**ATTORNEY GENERAL
DEPARTMENT OF JUSTICE**

33 CAPITOL STREET
CONCORD, NEW HAMPSHIRE 03301-6397

GORDON J. MACDONALD
ATTORNEY GENERAL

JANE E. YOUNG
DEPUTY ATTORNEY GENERAL

May 4, 2020

His Excellency, Governor Christopher T. Sununu
And the Honorable Council
State House
Concord, NH 03301

REQUESTED ACTION

Authorize the Department of Justice (DOJ) to enter into a subgrant award with the New Hampshire Coalition Against Domestic and Sexual Violence (NHCADSV) in the amount of \$107,000 from the Federal Victim of Crime Act Grant (VOCA) for the purpose of the customization, implementation and training for a new victim services database **retroactively** from April 8, 2020 through September 30, 2020. 100% Federal Funds.

Funds are budgeted in account number 02-20-20-201510-5021-072-500575, Grants to Non-Profits entitled "Victims of Crime Act Grant" as follows:

Subrecipient	Vendor #	FY2020 Subgrant
NHCADSV	155510	\$107,000

EXPLANATION

VOCA was enacted by Congress in 1984, and it established the Crime Victims Fund. Fines paid by offenders of federal crimes are deposited into this Fund. Money from the Fund is then distributed to states for the benefit of victims of crime. DOJ is the receiving agency for VOCA funds in New Hampshire.

DOJ subgrants these funds to agencies providing direct services to victims of crime. VOCA requires the funds to agencies providing services in the fields of sexual assault, domestic violence, traditionally underserved populations and crimes against children be given priority. For many years, DOJ has directed VOCA funds to certain core service providers.

His Excellency, Governor Christopher T. Sununu

And the Honorable Council

Page 2 of 2

Each agency provided funding under VOCA is required to report quarterly Performance Measurement Data (PMT). PMT data includes victim de-identified demographic information including types and numbers of services provided. If approved, the funding in this requested action will allow the NHCADSV and 13 Crisis Centers statewide to more efficiently track victim information and performance measures by switching from a paper-based system to a web-based system.

The current data capture starts with an inefficient paper-based system that requires advocates to spend time on data collection and reporting, time that could be better used to provide services to victims. The new system will increase data collecting efficiency of NHCADSV and the Crisis Centers. It will also make the database accessible for evaluation of services on both the crisis center level and a statewide systematic level. The proposed database will more easily track services by different advocates, allowing for more effective case management.

This funding requires a matching contribution, which cannot be utilized until the official approval date of the project. The private funding NHCADSV seeks can be applied as of the retroactive date of approval. The requested retroactive approval date will allow for this to occur, and therefore, expedite the implementation of this important initiative.

In the event that federal funds become no longer available, general funds will not be requested to support this program.

Please let me know if you have any questions concerning this request. Your consideration is greatly appreciated.

Respectfully submitted,

Gordon J. MacDonald
Attorney General

This covenant shall survive the termination of this agreement.
17. **INSURANCE AND BOND.**
- 17.1 The Subrecipient shall, at its own expense, obtain and maintain in force, or shall require any subcontractor, subgrantee or assignee performing Project work to obtain and maintain in force, both for the benefit of the State, the following insurance:

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements of 28 C.F.R. Part 38, specifically including any applicable requirements regarding written notice to program beneficiaries and prospective program beneficiaries. Part 38 of 28 C.F.R., a DOJ regulation, was amended effective May 4, 2016.

Among other things, 28 C.F.R. Part 38 includes rules that prohibit specific forms of discrimination on the basis of religion, a religious belief, a refusal to hold a religious belief, or refusal to attend or participate in a religious practice. Part 38 also sets out rules and requirements that pertain to recipient and subrecipient ("subgrantee") organizations that engage in or conduct explicitly religious activities, as well as rules and requirements that pertain to recipients and subrecipients that are faith-based or religious organizations.

The text of the regulation, now entitled "Partnerships with Faith-Based and Other Neighborhood Organizations," is available via the Electronic Code of Federal Regulations (currently accessible at <https://www.ecfr.gov/cgi-bin/ECFR?page=browse>), by browsing to Title 28-Judicial Administration, Chapter 1, Part 38, under e-CFR "current" data.

12. Restrictions on "lobbying"

In general, as a matter of federal law, federal funds awarded by OJP may not be used by the subrecipient at any tier, either directly or indirectly, to support or oppose the enactment, repeal, modification, or adoption of any law, regulation, or policy, at any level of government. See 18 U.S.C. 1913. (There may be exceptions if an applicable federal statute specifically authorizes certain activities that otherwise would be barred by law.)

Another federal law generally prohibits funds awarded by OJP from being used by the recipient, or any subrecipient at any tier, to pay any person to influence (or attempt to influence) a federal agency, a Member of Congress, or Congress (or an official or employee of any of them) with respect to the awarding of federal grant or cooperative agreement, subgrant, contract, subcontract, or loan with respect to actions such as renewing, extending, or modifying any such award. See 31 U.S.C. 1352. Certain exceptions to this law, including exception that applies to Indian Tribes and tribal Organizations.

