of these general provisions, the approval of such a Termination Report by the State shall entitle the Grantee to retain the portion of the Grant amount earned up to and including the date of termination.

The approval of such a Termination Report by the State shall in no event relieve the Grantee from any and all liability for damages sustained or incurred by the State as a result of the Grantee's breach of its obligations hereunder.

Notwithstanding anything in this Agreement to the contrary, either the State or, except where notice default has been given to the Grantee hereunder, the Grantee, may terminate this Agreement without cause upon thirty (30) days written notice.

11. CONFLICT OF INTEREST. No officer, member or employee of the Grantee, and no representative, officer or employee of the State of New Hampshire or of the governing body of the locality or localities in which the Grant is to be performed, who exercises any functions or responsibilities in the review or approval

of the undertaking or carrying out of such Grant, shall participate in any decision relating to this Agreement which affects his or her personal interest or the interest of any corporation, partnership, or association in which he or she is directly or indirectly interested, nor shall he or she have any personal or pecuniary interest, direct or indirect, in this Agreement or the proceeds thereof.

13. ASSIGNMENT AND SUBCONTRACTS. The Grantee shall not assign, or otherwise transfer any interest in this Agreement without the prior written consent of the State.

14. INDEMNIFICATION. The Grantee shall defend, indemnify and hold harmless the State, its officers and employees, from and against any and all losses suffered by the State, its officers and employees, and any and all claims, liabilities or penalties asserted against the State, its officers and employees, by or on behalf of any person, on account of, based on, resulting from, arising out of (or which may be claimed to arise out of) the acts or omissions of the Grantee or subcontractor, or subgrantee or other agent of the Grantee. Notwithstanding the foregoing, nothing herein contained shall be deemed to constitute a waiver of the sovereign immunity of the State, which immunity is hereby reserved to the State. This covenant shall survive the termination of this Agreement.

15. INSURANCE AND BOND.

The Grantee shall, at its own expense, obtain and maintain in force, the following insurance: Statutory workmen's compensation and employees liability insurance for all employees engaged in the performance of the Grant; and Comprehensive public liability insurance against all claims of bodily injuries, death or property damage, in amounts not less than \$1,000,000 per occurrence and \$2,000,000 aggregate for bodily injury or death in any one incident, and \$500,000 for property damage in any one incident; and

The policies shall be the standard form employed in the State of New Hampshire, issued by underwriters acceptable to the State and authorized to do business in the State of New Hampshire.

16. WAIVER OF BREACH. No failure by the State to enforce any provisions hereof after any Event of Default shall be deemed a waiver of its rights with regard to that Event, or any subsequent Event. No express waiver of any Event of Default shall be deemed a waiver of any provisions hereof. No such failure of waiver shall be deemed a waiver of the right of the State to enforce each and all of the provisions hereof upon any further or other default on the part of the Grantee.

17. NOTICE. Any notice by a party hereto to the other party shall be deemed to have been duly delivered or given at the time of mailing by certified mail, postage prepaid, by United States Mail, addressed to the parties at the addresses first above given.

Instructions for Certification

- (1) By signing and submitting this Grant Agreement, the Grantee is providing the certification set out below.
- (2) The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. If necessary, the Grantee shall submit an explanation of why it cannot provide the certification. The certification or explanation will be considered in connection with the State determination whether to enter into this transaction. However, failure of the Grantee to furnish a certification or an explanation shall disqualify such person from participation in this transaction.
- (3) The certification in this clause is a material representation of fact upon which reliance was placed when the State determined to enter into this transaction. If it is later determined that the Grantee knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, State may terminate this transaction for cause or default.

Each participant may, but is not required to, check the Non-procurement List (of excluded parties).

- (10) Except for transactions authorized under paragraph 6 of these instructions, if a Grantee in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal government, State may terminate this transaction for cause or default.

However, under this Agreement, the State shall have no liabilities to the Grantee other than the Grant Amount.

Notwithstanding anything in this Agreement to the contrary, and notwithstanding unexpected circumstances, in no event shall the total of all payments authorized, or actually made, hereunder exceed the Grant limitation set forth in Paragraph 1.8 of these general provisions.

Give the Grantee a written notice specifying the Event of Default and requiring it to be remedied within, in the absence of a greater or lesser specification of time, thirty (30) days from the date of the notice; and if the Event of Default is not timely remedied, terminate this Agreement, effective two (2) days after giving the Grantee notice of termination; and

Give the Grantee a written notice specifying the Event of Default and suspending all payments to be made under this Agreement and ordering that the portion of the Grant Amount which would otherwise accrue to the Grantee during the period from the date of such notice until such time as the State determines that the Grantee has cured the Event of Default shall never be paid to the Grantee;

