EXPLANATION

Pursuant to RSA 21-I:28, the commissioner of the Department Administrative Services (DAS) is authorized to enter into contracts "with any organization necessary to administer and provide a health plan..." and other contracts that "best serve the interests of the state employees and comply with the terms of the collective bargaining agreement". DAS administers the State Employee and Retiree Health Benefit Program (HBP) and the procurement of all necessary services. Benefits are provided to approximately 9,800 active employees and their families located in New Hampshire and the surrounding New England states and approximately 12,600 retirees, including spouses and dependents, located throughout the United States. In total, the HBP provides coverage to approximately 37,000 plan members.

The current contract for actuarial, claims audit and health benefits consulting services that expires on December 31, 2019 includes support for DAS to procure for services such as FSA/HRA Administration Services, Basic and Supplemental Life and Accidental Death and Dismemberment Insurance, and Dependent Eligibility Verification Audit Services. After careful consideration of the bids received, DAS determined that the procurement of services like those listed above, could be better managed through a brokerage services contract much like how DAS procures for property and casualty (P&C) insurance. DAS began purchasing P&C insurance through an exclusive producer services contract (also known as brokerage services) on July 1, 2011 per the request of the Executive Council.

This contract requires WBS/HUB, as directed by DAS, to solicit insurance quotes from insurance carriers and to submit a marketing report with a recommendation for contract award subject to Governor and Executive Council approval. As the broker, WBS/HUB will be responsible for procuring services related to FSA/HRA Administration, Basic and Supplement Life and Accidental Death and Dismemberment insurance, and Dependent Eligibility Verification Audit Services and will negotiate with carriers to secure the lowest possible contract price. This contract also requires WBS/HUB to assist DAS with the development of an employee benefits education program designed to educate employees and their families about their benefits. The development of the employee benefits education program meets a shared DAS and union goal as reported in the 2014 Health Benefits Committee (HBC) Report.

DAS issued a Request for Proposal ("RFP") for employee benefits consulting and brokerage services on August 21, 2019. The Division of Procurement and Support Services sent notifications of the RFP through the Institute for Public Procurement (NIGP) industry code database as well as their public website. On September 25, 2019, DAS received three proposals from the following: Aon Consulting, Inc., Gallagher Benefit Services, Inc., and Hub International New England, LLC (WBS/HUB).

The scoring was based upon the areas of: Financial (50%) and Technical (50%). Based on the foregoing, the proposal submitted by WBS/HUB received the highest-ranking score and was accepted by unanimous vote by the evaluation members. The evaluation team consisted of the following members: Financial: Gary Lunetta, DAS Director of Procurement and Support Services, Ryan Aubert, DAS Purchasing Agent and Joyce Pitman, DAS Director of Risk and Benefits; Technical: Joyce Pitman, Peg Blacker, DAS Health Benefit Program Manager, Sarah Trask, DAS Health Benefit Financial Administrator and Todd Hickerson, DAS Risk Manager. The final evaluation scores are attached.

Although WBS/HUB did not receive the highest financial score, their technical score enabled them to receive the highest total score. Through contract negotiations, WBS/HUB agreed to reduce its initial cost proposal an additional 9%, bringing the total contract price to \$584,350 over the term of the three-year contract. The contract authorizes the DAS to adjust planned contract services and spending throughout the three-year term of the contract based on DAS priorities and needs.

This contract provides DAS with access to expertise and support from an account executive and a team of insurance professionals. Based on the foregoing, I am respectfully recommending approval of the contract with WBS/HUB.

Respectfully submitted,

Charles M. Arlinghaus
Commissioner

- b. Business Associate shall report a Breach or a potential Breach to Covered Entity upon discovery of any such incident. Business Associate will treat a Breach or potential Breach as being discovered as of the first day on which such incident is known to Business Associate, or by exercising reasonable diligence, would have been known to Business Associate. Business Associate shall be deemed to have knowledge of a Breach or potential Breach if such incident is known, or by exercising reasonable diligence would have been known, to any person, other than the person committing the Breach, who is an employee, officer or other agent of Business Associate. If a delay is requested by a law-enforcement official in accordance with 45 CFR § 164.412, Business Associate may delay notifying Covered Entity for the applicable time period.

Contractor's Initials: Am
Date: 12/2/24

Business Associate's report will include at least the following, provided that absence of any information will not be cause for Business Associate to delay the report:

- i. Identify the nature of the Breach, which will include a brief description of what happened, including the date of any Breach and the date of the discovery of any Breach;
 - ii. Identify the scope of the Breach, including the number of Covered Entity members involved as well as the number of other individuals involved;
 - iii. Identify the types of PHI that were involved in the Breach (such as whether full name, Social Security number, date of birth, home address, account number, diagnosis, or other information were involved);
 - iv. Identify who made the non-permitted use or disclosure and who received the non-permitted disclosure;
 - v. Identify what corrective or investigational action Business Associate took or will take to prevent further non-permitted uses or disclosures, to mitigate harmful effects, and to protect against any further Breaches;
 - vi. Identify what steps the individuals who were subject to a Breach should take to protect themselves;
 - vii. Provide such other information as Covered Entity may reasonably request.
- c. **Security Incident.** Business Associate will promptly upon discovery of such incident report to Covered Entity any Security Incident of which Business Associate becomes aware. Business Associate will treat a Security Incident as being discovered as of the first day on which such incident is known to Business Associate, or by exercising reasonable diligence, would have been known to Business Associate. Business Associate shall be deemed to have knowledge of a Security Incident if such incident is known, or by exercising reasonable diligence would have been known, to any person, other than the person committing the Security Incident, who is an employee, officer or other agent of Business Associate. If any such Security Incident resulted in a disclosure not permitted by this Agreement or Breach of Unsecured PHI, Business Associate will make the report in accordance with the provisions set forth above.
- d. **Mitigation.** Business Associate shall mitigate, to the extent practicable, any harmful effect known to the Business Associate resulting from a use or disclosure in violation of this Agreement.
- e. **Breach Notification to Third Parties.** Business Associate will handle breach notifications to individuals, the United States Department of Health and Human Services Office for Civil Rights, and, where applicable, the media. Should such notification be necessary, Business Associate will ensure that Covered Entity will receive notice of the breach prior to such incident being reported.