Should any questions arise to whether a particular use of funds by a recipient (or subrecipient) would or might fall within the scope of these prohibitions, the recipient is to contact OJP for guidance, and may not proceed without the express prior written approval of OJP.

The Subrecipient assures that no federal VOCA funds or match funds have been paid or will be paid, by or on behalf of the Subrecipient, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the making of any Federal grant, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal grant or cooperative agreement. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal grant or cooperative agreement, the Subrecipient shall complete and submit Standard Form - LLL, "Disclosure of Lobbying Activities," in accordance with its instructions.

13. Compliance with general appropriations-law restrictions on the use of federal funds (FY 2017) The subgrantee at any tier, must comply with all applicable restrictions on the use of federal funds set out in federal appropriations statutes. Pertinent restrictions, including from various "general provisions" in the Consolidated Appropriations Act, 2017, are set out at: <http://ojp.gov/funding/Explore/FY17AppropriationsRestrictions.htm> and are incorporated by reference here.

Should a question arise as to whether a particular use of federal funds by a recipient (or a subrecipient) would or might fall within the scope of an appropriations-law

restriction, the recipient is to contact their grant manager for guidance, and may not proceed without the express prior written approval of the grant manager and OJP.

14. Reporting potential fraud, waste and abuse and similar misconduct.

The recipient, and any subrecipients ("subgrantees") at any tier, must promptly refer to the DOJ Office of the Inspector General (OIG) any credible evidence that a principal, employee, agent, subrecipient, contractor, subcontractor, or other person has, in connection with funds under this award-- (1) submitted a claim that violates the False Claims Act; or (2) committed a criminal or civil violation of laws pertaining to fraud, conflict of interest, bribery, gratuity, or similar misconduct.

Potential fraud, waste, abuse, or misconduct involving or relating to funds under this award should be reported to the OIG by-- (1) mail directed to: Office of the Inspector General, U.S. Department of Justice, Investigations Division, 950 Pennsylvania Avenue, N.W. Room 4706, Washington, DC 20530; (2) e-mail to: oig.hotline@usdoj.gov; and/or (3) the DOJ OIG hotline: (contact information in English and Spanish) at (800) 869-4499 (phone) or (202) 616-9881 (fax).

Additional information is available from the DOJ OIG website at <https://www.usdoj.gov/oig>.

15. Restrictions and certifications regarding non-disclosure agreements and related matters.

no Subrecipient under this award, or entity that receives a procurement contract or subcontract with any funds under this award, may require any employee or contractor to sign an internal confidentiality agreement or statement that prohibits or otherwise restricts, or purports to prohibit or restrict, the reporting (in accordance with law) of waste, fraud, or abuse to an investigative or law enforcement representative of a federal department or agency authorized to receive such information. The foregoing is not intended, and shall not be understood by the agency making this award, to contravene requirements applicable to Standard Form 312 (which relates to classified information), Form 4414 (which relates to sensitive compartmented information), or any other form issued by a federal department or agency governing the nondisclosure of classified information.

- a. In accepting this award, the recipient—
 - i. represents that it neither requires nor has required internal confidentiality agreements or statements from employees or contractors that currently prohibit or otherwise currently restrict (or purport to prohibit or restrict) employees or contractors from reporting waste, fraud, or abuse as described above; and
 - ii. certifies that, if it learns or is notified that it is or has been requiring its employees or contractors to execute agreements or statements that prohibit or otherwise restrict (or purport to prohibit or restrict), reporting of waste, fraud, or abuse as

described above, it will immediately stop any further obligations of award funds, will provide prompt written notification to the federal agency making this award, and will resume (or permit resumption of) such obligations only if expressly authorized to do so by that agency.

- b. If the recipient does or is authorized under this award to make subawards ("subgrants"), procurement contracts, or both--
 - i. it represents that— it has determined that no other entity that the recipient's application proposes may or will receive award funds (whether through a subaward ("subgrant"), procurement contract, or subcontract under a procurement contract) either requires or has required internal confidentiality agreements or statements from employees or contractors that currently prohibit or otherwise currently restrict (or purport to prohibit or restrict) employees or contractors from reporting waste, fraud, or abuse as described above; and
 - ii. it has made appropriate inquiry, or otherwise has an adequate factual basis, to support this representation; and
- c. it certifies that, if it learns or is notified that any subrecipient, contractor, or subcontractor entity that receives funds under this award is or has been requiring its employees or contractors to execute agreements or statements that prohibit or otherwise restrict (or purport to prohibit or restrict), reporting of waste, fraud, or abuse as described above, it will immediately stop any further obligations of award funds to or by that entity, will provide prompt written notification to the federal agency making this award, and will resume (or permit resumption of) such obligations only if expressly authorized to do so by that agency.

