State House  
Concord, New Hampshire 03301

**REQUESTED ACTION**

Authorize the Department of Education, Bureau of Instructional Support, to enter into a **sole source** contract with MetaMetrics, Inc., Durham, NC (vendor code 334729), in an amount not to exceed \$170,000.00, to provide the use of Lexile® reader measures and Quantile® measures for mathematics for the NH State Assessment System. This contract, with an option to renew for one additional fiscal year, will be effective upon Governor and Council approval for the period of July 1, 2022 through June 30, 2023. 100% Federal Funds.

Funds to support this request are available in the account titled Assessment-Federal as follows:

	<u>FY 23</u>
06-56-56-562010-25340000-102-500731 Contracts for Program Services	\$170,000.00

**EXPLANATION**

The Department is requesting a **sole source** contract with MetaMetric, Inc. because they are the exclusive provider and owns the registered trademarks associated with the Lexile® reader measures and Quantile® measures for mathematics. These measurements and scores are derived using the NH Statewide Assessment System (NHSAS) results for interim and summative assessments. The scores are utilized to provide student reading level and mathematical level information in an easy to understand and accessible format for parents and teachers. Parents and teachers can use these scores to select appropriate books and individualized instructional materials that are available online and through their local town or school library.

His Excellency, Governor Christopher T. Sununu  
and the Honorable Council  
Page 2

In order for parents to better understand and support their child's education, the Department would like to include Lexile and Quantile scores on the (NH SAS) Individual Student Reports that are available at the conclusion of an interim or summative assessment. These levels will then allow parents to access reading and mathematics materials, at the appropriate levels, to match their learning needs. These materials are also available nationally, through libraries and published book sources. In addition, in person and online trainings for parents, teachers, librarians and schools are provided.

In the event Federal Funds no longer become available, General Funds will not be requested to support this program.

Respectfully submitted,

Frank Edelblut  
Commissioner of Education

In no event shall the State be liable for any payments hereunder in excess of such available appropriated funds. In the event of a reduction or termination of appropriated funds, the State shall have the right to withhold payment until such funds become available, if ever, and shall have the right to reduce or terminate the Services under this Agreement immediately upon giving the Contractor notice of such reduction or termination. 5.2 The payment by the State of the contract price shall be the only and the complete reimbursement to the Contractor for all expenses, of whatever nature incurred by the Contractor in the performance hereof, and shall be the only and the complete

compensation to the Contractor for the Services. The State shall have no liability to the Contractor other than the contract price.

5.3 The State reserves the right to offset from any amounts otherwise payable to the Contractor under this Agreement those liquidated amounts required or permitted by N.H. RSA 80:7 through RSA 80:7-c or any other provision of law.

5.4 Notwithstanding any provision in this Agreement to the contrary, and notwithstanding unexpected circumstances, in no event shall the total of all payments authorized, or actually made hereunder, exceed the Price Limitation set forth in block 1.8.

**6. COMPLIANCE BY CONTRACTOR WITH LAWS AND REGULATIONS/ EQUAL EMPLOYMENT OPPORTUNITY.**

6.1 In connection with the performance of the Services, the Contractor shall comply with all applicable statutes, laws, regulations, and orders of federal, state, county or municipal authorities which impose any obligation or duty upon the Contractor, including, but not limited to, civil rights and equal employment opportunity laws. This provision shall survive termination of this Agreement.

7.3 The Contracting Officer specified in block 1.9, or his or her successor, shall be the State's representative. In the event of any dispute concerning the interpretation of this Agreement, the Contracting Officer's decision shall be final for the State.

## 8. EVENT OF DEFAULT/REMEDIES.

8.1.3 failure to perform any other covenant, term or condition of this Agreement.

8.2.2 give the Contractor a written notice specifying the Event of Default and suspending all payments to be made under this Agreement and ordering that the portion of the contract price which would otherwise accrue to the Contractor during the period from the date of such notice until such time as the State determines that the Contractor has cured the Event of Default shall never be paid to the Contractor;

8.2.3 give the Contractor a written notice specifying the Event of Default and set off against any other obligations the State may owe to the Contractor any damages the State suffers by reason of any Event of Default; and/or

8.2.4 give the Contractor a written notice specifying the Event of Default, treat the Agreement as breached, terminate the Agreement and pursue any of its remedies at law or in equity, or both.

8.3. No failure by the State to enforce any provisions hereof after any Event of Default shall be deemed a waiver of its rights with regard to that Event of Default, or any subsequent Event of Default. No express failure to enforce any Event of Default shall be deemed a waiver of the right of the State to enforce each and all of the provisions hereof upon any further or other Event of Default on the part of the Contractor.

## 9. TERMINATION.

9.1 Notwithstanding paragraph 8, the State may, at its sole discretion, terminate the Agreement for any reason, in whole or in part, by thirty (30) days written notice to the Contractor that the State is exercising its option to terminate the Agreement.

Contractor, or subcontractors, including but not limited to the negligence, reckless or intentional conduct. The State shall not be liable for any costs incurred by the Contractor arising under this paragraph 13. NHED agrees to display Lexile and Quantile Marks on said reports and shall clearly indicate MetaMetrics' ownership of the Lexile and Quantile Marks according to the terms and conditions of MetaMetrics' Branding Guidelines which are available on MetaMetrics' website and updated from time to time: <http://www.metametricsinc.com/branding-guidelines/>. Nothing contained herein shall be construed as granting NHED any right, title, or interest in or to MetaMetrics' Intellectual Property. Further, the following uses are approved for the Interims: a) given that the Independent College and Career Ready (ICCR) English language arts (ELA)/mathematics interim assessments are on the same scales as the ICCR ELA/mathematics summative assessments, NHED may add the use of Lexile reader measures and Quantile measures from the ICCR interim assessments; and b) the interpretation of Lexile reader and Quantile mathematics measures should be relative to the ICCR ELA/mathematics interim administration protocols. Please refer to the ICCR Lexile and Quantile linking study reports for appropriate uses and caveats of the measures. NHED acknowledges and agrees that it shall have no right, either during the term of this contract or at any time thereafter, to acquire MetaMetrics' Intellectual Property from MetaMetrics by reason of the use of such intellectual property in any manner. NHED agrees that it will not attempt to patent, copyright, or register or use for its own benefit or that of a third party, or aid any third party in attempting to patent, copyright, or register or use, any MetaMetrics Intellectual Property which may, in the reasonable opinion of MetaMetrics' counsel, be inconsistent with the terms of this contract. With regard to trademarks, the above prohibitions shall extend to any trademark that is, in the opinion of MetaMetrics, confusingly similar to any trademark that is part of MetaMetrics' Intellectual Property or the trade name of MetaMetrics. NHED acknowledges MetaMetrics' exclusive ownership of, and title to, MetaMetrics' Intellectual Property world-wide and the goodwill associated therewith will belong to and inure solely to the benefit of MetaMetrics. NHED obligations under this section shall survive any termination of the license granted hereunder.

**Obligation to Provide Notice of Infringement**

NHED agrees to promptly notify MetaMetrics of any unauthorized use of the Lexile and Quantile Marks by any third party which comes to the attention of NHED. MetaMetrics shall have the sole right and discretion to bring an action for infringement, unfair competition, or any other appropriate proceeding, against any such third party, and any proceeds from such proceedings shall be the sole property of MetaMetrics.
