The amount of such futures contract may be reduced to reflect any amount of home heating oil, kerosene, or liquefied petroleum gas already delivered to and paid for by the consumer.

3. ____ A letter of credit, made payable to the attorney general, from an FDIC-insured institution in an amount that represents 100 percent of the cost to the dealer of the maximum number of gallons that the dealer is committed to deliver pursuant to all prepaid contracts entered into by the dealer. The cost shall be calculated at the time the contracts are entered into.

4. ____ A liquid product inventory of home heating oil, kerosene, or liquefied petroleum gas in an amount equal to 75 percent of the outstanding volume in gallons that the dealer is obligated to deliver under the terms of prepaid contracts in force.