16. Compliance with 41 U.S.C. 4712 (including prohibitions on reprisal; notice to employees)

The subrecipient at any tier must comply with, and is subject to, all applicable provisions of 41 U.S.C. 4712, including all applicable provisions that prohibit, under specified circumstances, discrimination against an employee as reprisal for the employee's disclosure of information related to gross mismanagement of a federal grant, a gross waste of federal funds, an abuse of authority relating to a federal grant, a substantial and specific danger to public health or safety, or a violation of law, rule, or regulation related to a federal grant.

The subrecipient also must inform its employees, in writing (and in the predominant native language of the workforce), of employee rights and remedies under 41 U.S.C. 4712.

Should a question arise as to the applicability of the provisions of 41 U.S.C. 4712 to this award, the recipient is to contact the DOJ awarding agency (OJP or OVW, as appropriate) for guidance.

17. Encouragement of policies to ban text messaging while driving
Pursuant to Executive Order 13513, "Federal Leadership on Reducing Text Messaging While Driving," 74 Fed. Reg. 51225 (October 1, 2009), DOJ encourages recipients and subrecipients ("subgrantees") to adopt and enforce policies banning employees from text messaging while driving any vehicle during the course of performing work funded by this award, and to establish workplace safety policies and conduct education, awareness, and other outreach to decrease crashes caused by distracted drivers.
18. The subrecipient authorizes Office for Victims of Crime (OVC) and/or the Office of the Chief Financial Officer (OCFO), the New Hampshire Department of Justice (NHDOJ) and its representatives, access to and the right to examine all records, books, paper or documents related to the VOCA grant. The State will further ensure that all VOCA subgrantees will authorize representatives of OVC and OCFO access to and the right to examine all records, books, paper or documents related to the VOCA grant.
19. VOCA Requirements
The recipient assures that the State and its subrecipients will comply with the conditions of the Victims of Crime Act (VOCA) of 1984, sections 1404(a)(2), and 1404(b)(1) and (2), 42 U.S.C. 10603(a)(2) and (b)(1) and (2) (and the applicable program guidelines and regulations), as required. Specifically, the State certifies that funds under this award will:
- a) be awarded only to eligible victim assistance organizations, 42 U.S.C. 10603(a)(2);
 - b) not be used to supplant State and local public funds that would otherwise be available for crime victim assistance, 42 U.S.C. 10603(a)(2); and
 - c) be allocated in accordance with program guidelines or regulations implementing 42 U.S.C. 10603(a)(2)(A) and 42 U.S.C. 10603(a)(2)(B) to, at a minimum, assist victims in the following categories: sexual assault, child abuse, domestic violence, and underserved victims of violent crimes as identified by the State.
20. Demographic Data
The recipient assures that its subrecipients will collect and maintain information on race, sex, national origin, age, and disability of victims receiving assistance, where such information is voluntarily furnished by the victim.
21. The recipient understands that all OJP awards are subject to the National Environmental Policy Act (NEPA, 42 U.S.C. section 4321 et seq.) and other related Federal laws (including the National Historic Preservation Act), if applicable. The recipient agrees to assist OJP in carrying out its responsibilities under NEPA and related laws, if the recipient plans to use VOCA funds (directly or through subaward or contract) to undertake any activity that triggers these requirements, such as renovation or construction. (See 28 C.F.R. Part 61, App. D.) The recipient also

agrees to comply with all Federal, State, and local environmental laws and regulations applicable to the development and implementation of the activities to be funded under this award.

-
22. The Subrecipient understands that grants are funded for the grant award period noted on the grant award document. No guarantee is given or implied of subsequent funding in future years.
 23. Any publications (written, visual or sound), whether published through Federal grant funds or matching funds, shall contain the following statements: "This project was supported by (2017-VA-GX-0044) awarded by the Office for Victims of Crime, Office of Justice Programs, U.S. Department of Justice. Points of view in this document are those of the author and do not necessarily represent the official position or policies of the U.S. Department of Justice."
 24. The Subrecipient agency agrees that, should they employ a former member of the NH Department of Justice (NHDOJ), that employee or their relative shall not perform work on or be billed to any federal or state subgrant or monetary award that the employee directly managed or supervised while at the NHDOJ for the life of the subgrant without the express approval of the NH DOJ.
 25. The Subrecipient must utilize volunteers to assist in providing VOCA allowable victim services unless extenuating circumstances justify the exclusion of volunteers, and a volunteer waiver is obtained from the NHDOJ.
 26. The Subrecipient agrees to assist victims in applying for Victims Compensation benefits. Such assistance includes: identifying eligible victims; making reasonable efforts to notify eligible victims of the availability of compensation; making reasonable efforts to explain the program to victims; offering to assist victims with the application process when it is reasonable to do so.
 27. The Subrecipient understands that VOCA *non-allowable* personnel activities include but are not limited to: general administration, prevention, active investigation and prosecution of criminal activities, research and studies, lobbying, capital expenses, compensation for victims of crime and fundraising.
 28. The Subrecipient agrees that all services will be provided at no charge to victims unless a program income waiver is obtained from the NHDOJ. If permission to generate program income is granted, the Subrecipient agrees that there must be a sliding scale that starts at zero, and that all program income will be totally expended on grant allowable activities by the end of the funding cycle.