CERTIFICATION REGARDING DEBARMENT, SUSPENSION, AND OTHER RESPONSIBILITY MATTERS - PRIMARY COVERED TRANSACTIONS

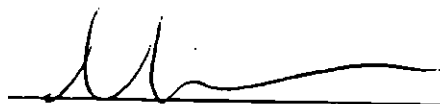

Instructions for Certification

- (1) By signing and submitting this Grant Agreement, the Grantee is providing the certification set out below.
- (2) The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. If necessary, the Grantee shall submit an explanation of why it cannot provide the certification. The certification or explanation will be considered in connection with the State determination whether to enter into this transaction. However, failure of the Grantee to furnish a certification or an explanation shall disqualify such person from participation in this transaction.
- (3) The certification in this clause is a material representation of fact upon which reliance was placed when the State determined to enter into this transaction. If it is later determined that the Grantee knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, State may terminate this transaction for cause or default.
- (4) The Grantee shall provide immediate written notice to State, to whom this Grant is submitted if at any time the Grantee learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
- (5) The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposal," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549: 45 CFR Part 76.
- (6) The Grantee agrees by submitting this Grant that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the State.
- (7) The Grantee further agrees by submitting this Grant that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transactions," provided by State, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
- (8) A Grantee in a covered transaction may rely upon a certification of Grantee in a lower tier covered transaction that it is not debarred, suspended, ineligible, or involuntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A Grantee may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Non-procurement List (of excluded parties).
- (9) Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a Grantee is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
- (10) Except for transactions authorized under paragraph 6 of these instructions, if a Grantee in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal government, State may terminate this transaction for cause or default.

Norron County Council (hereinafter called the "Grantee") HEREBY AGREES to comply with Title VI of the Civil Rights Act of 1964 (Pub. L. 88-352), Title IX of the Education Amendments of 1972, as amended, (Pub. L. 92-318, Pub. L. 93-568, and Pub. L. 94-482), Section 504 of the Rehabilitation Act of 1973 (Pub. L. 93-112), the Age Discrimination Act of 1975 (Pub. L. 94-135), Title VIII of the Civil Rights Act of 1968 (Pub. L. 90-284). In accordance with the above laws and regulations issued pursuant thereto, the Grantee agrees to assure that no person in the United States shall, on the ground of race, color, national origin, sex, age, or disability, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity in which the Grantee receives Federal assistance.

Applicability and Period of Obligation

In the case of any service, financial aid, covered employment, equipment, property, or structure provided, leased, or improved with Federal assistance extended to the Grantee by the State with federal ARPA funds, this assurance obligates the Grantee for the period during which Federal assistance is extended. In the case of any transfer of such service, financial aid, equipment, property, or structure, this assurance obligates the transferee for the period during which Federal assistance is extended. If any personal property is so provided, this assurance obligates the Grantee for the period during which it retains ownership or possession of the property.

Where a primary objective of the Federal assistance is to provide employment or where the Grantee's employment practices affect the delivery of services in programs or activities resulting from Federal assistance extended by the State, the Grantee agrees not to discriminate on the ground of race, color, national origin, sex, age, or disability, in its employment practices. Such employment practices may include, but are not limited to, recruitment, advertising, hiring, layoff or termination, promotion, demotion, transfer, rates of pay, training and participation in upward mobility programs; or other forms of compensation and use of facilities.

Subrecipient Assurance

The Grantee shall require any individual, organization, or other entity with whom it subcontracts, subgrants, or subleases for the purpose of providing any service, financial aid, equipment, property, or structure to comply with laws and regulations cited above. To this end, the subrecipient shall be required to sign a written assurance form; however, the obligation of both recipient and subrecipient to ensure compliance is not relieved by the collection or submission of written assurance forms.

Data Collection and Access to Records

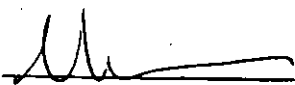

The Grantee agrees to compile and maintain information pertaining to programs or activities developed as a result of the Grantee's receipt of Federal assistance from the State. Such information shall include, but is not limited to the following: (1) the manner in which services are or will be provided and related data necessary for determining whether any persons are or will be denied such services on the basis of prohibited discrimination; (2) the population eligible to be served by race, color, national origin, sex, age and disability; (3) data regarding covered employment including use or planned use of bilingual public contact employees serving beneficiaries of the program where necessary to permit effective participation by beneficiaries unable to speak or understand English; (4) the location of existing or proposed facilities connected with the program and related information adequate for determining whether the location has or will have the effect of unnecessarily denying access to any person on the basis of prohibited discrimination; and (5) the present or proposed membership by race, color, national origin, sex, age and disability in any planning or advisory body which is an integral part of the program.

The Grantee agrees to submit requested data to the State, the U.S. Department of Treasury or OMB regarding programs and activities developed by the Grantee from the use of ARPA funds extended by the State upon request. Facilities of the Grantee (including the physical plants, buildings, or other structures) and all records, books, accounts, and other sources of information pertinent to the Grantee's compliance with the civil rights laws shall be made available for inspection during normal business hours on request of an officer or employee of the State, the U.S. Department of Treasury or OMB specifically authorized to make such inspections.