7. Term and Termination

Contractor's Initials: WV
Date: 11/2/06

- a. The term of this Agreement shall be effective as of January 1, 2020, or Governor and Executive Council approval, and shall terminate on December 31, 2022 or on the date covered entity terminates for cause as authorized in paragraph (b) of this Section, whichever is sooner.
- b. In addition to general provision #10 of this Agreement the Covered Entity may, as soon as administratively feasible, terminate the Agreement upon Covered Entity's knowledge of a material breach by Business Associate of the Business Associate Agreement set forth herein as Appendix A. Prior to terminating the Agreement, the Covered Entity may provide an opportunity for Business Associate to cure the alleged breach within a reasonable timeframe specified by Covered Entity. If Covered Entity determines that neither termination nor cure is feasible, Covered Entity may report the violation to the Secretary.
- c. Upon termination of this Agreement for any reason, Business Associate, with respect to PHI received from Covered Entity, or created, maintained or received by Business Associate on behalf of Covered Entity, shall:
 - i. Retain only that PHI which is necessary for Business Associate to continue its proper management and administration or to carry out its legal responsibilities;
 - ii. Destroy, in accordance with applicable law and Business Associate's record retention policy that it applies to similar records, the remaining PHI that Business Associate still maintains in any form;
 - iii. Continue to use appropriate safeguards and comply with Subpart C of 45 CFR Part 164 with respect to electronic PHI to prevent use or disclosure of the PHI, other than as provided for in this Section, for as long as Business Associate retains the PHI;
 - iv. Not use or disclose the PHI retained by Business Associate other than for the purposes for which such PHI was retained and subject to the same conditions set out in this Agreement which applied prior to termination; and
 - v. Destroy in accordance with applicable law and Business Associate's record retention policy that it applies to similar records, the PHI retained by Business Associate when it is no longer needed by Business Associate for its proper management and administration or to carry out its legal responsibilities.
- d. The above provisions shall apply to PHI that is in the possession of any Subcontractors of Business Associate. Further Business Associate shall require any such Subcontractor to certify to Business Associate that it has returned or destroyed all such information which could be returned or destroyed.
- e. Business Associate's obligations under this Section 7.c. shall survive the termination or other conclusion of this Agreement.

8. Covered Entity's Responsibilities

- a. Covered Entity shall be responsible for the preparation of its Notice of Privacy Practices ("NPP"). To facilitate this preparation, upon Covered Entity's request, Business Associate will provide Covered Entity with its NPP that Covered Entity may use as the basis for its own NPP.

Contractor's Initials: mm
Date: 11/2/11

Covered Entity will be solely responsible for the review and approval of the content of its NPP, including whether its content accurately reflects Covered Entity's privacy policies and practices, as well as its compliance with the requirements of 45 C.F.R. § 164.520. Unless advance written approval is obtained from Business Associate, Covered Entity shall not create any NPP that imposes obligations on Business Associate that are in addition to or that are inconsistent with the HIPAA Rules.

- b. Covered Entity shall bear full responsibility for distributing its own NPP.
- c. Covered Entity shall notify Business Associate of any change(s) in, or revocation of, permission by an Individual to use or disclose PHI, to the extent that such change(s) may affect Business Associate's use or disclosure of such PHI.

9. Miscellaneous

- a. Definitions and Regulatory References. All terms used, but not otherwise defined herein, shall have the same meaning as those terms in the HIPAA Rules as in effect or as amended.
- b. Amendment. Covered Entity and Business Associate agree to take action to amend the Agreement as is necessary for compliance with the requirements of the HIPAA Rules and any other applicable law.
- c. Business Associate shall make available all of its internal practices, policies and procedures, books, records and agreements relating to its use and disclosure of Protected Health Information to the United States Department of Health and Human Services as necessary, to determine compliance with the HIPAA Rules and with this Appendix A.
- d. Interpretation. The parties agree that any ambiguity in the Agreement shall be interpreted to permit compliance with the HIPAA Rules.
- e. Severability. If any term or condition of this Appendix A or the application thereof to any person(s) or circumstance is held invalid, such invalidity shall not affect other terms or conditions which can be given effect without the invalid term or condition; to this end the terms and conditions of this Appendix A are declared severable.
- f. Survival. Provisions in this Appendix A regarding the use and disclosure of PHI, return or destruction of PHI, confidential communications and restrictions shall survive the termination of the Agreement.

IN WITNESS WHEREOF, the parties hereto have duly executed this Appendix A.