29. Equipment purchased with VOCA funds shall be listed by the Subrecipient on the agency inventory. The inventory must include the item description, serial number, cost, percentage of federal VOCA funds, and location. The Subrecipient agrees that the title to any equipment purchased with VOCA funds will revert back to the NHDOJ, Grants Management Unit, when it is no longer being used for the VOCA program purposes for which it was acquired.
30. The Subrecipient agrees that if a financial audit of the agency is performed, whether it be an audit under 2 CFR or not, the Subrecipient agrees to provide a copy of the audit and any associated management letters to the NHDOJ, Grants Management Unit within nine (9) months after the end of the Subrecipient's year end, or one (1) month after issuance of the audit.
31. Sub-Recipients of federal funding from the NHDOJ are required to comply with all federal regulations that relate to non-discrimination. These requirements are specified in United States Code of Federal Regulation Title 28, sections 35, 38, 42 and 54. Individuals who believe they may have been discriminated against by the NHDOJ or by an organization that receives federal funding from the NHDOJ based on their race, color, national origin, religion, sex, disability, age, sexual orientation or gender identity should print and complete a Discrimination Complaint Form found at <https://www.doi.nh.gov/grants-management/civil-rights.htm>.
32. The subgrantee, if a non-profit organization, agrees to make its financial statements available online (either on the subgrantee's website, or the NHDOJ's, or another publicly available website). Organizations that have Federal 501 (c) 3 tax status are considered in compliance with this requirement, with no further action needed, to the extent that such organization files IRS Form 990 or similar tax document (e.g., 990-EZ), as several sources already provide searchable online databases of such financial statements.
33. The subgrantee, if a non-profit organization, must certify their non-profit status by submitting a statement to NHDOJ: 1) affirmatively asserting that the recipient is a non-profit organization and 2) indicating that the subgrantee has on file and available upon audit one of the following:
- A copy of the organization's 501 (c) 3 designation letter, or:
 - A letter from the State of NH stating that the subgrantee is a non-profit organization operating within the state, or:
 - A copy of the sub-grantee's state certificate of incorporation that substantiates its non- profit status

Subgrantees that are local non-profit affiliates of state or national non-profits should also have a statement by the parent organization that the subgrantee is a local non-profit

affiliate.

34. Certification Regarding EEOP Required:

If required, within 30 days from the date of the award, the Subrecipient will submit for approval, an acceptable Equal Employment Opportunity Plan (EEOP) as required by 28 CFR 42.301 et seq. or a Certification Form to both the NH DOJ and the Office of Civil Rights, Office of Justice Programs, US DOJ at 810 7th Street, NW, Washington, DC 20531. Failure to submit an approved EEOP or Certification is a violation of the Program Guidelines and Conditions and may result in suspension or termination of funding, until such time as the Subrecipient is in compliance. The EEOP online filing and additional information on EEOP requirements may be found here: https://ojp.gov/about/ocr/faq_eeop.htm

35. Compensation for individual consultant services is to be reasonable and consistent with that paid for similar services in the marketplace. The current consultant limit is \$650 per day or \$81.25 per hour. When the rate exceeds the limit for an 8-hour day, or a proportionate hourly rate (excluding travel and subsistence costs), a written prior approval is required. Prior approval requests require additional justification.

Non-supplanting Certification

Supplanting defined

Federal funds must be used to supplement existing funds for program activities and must not replace those funds that have been appropriated for the same purpose. Supplanting shall be the subject of application review, as well as pre-award review, post-award monitoring, and audit. If there is a potential presence of supplanting, the applicant or grantee will be required to supply documentation demonstrating that the reduction in non-Federal resources occurred for reasons other than the receipt or expected receipt of Federal funds. For certain programs, a written certification may be requested by the awarding agency or recipient agency stating that Federal funds will not be used to supplant State or local funds will not be used to supplant State or local funds. See the OJP Financial Guide (Part II, Chapter 3)

<http://www.ojp.usdoj.gov/financialguide/part2/part2chap3.htm>.

Supplanting and job retention

A grantee may use federal funds to retain jobs that, without the use of the federal money, would be lost. If the grantee is planning on using federal funds to retain jobs, it must be able to substantiate that, without the funds, the jobs would be lost. Substantiation can be, but is not limited to, one of the following forms: an official memorandum, official minutes of a county or municipal board meeting or any documentation, that is usual and customarily produced when making determinations about employment. The documentation must describe the terminated positions and that the termination is because of lack of the availability of State or local funds.