This assurance is given in consideration of and for the purpose of obtaining any and all Federal grants, loans, contracts (excluding procurement contracts), property, discounts or other Federal assistance extended after the date hereof, to the Grantee by the State including installment payments on account after such data of application for Federal assistance which are approved before such date. The Grantee recognizes and agrees that such Federal assistance will be extended in reliance upon the representations and agreements made in this assurance, and that the United States shall have the right to seek judicial enforcement of this assurance. This assurance is binding on the Grantee, the successors, transferees, and assignees, as well as the person(s) whose signatures appear below and who are authorized to sign this assurance on behalf of the Grantee.

In accordance with the above laws and regulations issued pursuant thereto, the Grantee agrees to assure that no person in the United States shall, on the ground of race, color, national origin, sex, age, or disability, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity in which the Grantee receives Federal assistance.

Applicability and Period of Obligation

In the case of any service, financial aid, covered employment, equipment, property, or structure provided, leased, or improved with Federal assistance extended to the Grantee by the State with federal ARPA funds, this assurance obligates the Grantee for the period during which Federal assistance is extended. In the case of any transfer of such service, financial aid, equipment, property, or structure, this assurance obligates the transferee for the period during which Federal assistance is extended. If any personal property is so provided, this assurance obligates the Grantee for the period during which it retains ownership or possession of the property.

Employment Practices

Where a primary objective of the Federal assistance is to provide employment or where the Grantee's employment practices affect the delivery of services in programs or activities resulting from Federal assistance extended by the State, the Grantee agrees not to discriminate on the ground of race, color, national origin, sex, age, or disability, in its employment practices. Such employment practices may include, but are not limited to, recruitment, advertising, hiring, layoff or termination, promotion, demotion, transfer, rates of pay, training and participation in upward mobility programs; or other forms of compensation and use of facilities.

Subrecipient Assurance

The Grantee shall require any individual, organization, or other entity with whom it subcontracts, subgrants, or subleases for the purpose of providing any service, financial aid, equipment, property, or structure to comply with laws and regulations cited above. To this end, the subrecipient shall be required to sign a written assurance form; however, the obligation of both recipient and subrecipient to ensure compliance is not relieved by the collection or submission of written assurance forms.

Data Collection and Access to Records

The Grantee agrees to compile and maintain information pertaining to programs or activities developed as a result of the Grantee's receipt of Federal assistance from the State. Such information shall include, but is not limited to the following: (1) the manner in which services are or will be provided and related data necessary for determining whether any persons are or will be denied such services on the basis of prohibited discrimination; (2) the population eligible to be served by race, color, national origin, sex, age and disability; (3) data regarding covered employment including use or planned use of bilingual public contact employees serving beneficiaries of the program where necessary to permit effective participation by beneficiaries unable to speak or understand English; (4) the location of existing or proposed facilities connected with the program and related information adequate for determining whether the location has or will have the effect of unnecessarily denying access to any person on the basis of prohibited discrimination; and (5) the present or proposed membership by race, color, national origin, sex, age and disability in any planning or advisory body which is an integral part of the program.

The Grantee agrees to submit requested data to the State, the U.S. Department of Treasury or OMB regarding programs and activities developed by the Grantee from the use of ARPA funds extended by the State upon request. Facilities of the Grantee (including the physical plants, buildings, or other structures) and all records, books, accounts, and other sources of information pertinent to the Grantee's compliance with the civil rights laws shall be made available for inspection during normal business hours on request of an officer or employee of the State, the U.S. Department of Treasury or OMB specifically authorized to make such inspections.

This assurance is given in consideration of and for the purpose of obtaining any and all Federal grants, loans, contracts (excluding procurement contracts), property, discounts or other Federal assistance extended after the date hereof, to the Grantee by the State including installment payments on account after such data of application for Federal assistance which are approved before such date. The Grantee recognizes and agrees that such Federal assistance will be extended in reliance upon the representations and agreements made in this assurance, and that the United States shall have the right to seek judicial enforcement of this assurance. This assurance is binding on the Grantee, the successors, transferees, and assignees, as well as the person(s) whose signatures appear below and who are authorized to sign this assurance on behalf of the Grantee.

Grantee Certification

The Grantee certifies that it has complied, or that, within 90 days of the date of the grant, it will comply with all applicable requirements of 10 C.F.R. § 1040.5 (a copy will be furnished to the Grantee upon written request to the State).

The allowable purposes and use of funds are more specifically described in EXHIBIT A.

3. **EFFECTIVE DATE: COMPLETION OF GRANT.**

This Agreement, is entered into and authorized by the State's Joint Legislative Fiscal Committee and the Governor and Executive Council and all obligations of the parties hereunder shall become effective on the date of execution of this Agreement by the State ("the effective date").

