ROBERT L. QUINN
COMMISSIONER OF SAFETY

September 18, 2019

His Excellency, Governor Christopher T. Sununu
and the Honorable Council
State House
Concord, New Hampshire 03301

Requested Action

Pursuant to RSA 4:8, authorize the Department of Safety, Division of State Police to accept the donation of a Tandem Cargo Trailer with a value of approximately \$14,555.00 from the Defense Logistics Agency to be used by the Division of State Police Special Events Response Team (S.E.R.T). Effective upon Governor and Council approval.

Explanation

The Department of Safety has been given the opportunity to acquire the above mentioned equipment through the 1033 Program property. The 1033 Program is the transfer of surplus military equipment from the Defense Logistics Agency (DLA) to Law Enforcement. Every state has a 1033 Program which was created to reutilize surplus military equipment that would otherwise be destroyed.

State Police S.E.R.T. will use the trailer to secure and store equipment, including but not limited to power tools, generators, hand tools, and other supplies. These items need to be stored, secured, and readily accessible to respond to protest demonstrations that may occur.

Operation Bureau

Sir,

I am requesting the authorization in receiving an 18' foot trailer from the LESO 1033 Program. As you are well aware this is at no cost to the Division. The trailer is brand new and will be used by the New Hampshire State Police SERT Unit to store and transport the following: hand and power tools, generators, storage containers, air tank, shields, training gear, extra SERT riot gear, and other accessories in which it relates to the SERT Unit mission. The current trailer has become too small to store all that is needed.

Respectfully submitted