The M-H Coalition Against Domestic & Sexual Violence (Applicant) certifies that any funds awarded through grant number 2017-VA-GX-0044 shall be used to supplement existing funds for program activities and will not replace (supplant) nonfederal funds that have been appropriated for the purposes and goals of the grant.

The M-H Coalition Against Domestic & Sexual Violence (Applicant) understands that supplanting violations may result in a range of penalties, including but not limited to suspension of future funds under this program, suspension or debarment from federal grants, recoupment of monies provided under this grant, and civil and/or criminal penalties.

Dear Applicant:

This modifies our letter of the above date in which we stated that you would be treated as an organization which is not a private foundation until the expiration of your advance ruling period.

Based on the information you submitted, we have determined that you are not a private foundation within the meaning of section 509(a) of the Internal Revenue Code, because you are an organization of the type described in section * . Your exempt status under section 501(c)(3) of the code is still in effect. *170(b)(1)(A)(vi) and 509(a)(1).

Grantors and contributors may rely on this determination until the Internal Revenue Service publishes notice to the contrary. However, a grantor or a contributor may not rely on this determination if he or she was in part responsible for, or was aware of, the act or failure to act that resulted in your loss of section 509(a)(1) status, or acquired knowledge that the Internal Revenue Service had given notice that you would be removed from classification as a section 509(a)(1) organization.

Because this letter could help resolve any questions about your private foundation status, please keep it in your permanent records.

If you have any questions, please contact the person whose name and telephone number are shown above.

For tax years ending on and after December 31, 1982, organizations whose gross receipts are not normally more than \$25,000 are excused from filing Form 990. For guidance in determining if your gross receipts are "normally" not more than the \$25,000 limit, see the instructions for the Form 990.

Sincerely yours,

District Director

Report on the Financial Statements

We have audited the accompanying financial statements of New Hampshire Coalition Against Domestic and Sexual Violence (a nonprofit organization), which comprise the statement of financial position as of June 30, 2019 and the related statement of activities and changes in net assets, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of New Hampshire Coalition Against Domestic and Sexual Violence as of June 30, 2019 and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Report on Summarized Comparative Information

We have previously audited the New Hampshire Coalition Against Domestic and Sexual Violence's 2018 financial statements, and we expressed an unmodified audit opinion on those audited financial statements in our report dated October 19, 2018. In our opinion, the summarized comparative information presented herein as of and for the year ended June 30, 2018, is consistent, in all material respects, with the audited financial statements from which it has been derived.

Other Matters

Other information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated October 4, 2019, on our consideration of New Hampshire Coalition Against Domestic and Sexual Violence's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the New Hampshire Coalition Against Domestic and Sexual Violence's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering New Hampshire Coalition Against Domestic and Sexual Violence's internal control over financial reporting and compliance.

New Hampshire Coalition Against Domestic and Sexual Violence

NOTE A-NATURE OF ACTIVITIES AND SIGNIFICANT ACCOUNTING POLICIES

Nature of Activities

The Coalition is a private, non-profit, tax-exempt organization committed to ending domestic and sexual violence. The Coalition serves as a coordinating organization for its 13 member agency crisis centers that in turn provide services to survivors of sexual assault, domestic violence, human trafficking, and stalking. Twelve of the Coalition's member agencies are autonomous, private, non-profit organizations with their own mission, structure, and board of directors; one is a university-based program. The Coalition receives 97% of its funding from federal and state agencies and less than 1% from private fundraising.

The Vision of the Coalition is:

All New Hampshire communities provide safety for every person.

The Mission of the Coalition is:

The New Hampshire Coalition Against Domestic & Sexual Violence creates safe and just communities through advocacy, prevention and empowerment of anyone affected by sexual violence, domestic violence and stalking.

This mission is accomplished by the Coalition, which includes 13 independent community-based member programs, a board of directors and a central staff working together to:

- Influence public policy on the local, state and national levels;
- Ensure that quality services are provided to victims;
- Promote the accountability of societal systems and communities for their responses to sexual violence, domestic violence and stalking;
- Prevent violence and abuse before they occur.

To elaborate on the above mission and vision statements, the Coalition supports member agency staff with specialized training, resources and technical assistance; convenes member agency staff to facilitate shared learning and peer support; and collects and disseminates best practices and current information. The Coalition supports the development of new services and serves as a statewide clearinghouse and coordinating organization related to victim services. It administers state and federal contracts that provide funding for its member programs.

Coalition staff provide education and training to court and law enforcement officials and attorneys, and collaborate with legal assistance organizations that provide lawyers for survivors and their families. Coalition staff work to promote cross-system collaboration with child protective services and child advocacy centers to assure safety for children exposed to or who have experienced domestic and sexual violence, and for their parents. Coalition staff participate on numerous statewide boards and commissions to advocate for effective responses to victims.