Except as otherwise specifically provided herein, this Grant, including all activities and reports required by this Agreement, shall be completed in their entirety prior to December 31, 2022.

4. **GRANT AMOUNT: LIMITATION ON AMOUNT: VOUCHERS: PAYMENT.**

The Grant Amount is identified in paragraph 1.8 and is more particularly described in EXHIBIT B, attached hereto. The manner of, and schedule of payment shall be as set forth in EXHIBIT B.

In accordance with the provisions set forth in EXHIBIT B, and in consideration of the satisfactory performance of the Grant, as determined by the State, the State shall pay the Grantee the Grant Amount.

The payment by the STATE of the Grant amount shall be the only, and the complete payment to the Grantee for all expenses, of whatever nature, incurred by the Grantee and claimed as allowable expenses under this Agreement. To the extent that the Grant amount does not cover all of the Grantee's allowable expenses, nothing in this Agreement shall be construed to limit the Grantee's ability to pursue other state or federal funding that may be available. However, under this Agreement, the State shall have no liabilities to the Grantee other than the Grant Amount.

Notwithstanding anything in this Agreement to the contrary, and notwithstanding unexpected circumstances, in no event shall the total of all payments authorized, or actually made, hereunder exceed the Grant limitation set forth in Paragraph 1.8 of these general provisions.

5. **COMPLIANCE BY GRANTEE WITH LAWS AND REGULATIONS.** In connection with the performance of the Grant, the Grantee shall comply with all statutes, laws, regulations, and orders of federal, State, county, or municipal authorities which shall impose any obligations or duty upon the Grantee,

Such accounts shall be supported by receipts, invoices, bills and other similar documents.

Between the Effective Date and the date five (5) years after the Completion Date, at any time during the Grantee's normal business hours, and as often as the State, the U.S. Department of Treasury or OMB shall demand, the Grantee shall make available to the State, the U.S. Department of Treasury or OMB all records pertaining to matters covered by this Agreement. The Grantee shall permit the State, the U.S. Department of Treasury or OMB to audit, examine, and reproduce such records, and to make audits of all contracts, invoices, materials, payrolls, personnel records, data, and other information relating to all matters covered by this Agreement. As used in this paragraph, "Grantee" includes all persons, natural or fictional, affiliated with, controlled by, or under common ownership with, the entity identified as the Grantee in Paragraph 1.3 of these provisions

8. CONDITIONAL NATURE OF AGREEMENT. Notwithstanding anything in this Agreement to the contrary, all obligations of the State hereunder, including, without limitation, the continuance of payments hereunder, are contingent upon the availability or continued appropriation of funds, and in no event shall the State be liable for any payments hereunder in excess of such available or appropriated funds. In the event of a reduction or termination of those funds, the State shall have the right to withhold payment until such funds become available, if ever, and shall have the right to terminate this Agreement immediately upon giving the Grantee notice of such termination.

9. EVENT OF DEFAULT: REMEDIES.

Any one or more of the following acts or omissions of the Grantee shall constitute an event of default hereunder (hereinafter referred to as "Events of Default"):

Failure to perform the Grant satisfactorily or on schedule;

Failure to submit any report required hereunder;

Failure to maintain, or permit access to, the records required hereunder; or

Failure to perform any of the other covenants and conditions of this Agreement.

Upon the occurrence of any Event of Default, the State may take any one, or more, or all, of the following actions:

Give the Grantee a written notice specifying the Event of Default and requiring it to be remedied within, in the absence of a greater or lesser specification of time, thirty (30) days from the date of the notice; and if the Event of Default is not timely remedied, terminate this Agreement, effective two (2) days after giving the Grantee notice of termination; and

Give the Grantee a written notice specifying the Event of Default and suspending all payments to be made under this Agreement and ordering that the portion of the Grant Amount which would otherwise accrue to the Grantee during the period from the date of such notice until such time as the State determines that the Grantee has cured the Event of Default shall never be paid to the Grantee;

Set off against any other obligation the State may owe to the Grantee any damages the State suffers by reason of any Event of Default;

Recoup from the Grantee, including by withholding any other payment of funds that becomes due to Grantee from the State, any payments under this Agreement that have been used in a manner contrary to the terms of this Agreement or the CLSFRF, H.R. 1319, Section 9901; and/or

Treat the Agreement as breached and pursue any of its remedies at law or in equity, or both.

10. TERMINATION.

In the event of any early termination of this Agreement for any reason other than the completion of the Grant, the Grantee shall deliver to the Grant Officer, not later than fifteen (15) days after the date of termination, a report (hereinafter referred to as the "Termination Report") describing in detail all Grant expenses reimbursed, and the Grant Amount earned, to and including the date of termination.

In the event of Termination under paragraph 9 of these general provisions, the approval of such a Termination Report by the State shall entitle the Grantee to retain the portion of the Grant amount earned up to and including the date of termination.