The Coalition's Public Affairs staff work closely with other advocacy groups, legislators and survivors to draft legislation, organize testimony, and advocate for policy changes throughout the legislative session. The Coalition either takes an active role in or tracks close to 150 bills each legislative session. These bills address a wide range of issues including domestic and sexual violence; stalking; family law; divorce and child custody/visitation/support; reproductive rights; law enforcement and courts; privacy and personal information; healthcare; and economic justice.

Coalition staff also provide resources and sources for responsible news media and reporting. Coalition staff create and distribute statewide communications materials to raise awareness about sexual assault, domestic violence, prevention and services available to victims.

NOTE A-NATURE OF ACTIVITIES AND SIGNIFICANT ACCOUNTING POLICIES, (continued)

Nature of Activities (Continued)

The Coalition plays a key leadership role in efforts to prevent domestic and sexual violence throughout New Hampshire. Coalition staff collaborate with state and local entities to support policies and practices to advance effective prevention education. Coalition staff are proactive in educating the public about the causes and effects of domestic and sexual violence and stalking and as well as services available across the state. The Coalition has sponsored research on the prevalence of violence in New Hampshire.

The Coalition also manages several specific programs to assist its member crisis centers and the public. The following are three distinct programs that directly affect survivors of domestic violence, sexual violence and stalking:

AmeriCorps Victim Assistance Program (AVAP)

The AmeriCorps Victim Assistance Program (AVAP) founded in 1994 is a multi-agency collaboration housed by the Coalition that ensures that direct services are available to victims of domestic and sexual violence and stalking throughout New Hampshire. AVAP is part of AmeriCorps, a national service program that offers opportunities to Americans who are interested in making a substantial commitment to serve their country through national service.

Members of the AmeriCorps Victim Assistance Program are placed throughout New Hampshire at member agencies, police departments, prosecutor offices, the New Hampshire Department of Corrections, and child advocacy centers to offer support and information to victims of domestic and sexual violence and stalking. Currently, AVAP members are focusing their advocacy efforts on providing financial literacy and housing services to survivors of domestic violence, sexual assault, and stalking. AVAP members are trained in the AllState Foundation's Moving Ahead through Financial Management curriculum which they use in one-on-one sessions and in financial literacy workshops focused on an array of topics from basic budgeting to checking a credit report. Members also provide information and facilitate referrals to local financial and housing services.

Sexual Assault Nurse Examiner (SANE) Program

A Sexual Assault Nurse Examiner (SANE) is a Registered Nurse who has been specially trained to provide comprehensive care to sexual assault survivors, who demonstrates competency in conducting medical/forensic examinations and who has the ability to be a witness in a sexual assault prosecution. Coalition staff are responsible for training and working with registered SANEs and medical professionals across the state to ensure that sexual assault victims receive consistent and professional care during forensic exams.

The Family Violence Prevention Specialist Program

Research shows a high correlation (40-60%) between the perpetration of domestic violence and the perpetration of child abuse and neglect in the same family. The Family Violence Prevention Specialist Program was built on the principle that abused and neglected children are best served when they can remain in a safe household with a non-violent parent.

New Hampshire Coalition Against Domestic and Sexual Violence

NOTE A-NATURE OF ACTIVITIES AND SIGNIFICANT ACCOUNTING POLICIES, (continued)

The Family Violence Prevention Specialist program began in 1998 as a coordinated effort between the Coalition and the Division for Children, Youth, and Families (DCYF). Family Violence Prevention Specialists (FVPSs) are employed by local member agencies of the Coalition, and are co-located at local DCYF District Offices. The FVPSs are a source of assistance and training to child protective service workers while providing advocacy services to victims of domestic violence involved with DCYF. This program results in more effective assistance to victims through the development of interventions that recognize the adult victim's need for support and advocacy in order to improve safety outcomes for children.

Significant Accounting Policies

The financial statements of the Coalition have been prepared in conformity with Generally Accepted Accounting Principles (GAAP) as applied to not-for-profits. The Financial Accounting Standards Board (FASB) is the accepted standard-setting body for establishing accounting and financial reporting principles for not-for-profits. The more significant of the FASB's generally accepted accounting principles applicable to the Coalition, and the Coalition's conformity with such principles, are described below. These disclosures are an integral part of the Coalition's financial statements.

Basis of Presentation

The Coalition reports information regarding its financial position and activities according to two classes of net assets: net assets without donor restrictions and net assets with donor restrictions.

Net assets without donor restrictions - These net assets generally result from revenues generated by receiving contributions that have no donor restrictions, providing services, and receiving interest from operating investments, less expenses incurred in providing program-related services raising contributions, and performing administrative functions.

Net assets with donor restrictions - These net assets result from gifts of cash and other assets that are received with donor stipulations that limit the use of the donated assets, either temporarily or permanently, until the donor restriction expires, that is until the stipulated time restriction ends or the purpose of the restriction is accomplished, the net assets are restricted.