The approval of such a Termination Report by the State shall in no event relieve the Grantee from any and all liability for damages sustained or incurred by the State as a result of the Grantee's breach of its obligations hereunder.

Notwithstanding anything in this Agreement to the contrary, either the State or, except where notice default has been given to the Grantee hereunder, the Grantee, may terminate this Agreement without cause upon thirty (30) days written notice.

11. CONFLICT OF INTEREST. No officer, member or employee of the Grantee, and no representative, officer or employee of the State of New Hampshire or of the governing body of the locality or localities in which the Grant is to be performed, who exercises any functions or responsibilities in the review or approval

of the undertaking or carrying out of such Grant, shall participate in any decision relating to this Agreement which affects his or her personal interest or the interest of any corporation, partnership, or association in which he or she is directly or indirectly interested, nor shall he or she have any personal or pecuniary interest, direct or indirect, in this Agreement or the proceeds thereof.

Notwithstanding the foregoing, nothing herein contained shall be deemed to constitute a waiver of the sovereign immunity of the State, which immunity is hereby reserved to the State. This covenant shall survive the termination of this Agreement.

15. INSURANCE AND BOND.

The Grantee shall, at its own expense, obtain and maintain in force, the following insurance: Statutory workmen's compensation and employees liability insurance for all employees engaged in the performance of the Grant; and Comprehensive public liability insurance against all claims of bodily injuries, death or property damage, in amounts not less than \$1,000,000 per occurrence and \$2,000,000 aggregate for bodily injury or death in any one incident, and \$500,000 for property damage in any one incident; and

The policies shall be the standard form employed in the State of New Hampshire, issued by underwriters acceptable to the State and authorized to do business in the State of New Hampshire.

16. WAIVER OF BREACH. No failure by the State to enforce any provisions hereof after any Event of Default shall be deemed a waiver of its rights with regard to that Event, or any subsequent Event. No express waiver of any Event of Default shall be deemed a waiver of any provisions hereof. No such failure of waiver shall be deemed a waiver of the right of the State to enforce each and all of the provisions hereof upon any further or other default on the part of the Grantee.

17. NOTICE. Any notice by a party hereto to the other party shall be deemed to have been duly delivered or given at the time of mailing by certified mail, postage prepaid, by United States Mail, addressed to the parties at the addresses first above given.

However, under this Agreement, the State shall have no liabilities to the Grantee other than the Grant Amount.

Notwithstanding anything in this Agreement to the contrary, and notwithstanding unexpected circumstances, in no event shall the total of all payments authorized, or actually made, hereunder exceed the Grant limitation set forth in Paragraph 1.8 of these general provisions.

Give the Grantee a written notice specifying the Event of Default and suspending all payments to be made under this Agreement and ordering that the portion of the Grant Amount which would otherwise accrue to the Grantee during the period from the date of such notice until such time as the State determines that the Grantee has cured the Event of Default shall never be paid to the Grantee;

The approval of such a Termination Report by the State shall in no event relieve the Grantee from any and all liability for damages sustained or incurred by the State as a result of the Grantee's breach of its obligations hereunder.

CERTIFICATION REGARDING DEBARMENT, SUSPENSION, AND OTHER RESPONSIBILITY MATTERS - PRIMARY COVERED TRANSACTIONS

Instructions for Certification

- (1) By signing and submitting this Grant Agreement, the Grantee is providing the certification set out below.
- (2) The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. If necessary, the Grantee shall submit an explanation of why it cannot provide the certification. The certification or explanation will be considered in connection with the State determination whether to enter into this transaction. However, failure of the Grantee to furnish a certification or an explanation shall disqualify such person from participation in this transaction.
- (3) The certification in this clause is a material representation of fact upon which reliance was placed when the State determined to enter into this transaction. If it is later determined that the Grantee knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, State may terminate this transaction for cause or default.
- (4) The Grantee shall provide immediate written notice to State, to whom this Grant is submitted if at any time the Grantee learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

- (8) A Grantee in a covered transaction may rely upon a certification of Grantee in a lower tier covered transaction that it is not debarred, suspended, ineligible, or involuntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A Grantee may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Non-procurement List (of excluded parties).
- (9) Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a Grantee is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
- (10) Except for transactions authorized under paragraph 6 of these instructions, if a Grantee in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal government, State may terminate this transaction for cause or default.

Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to the Office of Management and Budget (OMB), Paperwork Reduction Project (1910-0400), Washington, DC 20503.

Strafford Regional Planning (hereinafter called the "Grantee") HEREBY AGREES to comply with Title VI of the Civil Rights Act of 1964 (Pub. L. 88-352), Title IX of the Education Amendments of 1972, as amended, (Pub. L. 92-318, Pub. L. 93-568, and Pub. L. 94-482), Section 504 of the Rehabilitation Act of 1973 (Pub. L. 93-112), the Age Discrimination Act of 1975 (Pub. L. 94-135), Title VIII of the Civil Rights Act of 1968 (Pub. L. 90-284). In accordance with the above laws and regulations issued pursuant thereto, the Grantee agrees to assure that no person in the United States shall, on the ground of race, color, national origin, sex, age, or disability, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity in which the Grantee receives Federal assistance.