Basis of Accounting

The financial statements of the Coalition have been prepared on the accrual basis of accounting and accordingly reflect all significant receivables, payables and other liabilities.

Grants Receivable and Promises to Give

Contributions are recognized when the donor makes a promise to give to the Coalition that is, in substance, unconditional. Contributions that are restricted by the donor are reported as increases in net assets without donor restriction if the restrictions expire in the fiscal year in which the contributions are recognized. All other donor-restricted contributions are reported as increases in net assets with donor restriction. When a restriction expires, net assets with donor restriction are reclassified to net assets without donor restriction.

Contributed Services

During the years ended June 30, 2019 and 2018, the value of contributed services relating to printing, community education, direct training and professional fees were \$106,680 and \$129,417, respectively. Contributions received are recorded as with or without donor restricted support depending on the-existence or nature of any donor restrictions.

In addition, many individuals volunteer their time and perform a variety of tasks that assist the Coalition; these amounts have not been recognized in the accompanying statement of activities because the criterion for recognition of such volunteer effort is that services must be specialized skills, which would be purchased if not donated.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Compensated Absences

Employees of the Coalition are entitled to paid vacation depending on job classification, length of services, and other factors. The statement of financial position reflects accrued vacation earned, but unpaid as of June 30, 2019 and 2018 in the amounts of \$63,255 and \$63,017, respectively.

Allocation of Expenses

The Coalition allocates expenses among program services, management and general, and fundraising based on direct costs and other factors, including space utilization and time.

Property and Equipment

It is the Coalition's policy to capitalize property and equipment over \$2,500 and all expenditures for repairs, maintenance, renewals and betterments that prolong the useful lives of assets. Lesser amounts are expensed. Purchased property and equipment is capitalized at cost. Donations of property and equipment are recorded as contributions at their estimated fair value. Such donations are reported as contributions without donor restriction unless the donor has restricted the donated asset to a specific purpose. Assets donated with explicit restrictions regarding their use and contributions of cash that must be used to acquire property and equipment are reported as restricted contributions. Absent donor stipulations regarding how long those donated assets must be maintained, the Coalition reports expiration of donor restrictions when the donated or acquired assets are placed in service as instructed by the donor. The Coalition reclassifies net assets with donor restriction to net assets without donor restriction at that time. Property and equipment are depreciated using the straight-line method. The ranges of useful lives are as follows:

Building and Improvements	39 Years
Equipment	3-7 Years

Depreciation expense recorded by the Coalition for the years ended June 30, 2019 and 2018 was \$7,735 and \$10,773, respectively.

NOTE A-NATURE OF ACTIVITIES AND SIGNIFICANT ACCOUNTING POLICIES, (continued)

Income taxes

The Coalition has been notified by the Internal Revenue Service that it is exempt from federal income tax under Section 501(c) (3) of the Internal Revenue Code. The Coalition is further classified as an organization that is not a private foundation under Section 509(a)(3) of the Code. The most significant tax positions of the Coalition are its assertion that it is exempt from income taxes and its determination of whether any amounts are subject to unrelated business tax (UBIT). The Coalition follows guidance of Accounting Standards Codification (ASC) 740, Accounting for Income Taxes, related to uncertain income taxes, which prescribes a threshold of more likely than not for recognition of tax positions taken or expected to be taken in a tax return.

All significant tax positions have been considered by management. Based on the results of this evaluation it was determined that the Coalition has unrelated business income in accordance with The Tax Cuts and Jobs Act (TCJA) provisions specific to tax-exempt organizations beginning in 2018. The TCJA provides that unrelated business income includes expenses paid or incurred for qualified transportation fringe benefits such as the parking benefits provided to employees of the Coalition. UBIT related to parking benefits was \$1,428 for the year ended June 30, 2019.

Cash and Cash Equivalents

For purposes of the statements of cash flows, the Coalition considers all highly liquid investments (short-term investments such as certificates of deposits and money market accounts) with an initial maturity of three months or less to be cash equivalents. There were no cash equivalents as of June 30, 2019 and 2018.

Segregation of Accounts

Under Title 1, New Hampshire, The State and Its Government, Chapter 15 Lobbyist Section 15:1-a, the Coalition is required to physically and financially separate state funds from any non-state funds that may be used for the purposes of lobbying or attempting to influence legislation, participate in political activity, or contribute funds to any entity engaged in these activities. The Coalition has established and maintains a separate bank account for this purpose. The account balances were \$2,061 and \$4,634 at June 30, 2019 and 2018, respectively.

Concentration of Credit Risk

The Coalition maintains cash balances in several accounts at local banks. These accounts are insured by the Federal Deposit Insurance Corporation up to \$250,000. At various times throughout the year, the Coalition may have cash balances at the financial institution that exceeds the insured amount. Management does not believe this concentration of cash results in a high level of risk for the Coalition. At June 30, 2019 and 2018 the Coalition had uninsured cash balances of \$0 and \$174,712, respectively.

Subsequent Event

Management has evaluated subsequent events through October 4, 2019, the date on which the financial statements were available to be issued to determine if any are of such significance to require disclosure. It has been determined that no other subsequent events matching this criterion occurred during this period.

NOTE A-NATURE OF ACTIVITIES AND SIGNIFICANT ACCOUNTING POLICIES, (continued)

Comparative Financial Information

The financial statements include certain prior-year summarized comparative information in total but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with generally accepted accounting principles. Accordingly, such information should be read in conjunction with the Coalition's financial statements for the year ended June 30, 2018, from which the summarized information was derived.

Financial Instruments

The carrying value of cash and cash equivalents, grants receivable, prepaid expenses, accounts payable and accrued expenses are stated at carrying cost at June 30, 2019 and 2018, which approximates fair value due to the relatively short maturity of these instruments.

Reclassifications

Certain financial statement and note information from the prior year financial statements has been reclassified to conform with current year presentation format.

New Accounting Pronouncement

During the year ended June 30, 2019, the Coalition adopted the requirements of the Financial Accounting Standards Board's Accounting Standards Update No. 2016- 14—Not-for-Profit Entities (Topic 958): Presentation of Financial Statements of Not-for-Profit Entities (ASU 2016- 14). This Update addresses the complexity and understandability of net asset classification, deficiencies in information about liquidity and availability of resources, and the lack of consistency in the type of information provided about expenses and investment return between not-for-profit entities. A key change required by ASU 2016-14 is the net asset classes used in these financial statements. Amounts previously reported as unrestricted net assets are now reported as net assets without donor restrictions and amounts previously reported as temporarily restricted net assets and permanently restricted net assets are now reported as net assets with donor restrictions.

The accompanying information from the 2018 financial statements has been restated to conform to the 2019 presentation and disclosure requirements of ASU 2016-14.

NOTE B – NET ASSETS WITH DONOR RESTRICTIONS

Net assets with donor restrictions consist of funds received by the Coalition, restricted as to use or time. The restrictions are considered to expire when payments are made. As of June 30, 2019 and 2018 respectively, the net assets with donor restrictions are available for the following purpose:

The Coalition has a one-year \$150,000 revolving line of credit agreement with Merrimack County Savings Bank. The credit line matures on May 20, 2020 and automatically renews annually. Interest is stated at the Wall Street Journal prime rate plus .5%, which resulted in interest rates of 5.75% and 5.50% as of June 30, 2019 and 2018, respectively. The line of credit is secured by all business assets. There were no borrowings against the line as of June 30, 2019 and 2018.

NOTE E – DESCRIPTION OF LEASING ARRANGEMENTS

The Coalition presently leases office equipment under short-term operating lease agreements.

The Coalition entered a ten-year lease agreement for office space and parking spaces on March 1, 2018, expiring in 2028. Annual rent is \$74,556 with 4% annual escalations each year on the anniversary of the lease term. Annual parking is \$7,800 with no more than 2% annual increases. The future minimum lease payments on this agreement as of June 30 are:

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

Board of Directors
New Hampshire Coalition
Against Domestic and Sexual Violence
Concord, New Hampshire

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of New Hampshire Coalition Against Domestic and Sexual Violence (a nonprofit organization), which comprise the statement of financial position as of June 30, 2019, and the related statements of activities and changes in net assets and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated October 4, 2019.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered New Hampshire Coalition Against Domestic and Sexual Violence's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of New Hampshire Coalition Against Domestic and Sexual Violence's internal control. Accordingly, we do not express an opinion on the effectiveness of New Hampshire Coalition Against Domestic and Sexual Violence's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements, on a timely basis. *A material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether New Hampshire Coalition Against Domestic and Sexual Violence's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

Board of Directors
New Hampshire Coalition
Against Domestic and Sexual Violence
Concord, New Hampshire

Report on Compliance for Each Major Federal Program

We have audited New Hampshire Coalition Against Domestic and Sexual Violence's compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of New Hampshire Coalition Against Domestic and Sexual Violence's major federal programs for the year ended June 30, 2019. New Hampshire Coalition Against Domestic and Sexual Violence's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management Responsibility

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of New Hampshire Coalition Against Domestic and Sexual Violence's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about New Hampshire Coalition Against Domestic and Sexual Violence's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of New Hampshire Coalition Against Domestic and Sexual Violence's compliance.

Opinion on Each Major Federal Program

In our opinion, New Hampshire Coalition Against Domestic and Sexual Violence complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2019.

Report on Internal Control over Compliance

Management of New Hampshire Coalition Against Domestic and Sexual Violence is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered New Hampshire Coalition Against Domestic and Sexual Violence's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of New Hampshire Coalition Against Domestic and Sexual Violence's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