Applicability and Period of Obligation

In the case of any service, financial aid, covered employment, equipment, property, or structure provided, leased, or improved with Federal assistance extended to the Grantee by the State with federal ARPA funds, this assurance obligates the Grantee for the period during which Federal assistance is extended. In the case of any transfer of such service, financial aid, equipment, property, or structure, this assurance obligates the transferee for the period during which Federal assistance is extended. If any personal property is so provided, this assurance obligates the Grantee for the period during which it retains ownership or possession of the property.

Employment Practices

Where a primary objective of the Federal assistance is to provide employment or where the Grantee's employment practices affect the delivery of services in programs or activities resulting from Federal assistance extended by the State, the Grantee agrees not to discriminate on the ground of race, color, national origin, sex, age, or disability, in its employment practices. Such employment practices may include, but are not limited to, recruitment, advertising, hiring, layoff or termination, promotion, demotion, transfer, rates of pay, training and participation in upward mobility programs; or other forms of compensation and use of facilities.

Subrecipient Assurance

The Grantee shall require any individual, organization, or other entity with whom it subcontracts, subgrants, or subleases for the purpose of providing any service, financial aid, equipment, property, or structure to comply with laws and regulations cited above. To this end, the subrecipient shall be required to sign a written assurance form; however, the obligation of both recipient and subrecipient to ensure compliance is not relieved by the collection or submission of written assurance forms.

Data Collection and Access to Records

The Grantee agrees to compile and maintain information pertaining to programs or activities developed as a result of the Grantee's receipt of Federal assistance from the State. Such information shall include, but is not limited to the following: (1) the manner in which services are or will be provided and related data necessary for determining whether any persons are or will be denied such services on the basis of prohibited discrimination; (2) the population eligible to be served by race, color, national origin, sex, age and disability; (3) data regarding covered employment including use or planned use of bilingual public contact employees serving beneficiaries of the program where necessary to permit effective participation by beneficiaries unable to speak or understand English; (4) the location of existing or proposed facilities connected with the program and related information adequate for determining whether the location has or will have the effect of unnecessarily denying access to any person on the basis of prohibited discrimination; and (5) the present or proposed membership by race, color, national origin, sex, age and disability in any planning or advisory body which is an integral part of the program.

The Grantee agrees to submit requested data to the State, the U.S. Department of Treasury or OMB regarding programs and activities developed by the Grantee from the use of ARPA funds extended by the State upon request. Facilities of the Grantee (including the physical plants, buildings, or other structures) and all records, books, accounts, and other sources of information pertinent to the Grantee's compliance with the civil rights laws shall be made available for inspection during normal business hours on request of an officer or employee of the State, the U.S. Department of Treasury or OMB specifically authorized to make such inspections.

This assurance is given in consideration of and for the purpose of obtaining any and all Federal grants, loans, contracts (excluding procurement contracts), property, discounts or other Federal assistance extended after the date hereof, to the Grantee by the State including installment payments on account after such date of application for Federal assistance which are approved before such date. The Grantee recognizes and agrees that such Federal assistance will be extended in reliance upon the representations and agreements made in this assurance, and that the United States shall have the right to seek judicial enforcement of this assurance. This assurance is binding on the Grantee, the successors, transferees, and assignees, as well as the person(s) whose signatures appear below and who are authorized to sign this assurance on behalf of the Grantee.

However, under this Agreement, the State shall have no liabilities to the Grantee other than the Grant Amount.

Notwithstanding anything in this Agreement to the contrary, and notwithstanding unexpected circumstances, in no event shall the total of all payments authorized, or actually made, hereunder exceed the Grant limitation set forth in Paragraph 1.8 of these general provisions.

Give the Grantee a written notice specifying the Event of Default and suspending all payments to be made under this Agreement and ordering that the portion of the Grant Amount which would otherwise accrue to the Grantee during the period from the date of such notice until such time as the State determines that the Grantee has cured the Event of Default shall never be paid to the Grantee;

If it is later determined that the Grantee knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, State may terminate this transaction for cause or default.
- (4) The Grantee shall provide immediate written notice to State, to whom this Grant is submitted if at any time the Grantee learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
- (5) The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposal," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549: 45 CFR Part 76.
- (6) The Grantee agrees by submitting this Grant that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the State.
- (7) The Grantee further agrees by submitting this Grant that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transactions," provided by State, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
- (8) A Grantee in a covered transaction may rely upon a certification of Grantee in a lower tier covered transaction that it is not debarred, suspended, ineligible, or involuntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A Grantee may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Non-procurement List (of excluded parties).
- (9) Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a Grantee is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
- (10) Except for transactions authorized under paragraph 6 of these instructions, if a Grantee in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal government, State may terminate this transaction for cause or default.

**CERTIFICATION REGARDING DEBARMENT, SUSPENSION, AND OTHER
RESPONSIBILITY MATTERS - PRIMARY COVERED TRANSACTIONS, cont'd**

Responsibility Matters - Primary Covered Transactions*

- (a) are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by any Federal department or agency;

Southwest Region Planning Commission (hereinafter called the "Grantee") HEREBY AGREES to comply with Title VI of the Civil Rights Act of 1964 (Pub. L. 88-352), Title IX of the Education Amendments of 1972, as amended, (Pub. L. 92-318, Pub. L. 93-568, and Pub. L. 94-482), Section 504 of the Rehabilitation Act of 1973 (Pub. L. 93-112), the Age Discrimination Act of 1975 (Pub. L. 94-135), Title VIII of the Civil Rights Act of 1968 (Pub. L. 90-284). In accordance with the above laws and regulations issued pursuant thereto, the Grantee agrees to assure that no person in the United States shall, on the ground of race, color, national origin, sex, age, or disability, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity in which the Grantee receives Federal assistance.

Applicability and Period of Obligation

In the case of any service, financial aid, covered employment, equipment, property, or structure provided, leased, or improved with Federal assistance extended to the Grantee by the State with federal ARPA funds, this assurance obligates the Grantee for the period during which Federal assistance is extended. In the case of any transfer of such service, financial aid, equipment, property, or structure, this assurance obligates the transferee for the period during which Federal assistance is extended. If any personal property is so provided, this assurance obligates the Grantee for the period during which it retains ownership or possession of the property.

Employment Practices

Where a primary objective of the Federal assistance is to provide employment or where the Grantee's employment practices affect the delivery of services in programs or activities resulting from Federal assistance extended by the State, the Grantee agrees not to discriminate on the ground of race, color, national origin, sex, age, or disability, in its employment practices. Such employment practices may include, but are not limited to, recruitment, advertising, hiring, layoff or termination, promotion, demotion, transfer, rates of pay, training and participation in upward mobility programs; or other forms of compensation and use of facilities.

Subrecipient Assurance

The Grantee shall require any individual, organization, or other entity with whom it subcontracts, subgrants, or subleases for the purpose of providing any service, financial aid, equipment, property, or structure to comply with laws and regulations cited above. To this end, the subrecipient shall be required to sign a written assurance form; however, the obligation of both recipient and subrecipient to ensure compliance is not relieved by the collection or submission of written assurance forms.

Data Collection and Access to Records

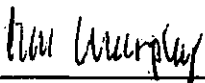

The Grantee agrees to compile and maintain information pertaining to programs or activities developed as a result of the Grantee's receipt of Federal assistance from the State. Such information shall include, but is not limited to the following: (1) the manner in which services are or will be provided and related data necessary for determining whether any persons are or will be denied such services on the basis of prohibited discrimination; (2) the population eligible to be served by race, color, national origin, sex, age and disability; (3) data regarding covered employment including use or planned use of bilingual public contact employees serving beneficiaries of the program where necessary to permit effective participation by beneficiaries unable to speak or understand English; (4) the location of existing or proposed facilities connected with the program and related information adequate for determining whether the location has or will have the effect of unnecessarily denying access to any person on the basis of prohibited discrimination; and (5) the present or proposed membership by race, color, national origin, sex, age and disability in any planning or advisory body which is an integral part of the program.

The Grantee agrees to submit requested data to the State, the U.S. Department of Treasury or OMB regarding programs and activities developed by the Grantee from the use of ARPA funds extended by the State upon request. Facilities of the Grantee (including the physical plants, buildings, or other structures) and all records, books, accounts, and other sources of information pertinent to the Grantee's compliance with the civil rights laws shall be made available for inspection during normal business hours on request of an officer or employee of the State, the U.S. Department of Treasury or OMB specifically authorized to make such inspections.

This assurance is given in consideration of and for the purpose of obtaining any and all Federal grants, loans, contracts (excluding procurement contracts), property, discounts or other Federal assistance extended after the date hereof, to the Grantee by the State including installment payments on account after such date of application for Federal assistance which are approved before such date. The Grantee recognizes and agrees that such Federal assistance will be extended in reliance upon the representations and agreements made in this assurance, and that the United States shall have the right to seek judicial enforcement of this assurance. This assurance is binding on the Grantee, the successors, transferees, and assignees, as well as the person(s) whose signatures appear below and who are authorized to sign this assurance on behalf of the Grantee.

In the event of a reduction or termination of those funds, the State shall have the right to withhold payment until such funds become available, if ever, and shall have the right to terminate this Agreement immediately upon giving the Grantee notice of such termination.

The approval of such a Termination Report by the State shall in no event relieve the Grantee from any and all liability for damages sustained or incurred by the State as a result of the Grantee's breach of its obligations hereunder.

This covenant shall survive the termination of this Agreement.

15. INSURANCE AND BOND.

The Grantee shall, at its own expense, obtain and maintain in force, the following insurance:

No express waiver of any Event of Default shall be deemed a waiver of any provisions hereof. No such failure of waiver shall be deemed a waiver of the right of the State to enforce each and all of the provisions hereof upon any further or other default on the part of the Grantee.

17. NOTICE. Any notice by a party hereto to the other party shall be deemed to have been duly delivered or given at the time of mailing by certified mail, postage prepaid, by United States Mail, addressed to the parties at the addresses first above given.

Upper Valley Lake Sunapee Regional Planning Commission

(hereinafter called the "Grantee") HEREBY AGREES to comply with Title VI of the Civil Rights Act of 1964 (Pub. L. 88-352), Title IX of the Education Amendments of 1972, as amended, (Pub. L. 92-318, Pub. L. 93-568, and Pub. L. 94-482), Section 504 of the Rehabilitation Act of 1973 (Pub. L. 93-112), the Age Discrimination Act of 1975 (Pub. L. 94-135), Title VIII of the Civil Rights Act of 1968 (Pub. L. 90-284). In accordance with the above laws and regulations issued pursuant thereto, the Grantee agrees to assure that no person in the United States shall, on the ground of race, color, national origin, sex, age, or disability, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity in which the Grantee receives Federal assistance.

Applicability and Period of Obligation

In the case of any service, financial aid, covered employment, equipment, property, or structure provided, leased, or improved with Federal assistance extended to the Grantee by the State with federal ARPA funds, this assurance obligates the Grantee for the period during which Federal assistance is extended. In the case of any transfer of such service, financial aid, equipment, property, or structure, this assurance obligates the transferee for the period during which Federal assistance is extended. If any personal property is so provided, this assurance obligates the Grantee for the period during which it retains ownership or possession of the property.

Employment Practices

Where a primary objective of the Federal assistance is to provide employment or where the Grantee's employment practices affect the delivery of services in programs or activities resulting from Federal assistance extended by the State, the Grantee agrees not to discriminate on the ground of race, color, national origin, sex, age, or disability, in its employment practices. Such employment practices may include, but are not limited to, recruitment, advertising, hiring, layoff or termination, promotion, demotion, transfer, rates of pay, training and participation in upward mobility programs; or other forms of compensation and use of facilities.

Subrecipient Assurance

The Grantee shall require any individual, organization, or other entity with whom it subcontracts, subgrants, or subleases for the purpose of providing any service, financial aid, equipment, property, or structure to comply with laws and regulations cited above. To this end, the subrecipient shall be required to sign a written assurance form; however, the obligation of both recipient and subrecipient to ensure compliance is not relieved by the collection or submission of written assurance forms.

Data Collection and Access to Records

The Grantee agrees to compile and maintain information pertaining to programs or activities developed as a result of the Grantee's receipt of Federal assistance from the State. Such information shall include, but is not limited to the following: (1) the manner in which services are or will be provided and related data necessary for determining whether any persons are or will be denied such services on the basis of prohibited discrimination; (2) the population eligible to be served by race, color, national origin, sex, age and disability; (3) data regarding covered employment including use or planned use of bilingual public contact employees serving beneficiaries of the program where necessary to permit effective participation by beneficiaries unable to speak or understand English; (4) the location of existing or proposed facilities connected with the program and related information adequate for determining whether the location has or will have the effect of unnecessarily denying access to any person on the basis of prohibited discrimination; and (5) the present or proposed membership by race, color, national origin, sex, age and disability in any planning or advisory body which is an integral part of the program.

The Grantee agrees to submit requested data to the State, the U.S. Department of Treasury or OMB regarding programs and activities developed by the Grantee from the use of ARPA funds extended by the State upon request. Facilities of the Grantee (including the physical plants, buildings, or other structures) and all records, books, accounts, and other sources of information pertinent to the Grantee's compliance with the civil rights laws shall be made available for inspection during normal business hours on request of an officer or employee of the State, the U.S. Department of Treasury or OMB specifically authorized to make such inspections.

This assurance is given in consideration of and for the purpose of obtaining any and all Federal grants, loans, contracts (excluding procurement contracts), property, discounts or other Federal assistance extended after the date hereof, to the Grantee by the State including installment payments on account after such date of application for Federal assistance which are approved before such date. The Grantee recognizes and agrees that such Federal assistance will be extended in reliance upon the representations and agreements made in this assurance, and that the United States shall have the right to seek judicial enforcement of this assurance. This assurance is binding on the Grantee, the successors, transferees, and assignees, as well as the person(s) whose signatures appear below and who are authorized to sign this assurance on behalf of the Grantee.

The Grantee certifies that it has complied, or that, within 90 days of the date of the grant, it will comply with all applicable requirements of 10 C.F.R. § 1040.5 (a copy will be furnished to the Grantee upon written request to the State).
